**EAST AFRICAN RAILWAYS AND HARBOURS  
AMENDMENTS TO TARIFF BOOK No. 3 (PARTS I AND II)**

THE East African Railways and Harbours give notice that Tariff Book No. 3 (Parts I and II) is amended as follows with effect from 1st February, 1963:—

**PART I**

**PAGE 50. SECTION 90**

Delete the section in its entirety and insert:—

**90. Motor-cars and Motor Scooters Accompanying Passengers**

1. Motor-cars privately owned, on wheels, accompanying passengers, will be carried at the rates quoted in paragraphs 2 (a) and 2 (b) below, provided that—

- (a) the owner consigns the car between the same points as those for which one valid first or two valid second-class passenger tickets (single or return as the case may be), paid for at the standard rates detailed in sections 70 and 74, are produced at the time of booking;
- (b) the car may be carried in an open railway wagon on those sections of the journey requiring rail transit;
- (c) the Administration reserves the right to load other traffic in the same wagon. Sole use of a wagon will not be guaranteed;
- (d) the Administration does not undertake to despatch the car by any particular train or ship nor can any specified time of arrival at destination be guaranteed;
- (e) the carriage of accompanied motor-cars is at owner's risk and in all cases an owner's risk consignment note must be completed and signed by the sender;
- (f) these arrangements are subject to the general conditions attached to the carriage of motor-cars.

2. The rates charged will be as follows:—

(a) *Single journeys.*—The full Scale "A" rates as set out in section 340 of Part II of this Tariff Book will be charged and charges must be paid by the consignor at the time of booking. Between Nairobi Station and Mombasa Station only (or vice versa) accompanied motor-cars will be carried at Scale "A" rates less 20 per cent. This rate does not apply to unregistered cars.

(b) *Return journeys.*—Accompanied motor-cars will be carried at 1½ times the Scale "A" rates. Charges for both the forward and return journeys must be paid by the consignor at the time of booking for the forward journey.

3. Charges will be based on passenger mileages calculated in accordance with section 310 by the actual route travelled, provided that, if at the Administration's convenience, a car booked at accompanied car rates over part of its journey by train or lake steamer does not accompany the passenger, charges may be recalculated at Scale "A" rates on goods mileages for that portion of the journey for which the car is not accompanying the passenger.

4. Motor scooters (including bicycles with motor attachments and mopeds) accompanying passengers will be carried between certain stations at the reduced rates given in section 340 (7) of Part II of this Tariff Book, provided that—

- (a) the owner holds a valid return first- or second-class passenger ticket between the two points concerned;
- (b) the reduced rates apply to return journeys only. Single journeys and journeys between points other than those specified will be charged at ordinary parcels rates;
- (c) the carriage of accompanied motor scooters is at owner's risk and in all cases an owner's risk consignment note must be completed and signed by the sender.
