SCHEDULE

(Section 9)

MODIFICATIONS OF CERTAIN SECTIONS OF THE AFRICAN POLL TAX
ORDINANCE INCORPORATED IN THIS ORDINANCE. Cap. 252.

FIRST COLUMN <i>Section or sub-section</i>	SECOND COLUMN <i>Modifications</i>
6 (2)	(a) Substitute for the words 'such first-mentioned date' the words "the 31st day of October of the year in which the tax is due". (b) Insert, immediately after the words "any court", the words "including an African court".
6 (4)	(a) Substitute for the words "the provisions of sub-section (1) of this section" the words "the provisions of section 5 of this Ordinance". (b) Substitute for the words "under section 11 of this Ordinance" the words "under section 8 of this Ordinance".
7 (2)	Substitute for the words and figure "under section 5" the words and figure "under section 6".
11A	Substitute, in sub-section (1) and sub-section (2), for the words "of sub-section (1) of section 6", the words "of sub-section (2) of section 5".

MEMORANDUM OF OBJECTS AND REASONS

It is considered that, since the present emergency has been directly caused by the subversive and criminal activities of large numbers of the Kikuyu tribe, some portion of the extra cost which would otherwise have to be borne by the general revenues of the Colony should be met by members of the Kikuyu tribe in the areas particularly affected. This Bill accordingly makes provisions for the imposition of a special tax of Sh. 20 which will be payable in both the years 1953 and 1954 by all adult male Kikuyu in "scheduled areas".

Clause 1 provides for the temporary operation of the Ordinance and *clause 2* deals with the interpretation of expressions used therein.

The application of the Ordinance is governed by *clause 3* under which the Governor in Council may declare to be "scheduled areas" such areas as appear to the Governor in Council to be areas in which the amount or nature of crime is or has recently been abnormal.

Clause 4 imposes the special tax of Sh. 20 per annum on every male adult Kikuyu in a scheduled area. *Clause 5* provides for the date upon which the special tax becomes payable and for a penalty in respect of non-payment, on the same lines as the African Poll Tax Ordinance, and *clause 6* deals with the places appointed for payment of the tax. Cap. 252.

It is considered that, in the Municipality of Nairobi, payment might be made by instalments and *clause 7* provides accordingly; elsewhere the tax will be payable in one sum.

The remission of tax is dealt with in *clause 8*, whereunder remission may be given, in the discretion of a district officer, on the grounds of poverty or active loyalty in the present emergency.

Clause 10 incorporates, with the necessary modifications, certain provisions of the African Poll Tax Ordinance, mainly dealing with the administration of the Ordinance. Cap. 252.

It is not possible to estimate the amount of revenue which will accrue if the provisions of this Bill become law.

Nairobi,
9th January, 1953.

JOHN WHYATT,
Attorney General.

GOVERNMENT NOTICE No. 43

The Governor in Council has approved of the following Bill being introduced into the Legislative Council.

G. J. ELLERTON,
Acting Clerk to the Legislative Council.

**A BILL ENTITLED
AN ORDINANCE TO AMEND THE DISTRIBUTION OF
GERMAN ENEMY PROPERTY ORDINANCE, 1951**

ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows:—

Short title.

1. This Ordinance may be cited as the Distribution of German Enemy Property (Amendment) Ordinance, 1953, and shall be read and construed as one with the Distribution of German Enemy Property Ordinance, 1951, hereinafter referred to as the principal Ordinance. 5

No. 32 of 1951.

Amendment of section 3 of the principal Ordinance.

2. Section 3 of the principal Ordinance is amended in the following respects—

(a) by inserting, immediately at the commencement of sub-section (1) thereof the words "Subject to the provisions of section 7 of this Ordinance"; 10

(b) by re-lettering paragraph (g) of sub-section (2) thereof as paragraph (h) and inserting the following new paragraph as paragraph (g) of that sub-section—

(g) the charging of fees in respect of the collection and realization of German enemy property 15 hereunder;

Repeal and replacement of section 7 of the principal Ordinance.

3. There shall be substituted for section 7 of the principal Ordinance, the following section—

Power to exempt certain property.

7. The Governor may, subject to such conditions as he may think fit to impose— 20

(a) by Order, exempt from the provisions of this Ordinance any property of any Christian religious mission;

(b) dispose of, or direct the disposition of, any such property to such person and in such manner as 25 he may think fit.

MEMORANDUM OF OBJECTS AND REASONS

No. 32 of 1951.

Experience has shown it to be desirable that the Distribution of German Enemy Property Ordinance, 1951, should be amended in certain respects, and this Bill is designed to effect such amendments.

No. 21 of 1939.

Section 3 of the principal Ordinance provides that the Governor may by order provide for the collection and realization of German enemy property, the payment of claims out of the proceeds by the administrator, and the charging by the administrator of fees in respect of the payment of such claims. The section does not permit the administrator to charge fees for the collection and realization of such property, although the Custodian of Enemy Property, who exercises similar powers under the Trading with the Enemy Ordinance, 1939, is empowered under that Ordinance to charge such fees. *Clause 2 of the Bill* will remedy this inconsistency.

Section 7 of the principal Ordinance enables the Governor by order to exempt from the provisions of the Ordinance any property of any Christian religious mission. In certain cases it may be undesirable or impracticable to return the property to the mission, but it may, nevertheless, be desirable that the property should be made available to another mission which is able and willing to carry on the work for which such property was formerly used, in order that a local need for medical or educational facilities may continue to be met. *Clause 3 of the Bill* will, whilst retaining the right to exempt in suitable cases, enable property to be disposed of for this purpose.

It is not expected that any additional expenditure of public moneys will be incurred if the provisions of this Bill become law.

Nairobi,
28th November, 1952.

JOHN WHYATT,
Attorney General.

GENERAL NOTICE No. 53

INCOME TAX COMMITTEE

THE Income Tax Committee, notice of whose appointment and terms of reference was given in the Kenya Official Gazette under General Notice No. 2637 of 24th November, 1952, are prepared to receive representations from organizations and individuals on any matter falling within their terms of reference, which are:—

“To study the Act of the High Commission to provide for the management and collection of income tax by the East African Income Tax Department and to make recommendations for amendments which should be made to the Act under Clause 97, which should be to the general benefit of the Colony.”

Clause 97 of the East African Income Tax (Management) Act, 1952, reads:—

“The Governor of any of the Territories may, with the approval to be signified by resolution of the Legislative Council of that Territory and by order published in the Gazette, amend the provisions of this Act in its application to that Territory.”

Representations should in the first place be in writing. The Committee will decide later from whom they wish to take oral evidence and will advise such persons or organizations accordingly and of the place and time when they wish to take such evidence. The Committee will meet principally in Nairobi but may hold meetings elsewhere for the purpose of hearing oral evidence, depending upon the written representations received. Meetings of the Committee at which evidence is taken will not be in public.

Written representations may be made in any form and on any matter concerning which provision is contained in the Act. It will, however, be of material assistance to the Committee if, when representations are made, they are given under one or more of the following main headings, as appropriate, and if reference is made specifically to the particular section or sections of the Act to which reference is intended.

- A.—Administration of the Act (Sections 3–7).
- B.—Imposition of Tax (Sections 8–10).
- C.—Exemptions (Sections 11–13 and Third Schedule) (*see note below*).
- D.—Deductions and Related Matters (Sections 14–21, but excluding Section 14 (1) (k) and Second Schedule).
- E.—Capital Expenditure (Section 14 (1) (k) and Second Schedule).
- F.—Treatment of Certain “Private” Companies (Section 22).
- G.—Avoidance of Tax (Sections 23 and 24).
- H.—Personal Allowances (Sections 25–35) (*see note below*).
- J.—Rates of Tax, etc. (Sections 36–44) (*see note below*).
- K.—Double Taxation (Sections 45–48 and “Arrangements”, *vide* Section 47).
- L.—Miscellaneous (Sections 1, 2 and 49 to 99 inclusive, and First, Fourth and Fifth Schedules).

(With reference to Heads C, H and J above, these are matters more specifically dealt with or to be dealt with by Territorial Legislation. The Committee’s terms of reference do not include examining into or making recommendations concerning the actual rates of tax or the actual amounts of personal allowances and reference to such matters should be avoided in representations made to the Committee save to the extent that such reference is essentially relevant to representations made in other directions.)

All communications should be addressed to the Secretary of the Income Tax Committee, P.O. Box 92, Nairobi, whose telephone number is Nairobi 21201. Written representations should be submitted so as to reach the Secretary before 31st March, 1953. It would be of considerable assistance to the Committee if representations could be made in sextuplicate.

P. J. GILL, *Chairman,*
Income Tax Committee.

Such plans, etc., shall be submitted in triplicate to the Town Clerk, Kisumu, within three months of the date of the commencement of the term.
