**THE KENYA RAILWAYS
TARIFF AND FARE ADJUSTMENTS**

THE Kenya Railways Corporation last reviewed tariff and fares in 2001. The tariff was, however, reduced by 13 per cent in October, 2003. Since then, both the local and international economic environments have changed drastically necessitating the need for a tariff review.

Between December 2003 and December, 2004 the costs of inputs critical to Kenya Railways operations increased as follows:

Fuel	26 per cent.
Payroll	15 per cent
Steel tyres	95 per cent

These three items consume 87 per cent of the total revenue generated by the corporation.

To avoid compromising the quality and reliability of service to our customers, the corporation gives notice that its tariff and fares will be adjusted upwards as follows:

Freight tariff 20 per cent with effect from 1st June, 2005.

Passenger fares by an average of 30 per cent with effect from 1st May, 2005.

Kenya Railways would like to assure our esteemed customers that it is committed to improving services to all her clients in the region.

The additional revenue generated from this tariff and fares adjustment will be ploughed back into operations to improve services for the benefit of our clients.

Further information on the tariff and fares may be obtained from:

IMPORTANT NOTICE TO SUBSCRIBERS TO THE "KENYA GAZETTE"

THE following notes are for the guidance of persons submitting "copy" for inclusion in the *Kenya Gazette, Supplement*, etc.:

- (1) The *Kenya Gazette* contains notices of a general nature which do not affect legislation. They are, therefore, submitted to the Government Printer directly.
- (2) *Legislative Supplement* contains Rules and Regulations which are issued by the central Government. Because of this they must be submitted to the Government Printer through the office of the Attorney-General.
- (3) *Bill Supplement* contains Bills which are for introduction in the National Assembly.
- (4) *Act Supplement* contains Acts passed by the National Assembly.

All "copy" submitted for publication should be prepared on one side of an A4 sheet no matter how small the notice is, each page being numbered, and should be typewritten with double spacing. Copy should be clear, legible and contain no alterations.

Particular attention should be paid to the following points:

- (i) Signature must be supported by rubber-stamping or typing the name of the signatory in capital letters.
- (ii) Dates must be correct and filled in where necessary.
- (iii) Care should be taken to ensure that all headings to notices and references to legislation are up to date and conform with the Revised Edition of the Laws of Kenya.
