**COMMONWEALTH SCHOLARSHIP AND FELLOWSHIP PLAN**

**NEW ZEALAND AWARDS FOR 1961**

As a result of the Educational Conference held in Oxford in 1959 Kenya is being offered New Zealand awards under the Commonwealth Scholarship and Fellowship Plan for entry into courses in New Zealand beginning in March, 1961

**ELIGIBILITY**

The New Zealand scholarships are tenable in New Zealand universities and are open to men and women who are citizens of a Commonwealth country and are normally resident in part of the Commonwealth other than New Zealand. Minimum qualifications for entry to a first course in a New Zealand university include not less than two principal level subjects in higher certificate or advanced level General Certificate of Education. School certificate credits or General Certificate of Education ordinary level passes must include English language

They will usually be awarded for advanced study or research and will be open to students who by March will hold a degree from a recognized university, or an equivalent qualification. Applications from persons holding any qualification lower than the above will not be considered. In exceptional cases an award may be made to a graduate who wishes to study for another undergraduate degree or may be made to an undergraduate if the programme of studies he wishes to follow is not available in his own country

The scholarships are open to men and women who will not have reached their 35th birthday by 1st March, 1961. In special circumstances this age limit may be raised

**TENURE OF AWARDS**

Awards will be made for a period of two academic years and the intervening summer but when a programme of studies so requires they may be made for a shorter or longer period

Each award will be continued for the period of study or research for which it is granted, provided that the student's progress and conduct are satisfactory

In special cases the committee may extend the period of an award on academic grounds

**VALUE OF AWARDS**

Each scholarship is intended to cover the expenses of travel living and study during its tenure. It thus provides for the payment of all tuition fees, a personal allowance at the rate of £58 6s 8d per month for postgraduate scholars and £41 13s 4d per month for undergraduate scholars from date of arrival in New Zealand. There is also a grant for books and apparatus of £25 per year. No dependent's allowances will be paid, but the cost of passages to and from New Zealand tourist rate by sea or air will be met for the scholar

**GENERAL INFORMATION**

Information regarding the New Zealand University which comprises six colleges can be obtained from the Higher Education Section of the Ministry of Education Room 23 Gill House Nairobi

**SELECTION**

The Central Bursaries Selection Board in Kenya has been invited to undertake the preliminary selection of candidates and to forward their recommendations to the Secretary, Commonwealth Scholarships and Fellowships Committee of New Zealand, with whom the final decision rests
