**UGANDA RAILWAY.****REDUCTION OF PASSENGER TRAIN SERVICE.**

OWING to the difficulty that exists in obtaining the stores and material necessary for the maintenance and repairs of locomotives and rolling stock, and to the great importance of conserving as far as possible all stores and supplies, it is found necessary to reduce the present passenger train service of one train each way daily over the Uganda Railway to four trains each way per week from the Coast to Nakuru, and three trains each way weekly between Nakuru and Kisumu. It may also be necessary to reduce the speed of these trains to enable them to take a greater load. This change will take place on and from Monday, 15th October, 1917, and due notice will be given by the Traffic Manager of the timing of the trains and of the days on which they will run on the different sections of the Railway.
