## GENERAL NOTICE No. 79.

## NOTICE.

IT is notified for public information that His Excellency is prepared to receive applications for leases of agricultural land in the Coastal area on special terms and conditions, subject nevertheless to the Crown Lands Ordinance, 1915. In view of the primary importance of land so given out being properly used and developed it is proposed to impose stringent cultivation conditions but to charge no premium. Except in special cases where very large capital is involved, (which will be considered on their merits) such land grants will be subject to the following conditions in substitution for the development conditions imposed by the Crown Lands Ordinance, 1915.

(i) After one year from the date of the lease 1/20 of the Coastal area leased to be put under cultivation each year for five years and each 1/20 to be so maintained.

(ii) Within the subsequent five years a further quarter of the total area leased to be put under cultivation and so maintained.

(iii) Within a further period of five years a further quarter to be put under cultivation and so maintained, and thus  $\frac{3}{4}$  of the total area leased must be put under permanent cultivation within sixteen years from the date of the lease.

The public are particularly warned that they should not make applications unless they are in each case satisfied that taking into account local difficulties as regards labour, etc., they will be in a position to fulfil the conditions under which such leases would be granted.

So far as possible an applicant should apply for a definite area of land in a definite locality, and should enclose a rough sketch in his application.
