GAZETTE NOTICE No. 3432

THE INDUSTRIAL COURT

CAUSE No. 43 OF 1974

Parties:—

Domestic and Hotel Workers' Union
and
Izaak Walton Inn

Issue in dispute.—Unreasonable dismissal of Mr. Michael Kaberenge.

1. The Domestic and Hotel Workers' Union shall hereinafter be referred to as the Claimants and Izaak Walton Inn shall hereinafter be referred to as the Respondents.

2. The parties were heard in Nairobi on the 4th day of October, 1974, and relied on their written and verbal submissions.

AWARD

3. The Notification of Dispute Form "A" dated 5th July, 1974, was received by the Court on 1st August along with the statutory certificates signed by the Minister for Labour and the Labour Commissioner.

Mr. Michael Kaberenge was employed by the Respondents as a barman until 30th June, 1972, when he was suspended from duty due to an alleged shortage of Sh. 754 in the stock that was entrusted to him. On 2nd July, 1972, his services were terminated with effect from 5th July.

The Claimants intervened on his behalf and the matter was subject of an investigation carried out by an officer of the Ministry of Labour stationed at Nyeri.

It is most unfortunate that investigation report was not out for about a year followed by another one year's delay before the parties could sign the Notification of Dispute Form "A" referring the matter to the Industrial Court. This has resulted in a dispute of a dismissal which took place on 2nd July, 1972, being received and registered by the Court on 1st August, 1974. In these circumstances it is not surprising that both the parties were considerably handicapped in presenting the case before the Court. In the event neither Mr. Kaberenge nor the Respondents' Director who dealt with the matter at the time gave evidence during the hearing.

The fact that could be ascertained from the parties submissions is that on 31st May, 1972, Mr. Kaberenge was not at his place of work and the parties are in a conflict on whether or not Mr. Kaberenge was absent from his place of work without leave or whether he did not report for duty because it was his day off. This matter, however, will be commented upon later on.

The Respondents had no alternative but to take stock of the bar and they alleged that it revealed accumulated stock shortage valued at Sh. 754 with the shortage of Tusker beer alone accounting for Sh. 386 of the total.

It is not disputed that on 5th June, 1972, and again on 28th June, 1972, the Respondents' Director wrote letters to Mr. Kaberenge explaining the shortage amounting to Sh. 386/80 in the stock and also alleging that Mr. Kaberenge had failed to offer any explanation of this shortage and that the Respondents would hold him responsible to make good the loss. He was informed that his account had been debited with the sum of Sh. 754 and that the amount would be deducted in monthly instalments of Sh. 100 p.m.

Mr. Kaberenge replied on 29th June, 1972, repudiating any liability for the loss. On 30th June, 1972, he was suspended from duty pending discussions with the Claimants and as stated above on 2nd July his services were terminated.

The dispute at one stage was handled by an official of the Ministry prior to it being officially reported as a dispute, by a Senior Labour Inspector from Embu. A meeting had been arranged which was attended by Messrs. D. Mugo, A. Kariuki, Jeffries and Kaberenge. The Senior Labour Inspector had recorded the following two paragraphs in his file note:—

"Mr. Mugo said *inter alia* that since his member had failed to give a satisfactory explanation regarding the shortage of Sh. 386/80 he must make good the money. He then submitted that as the employee has not been warned previously and now that he has accepted his responsibility he should be forgiven and reinstated.

In his reply to the submission, Mr. Jeffries said amongst other things that he was not prepared to reinstate the employee on the grounds that, besides being a shopsteward and trusted both by the management and workers, Mr. Kaberenge was given ample time before and even during the meeting held on 5th July, 1972, to give an explanation or to accept responsibility in this case, but he flagrantly refused to do so and as such it will be difficult for the two to work together."

The Permanent Secretary forwarded his recommendation to the parties on 24th July, 1973, after investigation was completed and he found that Mr. Kaberenge became a victim of a shortage for which he might not have been responsible and recommended that he be compensated for the loss of job by the Respondents paying him four months' pay.

The Respondents rejected this recommendation.

The Claimants during the hearing based their case on the submission that the Respondents to begin with were not at all sure of the amount of shortage in that they had reduced the original shortage of Sh. 754 to Sh. 386/50. Further that the stock checking was carried out in the absence of Mr. Kaberenge which made it very suspicious particularly because Mr. Kaberenge on that day was off duty.

The Claimants strongly submitted that Mr. Kaberenge had been victimized because he was their shopsteward in the Respondents' hotel and because of his union activities the Respondents got rid of him. The Claimants also pointed out that during his service with the Respondents he had not been warned even once. The Claimants asked the Court to award his reinstatement without any loss of benefits.

The Respondents asked the Court to uphold their action in dismissing him because he had been grossly negligent and had involved the Respondents in financial loss. Further when ordered to make restitution he refused to do so. The Respondents explained that before the decision to dismiss Mr. Kaberenge for his gross misconduct was taken, he was given sufficient opportunity to defend himself and to offer an explanation which he refused to do.

The Court finds that the crucial point in this dispute is whether or not Mr. Kaberenge was absent without leave on 31st May, 1972, or whether he was off duty on that day. The burden of proof on this point was on the Claimants and they have failed to prove it by not calling Mr. Kaberenge to give evidence during the hearing. In fact Mr. Kaberenge was not even present in Court during the hearing. In these circumstances the Court accepts the Respondents' submission that Mr. Kaberenge was absent without leave on 31st May, 1972, and this necessitated their taking stock at the bar which revealed the shortage already referred to hereinabove.

The Court is not very much impressed by the report of the Investigator and prefers the notes which were recorded by the Senior Labour Inspector of a meeting which took place on 26th July, 1972. It is quite clear that the loss in the stock is not disputed and the Court is satisfied after careful consideration of all the submissions that Mr. Kaberenge is the man responsible for it. If the loss was attributable to someone else then Mr. Kaberenge should have at the earliest opportunity stated so and explained the circumstances. This he never did despite ample opportunity having been given to him.

The Court is satisfied that Mr. Kaberenge's services were not terminated because of his trade union activities and the Court finds that the Respondents' action in terminating his services was fully justified. The Claimants' demand is accordingly rejected.

Given in Nairobi this 25th day of October, 1974.

Notice of an Application by the East African Power and Lighting Company, Limited, for an extension of the area of supply of Distributing Licence No. 8 (Nakuru and District), dated the 14th day of November, 1930, to authorize a supply of Electrical Energy to Narok Township and surrounding areas.

NOTICE is hereby given that the East African Power and Lighting Company, Limited, a limited liability company having its registered office at Electricity House, Harambee Avenue, Nairobi, Kenya, the holder of Distributing Licence No. 8 dated the 14th day of November, 1930 (hereinafter called "the Applicant") will, on 3rd December, 1974, pursuant to the provisions of section 36 and section 129 of the Electric Power Act (Cap. 314), apply to the Minister for Power and Communications to extend the provisions and the area of supply the subject of the said licence by the inclusion for the remainder of the period of the said licence and for the period of any extension or renewal thereof of the areas the particulars of which are set out in the Schedule hereto.

The object of and the reasons for the application are to enable the Applicant to provide a supply of electrical energy by way of general supply or otherwise to such public or local authorities, companies, persons or bodies of persons in the Scheduled Areas as may require the same. No area will be affected by the grant of the application save and except the Scheduled Areas, and the public or local authorities, companies, persons or bodies of persons who may be affected by such grant and the manner in which they may be affected is as follows:—

- (a) The County Council of Narok to the extent envisaged by section 19 of the Electric Power Act.
- (b) Public and local authorities, companies, persons and bodies of persons resident or carrying on business in the Scheduled Areas in that they may become entitled to requisition from the Applicant a supply of electrical energy as provided by the Electric Power Act.
- (c) Public and local authorities, companies, persons or bodies of persons desiring to give a supply of electrical energy on sale in the Scheduled Areas in that the giving of such supply will be precluded by such grant except so far as they may be authorized under section 4 of the Electric Power Act.
- (d) The Rift Valley Provincial Commissioner to the extent of the Government's general interests in the development and welfare of the Scheduled Areas.

Copies of a plan showing the Scheduled Areas may be inspected at the registered office of the Applicant in Nairobi, and at its office in Nakuru, and at the office of the Provincial Commissioner for Rift Valley Province during normal office hours.

GAZETTE NOTICE No. 3439

THE TRADE MARKS ACT (Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.
