OBJECTS AND REASONS.

This Bill repeals the Traders Licensing Ordinance and substitutes a new and more comprehensive scale of licences for traders, and also introduces a scale of licences for professional men.

With a few minor divergencies it follows the scheme proposed to the Alternative Revenue Proposals Committee.

Hawkers are dealt with under clause 5. The specific exemptions from the operation of the Bill are shown in clause 6, and other general exemption provisions are contained in clause 4 (5) and (7), clause 6 (2) and clause 8 (5) and (6).

For the current year provision is made for a set-off of half the amount of any licence taken out under the Traders Licensing Ordinance.

It is not possible at the moment to estimate the expenditure of public funds involved, but it will not be great.

A Bill to make Provision for the Levy of a Non-Native Poll Tax at the Rate Graduated According to the Taxpayer's Income.

3. A deduction shall be allowed in respect of the official emoluments of the Governor, or members of the permanent consular services of foreign countries, and of persons in the permanent service of the Imperial Government or a Dominion Government.

4. No deduction in ascertaining the taxable income shall be allowed in respect of—

- (a) domestic or private expenses;
- (b) any disbursements or expenses not being money wholly and exclusively laid or expended for the purpose of acquiring the income;
- (c) any capital withdrawn or any sum employed or intended to be employed as capital;
- (d) any capital employed in improvements;
- (e) any sum recoverable under an insurance or contract of indemnity;
- (f) rent of or cost of repairs to any premises or part of premises not paid or incurred for the purpose of producing the income;
- (g) reserves for bad debts;
- (h) salary drawn as leave pay during absence from the Colony.

OBJECTS AND REASONS.

The Bill imposes a poll tax on all resident non-natives other than persons under the age of eighteen, persons on a temporary visit to the Colony and women who have not taxable incomes of £180 or more a year.

The tax is arrived at by taking the total income, deducting therefrom the deductions and exemptions permissible under the rules contained in the Second Schedule, and ascertaining the appropriate tax on such residue of income by reference to the table in Clause 7.

That scale of charge is the same as that recommended to the Alternative Revenue Proposals Committee, except that, as suggested by the Secretary of State, a heavier rate of tax is imposed on taxable incomes exceeding £2,500 per annum.

Tax is due in 1933 in two equal instalments on or before 30th September and 30th November respectively. In 1934 the whole tax is due on or before 30th June.

The obligation is on the taxpayer to make a return in a simple form and to pay the tax by the due date. Failure to do so entails an automatic penalty of 20 per cent of the tax due.

A collector may challenge a return, call for further information, and arbitrarily assess a taxpayer.

Persons coming or returning to the Colony, and persons attaining the age of eighteen pay within a month of the date of their coming or returning to the Colony or attaining that age.

Tax is payable each year in respect of the income of the preceding year.

An appeal from any assessment lies to the Supreme Court, but tax claimed and penalty, if any, must be deposited before appeal.

Powers of remission either of tax or of penalty are conferred in Clauses 18 and 23.

For the year 1933 a set-off of poll tax is allowed if the poll tax receipt is surrendered to a collector.

The measure is expected to produce a revenue of £70,000 in a full year.

No estimate of the expenditure involved is yet possible, for such expenditure necessarily depends on the degree of intensity of the administrative and supervisory check which is found necessary.

Some additional staff at headquarters and at such centres as Nairobi, Mombasa and Kisumu will be immediately necessary.

A plan showing the position of the site may be seen at the offices of the District Commissioner, Nairobi, and the Surveyor General, Nairobi, or may be obtained from the Surveyor General for the sum of Sh. 3, post free.

Tenders should be submitted as follows:—

- (1) (a) For the grant of the plot without the buildings.
- (b) For the purchase of the existing buildings.
- (c) For the grant of the plot and existing buildings.

(2) For the grant of the plot, in the event of the buildings not being required in any case.

(3) For the purchase of the buildings only.

2. In the event of the successful tenderer for the purchase of the buildings not being the successful tenderer for the grant of the plot, it will be necessary for the whole of the buildings including the foundations to be demolished and removed from the plot within a period of three months from the date of acceptance of the tender, and the period of the grant of the plot will commence as from the first of the month following the clearance of the site or from the 1st day of January, 1934, whichever is the later.

3. The successful tenderer for the purchase of the buildings shall pay to the District Commissioner, Nairobi, a deposit of 25 per cent of the amount tendered within seven days of the date of notification to him of the acceptance of his tender and the balance shall be paid within 31 days of the date of notification referred to above. In default of either of such payments the acceptance of the tender will be cancelled and any moneys paid will be forfeited. Possession of the buildings shall not be taken until the full purchase price has been paid.

4. The successful tenderer for the grant of the plot shall pay to the District Commissioner, Nairobi, a deposit of 25 per cent of the amount tendered within seven days of the date of acceptance of the tender. In default of such payment the acceptance of the tender will be cancelled and any moneys paid in respect thereof will be forfeited.

5. In the event of the successful tender being a combined tender in respect of the grant of the plot and the purchase of the buildings, the amount due in respect of the buildings shall be payable as provided in condition 3 above, and the period of the grant of the plot will commence as from the 1st September, 1933.

6. The balance of the purchase money for the grant of the plot shall be paid to the District Commissioner, Nairobi, within thirty-one days from the date of the acceptance of the tender.

Provided that the balance of the purchase money shall not be payable within the time stated or thereafter, unless and until the Commissioner of Lands can present to the purchaser the grant of the plot duly executed.

The rent due to the 31st day of December, 1934, shall be payable to the District Commissioner, Nairobi, within seven days of the request therefor.

The survey fees (Sh. 80), the fees payable for the preparation and registration of the grant (Sh. 120) and the stamp duty payable in respect of the grant shall be payable to the Surveyor General, Nairobi: these amounts to be paid within seven days from the date of the acceptance of the tender.

7. Subject to the proviso contained in condition No. 6, if the amounts mentioned are not paid as therein specified, the Commissioner of Lands may order the deposit made by the purchaser to be forfeited and the purchaser shall have no further claim to a grant of the plot.

8. The purchaser of the plot shall within twelve months of the commencement of his grant submit to the Town Clerk, Nairobi, a plan of the building it is proposed to erect upon the Fifth Avenue frontage of the plot. The purchaser shall also submit to the Town Clerk, plans of all alterations or new buildings to be constructed on the remainder of the plot. Such plans shall conform in architectural design to the amenities of the neighbourhood. The buildings shall be constructed of stone, burnt brick or concrete, on proper foundations. The purchaser when submitting the plans shall state in writing the period in which the proposed building shall be completely erected.

The buildings to be erected on the plot must be of not less than 2 stories in height, and must be of a value of not less than cents 90 per cubic foot of building content.

The Commissioner of Lands or such other person as he may appoint for the purpose, shall within one month of the approval of the plans by the Nairobi Municipal Council, notify the purchaser of his approval or otherwise of the plans, and shall also notify the date by which such buildings shall be erected. If the erection of the buildings in accordance with the approved plans and specifications be not completed by the prescribed date, the said Commissioner may, on good and reasonable cause being shown, grant such extension as he may deem sufficient, subject to such conditions as he may prescribe. Provided that if the purchaser shall receive no intimation from the Commissioner within one month of the date on which the plans have been approved by the Nairobi Municipal Council, he may proceed with the erection of the building in accordance with the plans submitted, and the Commissioner shall not have power to cause to be made any alteration or variation in the plan or the date.

9. Subject to the proviso contained in clause 8 hereof, no building shall be erected on the plot unless plans (including a block plan showing the position of the buildings), drawings, elevations and specifications thereof shall have been previously approved by the Commissioner of Lands or such other person as he may appoint. Such plans, etc., shall be submitted in triplicate to the Town Clerk, Nairobi, for necessary action.

10. The grantee shall not at any time subdivide the plot, or assign any such subdivision without the consent in writing of the Governor.

11. At no time during the term of the grant shall the plot or any portion thereof or any building erected on the plot be used for the purpose of carrying on any trade or business which has been or may be declared to be dangerous or offensive by notice in the Official Gazette.

12. Verandas may be erected within a road reserve with the previous consent of the Municipal Council and must conform to a building line decided upon by them.

13. The term of the grant will be 99 years commencing as set out in Clause 2 or Clause 5.

14. Under the provisions of section 60 (b) of the Crown Lands Ordinance the grantee will be re-

quired to pay Municipal rates upon the whole of the rateable interest and Government's contribution in lieu of rates assessed on the plot. A clause will, therefore, be embodied in the grant providing for the necessary adjustment between the grantee and Government.

15. Tenders should be submitted in sealed envelopes to reach the Commissioner for Local Government, Lands and Settlement, the Secretariat, Nairobi, not later than 12 noon on Thursday the 24th day of August, 1933, and should be endorsed "Tender in respect of Plot No. 1297, Nairobi."
