2 The grantee shall within six months of the commencement of the term submit in triplicate to the Local Authority and the Commissioner of Lands plans (including block plans showing the positions of the buildings and a system of drainage for the disposal of sewage surface and sullage water), drawings, elevations and specifications of the buildings the grantee proposes to erect on the land and shall within 24 months of the commencement of the term complete the erection of a petrol service station and the construction of the drainage system in conformity with such plans, drawings, elevations and specifications as amended (if such be the case) by the Commissioner

Provided that if default shall be made in the performance or observance of any of the requirements of this condition it shall be lawful for the Commissioner of Lands or any person authorized by him on behalf of Her Majesty to re enter into and upon the land or any part thereof in the name of the whole and thereupon the term hereby created shall cease but without prejudice to any right of action or remedy of Her Majesty, the Governor or the Commissioner in respect of any antecedent breach of any condition herein contained

3 The grantee shall at his own expense suitably connect the said drainage system and also the water supply system with any town drainage and/or town water supply system when in the opinion of the Local Authority the latter systems are so far completed as to enable the grantee to do so

4 The grantee shall maintain in good and substantial repair and condition all buildings at any time erected on the land

5 Should the grantee give notice in writing to the Commissioner of Lands that he is unable to complete the buildings within the period aforesaid the Commissioner of Lands shall (at the grantee's expense) accept a surrender of the land comprised herein

Provided further that if such notice as aforesaid shall be given (1) within 12 months of the commencement of the term the Commissioner of Lands shall refund to the grantee 50 per centum of the stand premium paid in respect of the land, or (2) at any subsequent time prior to the expiration of the said building period the Commissioner of Lands shall refund to the grantee 25 per centum of the said stand premium. In the event of notice being given after the expiration of the said building period no refund shall be made

6 The land and buildings shall be used for the purposes of a petrol and service station which shall include only the greasing, washing and oiling of vehicles. Adequate car parking facilities are to be provided on the plot for those cars which are serviced at the station

7 The grantee shall comply with the provisions of the Petroleum Ordinance (Cap 304) and any amendment thereto or re enactment thereof for the time being in force and the rules made from time to time thereunder

8 The buildings shall not cover a greater area of land than may be prescribed by the Local Authority

9 The grantee shall not subdivide the land

10 The grantee shall not sell, transfer, sublet or charge the land or any part thereof except with the prior consent in writing of the Governor (no application for such consent (except in respect of a loan required for building purposes) will be considered until Special Condition No 2 has been performed

11 The grantee shall not erect on the land any hoarding, placard, poster, sign or advertisement except a notice advertising the presence and products of the grantee's business

12 The grantee shall pay to the Commissioner of Lands on demand such sums as the Commissioner may estimate to be the proportionate cost of constructing all roads and drains and sewers serving or adjoining the land and shall on completion of such construction and the ascertainment of the actual proportionate cost either pay (within seven days of demand) or be refunded the amount by which the actual proportionate cost exceeds or falls short of the amount paid as aforesaid

13 The grantee shall from time to time pay to the Commissioner of Lands on demand such proportion of the cost of maintaining all roads and drains serving or adjoining the land as the Commissioner may assess

14 Should the Commissioner of Lands at any time require any road serving or adjoining the land to be constructed to a higher standard the grantee shall pay to the Commissioner on demand such proportion of the cost of such construction as the Commissioner may assess

15 The grantee shall pay such rates, taxes, charges, duties, assessments or outgoings of whatever description as may be imposed, charged or assessed by any Government or Local Authority upon the land or the buildings erected thereon, including any contribution or other sum paid by the Governor in lieu thereof

16 The Governor or such person or authority as may be appointed for the purpose shall have the right to enter upon the land and lay and have access to water mains, service pipes and drains, telephone or telegraph wires and electric mains of all descriptions, whether overhead or underground, and the grantee shall not erect any buildings in such a way as to cover or interfere with any existing alignments of main or service pipes or telephone or telegraph wires and electric mains

17 No covenant, condition or requirement will be entered into imposed or made whereby the ownership or occupation of the land or any part thereof is restricted to persons of a particular race or races or class or classes of race or whereby such persons are excluded from such ownership or occupation
