GENERAL NOTICE No. 320.

THE LOCAL GOVERNMENT (MUNICIPALITIES)
ORDINANCE, 1928.

BY-LAWS.

IN EXERCISE of the powers conferred upon them by Section 69 of the Local Government (Municipalities) Ordinance, 1928, the Nairobi Municipal Council has been pleased to make the following By-laws :—

1. These By-laws may be cited as “ The Nairobi Municipality (Muthaiga area) By-laws, 1929 ” and shall be applied to that area described in the Schedule hereto.

2. Throughout these By-laws the following words and expressions shall have the meanings hereinafter set forth respectively, except where the context otherwise requires :—

(1) “ Owner ” shall as regards immovable property include any person other than His Majesty receiving the rent or profits of any lands or premises from any tenant or occupier thereof or who would receive such rent or profits if such land or premises were let whether on his own account or as agent for any person other than His Majesty entitled thereto or interested therein. The term includes any lessee from the Crown holding under a longer tenure than a tenancy from year to year and any superintendent, overseer or manager of such lessee residing on the holding.

(2) “ Occupier ” shall include any person in actual occupation of land or premises without regard to the title under which he occupies and in case of premises sub-divided and let to lodgers or various tenants the person receiving the rent payable by the lodgers or tenants whether on his own account or as an agent for any person entitled thereto or interested therein.

(3) “ Street ” shall mean any highway, road, or sanitary lane and shall include any bridge, footway, square, court, alley or passage whether a thoroughfare or not or a part of one.

(4) “ Width ” applied to a street means the whole extent of space reserved to be used or laid out so as to admit of being used as a public way.

(5) “ Plot ” means an area of land being the subject of a separate lease or conveyance from the Crown, or any portion of such area, not being a sub-plot.

(6) “ Sub-plot means any portion of a plot, such portion being the subject of a separate registered conveyance, assignment or sub-lease, provided that for the purpose of By-laws 6 to 45 hereof (both inclusive) the term “ sub-plot ” shall also extend to and include any portion of a plot being the subject of a separate sub-lease or upon which any self-contained building is erected where such building is let or adapted to be let to a separate tenant.

SERVING OF NOTICES, ETC.

3. With regard to the service of every order or notice which the Town Clerk is authorised to give or issue under these By-laws or any By-laws which may hereafter be made under “ The Local Government (Municipalities) Ordinance, 1928, the following provisions shall apply :—

(1) Such order or notice shall if practicable be served personally upon the person to whom it is addressed by delivering to him a true copy thereof and showing him the original and every person upon whom an order or notice is so served shall sign a receipt therefor upon the original if so required by the serving officer.

(2) When the addressee cannot by the exercise of due diligence be found the order or notice may be served by leaving a true copy thereof with some adult male member of his family or household and the person with whom the same is so left shall if so required by the serving officer, and unless illiterate, sign a receipt therefor on the original order or notice.

(3) If service as above provided for cannot by the exercise of due diligence be effected, the serving officer may (1) affix a copy of the order or notice to some conspicuous part of the house in which the addressee ordinarily resides, or if the order or notice is made in respect of any house, building, premises or area, he may affix a copy of such order or notice on a conspicuous part of the house, building, premises or area, and in addition (2) send a copy of the order or notice by registered letter posted to the addressee's last known place of abode; and thereupon the order or notice shall be deemed to have been duly served.

BUILDING.

4. In construing this part the following words and expressions shall have the meanings hereinafter respectively assigned to them unless the context otherwise requires:—

(1) "Domestic Building" includes any building not being a public building or of the warehouse class, and any portion of a building such portion being used or designed to be used otherwise than for the purposes specified in Clauses (2) and (3) below.

(2) "Public Building" means a building used or constructed or adapted to be used either ordinarily or occasionally as a place of public worship or as a hospital, college, school, theatre, public hall or as a public place of assembly for persons admitted by ticket or otherwise, or used or adapted to be used for any other public purpose.

(3) "Building of the warehouse class" means a warehouse, shop-building, factory, manufactory, brewery or distillery and also any building exceeding in cubical content 150,000 cubic feet which is neither a public building nor a domestic building; and includes a store or godown.

(4) "Foundation" applied to a wall having footings means the solid ground or artificially formed support on which the footings of the wall rest, but in the case of a wall carried by a bressummer, means such bressummer.

(5) "External Wall" means an outer wall or vertical enclosure of a building, and not being a party wall, even though adjoining a wall of another building.

(6) "Party Wall" means:—

(a) A wall being used or constructed to be used in any part thereof for separation of adjoining buildings, occupied or adapted to be occupied by different persons.

(b) A wall forming part of a building and projecting as to any part of its length other than the projection of the footings upon land not being part of the plot or sub-plot upon which such building stands.

(7) "Cross Wall" means a wall used or constructed to be used in any part of its height as an inner wall of a building for separation of one part from another part of the building, that building being wholly in, or being constructed or adapted to be wholly in, one occupation.

(8) "Bressummer" means a wooden beam or a metallic or concrete girder which carries a wall.

5. Any building hereinafter described shall be exempt from the operation of the By-laws numbered 7, 8, 9, 10 hereinafter, that is to say:—

Any building comprising not more than two storeys, each wall of which shall be provided with a proper damp course as required by the By-law in that behalf, and:—

(A) The external walls of which shall be constructed of timber framing composed of timbers not less than 4 in. by 2 in. in section for a one-storey building and 4 in. by 2½ in. for a two-storey building properly framed and covered externally with some impervious fireproof material.

(B) (i) which shall to a height of not less than 12 in. above the surface of the adjoining ground be carried upon either—

(a) sufficient piers, constructed of—

(i) good cement concrete 9 inches wide; or

(ii) good stone, bricks or other hard and suitable materials at least 9 inches wide, properly bonded and solidly put together; or

(b) metal standards of sufficient strength:

(i) Every such pier or standard shall be covered with a metal cap projecting 3 inches at least beyond the face of such pier on every side; or

(ii) the external wall of which shall to a height of not less than 12 inches above the surface of the ground adjoining such wall be constructed of

(a) good cement concrete at least 9 inches wide; or

(b) good stone, bricks or other hard and suitable materials at least 9 inches wide and properly bonded and solidly put together.

(C) The distance of any part of which from the boundary of any adjoining plot or sub-plot shall not be less than 10 feet.

Provided that where any building such as is hereinbefore described forms or is intended to form part of a block of new dwelling houses the dwellings shall be separated by party walls which shall notwithstanding anything hereinbefore contained be constructed in accordance with the requirements of the By-laws in that behalf.

Provided further that a building at and over a height of 12 inches above the surface of the ground adjoining such walls may have all or any of its external walls covered on the outside partly or wholly with combustible material, if such building is at least 60 feet, or in the case of a building of not more than two storeys, at least 40 feet, distant from any part of any other building and from the boundary of any adjoining plot or sub-plot.

SITES OF BUILDINGS.

6. No person shall erect a building on a plot or sub-plot less than one acre in extent or so as to cover more than 10 per cent. of the acreage of the plot, or sub-plot.

7. (i) No buildings shall be erected within the township for purposes other than that of private dwelling houses only and necessary outbuildings suitable for use in connection therewith, and no corrugated iron sheets shall be used for any purposes whatsoever in connection with such buildings and outhouses except only for the purpose of flat roof verandahs.

(ii) The roofs of any such dwelling houses shall be of tiles or shingles only, and for any outbuildings shall be of tiles or shingles, or may be of weatherboarding, or ruberoid.

STRUCTURE OF BUILDINGS.

8. Every person who shall erect a new building shall construct every wall thereof so as to rest upon proper footings.

He shall cause the projection at the widest part of the footing of every wall on each side of such wall to be at least equal to one-half of the thickness of the wall at its base, except where an adjoining wall interferes.

He shall also cause the diminution of the footings to be in regular offsets, or in one offset at the top of the footings, and shall cause the height from the bottom of the footings to the base of the wall to be at least equal to two-thirds of the thickness of the wall at its base.

9. The foundations of the walls of every house or building other than native quarters shall be formed of a bed of good concrete, not less than nine inches thick, and projecting at least four inches on each side of the lowest course of footings of such walls. If the site be upon a natural bed of murram or rock, concrete may be omitted from the foundations of the walls, with the approval of the Town Clerk.

The concrete must be composed of clean gravel, broken hard brick, properly burnt ballast, or other hard material to be approved by the Town Clerk, well mixed with freshly burnt lime or cement in the proportions of at least one of lime to six, and at least one of cement to eight of the other material.

10. Subject to By-law 5 hereof, every wall of a house or building shall have a damp course composed of materials impervious to moisture, to be approved by the Town Clerk, extending throughout its whole thickness at the level of not less than six inches below the level of the lowest floor; provided that this By-law shall not apply to native quarters except where the floor thereof is of timber.

Every cellar and every wall abutting wholly or partly upon earth and being the wall of a room shall be so constructed as to be water-tight.

11. Subject to By-law 5 hereof, every person who shall erect a new building shall cause the external and party walls thereof to be constructed of concrete, good stone or bricks properly bonded and solidly put together.

Provided always that such person may construct any external walls of such building of timber framing subject to compliance with the following conditions :—

- (i) The timber framing shall be properly put together, and the spaces between the timbers shall be filled in completely with stone or other solid and incombustible material.
- (ii) A thickness of at least six inches of stone or other solid and incombustible material shall be placed at the back of every portion of timber and shall be properly bonded to the stonework or other material filling the spaces between the timbers excepting in the case of timber framing in gables properly filled in with stone or other solid and incombustible material.

OPEN SPACES, ETC.

12. The plot of ground at present used as a sport and recreation ground, in extent thirty acres or thereabouts and situate to the north-east of the Muthaiga Country Club is hereby declared an Open Space, and shall not be further built upon except for the erection of club houses, pavilions or other buildings for the purposes of sport or recreation, or for the extension of existing buildings thereon.

VENTILATION.

13. Every person who shall erect a new domestic building shall provide in front of such building an open space which shall be free from any erections thereon above the level of the ground except any portico, porch, step or other like projection from such building or any gate, fence or wall not exceeding 4 feet in height and which measured to the boundary of any lands or premises immediately opposite shall throughout the whole line of frontage of such building extend to a distance of 24 feet at the least; such distance being measured in every case at right angles to the external face of any wall of such building which shall front or abut on such open space. A person who shall make any alteration in or addition to such building shall not by such alteration or addition diminish the extent of open space provided in pursuance of this By-law in connection with such building and no person shall erect any building upon any open space provided under this By-law.

14. Every person who shall erect a new domestic building shall construct the wall in each storey of such building which shall immediately front or abut on such open spaces as, in pursuance of the By-laws in that behalf, shall be provided in connection with such building, a sufficient number of suitable windows, in such a manner and in such a position that each of such windows shall afford effectual means of ventilation by direct communication with the external air.

15. Every person who shall construct a new domestic building shall so construct every floor of a room therein as to be effectually protected against damp. No building shall contain any basement or cellar or any room or part of a room below ground floor level without the special sanction of the Town Clerk, which may be granted subject to such conditions

as to making the same damp-proof, rat-proof and mosquito-proof, and provided with efficient means of preventing flooding from surface water as the Town Clerk may think fit.

16. Every person who shall erect a new domestic building shall construct in every habitable room of such building one glazed window, at the least, opening directly into the external air.

Such person shall cause the total area of such window or, if there be more than one, of the several windows, clear of the frames, to be equal at the least to one-tenth of the floor area of such room. Such person shall also construct every such window so that one-half at the least may be opened, and so that the opening may extend in every case to the top of the window.

A window shall not be deemed to open into the external air, unless the space opposite such window shall for a distance of at least 8 feet from such window measured at right angles from any part thereof, be space which shall be proved to the satisfaction of the Town Clerk to be reserved as an open space; or in the case of a window opening upon an internal open space, unless there shall be opposite such window a space forming a square based upon a line twelve feet in length taken on the same level as the base or underside of such window, and so that the said window shall be in the centre of such line, such space being measured horizontally outwards from such line, which space shall be unobstructed and wholly open to the sky except as hereinafter provided and shall be proved to the satisfaction of the Town Clerk to be reserved as an open space:—

Provided that no internal open space shall be considered as wholly open to the sky if eaves or any other structures project over any side of it to a greater distance than 18 inches.

17. Every person who shall erect a new domestic building shall cause every habitable room of such building which is without a fireplace and a flue, to be provided with adequate means of ventilation to the satisfaction of the Town Clerk.

18. Every person who shall erect a new domestic building shall so construct every room which shall be situated in the lowest storey of such building, and shall be provided with a boarded floor, that there shall be for the purpose of ventilation between the underside of every joist on which such floor may be laid and the upper surface of the ground or of the asphalt or concrete with which such ground is covered, a clear space of nine inches at the least in every part and he shall cause such space to be thoroughly ventilated by means of suitable and efficient ventilators to the satisfaction of the Town Clerk. He shall also cause the surface of the ground beneath any floor to be effectually protected against the lodgment of water thereon.

SIZE AND HEIGHT OF ROOMS.

19. Every room designed for human habitation shall have a superficial area of at least 100 square feet and a mean height of at least 10 feet.

DRAINAGE OF BUILDINGS.

20. A person shall not so construct a building or drain that an open drain shall run beneath a building or any part thereof, provided that nothing herein contained shall be held to apply to an open drain carried under any covered way over a passage, such covered way being 7 feet or more in height at its lowest point. No cesspool shall be constructed under any building.

21. Except as hereinafter mentioned and then only where other means of drainage are impracticable a person shall not construct a drain or a building so that the drain shall pass under the building.

(a) Where a building is supported upon piers or metal standards and so constructed as to satisfy the conditions specified in (B) of By-law 5 hereof and where there is a clear space of at least two feet between the upper surface of the ground and the underside of the floor of such building a drain may be constructed beneath such building, but so that there shall be a distance equal to at least the full diameter of the drain between the top of the drain at the highest point and the surface of the ground under such building.

(b) Where a building has a floor of concrete a drain may be made under such floor subject to the provisions of these By-laws and provided that the length of such drain shall not exceed 18 feet and that such drain shall be open at both ends in such a manner that cleaning rods may be passed thereinto for the purpose of cleaning it out.

22. Such person shall cause such drain to be laid in a direct line for the whole distance beneath such building and if not made in concrete to be completely embedded in and covered with good and solid concrete at least four inches thick all round.

EARTH CLOSET.

23. A person who shall construct an earth closet shall not construct such earth closet within ten feet of any kitchen. He shall construct such earth closet if practicable so as to back on a sanitary lane, and in such manner and in such a position as to afford ready means of access to such earth closet, for the purpose of cleansing such earth closet and of removing filth therefrom, and in such manner and in such position as to admit of all filth being removed from such earth closet, and from the premises to which it may belong, without being carried through any dwelling-house or public building, or any building in which any person may be or which may be intended to be employed in any manufacture, trade or business.

24. Every person who shall construct an earth closet in connection with a building shall provide such earth closet with an opening for light and ventilation of not less than $1\frac{1}{2}$ square feet as near to the top as convenient, and communicating directly with the external air.

25. No person shall construct an earth closet otherwise than in accordance with a standard pattern approved by the Town Clerk or with plans and specifications submitted to and approved by him.

26. Every person who shall construct an earth closet shall construct the seat, if any, of such earth closet, the aperture in such seat and the space beneath such seat, of such dimensions as to admit of a moveable receptacle for filth of a capacity not exceeding 2 cubic feet being placed and fitted beneath such seat and in such a manner and in such a position as may effectually prevent the deposit upon the floor or sides of the space beneath such or elsewhere than in such receptacle of any filth which may from time to time be cast through the aperture in such seat. For this purpose every closet shall be provided with stops to keep the bucket in its correct position beneath the aperture.

GIVING OF NOTICES, DEPOSIT OF PLANS, ETC.

27. Every person who shall intend to erect a building or to alter or to make any addition to a building shall give to the Town Clerk notice in writing in the prescribed form of such intention which shall be delivered or sent to him at his office and shall at the same time deliver or send or cause to be delivered or sent to him in duplicate complete plans and sections of every floor and the front elevation of such intended building, which shall be drawn and coloured on tracing linen to a scale of not less than one inch to every eight feet, and shall show the position, form and dimension of the several parts of such building, alteration or addition and of every closet, and all other appurtenances, and in which the building shall be so described as to show whether it is intended to be used as a dwelling-house or otherwise, and shall furnish any further particulars that the Town Clerk may deem necessary. Any plans deposited in compliance with this By-law shall remain the property of the Nairobi Corporation.

28. Such person shall at the same time deliver or send or cause to be delivered or sent to the Town Clerk in duplicate a description in writing of the materials of which it is intended that such building shall be constructed and of the intended mode of drainage and means of water supply.

29. Such person shall at the same time deliver or send or cause to be delivered or sent to the Town Clerk a coloured block plan of such building or addition which shall be drawn on tracing linen, and shall show the position of the buildings, additions and appurtenances and of the properties immediately adjoining, the width of the streets, if any, in front and at the rear of such building or passages, and the width of all streets and passages abutting on the plot or sub-plot.

30. Such person shall likewise show on such plan the intended lines of drainage of such building and of any public sewer or drain to which such drainage is intended to connect.

31. Such person shall sign such plans and sections or cause the same to be signed by his duly authorised agent.

32. Such plans and sections shall be duly examined by the Nairobi Corporation who, if they consider the same satisfactory, shall signify their approval in writing under the hand of the Town Clerk.

33. In any case where the Nairobi Corporation is satisfied that any building is likely or liable to become objectionable on

sanitary grounds or otherwise in any way, they shall have power to withhold approval of such plan until the applicant shall have entered into such covenants binding him and his successors to do or to refrain from doing any specified acts or things as the Nairobi Corporation may consider necessary to ensure that such building shall not so be or become objectionable and shall if required have procured such covenants endorsed upon his title deeds at his own expense and to the satisfaction of the Nairobi Corporation.

34. No person shall begin to erect any building or execute any such work as is described in By-law 27 until he has given notice of his intention as hereinbefore required to erect such building or execute such work and the Nairobi Corporation have either intimated their approval of such buildings or work or failed to intimate their disapproval thereof within the period hereinafter described in that behalf.

35. Every person who shall erect a building, or execute any work to which any of the By-laws relating to building may apply, shall deliver or send, or cause to be delivered or sent to the Town Clerk, notice in writing, upon such day as the person begins to erect such building or to execute such work.

36. Subject to By-law 12 hereof, if within thirty days of the receipt of any plans or notice or further particulars delivered in accordance with these By-laws the Nairobi Corporation shall fail to intimate to the person submitting such plans their disapproval of the building or work which the said person intends to erect, the person submitting the plans may proceed with such building or work in accordance with the plans, but not so as to contravene any of the provisions of these By-laws or any amendments thereof in force for the time being.

37. Such person shall before proceeding to lay or cover up any foundation footings or any damp proof course of a building, deliver or send, or cause to be delivered or sent to the Town Clerk notice in writing in which shall be specified the date on which such person will proceed to cover up such foundation footings or damp proof course.

38. If such person neglect or refuse to deliver or send any such notice, or to cause such notice to be delivered or sent as aforesaid and if the Town Clerk or other person duly authorised by the Nairobi Corporation on inspecting any work in connection with such building or such other work as aforesaid, finds that such work is so far advanced that he cannot ascertain whether anything required by any By-law relating to buildings has been done or omitted to be done, and if, within a reasonable time after such survey or inspection such person shall by notice in writing under the hand of the Town Clerk or such authorised person be required within a reasonable time which shall be specified in such notice, to cause so much of such work as prevents the Town Clerk or such authorised person from ascertaining whether anything has been done or omitted to be done as aforesaid to be cut into, laid open or pulled down to a sufficient extent to enable the Town Clerk or other authorized person to ascertain whether anything has been done or omitted to be done as aforesaid, such person shall within the time specified in such notice cause such work to be cut into, laid open, or pulled down.

39. If any person who is entitled to proceed with any building or work under By-laws 32 or 36, fails to do so within the period of one year, the notice given by him shall be held to have lapsed and he shall give fresh notice of his intention before proceeding to erect such building or execute such work and that in the manner hereinbefore prescribed; and if any such building or work is not completed within two years from the date when the Nairobi Corporation shall have intimated that the deposited plans have been approved, the person shall in every case submit a fresh application for permission before proceeding further with such building or work.

40. In every case where a person who shall erect a building, or shall execute any other work to which the By-laws relating to buildings may apply, shall at any reasonable time during the progress or after the completion of the laying out or the erection of such building or the execution of such work receive from the Nairobi Corporation notice in writing specifying any matters in respect of which the erection of such building, or the execution of such work may be in contravention of any By-law relating to buildings or may show deviation from the plan thereof as passed by the Nairobi Corporation and requiring such person within a reasonable time which shall be specified in such to cause anything done contrary to any such By-law to be amended or to do anything which by any such By-law may be required to be done, but which has been omitted to be done such person shall, within the time specified in such notice, comply with the several requirements thereof: Provided that nothing contained in this By-law shall be held to affect the liability of such person to prosecution for breach of any of these By-laws.

41. Such person within a reasonable time after the completion of any work which may have been executed in accordance with any such requirements, shall deliver or send, or cause to be delivered or sent to the Town Clerk notice in writing of the completion of such work, and shall, at all reasonable times within a period of seven days after such notice shall have been so delivered or sent afford to any party deriving authority from the Nairobi Corporation free access to such work for the purpose of inspection.

42. Every person who shall erect a building or shall alter a building in regard to any matter as to which a By-law was in force when such building was first erected or shall execute any other work to which any of the By-laws relating to Buildings shall apply, shall at all reasonable times during the erection of such building or the execution of such work, afford to the Medical Officer of health or Sanitary Inspector, or any party deriving authority from the Nairobi Corporation free access to such building or work for the purpose of inspection.

43. Every person who shall erect a building or make any alteration or addition to a building shall, within a reasonable time after the completion of the erection of such building or alteration or addition deliver and send, or cause to be delivered or sent to the Town Clerk at his office, notice in writing of the completion of the erection or alteration of such building, and shall at all reasonable times, within a period of forty-eight hours after such notice shall have been delivered or sent, and before such building shall be occupied, afford to the Town Clerk or any party deriving authority from the Nairobi Corporation free access to every part of such building for the purpose of inspection.

44. A person shall not occupy any new building, or, being the owner thereof, suffer the same to be occupied, until such building shall after examination have been certified by the Town Clerk to be erected in accordance with the approved plans and the By-laws, provided that if within seven days of the receipt of a written request so to certify, the Town Clerk shall fail to intimate his disapproval of the building, the person desiring to occupy may proceed so to occupy the building.

45. Where any building has been erected, no person shall alter such building in such a way that the same as altered, would, if at first so constructed have contravened any of these By-laws, or shall, except with the written permission of the Nairobi Corporation and except upon such terms as he may prescribe, use or (being the owner thereof) suffer such building to be used otherwise than for the purposes specified or indicated in the original application and plans in respect thereof.

IRRIGATION TRENCHES.

46. No person shall on any plot or sub-plot belonging to or occupied by himself construct or suffer to be constructed any trench or channel so as to lead any water outside the boundaries of such plot or sub-plot except with the written permission of the Nairobi Corporation which permission shall in no wise affect the rights of other proprietors.

47. No person shall carry any irrigation trench under any public roadway without the written permission of the Nairobi Corporation and except upon such terms and conditions as may be prescribed by them.

CONVEYANCE, ETC., OF DEAD BODIES.

48. No person shall deposit, or cause to be deposited, any corpse or carcass upon any street or into, or on the banks of, any river, watercourse or drain.

49. No person or persons shall convey or cause to be conveyed any corpse or part of a corpse through any street, public thoroughfare, or place of public resort unless it be decently covered and concealed from public view. No person or persons while conveying a corpse or part of a corpse through the area described in the Schedule shall deposit it or cause it to be deposited in or near any street or public thoroughfare except for the purpose of ordinary relief.

GENERAL NUISANCES.

50. No person shall—

(1) Throw or discharge any stone or other missile in or into any street or place of public resort; or

(2) In any street or place or public resort, or in any place within sight or hearing of the persons then being in such street or place, disturb the peace by quarrelling with any other person, or use or apply to any other person then being in such street or place, or within sight or hearing thereof, any violent, scurrilous, or abusive term of reproach; or

(3) In any street or place of public resort, or in any place within sight or hearing of the persons therein, shall with intention of annoying or irritating any other person, sing any scurrilous or abusive song or words, whether any person be particularly addressed therein or not; or

(4) Be drunk and incapable or drunk and disorderly in any street or public place whether a building or not, or in any licensed premises, or guilty of any violent or indecent behaviour; or

(5) Be guilty of any violent or indecent behaviour in any police office, or station house or lock-up house, or in any building used as a police office, station or lock-up house; or

(6) Commit any nuisance in any street or place of public resort; or

(7) Behave irreverently or indecently in or near any church, chapel or other building appropriated for religious worship; or

(8) Wilfully deface or remove any milestone or board or any public lawful notice or posting-bill from any building or place where such notice or bill may lawfully be affixed, or

(9) Cut, break down, uproot, lop or in any other manner destroy or injure any tree growing in any street or public garden; or

(10) Create any disturbance so as to be an annoyance to any residents or passengers; or

(11) Throw or deposit or cause to be thrown or deposited any dust, refuse, garbage, or any animal or vegetable matter in or upon any unalienated Crown Land or public place except with the written consent of the Land Officer, or in or upon any street or public passage, except with the like consent of the Town Clerk.

HEAVY TRAFFIC.

51. No traction engine or other machine or engine weighing over 6 tons gross weight shall be driven over any road or bridge without a special permit in writing from the Town Clerk which may embody such conditions as the Town Clerk may think fit, and the owner and person or persons in charge of any such engine or machine which shall be so driven without a permit or otherwise than in accordance with any conditions endorsed upon such permit shall each severally be guilty of an offence; and in addition to his liability to prosecution under this By-law, the owner of any such engine or machine driven as aforesaid shall be liable to make good any damage done by such engine or machine to any road, bridge or culvert.

FIREARMS.

52. Every person who within the limits of the area described in the Schedule shall wantonly or recklessly discharge any firearm to the danger of the public shall be guilty of an offence.

POSTING OF BILLS, ETC.

53. No person shall place or post or cause to be placed or posted any bill, sign, notice or advertisement upon any land within the area described in the Schedule without the

written permission of the Town Clerk or otherwise than in strict accordance with any terms or conditions attached to such permission.

54. The Town Clerk may remove without notice and dispose at his discretion, of any hoarding, signboard or similar structure, or any bill, sign, notice or advertisement placed or posted whether before or after the date hereof upon any land within the area described in the Schedule or upon any bridge, tree, fence, pole or other structure or erection situated upon land within the area described in the Schedule without written permission of the Town Clerk or otherwise than in strict accordance with the terms or conditions attached to such permission. No liability shall attach to the Town Clerk in respect of his exercise of the powers conferred upon him by this By-law.

SMOKE.

55. No person shall do any act which shall cause smoke or fumes of any sort so to be emitted as to constitute a nuisance or to be offensive to or injurious to the health of any person.

BURNING OF RUBBISH, ETC.

56. No person shall make or cause to be made a fire in the open air in such a manner as to endanger the safety of any building. No person shall, without first obtaining permission in writing from the Town Clerk, burn, or cause to be burnt in the open air, whether on private property or not, any rubbish, wood, straw, or other material, provided, however, that a quantity of rubbish not exceeding 50 cubic feet may be burnt in the open air between the hours of 10 a.m. and 6 p.m. without obtaining such permission if due precautions are taken, and no nuisance is caused thereby.

PENALTIES, ETC.

57. Any person who shall contravene or fail to comply with any of the provisions of, or shall be guilty of an offence against any of these By-laws, shall be liable on conviction to a fine not exceeding Shillings four hundred, and in default of payment to imprisonment of either kind for a period not exceeding two months.

58. Any person who shall fail to comply with the requisition of any notice served under these By-laws or under any By-laws that may be issued under the "Local Government (Municipalities) Ordinance, 1928" within the time specified by such notice, shall be guilty of an offence and shall be liable to a fine not exceeding Shs. 30 for every day in which he shall be in default, and in default of such payment to imprisonment of either kind to a period not exceeding two months.

59. If any person shall fail to comply with any notice served under these By-laws or under any By-laws that may be issued under the "Local Government (Municipalities) Ordinance, 1928", the Town Clerk may cause the work or thing required by such notice to be done, and may recover

before a Magistrate from the person in default the expenses incurred thereby.

60. The Muthaiga Township Rules are hereby revoked.

By Order of the Nairobi Municipal Council.

GENERAL NOTICE No. 1367.

THE CROWN LANDS ORDINANCE.
(Cap. 140, Revised Edition of the Laws of Kenya).

AUCTION OF FARMS.

THE grants of the farms specified in the Schedule hereto, will, subject to the provisions of the Crown Lands Ordinance (Chapter 140 of the Revised Laws of Kenya), be offered for sale at the Railway Club, Nairobi, commencing at 10 a.m., on Monday, the 25th March, 1929. Plans of the farms may be seen at the Public Map Office, Survey and Registration Department, Nairobi, or may be had on application to the Survey General on payment of Shs. 3, post free, in respect of each plan required.

The right to withdrawn any farm from the auction is reserved to the Commissioner for Local Government, Lands and Settlement.

CONDITIONS OF SALE.

1. Each farm will be auctioned separately.
2. These farms are in the Highlands, and purchase will therefore be confined to Europeans only (or their accredited agents), in conformity with the decision of His Majesty's Government.
3. The highest bidder will be the purchaser, and if any dispute arise as to any bidding, the farm will be put up again at the last undisputed bid.
4. The amount of the advance of each will be regulated by the auctioneer, and no bid shall be retracted.
5. Each purchaser shall pay to the auctioneer, immediately on the fall of the hammer, a deposit of 10% of his purchase money, and should the same be tendered by cheque such cheque must be accompanied by a Banker's guarantee. In default of such payment the farm may be immediately re-offered for sale, and any subsequent bid by the person who has made default may be ignored or refused.
6. The balance of the purchase money may be paid in full to the Surveyor General on or before the 1st April, 1929, or may be paid in nine equal annual instalments payable on the 1st day of January in each year, the 1st instalment being payable on the 1st January, 1930, and the purchaser

shall inform the Surveyor General on or before the 1st April, 1929, which method of payment he desires to adopt.

7. If the purchaser shall have elected to pay the balance of the purchase money by instalments no assignment of the land granted or any part shall be valid until the whole of the purchase money shall have been paid.

8. The rent due to the 31st day of December, 1929, the survey fees and the fees payable for the preparation (90/-), and registration (20/-) of the grant, and the stamp duty payable (approximately 2% *ad valorem*) in respect of the grant and, if the purchaser shall have elected to pay the balance of the purchase money in full, the balance of the purchase money, shall be paid to the Surveyor General at the Survey and Registration Department, Nairobi, on or before the 1st April, 1929, and upon such payments being duly made, the purchaser shall, subject to the provisions of the Crown Lands Ordinance (Chapter 140, Revised Edition of the Laws of Kenya), and, if the conditions of sale have been complied with, be entitled to a grant of the farm, which grant will be presented to him duly executed as soon as conveniently may be.

9. If the payments mentioned in Condition No. 8 are not made on or before the 1st April, 1929, the Commissioner for Local Government, Lands and Settlement may order that the deposit paid by the purchaser be forfeited to the Government, and in such case the purchaser shall have no further claim to a grant of the farm.

10. The grants will be under the provisions of the Crown Lands Ordinance (Chapter 140 of the Revised Edition of the Laws of Kenya), and the Registration of Titles Ordinance (Chapter 142 of the Revised Edition of the Laws of Kenya), and will be for 999 years commencing from the 1st day of April, 1929. Rent will be payable from that date.

Nairobi.

The 7th day of December, 1928.

W. M. LOGAN,
Acting Commissioner for Local Government,
Lands and Settlement.
