## GOVERNMENT NOTICE No. 609

PUBLIC HEALTH (DIVISION OF LANDS)  
ORDINANCE, 1928

BY General Notice dated 15th April, 1948, appearing during April and May, 1948, in the local Press the attention of the public was drawn to the provisions of the above Ordinance in view of the numerous contraventions which have been brought to the notice of the Public Health (Division of Lands) Board. The notice briefly explained the provisions of section 6 of the Ordinance by which, *inter alia*, the sub-division of land into plots of less than 20 acres or the building of more than one house or shop on plots of less than 20 acres or on the same piece of land less than 300 yards apart was prohibited save and except with the approval thereto of the Board having first been obtained.

The Board is satisfied that the contraventions which have been reported to it prior to or as a result of the said notice dated 15th April, 1948, had been committed in genuine ignorance of the requirements of the law. It has therefore been decided that, *provided* that the provisions of the Ordinance are now properly complied with by such persons having so contravened the same and that the contraventions in so far as the building of dwelling-houses is concerned do not offend principles of health and sanitation, the Board shall not prosecute such persons.

The Board, however, takes the opportunity of once more and finally warning members of the public that any further contraventions will be rigorously dealt with according to law and of reminding the public that the penalties prescribed by the Ordinance entail penal amounts up to £100 and £5 additional for each day of continuance as well as liability to demolition of the unauthorized building.

29th June, 1948.
