THE TRADE MARKS ACT

(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.

THE CITY COUNCIL OF NAIROBI
THE CITY OF NAIROBI (FIRE SERVICE) BY-LAWS, 1959
(L.N. 26/1959)

NOTICE: MAKING OF FIRES

COMPLAINTS have been received by this council to the effect that the burning of refuse in the residential areas of the City is on the increase. This appears unwarranted in view of the fact that council's vehicles are available to collect the refuse if it is stacked in appropriate spots.

Smoke tends to fill neighbouring properties and covers some areas with a thick blanket. This unnecessary pollution of the atmosphere engenders a nuisance which may be harmful as it may:—

- Result in poor visibility for motorists who may cause accidents.
- Cause indirect damage to delicate personal effects in houses.
- Have other undesirable ill-effects on human beings.

The attention of the members of the public is drawn to the provisions of by-law 16 of the City of Nairobi (Fire Service) By-laws, 1959 (L.N. 26/1959), which prohibits the indiscriminate making of fires within the City. The council will be constrained to institute legal proceedings against any alleged offender from henceforth. This will be done in the interests of the common good of the residents of this City.
