REPORT BY THE ACTING CONTROLLER AND AUDITOR GENERAL ON THE ACCOUNT OF THE ASIAN OFFICERS' FAMILY PENSIONS FUND FOR THE YEAR ENDED 31ST DECEMBER, 1959

SUNDRY DEBTORS—PERSONAL CONTRIBUTIONS

1 The figure for Sundry Debtors has been obtained from returns submitted by Departments and Ministries. Some of these returns do not bear evidence of an independent internal check as requested by the Treasury. The matter is being pursued with the Treasury.

2 Of the sum of £11,043-3-02 cts shown as due to the Fund in respect of Personal Contributions a total of £10,945-8-02 cts has since been received leaving a balance of £97-15-00 cts only, outstanding at the 30th April, 1960. It should be realized that the figure of £11,043-3-02 cts includes amounts paid to ministries or departments but not yet paid over to the Treasury.

INVESTMENTS AND CASH ON DEPOSIT

3 The statement of investments and cash balance held by the Crown Agents certified by the Comptroller and Auditor General of the United Kingdom has not yet been received and the Crown Agents investments and cash on deposit in the Joint Consolidated Fund have therefore been verified with uncertified copies of the Statement.

CONTRIBUTIONS AND PENSIONS RECORDS

4 With reference to paragraph 1 of the report on the accounts for 1958, pensions payable have now been recorded in the register. The question of recording details of contributions paid has now been reconsidered and a system of control by returns to Ministries and Departments has been introduced. The effectiveness of this system cannot be fully assessed as yet, as a number of Departments have not yet submitted the necessary confirmation concerning the correctness of the returns, but from the confirmations so far received it is clear that better control over recoveries of contributions is necessary. The matter is under correspondence.

CONTRIBUTORS FROM THE EAST AFRICA HIGH COMMISSION AND E A LAND FORCES ORGANIZATION

5 With reference to paragraph 3 of the report on the accounts for 1958 it has now been decided to amend the Ordinance to provide for the officers of the East Africa High Commission to become compulsory contributors. It has also been suggested that members of the East Africa Land Forces Organization should be treated in a similar manner. The matter is under correspondence with the law officers. Difficulties may arise owing to the imminent disbandment of the Organization.

DEFINITION OF ASIAN OFFICER IN THE ORDINANCE

6 Certain matters in connexion with the definition of "Asian Officer" in the Ordinance are at present under correspondence with the Secretary of State. This particularly affects a contributor who was permitted to cease contributing to this Fund and to contribute to the European Widows' and Orphans Pension Scheme.

VALUATION OF FUND

7 With reference to paragraph 2 of the report on the Accounts for 1958 the proposed legislation amending the period for valuation to not more than ten yearly intervals has not yet been introduced. Meanwhile no revaluation has been undertaken.

BASIS OF CONTRIBUTIONS

8 It has been decided that definition of "Salary" in Section 2 (i) of the Ordinance requires amendment to provide for contributions to be assessed on basic salary plus the inducement addition if applicable. I have been informed that the necessary amending legislation will be introduced.
