THE NATIVE REGISTRATION ORDINANCE

CANCELLATION OF APPOINTMENT

IN EXERCISE of the powers thereunto enabling me, I hereby cancel the undernoted appointment of an Honorary Registration Officer with effect from 1st January, 1948—

W. LEVET, Esq., THOMSON'S FALLS.

Nairobi,

E. M. HYDE-CLARKE,
Labour Commissioner.

GOVERNMENT NOTICE No. 759

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council.

ALEX. M. WILKIE,
Acting Clerk to the Legislative Council.

A BILL TO AMEND THE STOCK AND PRODUCE THEFT (LEVY OF FINES) ORDINANCE, 1933

ARRANGEMENT OF SECTIONS

SECTION

1—Short title.

SECTION

2—Amendment of section 3 of the principal Ordinance.

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows:—

1. This Ordinance may be cited as the Stock and Produce Theft (Levy of Fines) (Amendment) Ordinance, 1948, and shall be read as one with the Stock and Produce Theft (Levy of Fines) Ordinance, 1933, hereinafter referred to as the principal Ordinance. Short title.
No. 18 of 1933.

2. Section 3 of the principal Ordinance is hereby amended— Amendment of section 3 of the principal Ordinance.

(a) by inserting the figure and brackets “(1)” before the word “Whenever”, which appears in the first line thereof; and

(b) by adding the following new sub-section immediately after the proviso thereto:—

“(2) For the purposes of sub-section (1) of this section, the word ‘fine’ shall include compensation and costs.”.

MEMORANDUM OF OBJECTS AND REASONS

Under the provisions of section 3 of the Stock and Produce Theft (Levy of Fines) Ordinance, 1933, provision is made whereby any fine imposed by a court under the provisions of that Ordinance, can be recovered by way of distress either against the property of the person fined or against the property of his family or tribe.

In practice it has been found that when an attempt is made to recover compensation or costs, as distinct from a fine; as distress for compensation and costs cannot be made on the property of the family or tribe, the person who has been ordered by a court to pay compensation or costs invariably denies ownership of any property capable of seizure and the court order therefore becomes ineffective.

This reacts most unfavourably against owners of stock which has been stolen and slaughtered for meat, a practice which is becoming more prevalent. In such a case the owner, of course, cannot recover the animal stolen, and if he cannot recover any compensation which may have been ordered against the accused person, he suffers a definite loss.

This Bill seeks to remedy the position and, if it becomes law, will enable distraint to be made for compensation and costs in the same manner as for a fine.

No additional expenditure of public moneys will be involved if the provisions of this Bill become law.

Nairobi,
3rd August, 1948.

S. W. P. FOSTER SUTTON,
Attorney General.

GOVERNMENT NOTICE No. 760

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council.

ALEX. M. WILKIE,
Acting Clerk to the Legislative Council.

A BILL TO PROVIDE FOR CONTROLLING THE GRANTING OF CREDIT BY NON-NATIVES TO NATIVES

ARRANGEMENT OF SECTIONS

SECTION	SECTION
1—Short title.	3 (<i>contd.</i>)—List of natives exempted to be published. Duplicate certificates.
2—Suits debarred in respect of sums in excess of £10.	4—Legal liability of exempted natives.
3—Applications for certificates of exemption. Duty of the District Commissioner. Exempted natives to be registered.	5—Offences and penalties. 6—Repeal.

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows:—

Short title.

1. This Ordinance may be cited as the Credit to Natives (Control) Ordinance, 1948.

Suits debarred in respect of sums in excess of £10.

2. (1) Subject to the provisions of this Ordinance—

(a) where a non-native grants to any native, whether in respect of one or more transactions, credit in excess, 5
in the aggregate, of a sum of two hundred shillings, no suit shall lie in any court in the Colony for the recovery of such sum unless the contract, in respect of which the credit was given, is in writing and approved and attested by an Attesting Officer; 10

(b) where any non-native enters into a contract with a native, whether by way of chattels transfer, mortgage, charge, or any other contract, whether of a like nature to the foregoing or not, under the terms of which if the native fails to pay or to repay to any non-native 15
any sum of money, the native will be required to return or deliver to any non-native any chattel, or to lose his right to redeem any property of which, under the terms of the contract, the ownership will, on the native's failure so to pay or to repay, pass to or 20
remain vested in such non-native, then, if any such chattel or property is of a value in excess of two hundred shillings, such non-native shall not enforce any remedy, which he may otherwise have, either in law or in equity, or both, in respect of such contract, 25
and no court shall entertain any suit for the enforcement of any such contract, unless such contract is in writing and duly approved and attested by an Attesting Officer:

Provided that the provisions of this sub-section 30
shall not apply to any transaction where the native to whom the credit is given is carrying on business under a name registered, or which is required to be registered, under the provisions of the Registration of Business Names Ordinance. 35

Cap. 92.

(2) An Attesting Officer, before approving and attesting any such contract, shall satisfy himself that the native understands the nature of the transaction into which he is entering and his liabilities arising therefrom.

(3) For the purposes of this section, "Attesting Officer" 40
means any person who the Member of the Executive Council of the Colony, for the time being, responsible for African

Affairs (hereinafter referred to as the Member for African Affairs) may appoint, in writing, for the purpose.

3. (1) Notwithstanding the provisions of section 2 of this Ordinance, any native may apply to the Registrar General, through the District Commissioner of the district in which the applicant normally resides or carries on business, for a certificate exempting him from the provisions of this Ordinance, hereinafter referred to as a "certificate of exemption".

Applications for certificates of exemption.

(2) Such District Commissioner shall explain to a native applicant that, if he is granted a certificate of exemption under the provisions of this Ordinance, he will no longer be subject to the protection afforded by the provisions of section 2 of this Ordinance and, if the District Commissioner is satisfied that the applicant fully understands the effect of a certificate of exemption, he shall forward the application to the Registrar General with a recommendation that such native be granted a certificate of exemption.

Duty of the District Commissioner.

(3) The Registrar General shall, upon receipt of any such application, duly recommended by a District Commissioner, enter the name of the applicant in a register which shall be kept by the Registrar General for such purpose, and shall issue the native concerned with a certificate of exemption in such form as the Member for African Affairs may, by notice in the Gazette prescribe, and such register shall be open to inspection, at all reasonable times, by any person, free of charge.

Exempted natives to be registered.

(4) The Registrar General shall, at the end of each month, publish in the Gazette a list of the names of every native to whom a certificate of exemption has been granted, under the provisions of sub-section (3) of this section, during that month.

List of natives exempted to be published.

(5) Any native, who loses a certificate of exemption, may apply in writing to the Registrar General, through the District Commissioner of the district in which he normally resides or carries on business, for a duplicate of such certificate, and the Registrar General shall, if he is satisfied that such certificate has in fact been lost, issue to the applicant a duplicate of such certificate, upon payment of a fee of five shillings.

Duplicate certificates.

4. Any native, to whom a certificate of exemption has been issued, shall be liable in respect of any transaction into which he may enter to the same extent as any other person to whom the provisions of this Ordinance do not apply.

Legal liability of exempted natives.

5. (1) Any person who uses a certificate of exemption to which he is not entitled, for the purpose of entering into any transaction, shall be guilty of an offence and shall be liable, on conviction therefor, to a fine not exceeding one hundred pounds or to imprisonment for a term not exceeding twelve months or to both such fine and such imprisonment and shall, notwithstanding the provisions of sub-section (1) of section 2 of this Ordinance, be fully liable in respect of any such transaction.

Offences and penalties.

(2) Any person, being the holder of a certificate of exemption, who transfers or purports to transfer such certificate to any other person, shall be guilty of an offence and shall be liable, on conviction therefor, to a fine not exceeding two hundred pounds or to imprisonment for a term not exceeding twelve months or to both such fine and such imprisonment.

(3) Any person who comes into possession of a certificate of exemption issued to another person shall, within one month thereafter, forward such certificate to the District Commissioner of the district in which he normally resides, and such District Commissioner shall, without undue delay, forward it to the Registrar General who shall cancel such certificate. Any person who fails to forward a certificate of exemption to the District

Commissioner, as required by this sub-section, shall be guilty of an offence and shall be liable on conviction therefor, to a fine not exceeding ten pounds or to imprisonment for a term not exceeding three months or to both such fine and such imprisonment.

5

Repeal.
Cap. 130.

6. The Credit Trade with Natives Ordinance is hereby repealed.

MEMORANDUM OF OBJECTS AND REASONS

Under the Credit Trade with Natives Ordinance (Chapter 130 of the Revised Edition), no contract for the sale on credit of goods to the value of more than ten pounds may be enforced against an African unless the contract is in writing and attested by an administrative officer. With the development of the African, especially in trade, it is considered that the provisions of the law are not only restrictive but unnecessary; and that it should be modified. This Bill, therefore, seeks to repeal and replace the existing law.

Clause 2 of the Bill seeks to provide that no non-native may sue any native in respect of a credit debt in excess of two hundred shillings, in the aggregate, unless the contract in respect of which such credit was given is in writing and approved and attested by a District Commissioner. The same protection is proposed in connexion with chattels transfers, mortgages and similar transactions. The proviso to the clause seeks to exclude from the protection of the clause, Africans who are carrying on a business, under a name registered, or which should be registered, under the Registration of Business Names Ordinance (Chapter 92 of the Revised Edition).

Clause 3 of the Bill seeks to provide that a native may apply to the Registrar General, through a District Commissioner, for a certificate of exemption from the provisions of the Ordinance. The District Commissioner is required to explain to the African the effect on his liability if he is granted a certificate of exemption. If the District Commissioner is satisfied that the applicant fully understands the position, he is required to forward the application to the Registrar General who will enter the name of the applicant in a register and issue him with a certificate in a form to be prescribed by the Member for African Affairs. The Registrar General is required to publish, at the end of each month, a list of the names of persons to whom certificates of exemption have been granted, during that month.

Clause 4 seeks to provide that any person to whom a certificate of exemption has been issued, shall be liable in respect of his business transaction to the same extent as any other person to whom the provisions of the measure do not apply.

Clause 5 creates certain offences and provides penalties for the wrongful use or possession of certificates of exemption.

If the provisions of this Bill become law it is probable that a small amount of additional expenditure of public moneys will be incurred in maintaining the register.

Nairobi,
26th July, 1948.

S. W. P. FOSTER SUTTON,
Attorney General.

GOVERNMENT NOTICE NO. 761

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council.

ALEX. M. WILKIE,
Acting Clerk to the Legislative Council.

A BILL TO AMEND THE CRIMINAL PROCEDURE CODE

ARRANGEMENT OF SECTIONS

SECTION

1—Short title.

2—Amendment of section 25 of the principal Ordinance.

SECTION

3—Amendment of the First Schedule to the principal Ordinance.

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows:—

1. This Ordinance may be cited as the Criminal Procedure Code (Amendment, No. 2) Ordinance, 1948, and shall be read as one with the Consolidated Edition of the Criminal Procedure Code, prepared under the provisions of section 43 of the Criminal Procedure Code (Amendment) Ordinance, 1939, hereinafter referred to as the principal Ordinance.

Short title.

No. 35 of 1939.

2. Section 25 of the principal Ordinance is hereby amended by adding, immediately after sub-section (2) thereof, the following new sub-section:—

Amendment of section 25 of the principal Ordinance.

“(3) For the purposes of this section, the expressions ‘aircraft’, ‘vessel’ and ‘vehicle’, respectively, include everything contained in, being on or attached to any aircraft, vessel or vehicle, as the case may be, which, in the opinion of the court, forms part of the equipment of such aircraft, vessel or vehicle.”

3. The First Schedule to the principal Ordinance is hereby amended by inserting, in its correct numerical order and in the appropriate columns thereof, the following:—

Amendment of the First Schedule to the principal Ordinance.

“304B. Damaging or unlawfully removing detained aircraft, vessel or vehicle.

May arrest without a warrant.

Imprisonment for two years.

Subordinate court of the first or second class.”

MEMORANDUM OF OBJECTS AND REASONS

This Bill seeks to make two amendments to the Criminal Procedure Code.

Clause 2 seeks to add a new sub-section (3) to section 25. The new sub-section inserts the same provisions as are contained in section 304c of the Penal Code. This is considered desirable in view of the consolidation and revision of the laws, which is now taking place, so as to avoid the necessity of legislation by reference.

Clause 3 of the Bill seeks to insert a reference to section 304B of the Penal Code, in the First Schedule, to enable any offence against that section of the Penal Code to be dealt with by a subordinate court of the first or second class and to permit the arrest, of an offender against the provisions of that section, without a warrant.

No additional expenditure of public moneys will be involved if the provisions of this Bill become law.

Nairobi,
5th August, 1948.

S. W. P. FOSTER SUTTON,
Attorney General.

Interpretation.

MEMORANDUM OF OBJECTS AND REASONS

This Bill seeks to amend the Penal Code in the following respects:—

Clause 2 of the Bill seeks to amend paragraph (a) of section 47 by making it an offence to seduce any person serving in the military forces of the Colony or any member of the police force from either his duty or his allegiance to His Majesty. The present paragraph makes it an offence to seduce any such person from his duty and his allegiance.

Clause 3 seeks to repeal and replace section 91; this is considered necessary if the penal sanctions are removed from the Employment Ordinance, 1948, the Bill to amend which will be before the August Session of the Legislative Council. The new section 91 seeks to make it an offence for any person to use obscene, abusive or insulting language to his employer or to any person placed in authority over him by his employer, in such a manner as is likely to cause a breach of the peace. It also seeks to provide that if any person brawls or in any other manner creates a disturbance in such a manner as is likely to cause a breach of the peace, he will be guilty of an offence. Sub-clause (2) of clause 3 merely re-enacts the provisions of the present section 91.

Clause 4 of the Bill seeks to add a new section 174A, making it an offence for any person to take part in the organization, management or conduct of a "Pool", which is defined as "any invitation to the public to foretell the result of any game, race or event, which the Governor in Council has declared, by notice in the Gazette, to be a Pool for the purposes of this section".

Clause 5 seeks to amend section 203 of the Code. Section 202 of the Penal Code provides that, where homicide is committed in the heat of passion caused by sudden provocation as defined in section 203, the accused is guilty of manslaughter and not murder. In section 203 provocation is defined as a wrongful act or insult of such a kind as to deprive an ordinary person of self-control and induce him to assault the person offering the provocation. The effect of a recent decision of the Court of Appeal for Eastern Africa (*Mushubi s/o Muhinguzi versus Rex—Tanganyika Territory Criminal Appeal No. 63 of 1946*) is to interpret these provisions in such a way that if an ordinary person would have been induced by the provocation to commit even a mild assault the offence would be reduced to manslaughter, notwithstanding that the assault actually committed and causing death, may have been of a savage and brutal description out of all proportion to the nature of the provocation offered. This ruling was expressed by the Court of Appeal in the following terms:—

“Provocation which under English law might for this branch of the law excuse only a slap with the open hand, in East Africa excuses a fatal attack with a lethal weapon to the extent of reducing the fatal attack to manslaughter, however savage, brutal and unbridled, such attack might be.”

This was not the intention of the provision which was designed to weigh the action of the person charged against those of a supposed ordinary man in similar circumstances. It is considered that the present amendment will give effect to that intention.

Clause 6 seeks to amend section 304A of the Code by providing that if any person uses any aircraft, vessel or vehicle in connexion with an offence of receiving stolen property, contrary to the provisions of section 315 of the Code, such aircraft, vessel or vehicle shall be liable to forfeiture. In a recent case where it was suspected that persons had used vehicles for the purpose of theft, the evidence disclosed a doubt as to whether or not the vehicles were so used, but a conviction was obtained for receiving stolen property. In such cases no forfeiture of the vehicles concerned can be ordered by the magistrate. It is considered that if aircraft, vessels or vehicles are employed for the purpose of receiving stolen property, they should be subject to forfeiture in the same manner as if they had been used for the purpose of theft.

The present section 304c contains a reference to the Criminal Procedure Code. In view of the consolidation and revision of the laws, which is being carried out, it is considered desirable to re-enact the section, omitting such reference. *Clause 7* of the Bill seeks to do this.

A Bill to amend the Criminal Procedure Code is being introduced with the object of including the necessary provision in that Code.

No additional expenditure of public moneys will be involved if the provisions of this Bill become law.

Nairobi,
5th August, 1948

S. W. P. FOSTER SUTTON,
Attorney General.

GOVERNMENT NOTICE No. 763

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council.

ALEX. M. WILKIE,
Acting Clerk to the Legislative Council.

A BILL TO AMEND THE HIDE AND SKIN
TRADE ORDINANCE, 1948
ARRANGEMENT OF SECTIONS

SECTION
1—Short title.

SECTION
2—Amendment of section 1 (1) of the principal Ordinance.

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council, thereof, as follows:—

1. This Ordinance may be cited as the Hide and Skin Trade (Amendment) Ordinance, 1948, and shall be read as one with the Hide and Skin Trade Ordinance, 1948, hereinafter referred to as the principal Ordinance.

2. Sub-section (1) of section 1 of the principal Ordinance is hereby amended by substituting a comma for the full stop, which appears at the end thereof, and adding, immediately after such comma, the following:—

“and different dates may be appointed for different provisions of this Ordinance.”.

MEMORANDUM OF OBJECTS AND REASONS

The Governments of Tanganyika and Uganda are anxious to commence the imposition of a cess under the provisions of their Hides and Skins legislation, which are similar to the Hide and Skin Trade Ordinance, 1948, and it is considered that this Government should do likewise. On account of staffing and other difficulties, it has not been considered desirable to bring the Ordinance into force in Kenya until the necessary organization is complete.

It is, however, considered essential, in order to maintain uniformity in the three territories, that some of the provisions, particularly regarding the imposition of a cess, should be brought into force in the Colony without further delay. This Bill seeks to enable that to be done.

No additional expenditure of public moneys will be involved if the provisions of this Bill become law.

Nairobi,
1st August, 1948.

S. W. P. FOSTER SUTTON,
Attorney General.

GENERAL NOTICE NO. 1409

PUBLIC AUCTION OF TOWNSHIP PLOTS, MOLO

NOTICE is hereby given that the plots in Molo as described in the Schedule hereto will be sold by public auction at the office of the District Commissioner, Molo, on 31st August, 1948, at 10 a.m.

A plan of the plots contained in the Schedule may be seen at the offices of the Commissioner of Lands, Nairobi, or at the office of the District Commissioner, Nakuru, as the case may be, or may be obtained on application to the Commissioner of Lands, P.O. Box 89, Nairobi, on payment of Sh. 5 post free.

The right to withdraw any plot from the sale is reserved to the Commissioner of Lands.

In the following conditions of sale the term "authority" means the District Commissioner, or such Municipal Authority as may be hereafter established by law.

(a) General Conditions

1. Each plot will be auctioned separately.
2. The amount of the advance of each bid will be regulated by the auctioneer and no bidding shall be retracted.
3. The highest bidder will be declared the purchaser of the plot, but if any dispute arises as to any bid the plot will be re-offered at the last undisputed bid.
4. Each purchaser shall pay to the auctioneer immediately on the fall of the hammer, 25 per cent of the amount of his bid. In default of such payment, the plot may be immediately re-offered for sale and any subsequent bid by the person who has made default may be ignored or refused.
5. Each purchaser shall, on paying the deposit, inform the auctioneer the name or names of the person or persons on whose behalf the plot is purchased, and any subsequent grant that may be made will be issued in accordance with this information.
6. The amount bid in respect of the plot shall be considered as the stand premium payable thereon.
7. The roads and drains contribution in respect of the plot, and the rent due to 31st December, 1948, shall be paid to the Commissioner of Lands within seven days of the date of the auction.
8. Deed of grants in respect of each plot cannot be issued until survey has been effected. Fees for survey will be payable on demand together with the balance of the amount bid, and those fees payable in respect of the preparation and registration of the grant (Sh. 120) and the stamp duty payable in respect of the grant (approximately 2 per cent of the amount bid and rent). Successful bidders are reminded that unavoidable delay may ensue regarding survey.

(b) Conditions of Grant

1. The purchaser shall erect, within two years of the commencement of his grant, a building of approved design, constructed of stone, burnt brick or concrete on proper foundations.
2. No building shall be erected on any plot unless plans (including block plans showing the position of the buildings), drawings, elevations and specifications thereof shall have been previously approved by the authority, and by the Commissioner of Lands or such other person as he may appoint. Such plans, etc., shall be submitted in triplicate to the District Commissioner, Nakuru, within three months of the date of sale.
3. Grants will be made under the Crown Lands Ordinance (Chapter 140 of the Revised Edition of the Laws of Kenya) and titles will be issued under the Registration of Titles Ordinance. The term of the grants will be 99 years from the 1st day of September, 1948, at the annual rents specified in the Schedule.
4. The grantee shall not, at any time, sub-divide the plot, or assign, sub-let or otherwise dispose of any portion of the plot.
5. Any building erected shall conform to a building line decided upon by the authority.
6. The grantee shall not transfer the plot nor enter into any mortgage charge or agreement of sale in respect thereof within five years of the date of commencement of the grant.
7. All out-buildings, offices, etc., shall be properly sited and screened from view to the satisfaction of the authority or such other person as may be appointed and shall be kept so screened during the term of the grant.
8. The Government or such person or authority as may be appointed for the purpose shall have the right to enter upon any plot and lay and have access to water mains, service pipes, telegraph or telephone wires, and electric mains of all descriptions, whether overhead or underground, and the grantee shall not erect any building in such a way as to cover or interfere with any existing routes, main or service pipes or the telegraph, or telephone wires and electric mains aforementioned.
9. Grantees will be required to pay any municipal rates upon the whole of the rateable interest and Government's contribution in lieu of rates assessed on the plots. A condition will, therefore, be embodied in each grant providing for the necessary adjustment between the grantee and the Government.
10. Under Government Notice No. 20 of 1945 the permission of the Supply Board is required for the erection of a building exceeding £50 in value, but no guarantee can be given that a

building permit will be issued in respect of the building required to be erected under the conditions of the grant.

(c) Special Conditions in Respect of Residential Plot in Schedule IX II

1. Fittings and floor may be of an approved temporary material and construction provided that these be replaced by approved permanent materials within six months of notice being given by the Commissioner of Lands.
2. At no time during the term of the grant shall more than one dwelling-house with necessary offices and out-buildings be erected on the plot without the consent of the Governor.
3. The plot shall be used for private residential purposes only.
4. The grantee shall not at any time during the term of the grant erect any building or buildings to cover more than one-third of the area of the plot.

Nairobi,
26th July, 1948.

and Surveys.
