## GOVERNMENT NOTICE No. 99.

THE LOCAL GOVERNMENT (MUNICIPALITIES)  
ORDINANCE, 1928.

## RULES.

IN EXERCISE of the powers conferred upon him by section 15 of the Local Government (Municipalities) Ordinance, 1928, His Excellency the Acting Governor in Council has been pleased to make the following Rules :—

1. These Rules may be cited as “ the European Councillors Election Rules, 1929,” and shall apply to every municipality established under the Local Government (Municipalities) Ordinance, 1928, in every case where elected European councillors or members have been included in the constitution of the Council or Board for such municipality.

2. (1) As soon as possible after elected councillors or members have been included in the constitution of the Council or Board of any municipality, and thereafter once in every three years, by a date to be fixed by the Commissioner for Local Government, the Council or Board shall cause a list to be made of all Europeans who are qualified to be enrolled as voters under these Rules. Such list shall show in alphabetical order the full name, residential address, occupation and nature of the qualification of every voter qualified to vote, and the names on such list shall be numbered in consecutive order : provided that if a municipality has been divided into wards or polling districts such list shall be subdivided into as many parts as there are wards or polling districts within the municipality.

(2) Whenever the boundaries of any municipality have been altered, or whenever the number of wards in a municipality has been increased or decreased or the boundaries thereof altered, the Council or Board, as the case may be, shall, as soon as possible after such alteration, increase or decrease, cause such alterations to be made in the respective voters' rolls as may be necessary to show correctly the particulars of voters resident in the municipality or in each ward, as the case may be.

(3) Whenever any municipality or any ward in a municipality has been divided into polling districts, or any increase, decrease, alteration or adjustment of such districts has been lawfully made, the Council or Board, as the case may be, shall compile from the voters' roll of such municipality or ward a register of voters for each such polling district, consisting of the voters for the municipality or ward who are entitled to vote in such polling district.

3. The registering officer for the purpose of the preparation of voters' rolls under these Rules shall be the Town Clerk, or such other person as the Council or Board, as the case may be, may, with the approval of the Commissioner for Local Government, appoint.

4. Subject to the provisions of these Rules every person shall be entitled upon application to the registering officer in the form prescribed in the First Schedule hereof, to be enrolled in the European voters' roll who is—

- (1) of wholly European origin or descent; and
- (2) of not less than twenty-one years of age; and
- (3) either—
  - (a) is an owner (as defined under the Local Government (Rating) Ordinance, 1928), of property within the municipality of the capital value of not less than one hundred pounds which is rateable under the provisions of the said Ordinance, or
  - (b) (i) has resided in the municipality for twelve months out of the twenty-four months preceding the date of application for enrolment, and either (ii) has been in occupation for a like period of premises in the municipality of an annual value of thirty-six pounds, or more, or
  - (iii) is, at the date aforesaid, and has been for six months out of the preceding twelve months, in receipt of earnings at the rate of not less than ten pounds per month :

Provided that in the municipalities of Nairobi and Mombasa the rate of earnings under paragraph (b) (iii) shall be not less than fifteen pounds per month.

A married woman who is qualified for enrolment under paragraphs (1), (2) and (3) (b) (i) of this Rule shall be entitled to be enrolled notwithstanding that she does not possess either of the qualifications numbered (ii) and (iii) in paragraph 3 (b) provided that her husband is so qualified.

5. Notwithstanding anything in the preceding Rule contained, no person shall be entitled to have his name entered upon a European voters' roll or to vote at any election if such person—

- (a) has been found by a competent court to be of unsound mind; or
- (b) has been convicted of a criminal offence, whether in the Colony or elsewhere, and has been sentenced to imprisonment for a term of not less than twelve months and has not received a free pardon : Provided that such disqualification shall cease two years after the date of the expiration of the sentence; or
- (c) has received relief from any public funds within twelve months prior to the date of his application to have his name entered upon the voters' roll; or
- (d) has been declared bankrupt or insolvent by a competent court, whether in the Colony or elsewhere, and has not received his discharge; or
- (e) is suffering from any disqualification provided by any enactment for the time being in force.

6. No person whose name does not appear on the European voters' roll for the time being in force shall be entitled to vote at any election under these Rules.

7. Where any municipality is divided into wards every person who is enrolled in the European voters' roll in respect of a property qualification shall be entitled to be enrolled once in each ward in which he owns rateable property of the capital value of not less than one hundred pounds; and every person who is enrolled in respect of a residential qualification shall be enrolled in the ward in which he resides :

Provided that no person shall be enrolled in the same ward in respect of both a property and a residential qualification.

8. The registering officer shall cause every voters' roll framed under the provisions of these Rules to be deposited in the municipal offices for inspection by the public, and shall cause to be published in the Gazette and in one or more newspapers (if any) circulating in the municipality a notice that all objections and claims to be enrolled will be heard at some time and place to be therein stated :

Provided that such time shall not be less than fourteen days after the publication of such notice.

9. (1) The first class magistrate having jurisdiction shall hear and determine all claims and objections, and may enrol the names of any persons qualified which have been omitted from the appropriate voters' roll, and shall strike out the names of all persons not entitled to be enrolled :

Provided that the name of any person shall not be struck out until such person shall have had not less than two days' notice of the investigation of his qualification, and such person shall, if he shall so desire, be heard in regard thereto either personally or by an advocate.

(2) The hearing and determination of any claim or objection under this section may be adjourned from time to time, and the decision upon any such claim or objection shall be subject to appeal to a judge in chambers if notice thereof be given by any interested person within two days after the declaration of such decision. The judge in chambers hearing such appeal may uphold or reverse the decision and may make such order as to costs as may seem just.

10. Subject to the provisions of the next succeeding Rule the voters' rolls when so settled and amended shall be the voters' rolls for the municipality until the next voters' rolls shall in like manner be completed; and such voters' rolls shall be deemed to be conclusive and the only proof of the right of every person enrolled therein to vote at the election of members of the Council or Board as the case may be.

11. Any person who is not on the voters' roll in force for the time being in a municipality or particular ward thereof may at any time apply to the registering officer to be enrolled as a voter, and the registering officer upon being satisfied that such person is qualified under these Rules to be so enrolled shall cause the name of such person to be placed on the voters' roll. If the registering officer shall refuse any application under this section the applicant may appeal to the first class magistrate having jurisdiction, and the application shall be disposed of in the manner provided by Rule 9 hereof.

Provided that no person shall be enrolled under this Rule as a voter upon an application made after the date of publication of a notice of any election under Rule 21 until such election shall have been held.

12. Every voters' roll framed or amended under the provisions of this Ordinance shall be deposited at the municipal offices for inspection by the public during office hours.

13. Any person who wilfully makes any false statement on an application to be enrolled upon any voters' roll under these Rules shall be guilty of an offence and shall be liable on conviction to a fine not exceeding twenty-five pounds or to imprisonment of either description for a period not exceeding two months or to both such fine and imprisonment.

14. (1) Subject to any of the disqualifications mentioned in sub-section (2) of this Rule any person who is and who is entitled to be enrolled as a European voter in any municipality shall be eligible for election as a European councillor or member of the Municipal Council or Board, as the case may be, of such municipality.

(2) A person shall be disqualified for election as a European councillor or member of any Municipal Council or Municipal Board if such person—

- (a) is not a British subject; or
- (b) cannot read, write and speak the English language; or
- (c) is, or the wife or husband of such person is, in the employment of, or holds any office or place of profit under or in the gift of, the Council or Board; or
- (d) has been convicted of a criminal offence, whether in the Colony or elsewhere, and has been sentenced to imprisonment for a term of not less than six months and has not received a free pardon :

Provided that the Governor may by order in any particular case remove such disqualification; or

- (e) has received relief from any public funds within twelve months prior to the date of his nomination as a candidate for election.

15. (1) The councillors or members elected at the first election of European councillors or members of the Council or Board of any municipality shall be elected for a period of three years :

Provided that one-third, or as near as may be, shall retire at the expiration of twelve months from the date of such election, and one-third, or as near as may be, at the expiration of twenty-four months from the date of such election :

Provided further that the councillors or members so retiring shall be chosen by ballot by the returning officer at the close of the first election aforesaid, and such councillors or members shall be eligible for re-election.

(2) The European councillors or members elected at every annual election to fill the vacancies caused by the retirement of European councillors or members owing to the expiration of the term of office for which such last-named councillors or members were elected shall continue in office until the day of the third annual election next ensuing.

16. (1) The first election of European councillors or members of any municipality shall take place on a date to be notified by the Commissioner for Local Government in the Gazette.

(2) After the first election of European councillors or members an annual election of European councillors or members shall take place on a date to be notified by the Commissioner for Local Government in the Gazette for the purpose of electing councillors or members to replace an equal number of councillors or members retiring from office.

17. (1) Whenever a vacancy is caused by the death of any elected European councillor or member, or by an elected European councillor or member retiring or vacating his seat (otherwise than by reason of the expiration of his term of office), the Town Clerk shall forthwith notify the Commissioner for Local Government of such vacancy, and an election shall be held, upon such date as may be notified in the Gazette by the Commissioner for Local Government, for the purpose of electing a European councillor or member, as the case may be, to replace the European councillor or member so retiring or vacating his seat.

(2) The European councillor or member elected to fill a vacancy under this section shall hold office for the remainder of the term for which the European councillor or member who has retired or vacated his seat would have been entitled to remain in office.

18. Any elected European councillor or member who ceases to possess the qualifications by these Rules prescribed, or who is a paid agent for any candidate at an election under these Rules, or who becomes disqualified under these Rules shall *ipso facto* vacate his office, and the mayor or chairman, as the case may be, shall at the next meeting of the Council or Board declare the seat of such councillor or member to be vacant, and the Town Clerk shall forthwith notify the Commissioner for Local Government of such vacancy. In any such case such vacancy shall be filled by election in the manner prescribed by the last preceding Rule :

Provided, however, that a European councillor or member whose seat shall have been declared vacant under this Rule may, within fourteen days after the date of such declaration, apply to a judge of the Supreme Court in chambers to have such declaration set aside. Notice of the intention to make such application and the grounds thereof shall be given to the Town Clerk within two days after such declaration. The order of the judge in chambers as to the disqualification or otherwise of the councillor or member shall be final and without appeal.

19. If at any election no person is nominated or elected, or less persons are elected than there are vacancies to be filled, the Town Clerk shall forthwith notify the Commissioner for Local Government of any such vacancy remaining unfilled, and an election shall be held upon a date to be notified by the Commissioner for Local Government in the Gazette for the purpose of electing a European councillor or member to fill such vacancy.

20. The Town Clerk or such other person as the Council or Board, as the case may be, may, with the approval of the Commissioner for Local Government, appoint shall be the returning officer at every election held under these Rules.

21. (1) For the purpose of any election under these Rules the Town Clerk or such other person as may have been appointed as returning officer under the last preceding Rule shall, as soon as may be, cause to be published in the Gazette and in one or more newspapers (if any) circulating in the municipality, and to be posted at such conspicuous places as he shall think fit within the municipality or within the ward or wards in which the election is to be held, a notice of such election, and in such notice he shall specify the day and place on and at which he will receive the nomination of candidates for the seat or seats to be filled by election.

(2) The day so fixed shall be not less than ten nor more than fourteen days from the date of the publication of the notice.

22. (1) On the day and at the place fixed under the last preceding Rule the returning officer shall attend at eleven o'clock in the forenoon and for sixty minutes thereafter and shall receive the nomination of any duly qualified candidate for the seat or seats to be filled.

(2) Every candidate shall be proposed and seconded and shall be supported by not less than seven persons other than the proposer and seconder. The proposer and seconder and supporters shall be persons whose names appear on the appropriate voters' rolls for the municipality or ward, as the case may be, for which the candidate seeks election.

(3) Every nomination paper shall be in the form prescribed in the Second Schedule to these Rules and the signatures of the proposer and seconder and supporters shall be witnessed by a magistrate, justice of the peace or notary public.

(4) Every nomination paper subscribed and witnessed as aforesaid shall be delivered to the returning officer by the candidate or by his proposer or seconder at the time and at the place appointed, and any nomination paper which is not so delivered shall be rejected.

23. (1) Every candidate shall be described in his nomination paper in such manner as in the opinion of the returning officer is calculated sufficiently to identify such candidate. No objection to a nomination paper on the ground of the description of the candidate therein being insufficient, or on the ground that such nomination paper does not comply with the provisions of these Rules, shall be valid unless such objection is made to the returning officer at or immediately after the time of delivery of the nomination paper. The decision of the returning officer as to sufficiency of any nomination paper shall be final.

(2) The returning officer shall permit any candidate and his proposer and seconder to examine the nomination paper of any other candidate.

24. (1) If, at the expiration of the time appointed for the election, the number of duly nominated candidates for any municipality or ward, as the case may be, does not exceed the number of councillors or members to be elected for such municipality or ward, the returning officer shall forthwith declare such candidate or candidates to be elected, and shall report such election to the Commissioner for Local Government who shall cause the election to be published in the Gazette.

(2) If the number of duly nominated candidates exceeds the number of councillors or members to be elected as aforesaid, the returning officer shall forthwith adjourn the election for the purpose of taking a poll and shall report to the Commissioner for Local Government the names of the candidates as described in their nomination papers. Upon receipt of such report the Commissioner for Local Government shall cause to be published in the Gazette and in one or more newspapers (if any) circulating in the municipality, and to be posted at such conspicuous places as he shall think fit within the municipality or within the ward or wards in which a poll is to be taken, a notice specifying—

- (a) the ward or wards (if any) in which a poll will be taken;
- (b) the date on which the poll will be taken, which shall not be less than seven days from the date of the publication of the notice;
- (c) the names of the candidates as described in their respective nomination papers and the names of their proposers and seconders;
- (d) the place or places at which a poll will be taken.

25. If after an election has been adjourned for the purpose of taking a poll, one of the candidates nominated shall die before the poll has commenced, the Commissioner for Local Government shall, upon being satisfied of the fact of such death, countermand notice of the poll, and in such case all the proceedings with reference to the election shall be commenced afresh :

Provided that no fresh nomination shall be necessary in the case of a candidate who stood nominated at the time of the countermand of the poll.

26. If after a poll has been appointed at any election, any candidate nominated for election shall be desirous of retiring from the candidature, he may, not later than three days before the day of polling, sign and deliver a notice of his retirement to the returning officer, who, on receipt of such notice, shall, if the number of candidates is by such retirement reduced to the number of persons to be elected at such election, declare the remaining candidates to be on that date duly elected, and if the said number is not so reduced shall omit the name of the person so retiring from the list of candidates and such person shall not be capable of being elected at such election.

27. (1) The poll at every election shall, unless otherwise ordered by the Commissioner for Local Government, commence at eight o'clock in the forenoon of the day appointed, and shall close at six o'clock in the afternoon of the same day.

(2) Every voter who, on the close of the poll, is present in the polling station for the purpose of voting shall be entitled to receive a ballot paper, and to mark and deposit it in the same manner as if he had voted before the close of the poll.

28 (1) Where the municipality is divided into wards but not into polling districts there shall be one polling station only within each ward.

(2) Where the municipality or wards (if any) of the municipality have been divided into polling districts there shall be one polling station only within each polling district.

(3) Where the municipality has not been divided into either wards or polling districts, there shall be one polling station only within the municipality.

29. The returning officer shall provide such compartments, desks, ballot boxes, ballot papers, stamping instruments, copies of the voters' roll and any other things which may be necessary; he shall appoint presiding officers and polling officers and shall do such other acts and things and make such arrangements to facilitate the taking of the poll as he may deem advisable; and any expenditure necessarily incurred by the returning officer under these Rules shall be met from the funds of the municipality.

30. The presiding officer at each polling station shall keep order thereat, and shall regulate the number of voters to be admitted at one time, and shall exclude all other persons, except the returning officer, the clerks, the candidates, their agents and the police officers on duty.

31. Every candidate may, if he think fit, appoint by writing under his hand a person to represent him at the polling station to see that the votes are fairly taken and may also appoint in writing an agent to represent him at the counting of the votes by the returning officer.

32. (1) No inquiry shall be made at any election as to the right of any person to vote except that the polling officer shall, if the right of any person to vote is challenged, put to such voter the following questions :—

(a) Are you the person whose name appears as AB on the voters' roll of voters in this municipality, ward or polling district, as the case may be?

(b) Have you already voted at this election in the capacity in which you now claim to vote?

And no person who shall refuse to answer such questions, or who shall not answer the first of such questions in the affirmative and the second of such questions in the negative shall be permitted to vote.

(2) Any person who wilfully makes a false answer to either of these questions shall be guilty of an offence and shall be liable on conviction to a fine not exceeding fifty pounds or to imprisonment of either description for a period not exceeding two months, or to both such fine and imprisonment.

33. Every voter coming to record his vote shall vote without undue delay and any voter who delays unduly in recording his vote may, unless he shall forthwith proceed to vote upon being required to do so by the presiding officer, be compelled to hand to the presiding officer any ballot paper which he may have received and may be removed from the polling station upon the instruction of the presiding officer. Such voter shall not be entitled to vote at such election, but such ballot paper shall be treated as a spoiled paper under Rule 37 hereof.

34. (1) If the municipality is not divided into wards, every voter shall be entitled to record one vote in respect of each vacancy to be filled.

(2) If the municipality is divided into wards every voter shall be entitled to record one vote in respect of each vacancy to be filled for the ward or wards in which he is enrolled as a voter.

(3) Any ballot paper shall be invalid upon which is recorded—

(a) votes in excess of the number of councillors or members to be elected for the municipality or ward, as the case may be; or

(b) more than one vote for any one candidate.

35. Every voter shall vote at the polling station appointed for the municipality, ward or polling district, as the case may be, in respect of which his or her name appears upon the voters' roll, and at no other place.

36. The voting at all elections held under these Rules shall be by ballot which shall be conducted in substance and as nearly as is material in the following manner :—

(a) the presiding officer at each polling station shall ascertain that the person coming to vote is a voter enrolled upon the voters' roll for the municipality, ward or polling district, as the case may be, and having ascertained that such person is so enrolled shall enter the number appearing against his name in the voters' roll upon the counterfoil of the ballot paper, and shall tear out the ballot paper corresponding with such counterfoil and mark the same with an official mark either stamped or perforated, and shall then hand such ballot paper to the voter and place a mark against the number of the voter in the voters' roll to denote that such voter has received a ballot paper. Every ballot paper shall be in the form set forth in the Third Schedule to these Rules, and such instructions may be printed thereon as the Council or Board may approve.

Provided that where there is only one polling station within the municipality or ward, as the case may be, the returning officer may divide the voters' roll into separate parts in such manner as may be most convenient, and may appoint such number of additional presiding officers as may be necessary for holding the poll. In every such case each presiding officer shall be responsible for the issue of ballot papers, in the manner prescribed herein, to those persons only whose names appear in the particular part or parts of the divided voters' roll allotted to him by the returning officer.

(b) When the voter has received such ballot paper on which shall be printed in alphabetical order the names of all duly nominated candidates at such election he shall take the same to the compartment and desk provided for that purpose and signify for whom he desires to vote by secretly placing a cross against the name of every candidate whom he wishes

elected, not exceeding the number to be elected at such election. He shall then fold the ballot paper so that the official mark shall be visible and having held up the ballot paper so that the polling officer can recognise such mark shall drop the ballot paper in the ballot box placed in front of the polling officer.

- (c) Should the voter either sign his name on the ballot paper, or any mark or word by which his ballot paper would become recognizable, then such ballot paper shall be considered blank and shall not be taken into account.

37. If a voter inadvertently spoils a ballot paper he may return it to the presiding officer from whom he received it, who shall, if satisfied of such inadvertence, give him another paper and retain the spoiled paper, and the spoiled paper shall be immediately cancelled and the fact of such cancellation shall be entered upon the counterfoil.

38. The presiding officer on the application of any voter who is unable to read or who is incapacitated by blindness or other physical cause from voting in the manner prescribed by these Rules shall, before such agents of the candidates as may be present, cause the vote or votes of such voter to be marked on a ballot paper or papers in a manner directed by such voter and the ballot paper or papers to be placed in the ballot box, and the name and number on the voters' roll of every voter whose vote is marked in pursuance of the terms of this Rule and the reason why it is so marked shall be entered on a list in these Rules called the "list of votes marked by the presiding officer".

39. If a person representing himself to be a particular voter applies for a ballot paper after another person has voted as such voter, the applicant shall, upon duly answering the questions permitted by these Rules to be asked of voters at the time of polling, be entitled to mark a ballot paper in the same manner as any other voter, but the ballot paper (hereinafter called a "tendered ballot paper") shall not be put in the ballot box, but shall be given to the presiding officer and endorsed by him with the name of the voter and his number on the voters' roll and set aside in a separate packet, and shall not be counted by the returning officer, and the name of the voter and his number on the roll shall be entered in a list in these Rules called the "tendered votes' list".

41. Upon receipt of the aforesaid packets from the presiding officers by the returning officer the latter shall take charge of the same and shall in the presence of such of the candidates or their agents as may be in attendance open the ballot boxes and ascertain the result of the poll by counting the votes given to each candidate and shall forthwith declare those candidates, not exceeding the number of vacancies to be filled, who have received the highest number of votes, to be duly elected. In the event of the number of votes being found to be equal for any two or more candidates all of whom cannot be declared elected to fill vacancies in the Council or Board, the returning officer shall by lot immediately determine the election. He shall endorse " returned under Rule 33 " on any ballot papers returned under that Rule.

44. The returning officer shall immediately after the declaration of the poll seal up the voting papers and all other documents relating to the election and shall deliver them to the Town Clerk who shall safely keep such sealed packet for six months, after the expiration whereof the said packet and all papers contained therein shall be destroyed in the presence of two councillors or members.

45. No such sealed packet as aforesaid shall be opened during the said period of six months unless by order of the Supreme Court or any judge thereof, and if any person shall, contrary to the provisions hereof, wilfully break the seal or

46. The Commissioner for Local Government shall have power from time to time to issue instructions for the purpose of more effectually carrying out the provisions of these Rules as to the proceedings for election by ballot provided that such instructions are not inconsistent with such Rules.

47. No election shall be declared invalid by reason of any mistake or non-compliance with the terms of these Rules if it appears to the court having cognizance of the question that the election was conducted in accordance with the principles laid down in these Rules and that such mistake or non-compliance did not affect the result of the election.

## GENERAL NOTICE No. 201.

## DEPARTMENT OF AGRICULTURE.

## LOCUST REPORT TO 14TH FEBRUARY, 1929.

## KERIO PROVINCE.

*Suk-Turkana.*—Hopper destruction is continuing mainly in Northern Turkana.

In the Kerio Valley further search for eggs and hoppers is being made. Up to date no indications have been reported.

*Baringo-Kamasia.*—Swarms have been destroyed at Telam. In this district more flying swarms have been destroyed by ringing with fire at night.

## NORTHERN FRONTIER PROVINCE.

*Meru.*—Hopper swarms were destroyed in Tharaka. All Locust Officers and equipment now withdrawn.

## UKAMBA.

*Kitui.*—Staff and equipment withdrawn. It is reported that no flying swarm has arisen from this district. A number of detached fliers have escaped and joined swarms flying over the district from the east. It is very fortunate that the destruction in this area has been so thorough, as had the hopper infestation come to the flying stage and reinforced the swarms from the east, a very formidable invasion of the Kikuyu country between Nyeri and Nairobi would need to have been faced. The crops in South Nyeri and Fort Hall were damaged, but only to a limited extent.

*Voi.*—Hopper destruction is proceeding at Mbololo, Mgange, Kililunyi, Serengetti-Maktau. The general position regarding hoppers is satisfactory. Pink locusts which have flown into the district have destroyed crops in the lower areas, but the hill locations have so far escaped.

## COAST AREAS.

Hopper destruction ceased and staff being withdrawn from all areas.

## LAIKIPIA.

A report of hoppers near the Sigoria River was investigated and found to be false.

## FLYING SWARMS.

Flying swarms are reported from the Nakuru and Njoro Districts, and there is a report of a swarm from the Plateau moving north-west. In North Kenya there is a heavy infestation, the swarms have a tendency to move south-west towards Thomson's Falls, where there is a heavy infestation.

There are two swarms in the Fort Hall District.

Swarms have moved from the region of Donyo Sabuk along the coffee area and in the native areas towards Ngong, where the swarms now rest. Young coffee has been ring-barked in several places, but on the whole the damage to coffee is slight.

There are flying swarms between Voi and the Coast.

Swarms continue to do damage in Tanganyika. There is no fixed direction of flight of the swarms. Large numbers of large white locust birds are to be observed following the swarms.
