MEMORANDUM OF OBJECTS AND REASONS

The object of this Bill is to provide a central organization for the marketing of coffee.

Clause 3 seeks to establish the Coffee Marketing Board, consisting of nine members, of whom six will be elected by delegates of licensed coffee planters. By clause 4 the Board will be a corporate body with power to purchase, hold, manage and dispose of land and other property.

Clause 10 seeks to prohibit any coffee planter from selling coffee except to the Board, and to give the Board the sole right to purchase coffee from coffee planters. The proviso to this clause gives the Board power to grant exemptions from the provisions of the clause in individual cases.

By clause 11 the Board is required to purchase all coffee which is offered to it for sale by any coffee planter on terms which may be fixed by the Board from time to time, and in clause 17 power is given to the Governor in Council upon the advice of the Board to make Rules (*inter alia*) providing for the classification of coffee which is sold to the Board.

Clause 12 seeks to establish the "Coffee Pool" which will consist of all moneys derived from the sale of coffee and from any other source of which the Governor in Council may approve. Payments to coffee planters for coffee sold to the Board will be made from this pool, and sub-clause (2) sets out this and the other purposes to which the moneys in the pool may be applied.

Clause 14 seeks to empower the Board to market coffee which has been grown outside the Colony and for this purpose to make such contracts as they think fit.

Clause 15 seeks to establish a Standing Joint Committee consisting of three members elected by the Board, three members elected by the Mild Coffee Trade Association of Eastern Africa, and an independent Chairman, who by sub-clause (7) will only have a casting vote to be used when the votes of the other members are equal. The function of this Committee is to consider all matters relating to the sale of coffee by the Board within the Colony and to approve all draft Rules relating to such matters before being submitted by the Board to the Governor in Council. It is specifically provided in sub-clause (2) that the Board shall not advise the Governor in Council to make any such Rules without the Committee's prior approval, and the Governor in Council's rule-making powers in clause 17 are subject to the provisions of this sub-clause.

Clause 18 seeks to limit the duration of the Ordinance until the expiration of three years from the termination of the present war.

No expenditure of public moneys will be involved if the provisions of this Bill become law.

Nairobi, 17th May, 1945.

T. A. BROWN,
Acting Attorney General.
