Bill No. 31 of 1982

SALES TAX (AMENDMENT) (NO. 2) BILL, 1982
(Published on 19th November, 1982)

MEMORANDUM

A draft of the above Bill, which it is proposed to present to the National Assembly, is set out below.

2. The object of the Bill is to amend the Sales Tax Act to effect a few minor amendments as stated below.

3. Section 4 of the Act provides that the value of the sale of any goods shall be the sum of all the amounts of the consideration accruing to the seller in respect of the sale. Clause 2 of the Bill provides that where there is any dispute or doubt as to the consideration accruing to a seller, then, the value shall be taken to be the price which the goods would fetch on sale in the open market.

4. Clause 3 seeks to amend section 5 of the Act to provide that an importer may apply to the Minister for an extension of time within which to pay the tax on goods imported or to be imported. If the Minister considers such a request reasonable he may direct the Director to allow the importer to pay the tax at the end of the month next succeeding the month in which the goods were imported.

5. Clause 4 provides that sales tax shall not be levied on the sale of goods which are exported from Botswana within 12 months after the date of the sale. The clause also gives the Minister power to make regulations, on the advice of the Director of Customs and Excise, for remitting or repaying the whole or part of the tax payable on goods imported into Botswana for re-export from Botswana.

O.I CHILUME,
Acting Minister of Finance and Development Planning.
