GOVERNMENT NOTICE No. 1172

VACANCIES FOR EUROPEAN SURVEYORS

APPLICATIONS are invited for posts of Staff Surveyors and Assistant Surveyors in the Survey Division of the Lands, Mines and Surveys Department: one Staff Surveyor will be required to work for the Forest Department and some Junior Staff Surveyors will be required to work for the Forest Department or for the African Settlement and Land Utilization Board. Applications should be sent to the Commissioner for Lands, Mines and Surveys, P.O. Box 89, Nairobi, and should reach him not later than 31st January, 1948.

Applicants in Government employment should apply in terms of Secretariat Circular No. 30 of 29-9-1944.

The following are the principal items regarding the qualifications necessary for each respective post, salaries, duties and terms of service:—

(A) Staff Surveyors.

Qualifications.—In order to be eligible for consideration for appointment in the Unified Colonial Survey Service, candidates must either (i) have obtained (a) a degree of a British University, with honours in mathematics, or physical science, or engineering, or geography, provided that the course leading to the degree in geography has included geodetic and trigonometrical surveying; or (b) the special Diploma in Land Surveying of the Royal Institution of Chartered Surveyors; or (c) a licence to practice as a Surveyor in one of His Majesty's Dominions; or (d) a degree or distinction which is regarded by the Secretary of State as the equivalent of one of the above; or (ii) have qualified in any examination which may be held with the approval of the Secretary of State with a view to testing the professional capacity of candidates for appointment to the service.

Salary.—The present salary attached to the post of Staff Surveyor is £400: £400: £450 by £25 to £600 (with efficiency bar at £600): by £30 to £840. There are prospects for officers to receive promotion in the Unified Service beyond the rank of Staff Surveyor, though such promotions are entirely selective and depend on ability, experience and vacancies at the time being. The candidate will be placed at a point in the above scale in accordance with his War service (if any), and it may be possible to give credit for his professional experience before joining the Unified Service. A Commission on Salaries of the East African territories is at present examining the whole question of salaries in Kenya, and it is expected that their report will recommend increases in the above salaries, though the amount of such increases is at present unknown.

Terms of employment.—Appointments will be made on terms of probation for three years. If, at the end of three years, the officer is judged to have performed his duties to the satisfaction of the Government, he will be confirmed in his appointment. If, on the contrary, his services are judged to have been unsatisfactory, his service will be terminated. Confirmation in a fixed appointment will be at the discretion of the Government.

Pensions.—All permanent posts of Staff Surveyors are pensionable, normal retirement being when an officer reaches the age of 55 years.

Allowances.—An officer is entitled to a Cost of Living Bonus, which varies according to his salary and marital status. Travelling expenses will be paid and hotel expenses when necessarily incurred on duty.

Each officer is entitled to a house allowance, or free furnished quarters, if available. At present, there is a great shortage of houses in all the larger towns of Kenya.

Duties.—Staff Surveyors may be called upon to serve anywhere in Kenya. Their duties will include geodetic, topographical or cadastral surveying, survey computations, drawing of maps and plans and their reproduction. One Staff Surveyor is required for the Forest Department for Forest surveys, but he will be interchangeable with a Staff Surveyor of the Survey Department and will have the same opportunities of promotion as the latter.

Leave.—In addition to local leave of 18 days a year, officers will be granted home leave every four years for junior officers and every three years for senior officers (senior officers are those of ten or more years' service).

Passages.—Overseas officers will be given free passages to Kenya on first appointment, and assistance will be given for passages for an officer's family: leave passages will be paid in similar manner.

Age limits.—Applicants must be over 21 years and under 28 years of age (though exceptions will be made in respect of the upper limit for applications who have had long war service).

Medical examination.—No officers may be appointed unless he is passed as medically fit for service in Kenya.

(B) Assistant Surveyors.

Qualifications.—A good standard of general education (preference being given to candidates with sound mathematical knowledge) and theoretical and practical knowledge of surveying.

Salary.—The present salary attached to the post of Assistant Surveyor is £400: £400: £450 by £25 to £600. There are expectations that this rate of salary will be increased by the Salaries Commission (see above).

Assistant Surveyors will not be eligible for promotion to the grade of Staff Surveyor until they obtain the qualifications given above for admission to that grade. It is hoped that arrangements

will be made for deserving young Assistant Surveyors to receive assistance in obtaining the required qualifications by means of courses of instruction abroad.

The remaining terms of employment will be the same as for Staff Surveyors, except that the age limit will be lowered to 19 years and 26 years respectively.

Further particulars may be obtained on application to the Director of Surveys, P.O. Box 89, Nairobi.

(C) Junior Staff Surveyors.

Qualifications.—A fair standard of general education, preference being given to candidates with mathematical knowledge and to those who have theoretical or practical knowledge of surveying.

Salary.—The present salary attached to the post of Junior Staff Surveyor is £360 by £20 to £480 by £20 to £540 (Kenya European Civil Service posts), though this scale is expected to be increased by the Salaries Commission (see above).

Terms of employment.—Officers selected for employment in the Forest Department will be appointed on probation for one year, at the expiry of which they may be confirmed in a permanent appointment if their services have been satisfactory.

Officers selected for appointment to the African Settlement and Utilization Board will be appointed on a three years' contract, at the expiry of which their contract may or may not be renewed for a further period.

Pensions.—On confirmation in the Kenya European Civil Service, officers are eligible to contribute to the Kenya European Civil Service Contributory Pensions Fund.

Duties.—Officers selected for appointment to the Forest Department will be required to carry out topographical surveys, demarcation and detail forest surveys either by plane table or theodolite or prismatic compass traverse: drawing maps and plans, survey computations. They may be called upon to serve anywhere in Kenya.

Officers selected for appointment to the African Settlement and Land Utilization Board will be required to carry out demarcation surveys, small topographical surveys, simple levelling, simple survey computations, plan drawing. They, too, may be required to serve anywhere in Kenya.

Further details of terms of service may be obtained on application to the Director of Surveys, P.O. Box 89, Nairobi.
