1. These Bye-laws may be cited as "Nairobi (Water) Bye-laws, 1924," and shall be read as one with Nairobi Township Rules, 1917.

2. No pipes or fittings connecting with the Corporation water mains, whether situated inside or outside of the Township shall be laid, removed, altered or extended on the property of any consumers until full details of the proposed work and of the materials to be used thereon have been submitted to and approved by the Municipal Engineer, and the scheme for which such work shall have been authorised shall not be put into operation till a certificate of approval of the work has been granted by the Municipal Engineer.

3. No plumber who has not been enrolled by the Corporation as an "Authorised Waterworks Plumber" will be allowed to do any work connected with the supply of water from the Corporation's mains. All plumbers so enrolled must engage themselves to conform to and comply with the Corporation's regulations. Such repairs and renewals exclusive of those within the building may, at the request of the consumer or owner be executed by the Corporation, but all material and labour in connection with same must be paid for, in advance, by the consumer or owner.

The Corporation will not be responsible for water wasted or damage of any kind due to defects on the consumer's side of the stop-cock, or, if there is no stop-cock, of the plot boundary.
