GOVERNMENT NOTICE No 893

The Governor in Council has approved of the following Bill being introduced into the Legislative Council

T V N FORTESCUE,
Acting Clerk to the Legislative Council

**A BILL ENTITLED
AN ORDINANCE TO AMEND THE POLICE
ORDINANCE, 1948**

ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows —

Short title

No 79 of 1948

Insertion of
new Part VII
in the principal
Ordinance

1. This Ordinance may be cited as the Police (Amendment, No 2) Ordinance, 1950, and shall be read and construed as one with the Police Ordinance, 1948 (hereinafter referred to as the principal Ordinance)

2. There shall be inserted next after section 63 of the principal Ordinance a new Part VII as follows—

PART VII—CURFEW

Curfew Order

64 (1) If at any time it shall appear to the Commissioner, or to a Provincial Commissioner, that there is a reasonable apprehension that a riot, an unlawful assembly, a concerted breach of the peace, or organized intimidation by threats of violence, will take place in any area within the Colony or within the province of such Provincial Commissioner, as the case may be, the Commissioner or such Provincial Commissioner may by an Order (in this section referred to as a Curfew Order) direct that no person or no such class or description of persons as may be specified in the Curfew Order, shall be out of doors within such area during the hours of darkness, except under the authority of a written permit granted by a police officer or other officer specified in the Curfew Order

(2) A Curfew Order shall be promulgated in such manner as shall, in the opinion of the Commissioner, or the Provincial Commissioner, as the case may be, be best fitted to bring it to the notice of the persons concerned and shall remain in force until varied or rescinded by an Order made by the authority which imposed it or by the Governor in Council as hereinafter mentioned

(3) Every Curfew Order made by the Commissioner or a Provincial Commissioner shall, as soon as conveniently may be, be placed before the Governor in Council, and the Governor in Council may, if he thinks fit, vary or rescind the Order

(4) The variation or rescission of a Curfew Order shall be without prejudice to anything done under it prior to such variation or rescission or to any proceeding in respect of any contravention of such order commenced prior to such variation or rescission

(5) Any person who shall fail to comply with the provisions of a Curfew Order may be arrested without warrant and shall be liable to a fine not exceeding one hundred shillings or to imprisonment which may extend to one month or to both such fine and imprisonment

(6) In this section the expression “hours of darkness” means the period between six-thirty p.m. and six-thirty a.m., or such less period between those hours as may be specified in the Curfew Order

3. (1) Part VII of the principal Ordinance shall be re-numbered as Part VIII

Renumbering
of Part VII
and section 64
of the principal
Ordinance

(2) Section 64 of the principal Ordinance shall be re-numbered as section 65

MEMORANDUM OF OBJECTS AND REASONS

Experience has shown that it is desirable that there should be power, exercisable on occasion by order to impose a curfew in any area in the Colony where it appears to the Commissioner of Police, or the Provincial Commissioner concerned, that there is a reasonable apprehension that a riot, unlawful assembly, concerted breach of the peace or organized intimidation by threats of violence will take place. This Bill will amend the Police Ordinance, 1948, so as to confer the necessary powers on the Commissioner of Police and Provincial Commissioners. A curfew order may be made to apply to all persons within an area or to such class or description of persons within the area as may be specified in the order.

A curfew order may only be made to have effect during the "hours of darkness", which expression is defined as the period between 6.30 p.m. and 6.30 a.m. or such lesser period between those hours as the order may specify.

Every curfew order must be promulgated and must be placed, as soon as conveniently may be, before the Governor in Council, who may vary or rescind such order.

Penalties are provided for breaches of curfew orders.

The Ordinance, if enacted, should give assistance to the forces of law and order, and added protection to law-abiding citizens against hooliganism or organized intimidation at night.

No additional expenditure of public moneys will be incurred if the provisions of this Bill become law.

GOVERNMENT NOTICE No. 894

The Governor in Council has approved of the following Bill being introduced into the Legislative Council:

T. V. N. FORTESCUE,
Acting Clerk to the Legislative Council

A BILL ENTITLED AN ORDINANCE TO PROVIDE FOR THE CON- TINUANCE IN FORCE OF THE CONTROL OF HOTELS ORDINANCE

ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows:—

1. This Ordinance may be cited as the Control of Hotels (Continuance in Force) Ordinance, 1950. Short title

2. The Control of Hotels Ordinance shall for all purposes be deemed to have continued in force on and after the 5 1st day of July, 1950 and shall remain in force until the 30th day of June, 1951. Continuance
in force of
the Control
of Hotels
Ordinance
Cap. 275

MEMORANDUM OF OBJECTS AND REASONS

Section 18 of the Control of Hotels Ordinance provided for the Ordinance to continue in force until the 30th day of June, 1949. By a proviso to that section the Governor, with the approval of the Legislative Council, was empowered to declare by notice in the Gazette, that the Ordinance should remain in force until a date to be fixed in the notice or until repealed. This power was exercised and the Ordinance was kept in force until the 30th June last. On the 10th May, 1950, Legislative Council approved of the Ordinance being kept in force until the 30th June, 1951. By an oversight, however, the notice required by the proviso to section 18 was not published. An Ordinance is, therefore, now necessary to give effect to the recommendation of Legislative Council that the Ordinance should remain in force till the 30th June, 1951.

No additional expenditure of public moneys will be incurred if the provisions of this Bill become law.

GENERAL NOTICE No 1771

THE CROWN LANDS ORDINANCE

HOTEL SITES—ESCARPMENT

IT IS notified for general information that the Kenya Government is prepared to enter into negotiations for the direct grant of a site of three to five acres on the Escarpment overlooking the Rift Valley in the Kedong area adjacent to the main Nairobi-Naivasha road for the erection of an hotel. Three possible sites are listed in the Schedule below. Interested parties are invited to notify the Special Commissioner for Lands, P O Box 89, Nairobi, Kenya not later than the 25th day of September, 1950, of their desire to enter into negotiations, stating at the same time—

- their proposals in general terms for the construction of the hotel accompanied if possible by a sketch plan,
- minimum amount of capital which it is proposed to expend on the actual construction of the hotel exclusive of administration architects' fees, etc,
- the amount of guaranteed capital available for construction purposes,
- proposed arrangements for water supply. There is no water at any of these sites and the method of providing water is the crux of the matter in each case.

Nairobi, 8th August, 1950
E R COUSINS,
*Special Commissioner and Acting
Commissioner of Lands*

Site 1—This is situated at approximately mile 26½ from Nairobi on the east side of the Rift Valley Road and comprises a ledge actually overhanging the road which is about 150 feet below it. It can be approached on a gentle gradient by an existing forest road which leaves the main road at approximately mile 25½ from Nairobi. There is an uninterrupted view over the entire Rift Valley. The nearest known supply of water is in the loop of the railway to the north-east at 1½ miles away.

Site 2—This site is on the west of the road approximately at mile 29½ from Nairobi. The site can be identified by an abandoned masonry plinth some 3½ ft by 2½ ft by 2½ ft high standing beside the road. It comprises five or six acres and would offer an uninterrupted view of the Rift Valley if some clearing was undertaken. There is no known water supply at the site but water is believed to exist in the valley below at a distance of approximately half a mile.

Site 3—This site is on the east of the road a little short of the 31st milestone from Nairobi and adjacent to a small streamlet which emerges from the Escarpment. The site comprises five or six acres. There is water on the site, but the view offered is not nearly so good as that from the other two sites.

Interested parties may examine a map on which the sites are marked on application to the Lands Office, Nairobi.
