GOVERNMENT NOTICE No. 545

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council.

R. TATTON BROWN,  
*Acting Clerk to the Legislative Council.*

A Bill to Amend the King's African Rifles Ordinance, 1932

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows:—

Short title.

No. 48 of 1932.

1. This Ordinance may be cited as the King's African Rifles (Amendment) Ordinance, 1946, and shall be read as one with the King's African Rifles Ordinance, 1932, hereinafter referred to as the principal Ordinance.

Amendment of section 80 of the principal Ordinance.

2. Section 80 of the principal Ordinance is hereby amended by deleting the words "until he has received his certificate of discharge", which appear in the second and third lines thereof, and substituting therefor the words "until the date of his release or discharge as recorded in his release documents or certificate of discharge".

MEMORANDUM OF OBJECTS AND REASONS

This Bill seeks to amend the principal Ordinance (the King's African Rifles Ordinance, 1932) by making it clear that every locally enlisted British warrant or non-commissioned officer or soldier remains subject to all the provisions of the principal Ordinance and to any rules and regulations made thereunder until the date of his release or discharge as recorded in his release documents or certificate of discharge.

As at present worded section 80 of the principal Ordinance provides that such personnel remain subject to the provisions of the Ordinance and any rules and regulations made thereunder until they have received their certificate of discharge. Under the existing release arrangements a soldier about to be discharged is handed his certificate of discharge at the dispersal centre and the certificate is post-dated to the date upon which he is expected to report at the District Commissioner's office of his district. The soldier remains a member of His Majesty's Forces and is paid as such during the interval between his leaving the dispersal centre and reporting at the District Commissioner's office and it is considered desirable that he should be amenable to military discipline during that period.

No expenditure of public moneys will be involved if the provisions of this Bill become law.

S. W. P. FOSTER SUTTON,  
*Attorney General.*

Nairobi, 10th June, 1946.

## GOVERNMENT NOTICE NO. 546

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council.

R. TATTON BROWN,  
*Acting Clerk to the Legislative Council.*

**A Bill to Amend His Majesty's Forces Pensions Ordinance,  
1941**

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows:—

1. This Ordinance may be cited as His Majesty's Forces Pensions (Amendment) Ordinance, 1946, and shall be read as one with His Majesty's Forces Pensions Ordinance, 1941, hereinafter referred to as the principal Ordinance.

Short title.

No. 24 of 1941.

2. Section 2 of the principal Ordinance is hereby repealed and the following substituted therefor:—

Repeal and replacement of section 2 of the principal Ordinance.

"Power to make Regulations.

2. (1) The Governor in Council may make Regulations—

(a) prescribing the conditions under and the manner in which pensions, gratuities or other allowances may be granted in respect of the death, disablement or sickness of any member of His Majesty's Forces who is serving or has served in any of such forces raised under the authority of any law for the time being in force in the Colony;

(b) providing for the establishment of Pensions Appeal Tribunals, to which an appeal may be made by any person who has been granted or refused a pension, gratuity or other allowance or whose pension, gratuity or other allowance has been varied and who is aggrieved by such grant, refusal or variation;

(c) prescribing the manner in which and the time within which appeals shall be made to, and the manner in which appeals shall be heard by, a Tribunal;

(d) providing for the mode of proof, the admissibility of evidence, and for the disclosure of documents whether in the possession of a government department or not;

(e) providing for the representation of an appellant or any other party to the proceedings at the hearing of an appeal and, in particular, for cases where an appellant owing to illness or any other cause is unable to be present at the hearing of an appeal;

(f) providing for the payment of travelling expenses and allowances to members of a Tribunal, to appellants or to their representatives or attendants, and of medical expenses reasonably incurred by an appellant for the purpose of an appeal;

(g) providing for the recording and proving of the decisions of a Tribunal;

(h) providing for the appointment of such staff as may be necessary to enable a Tribunal properly to fulfil its functions;

(i) providing for all such other matters, whether similar to or of the same nature as the foregoing or not, relating to the powers, duties and procedure of a Tribunal.

(2) The decision of a Tribunal upon an appeal made under the provisions of any Regulations made under this section shall be final and conclusive.

(3) In this section the expressions "a Tribunal" and "appellant" mean, respectively, any Pensions Appeal Tribunal appointed under Regulations made under the provisions of paragraph (b) of sub-section (1) of this section, and any person who is aggrieved by the grant, variation or refusal of a pension, gratuity or other allowance and who appeals against such grant, variation or refusal.

(4) All Regulations made under the provisions of sub-section (1) of this section shall be laid before the Legislative Council of the Colony within fourteen days after the making thereof if the Legislative Council is then in session, and, if not, shall be so laid before the Legislative Council within fourteen days of the next ensuing session".

## MEMORANDUM OF OBJECTS AND REASONS

The object of this Bill is to repeal and replace section 2 of His Majesty's Forces Pensions Ordinance, 1941 (No. 24 of 1941).

Paragraph (a) of sub-clause (1) of Clause 2, and sub-clause (4) of Clause 2 reproduce, with amendments, the section which this measure seeks to repeal.

Paragraphs (b) to (i) of sub-clause (1) and sub-clauses (2) and (3) of Clause 2 are new.

In 1943 a Select Committee of Legislative Council was appointed to examine the Regulations under which pensions and gratuities were paid to European members of the Armed Forces and their dependants. At that time the legislation in force consisted of the principal Ordinance and two sets of Regulations, one for Europeans and one for Africans, the grant of pensions and gratuities, etc., to Asian members of the Armed Forces and their dependants being dealt with by administrative action using the Royal Warrant as a basis.

The Select Committee, apart from recommending various alterations to the existing Regulations, specifically recommended that an independent Tribunal should be appointed to consider and decide appeals against decisions of the Pensions Assessment Board (at present determined by the Governor) and they also recommended that the procedure adopted in the United Kingdom should be followed.

In April, 1944, two *ad hoc* committees were appointed, one to consider the question of pensions to Asian members of the Armed Forces and their dependants, and one to deal with pensions for African members of the Armed Forces and their dependants.

Both the above-mentioned committees reported in 1945, and both of them followed the recommendations of the Select Committee of Legislative Council and recommended the establishment of a Pensions Appeal Tribunal.

This Bill seeks to empower the Governor in Council to make Regulations which will, in accordance with the recommendations of the committees referred to above, as nearly as possible follow the procedure in the United Kingdom.

It is not possible to say what expenditure of public moneys will be involved if the provisions of this Bill become law.

S. W. P. FOSTER SUTTON,  
*Attorney General.*

Nairobi, 14th June, 1946.

## GOVERNMENT NOTICE NO. 547

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council.

R. TATTON BROWN,  
*Acting Clerk to the Legislative Council.*

**A Bill to Amend the Education Ordinance, 1931**

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows:—

Short title.

1. This Ordinance may be cited as the Education (Amendment) Ordinance, 1946, and shall be read as one with the Education Ordinance, 1931, hereinafter referred to as the principal Ordinance.

No. 2 of 1931.

Repeal and replacement of paragraph (5) of section 19 of the principal Ordinance.

2. Paragraph (5) of section 19 of the principal Ordinance is hereby repealed and the following paragraph substituted therefor:— 5

"(5) to advise the Director upon all applications for admission or readmission of pupils to the school or group of schools in respect of which the committee is appointed;"

## MEMORANDUM OF OBJECTS AND REASONS

Paragraph (5) of section 19 of the principal Ordinance (the Education Ordinance, 1931) provides that a school committee shall consider and decide all applications for admission or readmission of pupils to the school in respect of which the committee is appointed and the paragraph confers, upon an applicant, the right to appeal to the Director of Education against a decision of a school committee.

In the light of experience it is considered desirable that school committees should act, in such matters, in an advisory capacity only. Clause 2 of the Bill, therefore, seeks to repeal paragraph (5) of section 19 of the principal Ordinance and to substitute a new paragraph therefor, which gives effect to that policy.

No expenditure of public moneys will be involved if the provisions of this Bill become law.

S. W. P. FOSTER SUTTON,  
*Attorney General.*

GOVERNMENT NOTICE No. 548

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council.

R. TATTON BROWN,  
*Acting Clerk to the Legislative Council.*

**A Bill to Amend the Increased Production of Crops Ordinance, 1942**

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows:—

1. This Ordinance may be cited as the Increased Production of Crops (Amendment) Ordinance, 1946, and shall be read as one with the Consolidated Edition of the Increased Production of Crops Ordinance, 1942, prepared under the provisions of section 23 of the Increased Production of Crops (Amendment) Ordinance, 1943, hereinafter referred to as the principal Ordinance. Short title.  
No. 13 of 1943.
2. Section 2 of the principal Ordinance is hereby amended— Amendment of section 2 of the principal Ordinance.
  - (a) by deleting the words "Agricultural Production and Settlement Board", which appear in the first line of the definition "Board", and substituting therefor the words "Board of Agriculture"; and
  - (b) by deleting the words "Agricultural Production and Settlement", which appear in the second and third lines of the definition "crops".
3. Sub-section (2) of section 12 of the principal Ordinance is hereby amended by inserting between the words "increase" and "his", which appear in the fourth line thereof, the words "or modify". Amendment of section 12 (2) of the principal Ordinance.
4. Section 23 of the principal Ordinance is hereby amended— Amendment of section 23 of the principal Ordinance.
  - (a) by inserting immediately after the word "marketed", which appears in the second line of sub-section (1) thereof, the following words:—  

"and any person so appointed shall comply with all orders issued to him by the Board relating to the expenses which may be incurred and the charges which may be made in connexion with such marketing";

and
  - (b) by repealing sub-section (2) thereof and substituting the following sub-section therefor:—  

"(2) The Board may—

    - (a) issue orders relating to the marketing of any crop; and
    - (b) subject to the approval of the Governor in Council, issue orders regarding the price at which any crop may be sold, to any person appointed under the provisions of sub-section (1) of this section, and to the Agency appointed under the Sale of Wheat Ordinance, 1930, and any such person and the Agency shall comply with any orders so issued, and shall on demand by the Board supply all such information relating to any crops marketed by them as the Board may require."

**MEMORANDUM OF OBJECTS AND REASONS**

The body responsible for carrying out the provisions of the principal Ordinance, the Increased Production of Crops Ordinance, is "the Board" which is defined, in section 2 of the Ordinance, as the "Agricultural Production and Settlement Board". As a result of the reorganization which has taken place consequent on the appointment of the Member for Agriculture and Natural Resources, settlement is now organized separately from agricultural production and it is therefore considered desirable to amend the principal Ordinance by changing the present title of the Board charged with its administration. Clause 2 of the Bill, therefore, seeks to change the title of the Board to "the Board of Agriculture". That title has been recommended by the Executive Committee of the production section of the Agricultural Production and Settlement Board and by the Advisory Committee which was appointed to advise the Member as to the reorganization which should be made.

Sub-section (2) of section 12 of the principal Ordinance provides, *inter alia*, that a farmer who has submitted a programme of production who wishes to increase his programme shall forthwith notify the Board, in writing, through the District Production and Man Power Committee, to that effect. In most cases it has been found that a modifica-

tion rather than an increase in programme is desired. That being so clause 3 of the Bill seeks to rectify the position by inserting "or modify" in that sub-section.

Section 5 of the principal Ordinance provides that the Governor in Council may, on the advice of the Board, declare f.o.r. prices to farmers for crops declared to be crops for the purpose of the Ordinance. With the cessation of hostilities consideration was given by the Production Section of the Agricultural Production and Settlement Board to the policy of guaranteeing prices to farmers, and the Board decided that it would be desirable to return to the pre-war system of disposal of cereal crops as soon as possible in those cases where it was convenient to do so. It is proposed, therefore, by the amendments made to section 23 of the Ordinance to make provision that the agents appointed by the Board for the disposal of crops may, subject to the approval of the Governor in Council, be instructed by the Board as to the prices at which any particular crop shall be disposed of. In order to safeguard the interests of the farmer, provision is made for the agents to comply with orders issued by the Board relating to the expenses which they may incur and the charges which they may make and deduct from the selling price of the crop.

No expenditure of public moneys will be involved if the provisions of this Bill become law.

GOVERNMENT NOTICE NO. 549

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council.

R. TATTON BROWN,  
*Acting Clerk to the Legislative Council.*

**A Bill to Amend the Pyrethrum Ordinance, 1938**

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows:—

Short title.

1. This Ordinance may be cited as the Pyrethrum (Amendment) Ordinance, 1946, and shall be read as one with the Pyrethrum Ordinance, 1938, hereinafter referred to as the principal Ordinance.

No. 34 of 1938.

Amendment of  
section 20 (1) of  
the principal  
Ordinance.

2. Sub-section (1) of section 20 of the principal Ordinance is hereby amended by inserting, immediately after paragraph (j) thereof, 5  
the following new paragraph:—

"(jj) prescribing the areas which shall be planted and maintained with trees by pyrethrum growers and the type of trees which shall be so planted in any particular area;"

**MEMORANDUM OF OBJECTS AND REASONS**

This Bill seeks to amend sub-section (1) of section 20 of the principal Ordinance (the Pyrethrum Ordinance, 1938) by enabling the Governor in Council to make rules laying down the areas which shall be planted and maintained with trees by pyrethrum growers and the type of trees which shall be so grown in any particular area.

In the light of experience it has been found that many pyrethrum growers do not grow sufficient timber, suitable for use as fuel, for the needs of their pyrethrum driers and it is considered desirable, in view of the large quantity of fuel used in the industry, to enable rules to be made which will aim at protecting the position in the future.

No expenditure of public moneys will be involved if the provisions of this Bill become law.

## GOVERNMENT NOTICE NO. 550

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council.

R. TATTON BROWN,  
*Acting Clerk to the Legislative Council.*

### A Bill to Amend the Sugar Ordinance

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows:—

1. This Ordinance may be cited as the Sugar (Amendment) Ordinance, 1946, and shall be read as one with the Sugar Ordinance (Chapter 134 of the Revised Edition), hereinafter referred to as the principal Ordinance. Short title.  
Cap. 134.
- 5 2. Section 8 of the principal Ordinance is hereby amended as follows— Amendment of section 8 of the principal Ordinance.
  - (a) by inserting between the figure "8" and the word "Any", which appear in the first line thereof, the figure and brackets "(1)";
  - (b) by adding thereto the following sub-section:—
- 10 " (2) Any article which forms an element in a contravention of any of the provisions of this Ordinance may, on the order of the court, be forfeited to the Crown.".
3. The principal Ordinance is hereby amended by inserting, immediately after section 8 thereof, the following new section:— Insertion of new section 8A in the principal Ordinance.
  - 15 "8A. (1) Any police, or tribal police, officer may, in any area of the Colony to which this section is applied, stop and inspect any vehicle and if any such vehicle contains sugar or sugar juice require the person in charge of such vehicle to inform him of the destination and source of origin of such sugar or sugar juice and
  - 20 if after such inquiry he is not satisfied that there has been no contravention of the provisions of sections 3, 4 and 5 of this Ordinance he may take such vehicle, together with its contents, and the person in charge thereof to the nearest police station.
  - 25 (2) Where any vehicle has been taken to a police station, under the provisions of sub-section (1) of this section, and the police officer in charge of such police station, after inquiry from the person in charge of such vehicle, has reasonable cause to believe that any of the provisions of sections 3, 4 and 5 of this Ordinance have been contravened he may seize any sugar or
  - 30 sugar juice contained in such vehicle and retain it for a period not exceeding one month, or if within that period there are commenced proceedings for a contravention of any of the provisions of this Ordinance, in which such sugar or sugar juice can properly be adduced in evidence, until the final determination of such proceedings.
  - 35 (3) If any person in charge of any vehicle refuses to supply any information, after being requested so to do by a police, or tribal police, officer, regarding any sugar or sugar juice contained in such vehicle or furnishes any information, which he knows or
  - 40 has reasonable cause to believe to be false in a material particular, he shall be guilty of an offence.
  - (4) The Governor may, by notice published in the Gazette, apply the provisions of this section to any area in the Colony."
4. Section 10 of the principal Ordinance is hereby repealed and Repeal and replacement of section 10 of the principal Ordinance.
  - 45 the following section substituted therefor:—
  - "10. The Governor may, by notice published in the Gazette, declare any area in the Colony to be a prohibited area for the purposes of this Ordinance."
  - Governor may declare any area in the Colony to be a prohibited area.

### MEMORANDUM OF OBJECTS AND REASONS

This Bill seeks to amend the principal Ordinance (the Sugar Ordinance, Chapter 134 of the Revised Edition) by empowering any police, or tribal police, officer in any area to which the new provisions are applied, by the Governor, by notice published in the Gazette, to

stop and search any vehicle for the purpose of ascertaining whether any sugar or sugar juice is in such vehicle in contravention of any of the provisions of sections 3, 4 and 5 of the principal Ordinance. The measure also seeks to empower any police officer in charge of a police station to which any vehicle containing sugar or sugar juice is taken, if he has reasonable cause to believe that any of the provisions of sections 3, 4 and 5 of the principal Ordinance are being contravened, to retain such sugar or sugar juice for a period not exceeding one month, or if within that period proceedings for a contravention of any of the provisions of the principal Ordinance are commenced, in which such sugar or sugar juice can properly be adduced in evidence, until the final determination of such proceedings.

The Bill also seeks to amend section 8 of the principal Ordinance by adding a sub-section thereto to enable the court to order any article which forms an element in a contravention of any of the provisions of the Ordinance to be forfeited to the Crown.

The opportunity has also been taken to repeal section 10 of the principal Ordinance and substitute a new section therefor. The new section seeks to confer upon the Governor, instead of the Governor in Council, power to declare any area in the Colony a "Prohibited area" for the purposes of the Ordinance. The existing section enables the Governor in Council, by proclamation, to apply any section of the Ordinance to any area in the Colony but in view of the fact that section 3 has already been applied to the whole Colony and the application of the rest of the Ordinance only concerns Prohibited areas, it is not considered necessary to re-enact those provisions.

No expenditure of public moneys will be involved if the provisions of this Bill become law.

## GENERAL NOTICE No. 947

## ELECTRIC POWER ORDINANCE

PUBLIC NOTICE of an application to be made for licences:—

- (a) To authorize the construction of a thermal generating station in the Township of Kitale to be replaced or supplemented later (at the option of the applicant) by a hydro-electric generating station on the Nzoia River adjacent to the Broderick Falls and the generation of electrical energy therein;
- (b) To authorize the distribution and supply within the Township of Kitale of electrical energy from such generating station.

NOTICE is hereby given to all whom it may concern that on the 20th day of August, 1946, the East African Power and Lighting Company, Limited (a limited liability company incorporated in the Colony and Protectorate of Kenya and having its registered office at Nairobi in the said Colony) will make application to His Excellency the Governor in Council for licences to construct a generating station and to generate, distribute and supply electrical energy for public and private purposes in the areas hereinafter described and for any such other licences as may be granted.

The area within which it is proposed that supplies of electrical energy shall be given is the Township of Kitale.

The streets and roads along which it is proposed that electric supply lines shall be installed are shown on the plan marked "A" deposited at the offices of Messrs. Hamilton, Harrison & Mathews, Advocates, Nairobi House, Nairobi, and at the offices of the Standard Bank of South Africa, Limited, at Kitale aforesaid, and the proposed supply lines are delineated on the said plans by red and green lines.

The position of such supply lines however may be varied to meet Government requirements in connexion with the proposed revision of town planning which it is intended to apply to Kitale Township.

Further distributing mains of electrical supply lines will be installed as may be required under the provisions of the Electric Power Ordinance or the Electric Supply Lines Ordinance.

The public and private purposes of the licences will include all the supplies required for public, industrial and domestic power and public, industrial and domestic lighting and such other supplies as may be required.

The generating station will in the first place be—

- (A) constructed on a site in Section VI of the Township of Kitale which is shown on the plan above mentioned and marked "Proposed Power Station Site", and the electrical energy will be developed therein by means of internal combustion engines or steam engines connected to electrical generators:

but may (at the option of the applicant) be replaced or supplemented at a later date by another station;

- (B) constructed on a site on the Nzoia River adjacent to the Broderick Falls which is shown on the plan marked "B" deposited at the respective offices above mentioned and marked "Proposed Power Station Site" and the electrical energy will be developed therein by means of water-turbines connected to electrical generators.

All works will be of the descriptions and types required by, and will be carried out in accordance with, the Electric Power Ordinance.

The machinery will be operated continuously or as may be required.

The generating machinery to be installed in generating station (A) described above will be an oil engine or oil engines of a capacity or aggregate capacity not less than 300 kilowatts. The generating machinery to be installed in generating station (B) (if and when constructed) will be a water-turbine or water-turbines of a capacity or aggregate capacity not less than 1,000 kilowatts. All such machinery will be installed in strict compliance with section 50 (1) of the Electric Power Ordinance.

Copies of the drafts of the licences being applied for, and of the licences when granted, will be deposited at the offices of Messrs. Hamilton, Harrison and Mathews aforesaid in Nairobi and at the offices of the Standard Bank of South Africa, Limited, at Kitale.

Any public or local authority, company, person or body of persons, desirous of making any representation on or objection to the grant of the licences, or with respect to the proposed works, must do so by letter addressed to the Governor in Council and marked on the outside of the cover enclosing it "Electric Power Ordinance" on or before the expiration of 60 days from the date of the application as stated in this notice and must forward to the applicant a copy of such representation or objection.

Dated the 31st day of May, 1946.

HAMILTON, HARRISON & MATHEWS,  
Advocates for the Applicant,  
Nairobi House, Nairobi.

## FOREST DEPARTMENT

## TENDERS FOR MANGROVE BARK—GAZI, FUNZI AND VANGA MANGROVE SWAMPS

APPLICATIONS are invited for the sole right to work these swamps for mangrove bark. Gazi is about 30 miles south of Mombasa, Funzi about 40 miles, and Vanga about 50 miles. The period of the concession will be for two years. Thereafter it may be renewed annually at the discretion of the Conservator of Forests, Nairobi.

The basis of the tender will be a royalty per ton of bark. All produce will be measured at a depot assigned by the Divisional Forest Officer, Mombasa, before passing through the Customs.

No tender of less than the Gazetted royalty rates will be considered.

The areas will be worked in succession, all trees capable of producing tannin bark must be felled and barked before a new area is opened. The concessionaire is at liberty together with other fuel licensees to cut trees, which have been stripped for bark, into fuel and to pay for such at the Gazetted royalties. The fuel is shipped to Mombasa for measurement.

A minimum annual licence fee of Sh. 1,000 shall be paid in advance annually. This will be set off against royalties. Not less than 100 tons of bark to be cut per annum.

Full particulars as to terms and conditions of the licence may be obtained from the Divisional Forest Officer, P.O. Box 78, Mombasa (Messrs. Boustead and Clarke's Building, Kilindini Road, Mombasa).

Tenderers should produce evidence of financial ability to undertake the work and, if possible, of previous experience. The highest or any tender will not necessarily be accepted.

Applications should reach the Divisional Forest Officer, P.O. Box 78, Mombasa, before noon on 15th July, 1946.

Nairobi, 15th June, 1946. C. W. ELLIOT,  
for Conservator of Forests.
