Section 69 (42) of the Principal Ordinance which it is proposed to amend —

Power to make  
by-laws

69 The Council may from time to time make, alter and revoke by-laws in respect of all such matters as are necessary or desirable for the maintenance of the health, safety and well-being of the inhabitants or for the good rule and government of the municipality, and more especially for all or any of the following purposes —

(42) For prohibiting or restricting, notwithstanding any provision of any law relating to traffic, the use of specified classes of vehicles in certain streets or areas within the municipality,

# Colony and Protectorate of Kenya

GOVERNMENT NOTICE No 567

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council

R W BAKER-BEALL,  
*Acting Clerk of the Legislative Council*

## **A Bill to Amend the Local Government (Municipalities) Ordinance, 1928.**

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows —

**1.** This Ordinance may be cited as the Local Government (Municipalities) (Amendment) Ordinance, 1936, and shall be read as one with the Local Government (Municipalities) Ordinance, 1928, hereinafter referred to as the Principal Ordinance

Short title

No 19 of 1928

**2** Section 69 of the Principal Ordinance is hereby amended by the addition after sub-section (42) of the following sub-section —

Amendment of  
section 69  
of the  
Principal  
Ordinance

“(42)A For fixing starting places for motor vehicles carrying for hire or reward passengers departing to or arriving from any place outside the limits of the municipality and for prescribing the routes along which such vehicles may travel ”

## OBJECTS AND REASONS

The present position with regard to omnibuses plying wholly within the municipality is that they must use certain routes prescribed by the municipality and none other. It is desired to apply this principle to omnibuses which ply primarily outside the municipality, but which enter and leave the municipality for the purpose of dropping and picking up passengers, and the provisions contained in Clause 2 of this Bill give the Municipal Council power to make by-laws to effect this object.

No expenditure of public moneys will be involved if the provisions of this Bill become law.

## GOVERNMENT NOTICE No 568

HIS Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council

R W BAKER-BEALL,  
*Acting Clerk of the Legislative Council*

**A Bill to Establish a Savings Bank**

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows —

**Short title  
and com-  
mencement**

**1** This Ordinance may be cited as the Savings Bank Ordinance, 1936, and shall come into operation on the first day of January, 1937

**Interpretation**

**2** In this Ordinance, unless the context otherwise requires, "revenue" of the Savings Bank does not include moneys received on deposit

**Appointment  
of Savings  
Bank  
Cap 95**

**3** The Savings Bank established by the Post Office Savings Bank Ordinance and subsisting at the time when this Ordinance comes into operation shall be deemed to be constituted and appointed under this Ordinance

**Savings Bank  
to be under  
control of  
Postmaster  
General**

**4** Subject to the provisions of section 12 of this Ordinance the Savings Bank shall be under the management and control of the Postmaster General who may, subject to the provisions of this Ordinance and any rules made thereunder, take such steps as may be desirable for the encouragement of thrift, for the proper management of the Savings Bank, and otherwise for the promotion of the objects and purposes of this Ordinance

**Establishment  
and closure of  
branch savings  
banks**

**5** The Postmaster General may, with the approval of the Governor, open branch savings banks at any post office in the Colony and may, with the like approval, close any branch savings bank

**Employment  
of officers**

**6** The Postmaster General may, with the approval of the Governor, engage such officers as may be necessary for the execution of this Ordinance, and for that purpose may employ for part of their time officers in the service of the Colony

**7** Deposits of money to be paid into the Savings Bank shall be received and repaid under such conditions as may be prescribed **Deposits and repayments**

**8** The repayment of all moneys deposited in the Savings Bank together with interest thereon is guaranteed by the Government of the Colony, and accordingly if at any time or times the assets of the Savings Bank shall be insufficient to pay the lawful claims of every depositor, the Governor shall cause such deficiency to be met out of the general revenues of the Colony, and the Treasurer shall certify such deficiency to the Legislative Council without delay **Security of Government**

**9** (1) Interest shall be payable on deposits at the rate of two and a half per centum per annum, or at such other rate as may be fixed from time to time by the Governor in Council with prior approval of the Secretary of State **Interest**

Provided that not less than three months notice of any change of rate shall be given in the Gazette

(2) Such interest shall not be payable on any amount less than twenty shillings or on any fraction of twenty shillings and shall not commence to accrue until the first day of the month next following the day of deposit, and shall cease in respect of any part of a deposit on the last day of the month preceding that in which such part of the deposit shall be withdrawn

(3) Interest on deposits shall, subject to the provisions of sub-section (2) of this section, be calculated to the thirty-first day of December in every year and shall then be added to and become part of any principal money remaining on deposit

**10** Whenever any depositor shall make a declaration in such form as may be prescribed, that he does not desire to receive interest on the money deposited by him, then in such case the provisions of this Ordinance in so far as they relate to the payment of interest on money deposited shall not apply to such depositor or to any moneys deposited by him, and such depositor shall not be entitled to and shall not receive any interest on any moneys deposited by him **On request of depositor provisions relating to payment of interest not to apply to his deposits**

Provided, however, that if any such depositor shall at any time withdraw such declaration in such manner as may be prescribed, then the provisions of this Ordinance relating to the payment of interest upon money deposited shall thereafter **Withdrawal of request**

apply to such depositor and to the money of the depositor then in the Savings Bank or thereafter deposited by him in such Bank, but so that interest on the money of the depositor in the said bank at the time of such withdrawal shall not commence until the first day of the calendar month next following the day of such withdrawal of the aforesaid declaration

**Salaries and expenses**

**11** (1) All expenses incurred in the execution of this Ordinance shall be met from the moneys in the Savings Bank

(2) For the purposes of this Ordinance expenses shall mean the cost of any work or service done by or in connection with the Savings Bank, including such sum on account of administrative and other overhead expenses as may, with the approval of the Governor, be reasonably assigned to that work or service

**Disposal of moneys**

**12** (1) Subject to the provisions of this Ordinance moneys in the Savings Bank shall not be applied in any way to the purposes of the Colony but, except so far as any sums may be prescribed to be kept in hand for the general purposes of the Savings Bank, shall be deposited in the Treasury of the Colony, and shall, as far as practicable, be invested on behalf of the Savings Bank, under the direction of the Treasurer, in such securities or be employed at interest in such manner as shall be approved from time to time by the Governor in Council, or, in the case of moneys remitted to London for investment, by the Secretary of State, and any such investment may at any time be changed into other like securities

Provided that not more than one-third of such moneys shall at any time be or remain invested in securities of the Government of the Colony

(2) Any sums of money that may from time to time be required for the repayment of any deposit or deposits under the authority of this Ordinance, or for the payment of interest thereon or expenses incurred in the execution of this Ordinance, may be raised by the sale of the whole or a part of such securities

Provided that any sums of money which may be required for the purposes aforesaid may, with the approval of the Governor, be advanced to the Savings Bank by the Treasurer out of the general revenues of the Colony until they can be raised by the sale of such securities and such advances shall bear interest at the rate from time to time payable to depositors

**13** Annual accounts of the revenue and expenditure of the Savings Bank and of deposits received and repaid and interest credited to depositors during the year ended on the thirty-first day of December, together with a statement of the assets and liabilities of the Savings Bank, shall, after being audited and certified by the Government Auditor, be laid by the Treasurer before the Legislative Council as soon as possible after the close of each year and shall thereafter without delay be published in the Gazette and submitted to the Secretary of State

Accounts

**14** (1) If in any year the revenue of the Savings Bank shall be insufficient to defray the interest due to depositors and all expenses under this Ordinance, such deficiency shall be met out of the general revenues of the Colony

Surpluses and deficits

(2) If in any year the revenue of the Savings Bank shall be more than sufficient to defray the interest due to depositors and all expenses under this Ordinance, then the Governor may direct the transfer of the surplus or any portion thereof to the general revenues of the Colony

Provided that no such transfer shall be made unless the assets of the Savings Bank will thereafter exceed the liabilities by not less than fifteen per centum of the liabilities to depositors

(3) If on the thirty-first day of December in any year the assets of the Savings Bank exceed the liabilities by more than fifteen per centum of the liabilities to depositors then the Governor, with the prior consent of the Secretary of State, may direct that the surplus over fifteen per centum or any portion thereof shall be transferred to the general revenues of the Colony

**15** (1) The Governor in Council may make rules for the management and regulation of the Savings Bank

Power to make rules

(2) In particular and without prejudice to the generality of the foregoing powers, such rules may—

- (a) prescribe limits of deposits,
- (b) prescribe the modes of making deposits,
- (c) prescribe the modes of withdrawing deposits and interest,
- (d) prescribe the times at which deposit books shall be returned to the Savings Bank by depositors,

- (e) regulate deposits by minors, guardians, trustees, married women, friendly societies, charitable bodies, or any other bodies of persons of whatsoever description,
- (f) prescribe conditions for the withdrawal of moneys by minors, guardians, trustees, married women, friendly societies, charitable bodies, or any other bodies of persons of whatsoever description,

- (h) prescribe penalties, not exceeding a fine of one hundred pounds for the breach of any such rule
- (i) provide for the forfeiture of deposits made in wilful contravention of this Ordinance

**Transfer of  
accounts**

**16** (1) The Governor in Council may authorize the Postmaster General to enter into an arrangement with the Post Office Savings Bank of the United Kingdom of Great Britain and Northern Ireland or with the Government Savings Bank of any British Dominion, Colony, Protected State or Protectorate, or any territory in respect of which a mandate on behalf of the League of Nations is being exercised by His Majesty, or any foreign country, for the transfer of any sums standing to the credit of depositors from such Savings Banks to the Savings Banks established under this Ordinance, and vice versa, and may prescribe conditions for such transfer

(2) All arrangements entered into by the Postmaster General under the authority of the Ordinance repealed by this Ordinance, for the transfer of any sums standing to the credit of depositors in the Colony to Savings Banks in other countries, and for the transfer of any sums from such Savings Banks to the credit of depositors in the Savings Bank in the Colony, and which are in force on the coming into operation of this Ordinance, shall be deemed to have been entered into in pursuance of the provisions of sub-section (1) of this section

**Names of  
depositors,  
etc., not to be  
disclosed**

**17** (1) No person appointed to carry this Ordinance into effect shall disclose the name of any depositor or the amount which may have been deposited or withdrawn by any depositor except in due course of law, or to such person or persons as may be appointed to assist in carrying this Ordinance into operation

(2) Any person contravening the provisions of this section shall on summary conviction be liable to a fine not exceeding one hundred pounds

**18** If any dispute shall arise between the Postmaster General or the officer managing and controlling any branch savings bank and any individual depositor therein, or any executor, administrator, next-of-kin of a depositor, or any creditor or assignee of a depositor who may become bankrupt or insolvent, or any person claiming to be such executor, administrator, next-of-kin, creditor or assignee, or to be entitled to any money deposited in such Savings Bank, then, and in every such case, the matter in dispute shall be referred to an arbitrator to be appointed by the Governor, and whatever award, order or determination may be made by such arbitrator shall be binding and conclusive on all parties and shall be final to all intents and purposes without any appeal

Settlement  
of disputes

**19** When any payment is made or act done by the Postmaster General or any person acting under his authority in accordance with this Ordinance and the rules for the time being made thereunder, the Government of the Colony, the Postmaster General and such person shall not be liable in respect of any claim on the part of any person in connection with such payment or act, but any person may nevertheless recover any sum lawfully due to him from the person to whom the Postmaster General has paid the same

Non-liability  
of Govern-  
ment

**20** The Post Office Savings Bank Ordinance is hereby repealed

Repeal  
Cap 95

#### OBJECTS AND REASONS

This Bill is introduced at the instance of the Secretary of State to replace existing legislation. It is based on a model drawn up by a committee which was appointed to examine the system of Savings Banks established in the Colonies and its effect is very similar to that of the Ordinance it replaces.

There is, however, one noticeable difference. Under the Bill now introduced the Savings Bank is established as a separate entity distinct from Government, but with a Government guarantee, and its investment will no longer appear as part of the Government assets.

No expenditure of public moneys will be involved if the provisions of this Bill become law, but there will probably be some small loss of revenue.

## OBITUARY

His Excellency the Governor deeply regrets to announce the death at the European Hospital, Nairobi, from septicæmia of Captain Martin Francis Joseph Ronayne Mahony, District Officer, on the 20th of September

Captain Mahony joined the Royal Irish Fusiliers in August, 1914, and was on active service during the War in Egypt, France and Salonika. In 1921 he was seconded to the King's African Rifles with which regiment he served with distinction in Kenya until 1926. On retirement from the active list he was appointed in June, 1928, as an Administrative Officer in the Colony where he served in many districts until his untimely death at the age of 41.

Captain Mahony won the affection and esteem of all with whom he came in contact during his military and civil service in the Colony, and his death will be mourned by a wide circle of friends among all communities. By his death Government loses the services of an exceptionally capable and loyal officer, of proved efficiency both as a soldier and an administrator.
