10 The areas are situated approximately 30 miles from rail-head and are served by a tar macadam road for the first 20 miles A considerable portion of the remaining ten miles will, however, have to be made by the successful tenderer The rainfall is in the region of 60 inches to 65 inches per annum

11 The successful tenderer will be required to pay within 14 days of notification that his tender has been accepted 10 per cent of the amount tendered Survey fees will be payable within seven days of a demand therefor The balance of the purchase price may either be paid prior to the issue of title or may be paid in nine equal annual instalments, the first of such payments becoming due on the 1st January next following the date of acceptance of the tender

12 The title will be issued as soon as conveniently may be, the successful tenderer being required to pay on demand the cost of the preparation and registration of the grant, approximately Sh 120 and the stamp duty

13 The area known as Kimulot has not been surveyed and the boundaries may be subject to adjustment and its acreage must therefore be taken as very approximate

14 The highest or any tender in each case will not necessarily be accepted

SCHEDULE

Block—Jamji (L R 3821/2)

Approximate area—4,000 acres (surveyed)

Block—Kimulot

Approximate area—4,500 acres (very approximate only—not likely to be less than 4,000 acres)
