GAZETTE NOTICE No. 2085

**THE NATIONAL ASSEMBLY AND
PRESIDENTIAL ELECTIONS ACT
(Cap.7)**

REGISTRATION OF VOTERS

Notice to Electors

NOTICE is given that it is proposed to compile new registers of electors for the purpose of the election of the president and members to the National Assembly.

All persons who wish to be registered as electors for the purpose of such election, and who consider that they are qualified to be so registered, must attend personally before the Registration Officer, Deputy Registration Officer or Assistant Registration Officer for the registration unit in which they are qualified to be registered, on or after 8th June, 1992 but not later than 7th July, 1992 and must then produce to that officer or person a completed application in the prescribed form.

A person who wishes to make application outside the registration unit in which he wishes to be registered need not attend personally if he completes an application and makes the declaration contained in the application form, and delivers it or sends it by post to the Registration Officer of the registration unit in which he wishes to be registered, so that it reaches the Registration Officer not later than the latest closing date for applications in any of the registration units.

The various registration units established for the registration of electors are those set out in the first column of the Schedule to this notice, and an applicant should attend at the place of registration specified in relation to his registration unit in the second column of the Schedule.

Days and times of attendance will be notified at each place of registration. Where a place of registration is closed before the 7th day of July, 1992, a notice will be exhibited thereon saying at what other place of registration applicants may attend.

Forms of applications may be obtained at any place of registration, while it is open.
