1 The Government of Kenya having complied with the requirements of the Colonial Stock Act, 1900, trustees are authorized to invest in this Stock, subject to the restrictions set forth in the Trustee Act, 1925

2 The proceeds of the loan will be applied to the provision of additional capital for the Land and Agricultural Bank and for re-loan to the Nairobi Municipality for the purposes of the Water Supply Scheme

3 The loan and the interest thereon, the property of persons not resident in Kenya, will not be subject to any taxes, duties or levies by the Government of the Colony

As regards United Kingdom Income Tax, liability depends on individual circumstances, the practice being to pay without deduction of tax dividends issued from Nairobi to local allottees and with deduction of tax dividends issued from London to local allottees, unless in the latter case exemption has been obtained and notification received by the Crown Agents for the Colonies, London, from the Inspector of Foreign and Colonial Dividends. Forms for use in claiming exemption may be obtained from the Treasury, Nairobi

4 THE GOVERNMENT OF KENYA invite applications for £200,000 stock as stated above. The stock will be issued under the provisions of the General Loan and Incribed Stock Ordinance of Kenya and will be inscribed in London in accordance with the provisions of the Colonial Stock Act, 1877

5 The loan is secured on the general revenues and assets of the Government of Kenya and the principal will be repaid at par on the 1st October, 1961, but the Government of Kenya will have the option of redemption in whole or in part, by drawings or otherwise, at par at any time on or after the 1st October, 1956, on giving three months' notice by advertisement in the London Gazette and in The Times or by post to the then stockholders

at their registered addresses. A sinking fund will be formed in England for the redemption of the loan under the management of the Crown Agents, who are appointed Trustees. Half-yearly contributions at the rate of not less than one per cent per annum will be commenced on or before the 1st October, 1939. These contributions may be increased and will only be discontinued if and when the Trustees are satisfied that no further contributions will be required to ensure the repayment of the loan at the final date.

6 Interest will be payable half-yearly on the 1st April and 1st October by dividend warrants, which will be forwarded by post at the stockholder's risk, either to the stockholder, or to any other person, bank, or firm named by him within Kenya or the United Kingdom. Principal and interest will be payable at the office of the Crown Agents for the Colonies, London. The first interest payment of £1/10/0 per cent will be made on the 1st April, 1937.

7 The Stock will be transferable at the Crown Agents' Transfer Office, Lloyds Bank Buildings, 55/61 Moorgate, E C 2, without charge. Stamp duty will be paid by the Colonial Government.

8 Applications, which must be accompanied by a deposit of £5 per cent, will be received at the Treasury, Nairobi. Subsequent payments are to be made at the Treasury, Nairobi, not later than the dates above-mentioned.

9 In the case of partial allotment, the balance of the amount paid on application will be applied towards the payment of the first instalment. If there should be a surplus after making that payment such surplus will be refunded.

10 Applications must be for £100 stock or a multiple of £100.

11 Payments may be made in full after allotment but no discount will be allowed.

12 Interest at four per cent per annum will be charged on instalments in arrear, and non-payment of any instalment at its due date will render the deposit and instalments previously paid liable to forfeiture and the allotment to cancellation.

13 Letters of Allotment may be inscribed in the books of the Stock at any time after payment in full.

14 The revenues of Kenya alone are liable in respect of the above stock and the dividends thereon, and the Consolidated Fund of the United Kingdom and the Commissioners of His Majesty's Treasury are not directly or indirectly liable or responsible for the payment of the stock or of the dividends thereon, or for any matter relating thereto (Act 40 and 41, Vict, c 69).
