GUARANTEE (HIGH COMMISSION RAILWAYS
AND HARBOURS LOANS) ORDINANCE, 1953

ENACTED by the Governor of the Colony of Kenya,
with the advice and consent of the Legislative Council thereof,
as follows —

1. This Ordinance may be cited as the Guarantee (High Commission Railways and Harbours Loans) (Supplementary Provisions) Ordinance, 1955

2 In this Ordinance—

5 “the Act of 1951” means the Loan (Railways and Harbours) Act, 1951,

“the Act of 1952” means the Loan (Railways and Harbours) Act, 1952,

10 “approved instrument” means any instrument which has been approved by resolution of the Legislative Council whether before or after the commencement of this Ordinance and includes any instrument required to be executed by any such instrument as aforesaid,

15 “High Commission (Railways and Harbours Loans) Securities” has the meaning assigned to that expression by the Guarantee (High Commission Railways and Harbours Loans) Ordinance, 1953

20 3. (1) The Governor is hereby empowered to execute any approved instrument relating directly or indirectly to any loan authorized to be raised by the High Commission under the authority of the Act of 1951 or the Act of 1952 or relating to the purposes for which any such loan is so authorized to be raised

25 (2) Any approved instrument executed by the Governor in pursuance of this section shall be valid and binding in all respects upon the Government and every other party thereto, and to the extent to which any moneys are required to meet the obligations of the Government under any such approved instrument they shall constitute a charge on the general 30 revenues and funds of the Colony

35 4. The provisions of this Ordinance shall be supplemental to the provisions of the Guarantee (High Commission Railways and Harbours Loans) Ordinance 1953, and nothing contained in this Ordinance or in any approved instrument executed by the Governor in pursuance of section 3 of this Ordinance shall be construed as prejudicially affecting any holder of any of the High Commission (Railways and Harbours Loans) Securities

MEMORANDUM OF OBJECTS AND REASONS

The Guarantee (High Commission Railways and Harbours Loans) Ordinance, 1953, guarantees the repayment of loans raised under the High Commission Loans Acts of 1951 and 1952. The High Commission proposes to raise part of the money guaranteed under that Ordinance from the International Bank for Reconstruction and Development. In order to enable this to be done the Governments of Kenya, Uganda and Tanganyika are required to enter into supplemental undertakings and this Bill is designed to empower the Governor to execute the necessary instruments. It will be noted that such instruments require the approval of the Legislative Council before execution.

In the event of default by the High Commission additional expenditure dependent on the nature of any approved instrument executed by the Governor pursuant to the provisions of this Bill may be incurred if this Bill is enacted.
