6. The Local Government (Municipalities) (Amendment) Ordinance, 1932, is hereby repealed.

Repeal.  
No. 31 of 1932.

### OBJECTS AND REASONS.

The object of this Bill is to make certain amendments to the Principal Ordinance and more particularly to that portion of the Ordinance which empowers a municipal council or board to grant exclusive licences for the conduct of omnibus services within a municipality.

*Clause 2.*—The reason for this clause is that the election date for municipal councillors is the first working day in June, whereas the candidates then elected do not take their seats until 30th June.

*Clause 3.*—At the present time the chairman of a municipal board is the District Commissioner. It is proposed to provide that the members of a municipal board may elect their own chairman except in the case of the Municipal Board of Mombasa of which the District Commissioner shall continue to be chairman.

*Clause 4* prohibits a councillor from acting as auditor to the council of which he is a member, either himself or through any person in whom he is directly financially interested.

*Clause 5.*—This clause replaces sub-section (34A) of section 52 of the Principal Ordinance which sub-section was enacted last year for the purpose of allowing a municipal council to grant exclusive licences for the conduct of omnibus services and to prohibit persons or companies other than an exclusive licensee from conducting such services. It is considered that that sub-section as it stands does not sufficiently safeguard the interests of the public, and it is therefore proposed that in sanctioning a proposal for the exercise by a municipal council of the powers of prohibition contemplated, the Governor should be empowered to place some limit upon the period of prohibition. This suggestion has been given effect to in this Bill, and, among other alterations that are made in the sub-section, provision has been made for the period of prohibition to be extended from time to time subject to the Governor's approval.

It also makes further provision empowering a council to run a by-products plant and to purchase animals for conversion into by-products, and to expend money on services, whether within or without the municipality in order to improve the amenity of the municipality.

The amendments have the approval of the Standing Committee for Local Government.

No expenditure of public moneys will be involved if the provisions of this Bill become law.

Interpreta-  
tion.

The definition of "money-lender" in section 2 of the Principal Ordinance which it is proposed to amend—

2. (1) In this Ordinance, unless the context otherwise requires—

"money-lender" includes every person whose business is that of money-lending or who advertises or announces himself or holds himself out in any way as carrying on that business, but shall not include—

- (a) any pawnbroker in respect of business carried on by him in accordance with the provisions of any Ordinance for the time being in force in relation to pawnbrokers, or
- (b) any person bona fide carrying on the business of banking or insurance or lending money on mortgage or bona fide carrying on any business not having for its primary object the lending of money, in the course of which and for the purposes whereof he lends money;

## GOVERNMENT NOTICE NO. 474

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council.

H. E. BADER,  
*Acting Clerk of the Legislative Council.*

**A Bill to Amend the Money-lenders  
Ordinance, 1932.**

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows :—

1. This Ordinance may be cited as “ the Money-lenders (Amendment) Ordinance, 1933,” and shall be read as one with the Money-lenders Ordinance, 1932, hereinafter referred to as “ the Principal Ordinance ”.

Short title.

No. 45 of 1932.

2. Section 2 of the Principal Ordinance is hereby amended by the deletion of the word “ mortgage ” which occurs in the definition of “ money-lender ”, and the substitution therefor of the words “ chattels transfer, or on mortgage or charge of immovable property ”.

Amendment of  
section 2 of the  
Principal  
Ordinance.

**OBJECTS AND REASONS.**

Under the Principal Ordinance a person lending money on mortgage is excluded from the definition of money-lender and as such does not come within the provisions of this Ordinance. It is now desired that a person lending money on chattels transfers and charges under the Registration of Titles Ordinance should be similarly treated, and this Bill makes the necessary amendment.

No expenditure of public moneys will be involved if the provisions of this Bill become law.

Section 11 of the Principal Ordinance which it is proposed to amend—

Courts in

be instituted.

“ 11. Every suit shall be instituted in the court of the lowest grade competent to try it, provided that where there are more subordinate courts than one with jurisdiction in the same district competent to try it, a suit may, if the party instituting the suit or his advocate certifies that he believes that a point of law is involved or that any other good and sufficient reason exists, be instituted in any one of such subordinate courts: Provided that if a suit is instituted in a court other than a court of the lowest grade competent to try it, the magistrate holding such court shall return the plaint for presentation in the court of the lowest grade competent to try it if in his opinion there is no point of law involved or no other good and sufficient reason for instituting the suit in his court: Provided further that nothing in this section contained shall be deemed to limit or affect the power of the Supreme Court to direct the distribution of business where there is more than one subordinate court in the same district :

Amendment of  
section 11 of the  
Principal  
Ordinance.

And provided further that any suit may be instituted in the Supreme Court which could have been commenced in a subordinate court, then and in every such case the following provisions shall apply :—

Subject to the proviso hereinafter contained, should the plaintiff recover a sum less than Sh. 400 he shall not be entitled to any costs, and if he shall recover a sum of Sh. 400 or upwards, but not exceeding Sh. 1,500, he shall not be entitled to any more costs than he would have been entitled to if the suit had been brought in such subordinate court : Provided that in any suit a judge of the Supreme Court may, if satisfied that there was good reason for bringing such suit in that court, make such order as to costs as to him may seem just."

Section 50 of the Principal Ordinance which it is proposed to replace :—

Proceeds of execution to be rateably distributed among decree holders.

50. (1) Where assets are held by a Court and more persons than one have, before the receipt of such assets, made application to the Court for the execution of decrees for the payment of money passed against the same judgment-debtor and have not obtained satisfaction thereof, the assets, after deducting the costs of realization, shall be rateably distributed among all such persons :

Provided as follows :—

- (a) where any property is sold subject to a mortgage or charge, the mortgagee or incumbrancer shall not be entitled to share in any surplus arising from such sale ;
- (b) where any property liable to be sold in execution of a decree is subject to a mortgage or charge, the Court may, with the consent of the mortgagee or incumbrancer, order that the property be sold free from the mortgage or charge, giving to the mortgagee or incumbrancer the same interest in the proceeds of the sale as he had in the property sold ;
- (c) where any immovable property is sold in execution of a decree ordering its sale for the discharge of an incumbrance thereon, the proceeds of the sale shall be applied—

3. Section 50 of the Principal Ordinance is hereby repealed and the following is substituted therefor :—

Repeal and  
replacement  
of section 50  
of the  
Principal  
Ordinance.

“ 50. (2) Every application for execution of a decree shall, at the time of lodgment, be endorsed by the court, or by a duly authorized officer of the court, with a note of the day upon which and the hour at which such lodgment has been effected.

(3) Nothing in this section shall affect any right of the Government.”

first, in defraying the expenses of the sale;  
secondly, in discharging the amount due  
under the decree;

thirdly, in discharging the interest and  
principal monies due on subsequent incumbrances  
if any; and

fourthly, rateably among the holders of  
decrees for the payment of money against the  
judgment-debtor who have prior to the sale of  
the property applied to the Court which passed  
the decree ordering such sale for execution of  
such decrees, and have not obtained satisfaction  
thereof.

(2) Where all or any of the assets liable to be rateably  
distributed under this section are paid to a person not entitled  
to receive the same, any person so entitled may sue such  
person to compel him to refund the assets.

(3) Nothing in this section affects any right of the Gov-  
ernment.

## OBJECTS AND REASONS.

The object of this Bill is to amend the Principal Ordinance in certain respects.

*Clause 2.*—By section 11 of the Principal Ordinance it is provided that any suit may be instituted in the Supreme Court which could have been commenced in a subordinate court subject to the provision that should the plaintiff recover a sum less than Sh. 400 he shall not be entitled to any costs, and if he shall recover a sum of Sh. 400 or upwards, but not exceeding Sh. 1,500, he shall not be entitled to any more costs than he would have been entitled to if the suit had been brought in such subordinate court. The maximum amount, i.e. Sh. 1,500 for which costs may be allowed in the same way if the suit had been brought in subordinate courts is the limit of jurisdiction of a subordinate court of the first class in non-native cases. In native cases, however, the limit of jurisdiction of such court is Sh. 3,000. The object of this clause is therefore to allow costs under the subordinate court scales up to Sh. 3,000 in native cases.

*Clause 3.*—After many years of experience in the Colony of the principle of *pro rata* distribution of assets following the Indian practice, the Rules Committee appointed under the Principal Ordinance is of opinion that the principle of *pro rata* distribution is opposed to the English principle whereby a judgment creditor may reap the fruits of his energy, and it is proposed that the principle of *pro rata* distribution should be terminated, and the English practice substituted.

No expenditure of public moneys will be involved if the provisions of this Bill become law.

provided that every such claim shall be made in writing and shall be received by the Crown Agents not later than the thirty-first day of December, 1932, or within six months from the date upon which such officer first became a depositor to the said fund, whichever shall be the later date.

(b) Every such claim for exemption shall take effect from the date upon which the officer first became a depositor to the said fund and the amount of any contributions which he shall have made under this Ordinance since that date shall be refunded to him without interest.

(c) As from the date upon which any such claim to exemption shall take effect the officer by whom the claim was made shall be deemed, in respect of all rights arising from his contributions made under this Ordinance prior to that date, to be subject to the provisions of sections 26, 27 and 28 of this Ordinance to the same extent as if he had left the East African Service on that date.

(d) For the purposes of this sub-section an officer who had previously been a depositor in the said fund and had ceased to be a depositor but who again becomes a depositor by reason of his re-appointment to the service of the High Commissioner for Transport shall have the same rights as though the date upon which he again becomes a depositor were the date upon which he became a depositor for the first time.

(e) Save as provided in sub-section (4) of section 3 of this Ordinance an officer who has claimed exemption under this sub-section may not subsequently become a contributor under this Ordinance unless he marries and gives notice to the Government not later than three months after the date of his marriage that he desires so to become a contributor, and satisfies the Governor, by submitting to such medical examination as the Governor may require, or otherwise, that he is in good health :

Provided that in the application of this sub-section to an officer who was married before the date when this Ordinance comes into operation, that date shall be deemed to be the date of his marriage.

## OBJECTS AND REASONS.

The object of this Bill is to clear away a difficulty that has arisen in regard to the contributions to the Widows and Orphans Pension Scheme to be made by officers of a common service in East Africa. Under the Principal Ordinance each Government can demand only a sum proportionate to the sum which it contributes towards an officer's salary, but, as neither Egypt nor the Sudan is an East African Government within the meaning of the Principal Ordinance, no contribution can be demanded by them in respect of the portion of the salary paid by them to an officer, say, of the East African Meteorological Service.

It is considered that the best course would be to proceed by way of an arrangement whereby the staff of a common service in East Africa should be regarded for the purposes of the East African Widows and Orphans Pension Scheme as members of the service of a particular Dependency.

This Bill makes the necessary provision.

No additional expenditure of public moneys will be involved if the provisions of this Bill become law.

---

Section 3 of the Principal Ordinance which it is proposed to amend :—

Tax on  
payments for  
admission to  
entertain-  
ments.

3. There shall as from the first day of January, 1932, be charged, levied and paid on all payments for admission to any entertainment as defined by this Ordinance a tax at the following rate :—

Where the payment, excluding the amount of the tax—	Sh. cts.
is one shilling ... ..	0 15
exceeds one shilling and does not exceed two shillings ... ..	0 25
exceeds two shillings and does not exceed four shillings ... ..	0 50
exceeds four shillings and does not exceed eight shillings ... ..	1 00
exceeds eight shillings : Sh. 1 for the first eight shillings and 50 cents for each additional four shillings or part thereof.	

Section 8 of the Principal Ordinance which it is proposed to replace :—

Exemption  
of certain  
forms of  
entertain-  
ments.

8. Entertainments tax shall not be charged on payments for admission to any entertainment where the Treasurer is satisfied—

- (a) that the whole of the takings are devoted to philanthropic or charitable purposes without any charge on the takings for any expenses of the entertainment ; or
- (b) that the entertainment is of a wholly educational character (any question as to whether an entertainment is of a wholly educational character or not shall be referred to the Director of Education, whose decision on the point shall be final) ; or
- (c) that the entertainment is provided for scientific purposes by a society, institution or committee not conducted or established for profit ; or
- (d) that the entertainment is an agricultural, horticultural or poultry exhibition held under the auspices of a society or association approved by the Director of Agriculture ; or

## GOVERNMENT NOTICE NO. 477

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council.

H. E. BADER,

*Acting Clerk of the Legislative Council.*

**A Bill to Amend the Entertainments Tax Ordinance, 1931.**

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows :—

1. This Ordinance may be cited as “ the Entertainments Tax (Amendment) Ordinance, 1933,” and shall be read as one with the Entertainments Tax Ordinance, 1931, hereinafter referred to as “ the Principal Ordinance.”

Short title.

No. 56 of 1931.

2. Section 3 of the Principal Ordinance is hereby amended by the deletion of the words “ is one shilling ” which appear in the seventh line thereof and the substitution therefor of the following words “ is not less than seventy-five cents and does not exceed one shilling.”

Amendment of section 3 of the Principal Ordinance.

3. Section 8 of the Principal Ordinance is hereby repealed and the following substituted therefor :—

Repeal and replacement of section 8 of the Principal Ordinance.

“ 8. Entertainments tax shall not be charged on payments for admission to any entertainment where the Treasurer is satisfied—

Exemption of certain forms of entertainment.

- (a) that the whole of the net proceeds are devoted to philanthropic or charitable purposes; or
- (b) that the entertainment is of a wholly educational character (any question as to whether an entertainment is of a wholly educational character or not shall be referred to the Director of Education, whose decision on the point shall be final); or
- (c) that the entertainment is provided for artistic, literary or scientific purposes by a society, institution or committee not conducted or established for profit; or
- (d) that the entertainment is an agricultural, horticultural or poultry exhibition held under the auspices of a society or association approved by the Director of Agriculture; or

- (e) (i) that the entertainment is provided by and on behalf of a school or other educational institution; and
- (ii) that the school or institution is not conducted or established for profit; and
- (iii) that the entertainment is provided solely for the purpose of promoting some object in connexion with the school or institution; and
- (iv) that all the persons taking part as performers in the entertainment are persons who are under the age of sixteen years and who are receiving or have received instruction in the school or institution.

When the Treasurer is satisfied that the whole of the net proceeds of an entertainment are devoted to philanthropic or charitable purposes, and that the whole of the expenses of the entertainment do not exceed twenty per cent of the receipts, he shall repay to the proprietor the amount of the entertainments tax paid in respect of the entertainment.

- (e) (i) that the entertainment is provided by or on behalf of a school or other educational institution; and
- (ii) that the school or institution is not conducted or established for profit; and
- (iii) that the entertainment is provided solely for the purpose of promoting some object in connexion with the school or institution."

#### OBJECTS AND REASONS.

This Bill makes two amendments to the Principal Ordinance.

At present entertainment tax is not payable if the price of admission is less than one shilling. Since the enactment of the Ordinance the practice has sprung up of charging 99 cents admission, and it is estimated that about £800 revenue is lost each year in consequence.

Clause 2 remedies this state of affairs, by making tax payable on a charge for admission of 75 cents or over.

Clause 3 amends section 8 of the Principal Ordinance to give the Treasurer more latitude to exempt from payment of tax entertainments for charitable, educational, scientific and agricultural entertainments.

No expenditure of public moneys will be involved if the provisions of this Bill become law.

Subject to the proviso contained in clause 8 hereof, no building shall be erected on the plot unless plans (including a block plan showing the position of the buildings), drawings, elevations and specifications thereof shall have been previously approved by the Commissioner of Lands or such other person as he may appoint. Such plans, etc., shall be submitted in triplicate to the Town Clerk, Nairobi, for necessary action.

10. The grantee shall not at any time subdivide the plot, or assign any such subdivision without the consent in writing of the Governor.

11. At no time during the term of the grant shall the plot or any portion thereof or any building erected on the plot be used for the purpose of carrying on any trade or business which has been or may be declared to be dangerous or offensive by notice in the Official Gazette.

#### GENERAL NOTICE NO. 995

##### DEPARTMENT OF AGRICULTURE.

##### RABIES PROGRESS REPORT, 18TH JULY, 1933.

THE existence of rabies, particularly in the Lumbwa district continues to cause anxiety.

Another case has been confirmed by the Veterinary Research Laboratory from specimens taken from a jackal destroyed at Chemagel (Sotik) on the 5th instant. The animal was first sighted by natives in the neighbourhood and was chased by them to the Chemagel Police Station where it was destroyed by Askaris, assisted by two dogs owned by Europeans. It would appear that the jackal had travelled some considerable distance, but from what direction it was impossible to determine. The two dogs concerned were later destroyed and apparently no one was bitten.

A suspicious case of rabies (not yet confirmed) occurred in a dog belonging to a European, near Lumbwa. The dog was observed to behave in a peculiar manner, became aggressive and was destroyed by the owner on the 8th instant, because of its suspicious behaviour. It would appear that about six weeks previously the dog was engaged in a fight with a jackal, and was bitten before killing the jackal.

Baiting continues in the Belgut and Buret Native Reserves, the Lumbwa, Masai, Kisii borders and parts of the South and Central Kavirondo Reserves.

Chief Veterinary Officer.*

## GENERAL NOTICE NO. 784

**THE CROWN LANDS ORDINANCE**  
(Chapter 140 of the Revised Edition).

**SALE OF BUSINESS PLOTS—NAIROBI MUNICIPALITY.**  
**NOTICE.**

NOTICE is hereby given that grants in respect of the plots in the Nairobi Municipality specified in the Schedule hereto will be sold by auction at the Railway Club, Nairobi, on Thursday the 17th August, 1933, commencing at 10 a.m.

Plans of the plots may be seen at the Public Map Office attached to the Survey and Registration Department, Nairobi, and at the office of the District Commissioner at Nairobi, or may be had on application to the Surveyor General, on payment of Sh. 3, post free.

The right to withdraw any plot from the auction is reserved to the Commissioner of Lands.

**CONDITIONS OF SALE.**

1. Each plot will be auctioned separately.
2. The amount of the advance of each bid will be regulated by the auctioneer, and no bidding shall be retracted.
3. The highest bidder will be the purchaser, but if any dispute arise as to any bid, the plot will be reoffered at the last undisputed bid.
4. Each purchaser shall pay to the auctioneer immediately on the fall of the hammer, a deposit of 25 per cent of the purchase money. In default of such payment, the plot may be immediately reoffered for sale, and any subsequent bid by the person who has made default may be ignored or refused.
5. Each purchaser shall on paying the deposit inform the auctioneer of the name or names of the person or persons on whose behalf the plot is purchased; the grant will be issued in accordance with this information.
6. The balance of the purchase money shall be paid to the District Commissioner, Nairobi, and may be paid in full within seven days from the date of the sale or may be paid in three equal annual instalments payable on the first day of January in each year, the first of such instalments to be paid on the first day of January, 1934.

If the purchaser elects to pay the balance of the purchase price by instalments he shall also pay interest at the rate of 6 per cent per annum, from the 1st day of September, 1933, on the unpaid portion of the purchase money, such interest to be paid on the 1st day of January, 1934, and subsequently on the 1st day of January in each year, in respect of the immediately preceding period.

Unless such instalments and the interest on the unpaid portion of the purchase money is paid on the date on which it falls due they shall be deemed to be added to the annual rent reserved in the lease and shall be payable and recoverable as such.

Provided that the balance of the purchase money shall not be payable within the time stated or thereafter, unless and until the Commissioner of Lands can present to the purchaser the grant of the plot duly executed.

The rent due to the 31st day of December, 1933, shall be payable to the District Commissioner, Nairobi, within seven days of the date of the sale.

The survey fees, the fees payable for the preparation and registration of the grant (Sh. 120) and the stamp duty payable in respect of the grant shall be payable to the Surveyor General, Nairobi: these amounts to be paid within seven days from the date of the sale.

7. Subject to the proviso contained in Condition No. 6, if the amounts mentioned are not paid as therein specified, the Commissioner of Lands may order the deposit made by the purchaser to be forfeited, and the purchaser shall have no further claim to a grant of the plot.

8. Each purchaser shall within twelve months of the commencement of his grant submit to the Town Clerk, Nairobi, a plan of the buildings it is proposed to erect upon the plot, and such plan shall conform in architectural design to the amenities of the neighbourhood. The building shall be constructed of stone, burnt brick or concrete on proper foundations. The purchaser when submitting the plan shall state in writing the period in which the proposed building shall be completely erected.

The Commissioner of Lands or such person as he may appoint for the purpose shall, within one month of the approval of the plan by the Nairobi Municipal Council, notify the purchaser of his approval or otherwise of the plan, and shall also notify the date by which such building shall be erected. If the erection of the building in accordance with the approved plans and specifications be not completed by the prescribed date, the said Commissioner may, on good and reasonable cause being shown, grant such extension as he may deem sufficient, subject to such conditions as he may prescribe. Provided that if the purchaser shall receive no intimation from the Commissioner within one month of the date on which the plans have been approved by the Nairobi Municipal Council, he may proceed with the erection of the building in accordance with the plan submitted, and the Commissioner shall not have power to cause to be made any alteration or variation in the plan or the date.

9. Subject to the proviso contained in Clause 8 hereof, no building shall be erected on any plot unless plans (including a block plan showing the position of the buildings), drawings, elevations and specifications thereof shall have been previously approved by the Commissioner of Lands or such other person as he may appoint. Such plans, etc., shall be submitted in triplicate to the Town Clerk, Nairobi, for necessary action.

10. The grantee shall not at any time subdivide the plot, or assign any such subdivision without the consent in writing of the Governor.

11. At no time during the term of the grant shall any plot or any portion thereof or any building erected on the plot be used for the purpose of carrying on any trade or business which has been or may be declared to be dangerous or offensive by notice in the Official Gazette.

12. Verandas may be erected within a road reserve with the previous consent of the Municipal Council and must conform to a building line decided upon by them.

13. The term of each grant will be 99 years from the first day of September, 1933.

14. Under the provisions of section 60 (b) of the Crown Lands Ordinance, grantees will be required to pay Municipal rates upon the whole of the rateable interest and Government's contribution in lieu of rates assessed on these plots. A clause will, therefore, be embodied in each grant providing for the necessary adjustment between the grantee and Government.

15. The cost of the construction of tar grouted macadam roads, murrum sidewalks and main sewers to the Municipal Council's specification is included in the upset prices of those plots which are not served by constructed roads. The construction of these roads and sewers will be undertaken with-

out additional charge to the purchasers when, in the opinion of the Municipal Council, the work is required.

*Special Building Condition Applicable to Plots  
Nos. 1294, 1295, 1296 and 909.*

The buildings to be erected on these plots must be of not less than two stories in height, and must be of a value of not less than cents 90 per cubic foot of building content.
