## GOVERNMENT NOTICE No 322

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council

R W BAKER-BEALL,  
*Acting Clerk of the Legislative Council*

### A Bill to Amend the Police Ordinance, 1930

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows —

**1** This Ordinance may be cited as the Police (Amendment) Ordinance, 1936, and shall be read as one with the Police Ordinance, 1930, hereinafter referred to as the Principal Ordinance Short title  
No 64 of 1930

**2** Sub-section (1) of section 37 of the Principal Ordinance, as amended by the Police (Amendment) Ordinance, 1934, is hereby repealed and the following sub-section is substituted therefor — Amendment of  
section 37 of  
the Principal  
Ordinance  
No 44 of 1934

‘ (1) Any magistrate, justice of the peace or police officer of or above the rank of assistant sub-inspector may take or cause to be taken in his presence, for the purposes of record and identification, finger prints of any person in lawful custody. The Governor may by notice specify the form upon which such finger prints shall be taken, and the magistrate, justice of the peace, or police officer as aforesaid who takes or causes to be taken such finger prints shall certify on such form that such finger prints have been taken by him or caused to be taken in his presence as the case may be in accordance with the directions contained in such form and that the particulars entered on such form are to the best of his knowledge and belief accurate and true

Provided that if the finger prints are taken of a person who has not previously been convicted of crime, and such person is discharged or acquitted by a court, all such finger prints and the photographs, if any, both negatives and copies, of such finger prints shall be forthwith destroyed or handed over to such person ”

### OBJECTS AND REASONS

At present only police officers are authorized to take finger prints of persons in lawful custody. It is considered necessary to make provision for the taking of finger prints in Native Reserves where the regular police do not operate. Accordingly this Bill has been prepared with the object of empowering administrative officers and justices of the peace to take or cause finger prints to be taken in their presence.

No expenditure of public moneys will be involved if the provisions of this Bill become law.

## PART I

### REGISTRATION OF FOREIGN JUDGMENTS

**3** (1) The Governor, if he is satisfied that in the event of the benefits conferred by this Part of this Ordinance being extended to judgments given in superior courts of any foreign country substantial reciprocity of treatment will be assured as respects the enforcement in that foreign country of judgments given in the superior courts of the Colony, may by Proclamation direct—

Power to  
extend Part I  
of Ordinance  
to foreign  
countries  
giving  
reciprocal  
treatment

(a) that this Part of this Ordinance shall extend to that foreign country, and

(b) that such courts of that foreign country as are specified in the Proclamation shall be deemed to be superior courts of that country for the purposes of this Part of this Ordinance

(2) Any judgment of a superior court of a foreign country to which this Part of this Ordinance extends, other than a judgment of such a court given on appeal from a court which is not a superior court, shall be a judgment to which this Part of this Ordinance applies, if—

(a) it is final and conclusive as between the parties thereto, and

(b) there is payable thereunder a sum of money, not being a sum payable in respect of taxes or other charges of a like nature or in respect of a fine or other penalty, and

(c) it is given after the coming into operation of the Proclamation directing that this Part of this Ordinance shall extend to that foreign country

(3) For the purposes of this section a judgment shall be deemed to be final and conclusive notwithstanding that an appeal may be pending against it, or that it may still be subject to appeal, in the courts of the country of the original court

(4) The Governor may, by a subsequent Proclamation vary or revoke any Proclamation previously made under this section

Application  
for, and effect  
of, registration  
of foreign  
judgment

**4** (1) A person, being a judgment-creditor under a judgment to which this Part of this Ordinance applies, may apply to the Supreme Court at any time within six years after the date of the judgment, or, where there have been proceedings by way of appeal against the judgment, after the date of the last judgment given in those proceedings, to have the judgment registered in the Supreme Court, and on any such application the court shall, subject to proof of the prescribed matters and to the other provisions of this Ordinance, order the judgment to be registered

Provided that a judgment shall not be registered if at the date of the application—

(a) it has been wholly satisfied, or

(b) it could not be enforced by execution in the country of the original court

(2) Subject to the provisions of this Ordinance with respect to the setting aside of registration—

(a) a registered judgment shall, for the purposes of execution, be of the same force and effect, and

(b) proceedings may be taken on a registered judgment, and

(c) the sum for which a judgment is registered shall carry interest, and

(d) the registering court shall have the same control over the execution of a registered judgment,

as if the judgment had been a judgment originally given in the registering court and entered on the date of registration

Provided that execution shall not issue on the judgment so long as, under this Part of this Ordinance and the Rules made thereunder, it is competent for any party to make an application to have the registration of the judgment set aside, or, where such an application is made, until after the application has been finally determined

(3) Where the sum payable under a judgment which is to be registered is expressed in a currency other than the currency of the Colony, the judgment shall be registered as if it were a judgment for such sum in the currency of the Colony as, on the basis of the rate of exchange prevailing at the date of the judgment of the original court is equivalent to the sum so payable

(4) If, at the date of the application for registration, the judgment of the original court has been partly satisfied, the judgment shall not be registered in respect of the whole sum payable under the judgment of the original court, but only in respect of the balance remaining payable at that date

(5) If, on an application for the registration of a judgment, it appears to the registering court that the judgment is in respect of different matters and that some, but not all, of the provisions of the judgment are such that if those provisions had been contained in separate judgments those judgments could properly have been registered, the judgment may be registered in respect of the provisions aforesaid but not in respect of any other provisions contained therein

(6) In addition to the sum of money payable under the judgment of the original court, including any interest which by the law of the country of the original court becomes due under the judgment up to the time of registration, the judgment shall be registered for the reasonable costs of and incidental to registration including the costs of obtaining a certified copy of the judgment from the original court

**5** (1) The power to make Rules under section 83 of the Rules Civil Procedure Ordinance, 1924, shall, subject to the provisions of this section, include power to make Rules for the following purposes—

- (a) for making provision with respect to the giving of security for costs by persons applying for the registration of judgments,
- (b) for prescribing the matters to be proved on an application for the registration of a judgment and for regulating the mode of proving those matters,

- (c) for providing for the service on the judgment-debtor of notice of the registration of a judgment,
- (d) for making provision with respect to the fixing of the period within which an application may be made to have the registration of the judgment set aside and with respect to the extension of the period so fixed,
- (e) for prescribing the method by which any question arising under this Ordinance whether a foreign judgment can be enforced by execution in the country of the original court, or what interest is payable under a foreign judgment under the law of the original court, is to be determined,
- (f) for prescribing any matter which under this Part of this Ordinance is to be prescribed

(2) Rules made for the purposes of this Part of this Ordinance shall be expressed to have, and shall have, effect subject to any such provisions contained in Proclamations made under section 3 of this Ordinance as are declared by the said Proclamations to be necessary for giving effect to agreements made between His Majesty and foreign countries in relation to matters with respect to which there is power to make Rules for the purposes of this Part of this Ordinance

Cases in which registered judgments must, or may, be set aside

**6** (1) On an application in that behalf duly made by any party against whom a registered judgment may be enforced, the registration of the judgment—

(a) shall be set aside if the registering court is satisfied—

- (i) that the judgment is not a judgment to which this Part of this Ordinance applies or was registered in contravention of the foregoing provisions of this Ordinance, or
- (ii) that the courts of the country of the original court had no jurisdiction in the circumstances of the case, or
- (iii) that the judgment-debtor, being the defendant in the proceedings in the original court, did not (notwithstanding that process may have been duly served on him in accordance with the law of the country of the original court) receive notice of those proceedings in sufficient time to enable him to defend the proceedings and did not appeal, or
- (iv) that the judgment was obtained by fraud, or

- (v) that the enforcement of the judgment would be contrary to public policy in the country of the registering court, or
  - (vi) that the rights under the judgment are not vested in the person by whom the application for registration was made,
- (b) may be set aside if the registering court is satisfied that the matter in dispute in the proceedings in the original court had previously to the date of the judgment in the original court been the subject of a final and conclusive judgment by a court having jurisdiction in the matter
- (2) For the purposes of this section the courts of the country of the original court shall, subject to the provisions of sub-section (3) of this section, be deemed to have had jurisdiction—
- (a) in the case of a judgment given in an action in personam—
- (i) if the judgment-debtor, being a defendant in the original court, submitted to the jurisdiction of that court by voluntarily appearing in the proceedings otherwise than for the purpose of protecting, or obtaining the release of, property seized, or threatened with seizure, in the proceedings or of contesting the jurisdiction of that court, or
  - (ii) if the judgment-debtor was plaintiff in, or counter-claimed in, the proceedings in the original court, or
  - (iii) if the judgment-debtor, being a defendant in the original court, had before the commencement of the proceedings agreed, in respect of the subject-matter of the proceedings, to submit to the jurisdiction of that court or of the courts of the country of that court, or
  - (iv) if the judgment-debtor, being a defendant in the original court, was at the time when the proceedings were instituted resident in, or being a body corporate had its principal place of business in, the country of that court, or
  - (v) if the judgment-debtor, being a defendant in the original court, had an office or place of business in the country of that court and the

proceedings in that court were in respect of a transaction effected through or at that office or place,

(b) in the case of a judgment given in an action of which the subject-matter was immovable property or in an action *in rem* of which the subject-matter was movable property, if the property in question was at the time of the proceedings in the original court situate in the country of that court,

(c) in the case of a judgment given in an action other than any such action as is mentioned in paragraph (a) or paragraph (b) of this sub-section, if the jurisdiction of the original court is recognized by the law of the registering court

(3) Notwithstanding anything in sub-section (2) of this section contained, the courts of the country of the original court shall not be deemed to have had jurisdiction—

(a) if the subject-matter of the proceedings was immovable property outside the country of the original court, or

(b) except in the cases mentioned in sub-paragraphs (i), (ii) and (iii) of paragraph (a) and in paragraph (c) of sub-section (2) of this section, if the bringing of the proceedings in the original court was contrary to an agreement under which the dispute in question was to be settled otherwise than by proceedings in the courts of the country of that court, or

(c) if the judgment-debtor, being a defendant in the original proceedings, was a person who under the rules of public international law was entitled to immunity from the jurisdiction of the courts of the country of the original court and did not submit to the jurisdiction of that court

Powers of  
registering  
court on  
application  
to set aside  
registration

**7** (1) If, on an application to set aside the registration of a judgment, the applicant satisfies the registering court either that an appeal is pending, or that he is entitled and intends to appeal, against the judgment, the court, if it thinks fit, may, on such terms as it may think just, either set aside the registration or adjourn the application to set aside the registration until after the expiration of such period as appears to the court to be reasonably sufficient to enable the applicant to take the necessary steps to have the appeal disposed of by the competent tribunal

(2) Where the registration of a judgment is set aside under the last foregoing sub-section, or solely for the reason that the judgment was not at the date of the application for registration enforceable by execution in the country of the original court, the setting aside of the registration shall not prejudice a further application to register the judgment when the appeal has been disposed of or if and when the judgment becomes enforceable by execution in that country, as the case may be

(3) Where the registration of a judgment is set aside solely for the reason that the judgment, notwithstanding that it had at the date of the application for registration being partly satisfied, was registered for the whole sum payable thereunder, the registering court shall, on the application of the judgment-creditor, order judgment to be registered for the balance remaining payable at that date

**8** No proceedings for the recovery of a sum payable under a foreign judgment, being a judgment to which this Part of this Ordinance applies, other than proceedings by way of registration of the judgment, shall be entertained by any court in the Colony

Foreign judgments which can be registered not to be enforceable otherwise

**9** (1) The Governor may by Proclamation direct that this Part of this Ordinance shall apply to His Majesty's dominions outside the Colony and to judgments obtained in the courts of the said dominions as it applies to foreign countries and judgments obtained in the courts of foreign countries, and, in the event of the Governor so directing, this Ordinance shall have effect accordingly and Part I of the Extension and Reciprocal Enforcement of Judgments Ordinance shall cease to have effect except in relation to those parts of the said dominions to which it extends at the date of the Proclamation

Power to apply Part I of Ordinance to British dominions, protectorates and mandated territories

Cap 16

(2) If at any time after the Governor has directed as aforesaid a Proclamation is made under section 3 of this Ordinance extending Part I of this Ordinance to any part of His Majesty's dominions outside the Colony to which the said Part I of the Extension and Reciprocal Enforcement of Judgments Ordinance extends as aforesaid, the said Part I of the Extension and Reciprocal Enforcement of Judgments Ordinance shall cease to have effect in relation to that part of His Majesty's dominions except as regards judgments obtained before the date of the Proclamation

Cap 16

(3) References in this section to His Majesty's dominions outside the Colony shall be construed as including references to any British protectorate or protected state and to any territory in respect of which a mandate on behalf of the League of Nations has been accepted by His Majesty

## PART II

### MISCELLANEOUS AND GENERAL

General effect  
of certain  
foreign  
judgments

**10** (1) Subject to the provisions of this section, a judgment to which Part I of this Ordinance applies or would have applied if a sum of money had been payable thereunder, whether it can be registered or not, and whether, if it can be registered, it is registered or not, shall be recognized in any court in the Colony as conclusive between the parties thereto in all proceedings founded on the same cause of action and may be relied on by way of defence or counter-claim in any such proceedings

(2) This section shall not apply in the case of any judgment—

(a) where the judgment has been registered and the registration thereof has been set aside on some ground other than—

(i) that a sum of money was not payable under the judgment, or

(ii) that the judgment had been wholly or partly satisfied, or

(iii) that at the date of the application the judgment could not be enforced by execution in the country of the original court, or

(b) where the judgment has not been registered, it is shown (whether it could have been registered or not) that if it had been registered the registration thereof would have been set aside on an application for that purpose on some ground other than one of the grounds specified in paragraph (a) of this sub-section

(3) Nothing in this section shall be taken to prevent any court in the Colony recognizing any judgment as conclusive of any matter of law or fact decided therein if that judgment would have been so recognized before the commencement of this Ordinance

**11** (1) If it appears to the Governor that the treatment in respect of recognition and enforcement accorded by the courts of any foreign country to judgments given in the superior courts of the Colony is substantially less favourable than that accorded by the courts of the Colony to judgments of the superior courts of that country, the Governor may by Proclamation apply this section to that country

Power to make  
foreign  
judgments  
unenforceable  
in the Colony  
if no  
reciprocity

(2) Except in so far as the Governor may by Proclamation under this section otherwise direct, no proceedings shall be entertained in any court in the Colony for the recovery of any sum alleged to be payable under a judgment given in a court of a country to which this section applies

(3) The Governor may, by a subsequent Proclamation, vary or revoke any Proclamation previously made under this section

**12** Where a judgment under which a sum of money is payable, not being a sum payable in respect of taxes or other charges of a like nature or in respect of a fine or other penalty, has been entered in the Supreme Court against any person and the judgment-creditor is desirous of enforcing the judgment in a country or territory to which Part I of this Ordinance applies, the court shall, on an application made by the judgment-creditor and on payment of such fee as may be prescribed for the purposes of this section issue to the judgment-creditor a certified copy of the judgment, together with a certificate containing such particulars with respect to the action, including the causes of action, and the rate of interest, if any, payable on the sum payable under the judgment, as may be prescribed

Issue of  
certificates  
of judgments  
obtained in  
the Colony

Provided that, where execution of a judgment is stayed for any period pending an appeal or for any other reason, an application shall not be made under this section with respect to the judgment until the expiration of that period

#### OBJECTS AND REASONS

The object of this Bill is to provide for the enforcement in the Colony of judgments given in foreign countries which accord reciprocal treatment to judgments given in the Colony, and for facilitating the enforcement in foreign countries of judgments given in the Colony

Provision is made in clause 9 of the Bill for the application of Part I of the Bill to dominions, colonies, protectorates and mandated territories, and to judgments obtained in courts of those territories, in the same manner as that Part applies to foreign countries and to judgments obtained in the courts of those countries

The Bill follows closely the provisions of the Foreign Judgments (Reciprocal Enforcement) Act, 1933, of the Imperial Parliament which was passed to give effect to the recommendations of a Committee which was appointed by the Lord Chancellor in 1931

No expenditure of public moneys will be involved if the provisions of this Bill become law.
