- the means of communication;
- geographical features;
- community of interest; and
- the boundaries of existing administrative areas."

Any representative delegations and individuals who wish to make oral representations, either in Nairobi, or in the various centres set out in the said itinerary should notify the Secretary of the Commission as soon as possible; but the Commission must not be expected to entertain representations which have not been already the subject of written memoranda. GAZETTE NOTICE No. 931

THE INDUSTRIAL COURT

CAUSE No. 65 OF 1965

Parties:—

Kenya Engineering Workers' Union
and

Messrs. Haji Suleman Haji Ladha and Sons

Issue in dispute.—Wages.

1. The Parties shall hereinafter be referred to as:—
Kenya Engineering Workers' Union—Claimants.
Messrs. Haji Suleman Haji Ladha and Sons—Respondents.
2. The Parties were heard in Nairobi on the 16th of February 1966, and relied on their written and verbal submissions. The Claimants called two witnesses.

GENERAL BACKGROUND

3. The Respondents are engaged in the business of box-body and bus-body building. Prior to November 1964, all employees were engaged by the Respondents on a daily basis and were not entitled to any benefits.

Recognition was accorded to the Claimants in 1961 and although agreement had been reached on other terms and conditions of employment no agreement was reached on wages.

During 1964 an agreement was negotiated between the Parties covering the following matters:—

1. Hours of Work.
2. Overtime.
3. Sick Leave.
4. Annual Leave.
5. Statutory Public Holidays.
6. Gratuity.

An attempt was made in July 1965, to carry out a job classification and as a result of this employees were fitted into various groups ranging from Group G to Group B. Group G purports to include Learners only and Group F is meant for Labourers. The other four Groups classify Artisan Learners, Artisans equivalent to Grade 3, Artisans equivalent to Grade 2 and Artisans equivalent to Grade 1.

The Claimants submitted their demands to the Respondents on 12th August 1965. The Respondents through their advocate gave the following reply:—

"Dear Sir,

Re: Messrs. Haji Suleman Haji Ladha and Sons

On behalf of my clients above named I refer you to the letter Ref. KEWU/HQ/65/143 dated 5th August 1965, and addressed to you by the Kenya Engineering Workers' Union.

My clients deny the allegations that they have always employed delaying tactics. My clients have either directly with the Union or through me settled a large number of matters and have during the last eight months made a number of concessions to their employees and substantially improved the terms of employment. In this connection I would refer you to your correspondence Ref. EMP/1/8/2. My clients would further like to inform you and the Union that they are not prepared to discuss wage demands on the basis submitted by the Union."

The matter was referred to the Minister for Labour, and conciliation proceedings took place but resulted in deadlock. The dispute was referred to the Industrial Court on 30th November 1965, under the provisions of the Trade Disputes Act, 1965.

MAIN SUBMISSIONS ON BEHALF OF THE CLAIMANTS

4. Wages.—The Claimants submitted that the Respondents had, throughout the negotiations exhibited a negative attitude towards their demands. They claimed that the Respondents were trying to avoid paying the workers their legitimate dues and that even some small employers who did not have as much business were paying higher rates of wages.

They stated that the wages currently paid by the Respondents ranged from between Sh. 150 for Learners to Sh. 574 for very highly skilled and experienced Artisans. They claimed to have taken into account wages being paid by other concerns on similar jobs in the country when they demanded wages as follows:—

Group B	Sh. 725 per month
Group C	Sh. 525 per month
Group D	Sh. 385 per month
Group E	Sh. 295 per month
Group F	Sh. 195 per month
Group G	Sh. 150 per month,

The Claimants drew the Court's attention to the Motor Engineering Trades Wages Council Order, which was with effect from 1st September 1963, and to the awards made by the Court in Causes No. 2 and 14 of 1965. They also submitted to the Court the various rates which they had negotiated with the Engineering and Allied Industries Employers Association on 17th January 1966, and the Motor Engineering Employers' Group of the Federation of Kenya Employers. They pointed out that all these rates were much higher than those paid by the Respondents and requested the Court to make an award confirming their demands.

The Claimants submitted that the Respondents' history of expansion showed that they could afford to pay even higher wages than what had been demanded. They pointed out that the cost of living had considerably increased, especially the house rents, and that the Respondents had had the benefit of very low wages for a long time. Finally, the Claimants contended that the wage rates for the various jobs as demanded by them would bring their minimum wage rates for each Group in line with other employers in the country. The Claimants requested the Court to back-date the award to 1st August 1965, and to give it a life of 12 months from that date. Two witnesses called by the Claimants stated that although they had been in employment with the Respondents for a long time they had received no increments whatsoever. The Claimants submitted that there was no shortage of work and that this could be proved by the fact that all employees were required to do overtime practically every day.

MAIN SUBMISSIONS ON BEHALF OF THE RESPONDENTS

5. Wages.—The Respondents stated that they were a firm in which six brothers were partners and, with the exception of one, all of them were actively engaged in the business. Their business had considerably decreased in Mombasa and they were dependent to a very large extent on business from Tanzania, so much so that they had been compelled to start a similar business there.

They stated that the Claimants' demands on fringe benefits were going to cost them a lot of money and their costs would be substantially increased. They submitted that during the year 1960 and 1961 due to industrial unrest and to various other reasons they had been forced to dispose of their business for the manufacture of nuts and bolts and had thereby sustained a heavy loss. At present they had to work on bank facilities and loans. The Respondents produced for the benefit of the Court their audited balance sheets for the years 1962, 1963 and 1964 and submitted that the figures indicated that they could not meet the Claimants' unrealistic and unreasonably high demands. They stated that their wage bill had increased during the last four years as follows:—

	Sh.	cts.
Wages paid during 1961	119,716	77
Wages paid during 1962	125,443	69
Wages paid during 1963	133,923	06
Wages paid during 1964	198,003	45

In spite of these increases they submitted there had been no increase in their profits.

In these circumstances the Respondents submitted that the present wages and other benefits which their employees were enjoying were reasonable and fair and requested the Court to make a nil award.

AWARD

The Court finds that the present job classification carried out by the Parties is unsatisfactory. The Parties are required to undertake and carry out a proper job classification exercise which should be completed before the next wage revision.

In these circumstances the Court, after having carefully considered all the arguments put forward by the Parties, awards a wage increase as follows:—

- Sh. 30 per month to all employees earning up to Sh. 150 per month and less.
- Sh. 20 per month to all other employees.

This award shall be with effect from 1st March 1966, and shall be of 12 months' duration from that date.

Given in Nairobi this 8th day of March 1966.

SAEED R. COCKAR,
President.

C. H. PROCTOR,
M. W. MULIMA,
Members.

GAZETTE NOTICE No. 948

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge Notice of Opposition on Form TM. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a full explanation of the circumstances thought to justify such a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Offices, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.
