## THE INDUSTRIAL COURT

CAUSE No. 3 OF 1967

Parties:—

Kenya Local Government Workers' Union (Claimants)  
and  
Nairobi City Council (Respondents)

1. On the 11th of January 1967, the Minister for Labour referred this dispute to the Industrial Court in accordance with the provisions of section 30 of the Trade Disputes Act 1965. The issues in dispute as contained in the Minister's reference were as follows:—

"1. Section 21 of the Trade Disputes Act states as follows:—

(2) For the purpose of this section—

(a) a trade dispute shall not be deemed to be within a trade or industry unless it is a dispute between employers and employees, or between employees and employees, in that trade or industry, which is connected with the employment or non-employment or the terms of the employment, or with the conditions of labour, of persons in that trade or industry;"

In view of the above quotation and in view of paragraph 2 below, was it procedurally and legally correct for the Union to call a strike against the City Council?

"2. The Local Government Workers' Union questions whether or not it was procedurally and legally correct for a decision concluded between the City Council and the KLGWU on the 17th of October 1966, and confirmed by the City Council on the 1st of November 1966, to be referred back to the Salaries Review Commission by the Ministry of Local Government which was announced subsequently that is, in the month of December 1966."

2. The Parties were requested to appear before the Court on the 13th of January 1967, to arrange the preliminaries, but on that day the Deputy Town Clerk told the Court that as far as the Respondents were concerned, they had no dispute with the Claimants and that unfortunately through the intervention of a third party, that is, the Minister for Local Government, they were being prevented from honouring an agreement which they had entered into with the Claimants. He further stated that the Respondents did not need the Minister for Local Government's approval for fixing the level of salaries of their employees although they had to get the Minister's approval to the estimates of their expenses.

The Claimants' representative supported this view and pointed out that, the agreement which they had entered into with the Respondents was not subject to the approval of the Minister for Local Government and added that, if the Deputy Town Clerk accepted that the Respondents had to pay the salary increases as agreed, then as far as they were concerned there was no dispute either.

During this mention a Senior State Counsel was present as an observer on behalf of the Minister for Local Government and Minister for Labour along with the Executive Officer, Federation of Kenya Employers on behalf of the Association of Local Government Authorities. At the President's request, the Senior State Counsel undertook to get further information from the Minister for Labour and the matter was adjourned to 24th January 1967.

3. On the 24th of January 1967, the Senior State Counsel handed to the Court another reference in this dispute signed by the Minister for Labour and stated that, the first reference should be treated as cancelled. The second reference was as follows:—

*"Essential Services*

In accordance with the provisions of section 30 of the Trade Disputes Act 1965, I refer to your Court the existence of a trade dispute between the Nairobi City Council and the Kenya Local Government Workers' Union (Nairobi Staff Branch) on behalf of workers in the essential services provided by the said City Council (including water services, health services, hospital services, sanitary services and fire services) being subject to the First Schedule to the Act.

The issue in dispute as reported and alleged by the said Union to me in their letter dated 10th December 1966, is the refusal by the said City Council to implement the agreed salary increases for salaried staff.

## MINISTER FOR LABOUR."

The Senior State Counsel also expressed certain views on behalf of the Minister for Local Government. He said that the Government had felt that, the Respondents' approval to implement the increase had to be endorsed by the Ministry. The Ministry had disallowed the Respondents' supplementary estimate on the ground that the Government had appointed a Salaries Review Commission. It was felt it would be most improper to allow a salary review to become operative while the Commission was still sitting. He further stated that, there were about 40 principal Local Government Authorities in Kenya

and a considerable number of minor authorities, whose staff were represented by the Claimants. The Minister felt that, to allow the Respondents to increase its wages at this time, particularly, with the Commission sitting, might well lead to a spiral, to a surge of applications for increased salaries which a considerable number could not afford. The Senior State Counsel, however, conceded that, the Minister for Local Government could not be a party to this dispute.

In these circumstances the Court established the Kenya Local Government Workers' Union as the Claimants and the Nairobi City Council as the Respondents. The Deputy Town Clerk then asked for an adjournment to discuss the matter further and to see if it could be settled out of Court. The matter was then stood over to 13th February 1967, on which day no one appeared on behalf of the Respondents and the Court fixed the hearing of this dispute on 20th and 21st March 1967. The dates for the submissions of written memoranda by the Parties were also fixed.

4. On 22nd February 1967, both the representatives of the Claimants and the Deputy Town Clerk on behalf of the Respondents made an application to the Court to make a consent award as follows:—

The following shall be the award of the said Court by consent of the Parties:—

(1) That the following new salary scales 5-24 inclusive be implemented by the Respondents.

## GAZETTE NOTICE No. 1017

THE TRADE MARKS ACT  
(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Offices, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.
