THE DECISION OF THE COMMISSION

1. On 31st March, 2006 Mr. Joseph Kinyanjui Mwai, trading as Sandworth Printing and Packaging (the Complainant) wrote to the Permanent Secretary (PS), Ministry of Energy:

(a) Requesting the PS to intervene and investigate what he referred to as: "illegal and unlawful diversion of electricity..."

(b) Stating in the said letter to the PS, inter alia, that: "This is corruption among KPL officers at Limuru Office and a contravention of the laws of this country. KPL has ignored our Complaint so far, and we shall do anything to safeguard and protect our properties from being used by its officers in their corrupt dealings. The electric pole etc within our compound was paid for as requested by KPL and receipts issued. They should therefore not use the same pole in making illegal connections".

2. The PS vide a letter dated 3rd April 2006 forwarded to the Commission a copy of the Complainant's aforesaid letter requesting the Commission to take action.

3. Contemporaneously, the Complainant wrote to the Commission on 13th April 2006 requesting the Commission to assist him with what he referred to as: "our Complaints as follows:

(a) The illegal connection of electricity to neighboring squatters from our property without our authority, which we regard as unlawful.

(b) The power company's billing system as electricity was disconnected a long time ago and they continue sending us bills showing monthly consumption and other charges.

(c) A bill of KSh. 41,002.80 as of July 1998 was inherited from the previous owner of the property. The power Company has repeatedly promised to waive but so far no action has been taken.

(d) The power company's Officers from Limuru have been interfering with our property to the extent of jumping over the fence to do the illegal connections from the pole within our property."

4. Consequently, officers of the Commission commenced investigations on this dispute. In the course of the Commission's investigations, the Complainant further claimed vide his letter dated 6th December 2006 that the Respondent may be liable for damages amounting to KShs 4.9 billion due to loss of business arising from disconnections and/or poor quality of its supply.

5. Several correspondence were exchanged and mediation meetings were held on 5th June, 3rd July, 17th August and 21st September, 2007 involving the Complainant and the Respondent on the one hand and the Complainant and officers of the Commission on the other hand. A survey was carried out on the Complainant's plot on Friday July, 6, 2007 by the Respondent's Surveyor, with the consent of the parties, in the presence of the Complainant, and Mr. Joshua Mutua representing the Respondent and Mr. Peterlis Murindo (now deceased) representing the Commission.

6. On 10th January, 2008, the Director General of the Commission vide a letter Ref ERC/TECH/CUSCOM/VOL.15, wrote to both the Complainant and the Respondent informing them that following the aforesaid meetings of negotiations, the Complainant's Complaint mentioned above had been analyzed pursuant to Rule 12 of the Electric Power (Complaints and Dispute Resolution) Rules 2006. The said letter dated 10th January, 2008 is reproduced here-below verbatim:

REF: ACC NO. 0114156-01 PLOT T526 LIMURU/KAMIRITHU-JOSEPH MWAI

Reference is made to various correspondence exchanged and meetings of negotiations held to sort out the long outstanding dispute.

We have analyzed the pertinent issues pursuant to Rule 12 of the Electric Power (complaints and Dispute Resolution) Rules, 2006 and would like to make the following observations and directions.

Background and Summary of the Dispute:

1. Mr. Joseph Kinyanjui Mwai, trading as Sandworth Printing and Packaging lodged a complaint against KPLC with the Commission on 13th April 2006, regarding:

- (a) An electricity bill of KShs 41,002.80 allegedly inherited from the previous owner of the subject plot,
- (b) Illegal connection of "neighbouring squatters" to electricity supply from his property without his consent, and
- (c) Interference of his property by KPLC employees, by jumping over the fence to do illegal connections from the pole in his property.

2. Vide his letter of 6th December 2006, the complainant further claimed that KPLC may be liable for damages amounting to KShs 4.9 billion due to loss of business arising from disconnections/poor quality of his supply.

3. Several correspondences were exchanged and discussions/meetings held involving the Complainant and KPLC on one hand and the Complainant and ERC on the other hand, but the complaint could not be resolved in this approach.

4. It therefore became necessary to invite both parties to joint meetings at the ERC offices for expeditious resolution of the complaint. The meetings were held on 5th June, 3rd July, 17th August and 21st September 2007. Copies of the relevant notes/minutes are attached to this letter.

5. The assessment of the complaint has been done under three headings, namely:-

- (a) Position of the Electric Supply Line and Necessary Consents,
- (b) History of the Supply Account Detailing Billings and Payments, and
- (c) Claim for loss of business and damage.

Position of the Electric Supply Line and Necessary Consents

6. As agreed at the meeting of 3rd July 2007, measurements at the plot were carried by a KPLC Surveyor in the presence of the Complainant, Mr. Joshua Mutua of KPLC and Mr. Peterlis Murindo of ERC on Friday July 6, 2007.

7. The measurements showed that Mr. Mwai had encroached onto the road reserve by placing his fence on the road reserve, thereby enclosing the electric supply line in his homestead-cum-business premises, which supply line was erected on a road reserve by KPLC in accordance with Section 53 of the Energy Act, 2006 (the Act).

8. The Commission therefore finds that KPLC did not need to obtain Mr. Mwai's consent to make any extensions from the said line for purposes of supplying other persons. Mr. Mwai should therefore desist from interfering with KPLC as and when they need to access the subject supply line, failing which, he will be contravening Section 65 of the Act which states that:-

A person hindering, obstructing or interfering with the exercise by a licensee with regard to an electric supply line, or by the servants or agents duly authorised in writing of any such licensee, of any right of entry upon land conferred by this Act for the purpose of laying and connecting, or repairing, inspecting or removing, an electric supply line commits an offence and shall, on conviction, be liable to a fine not exceeding one hundred thousand shillings for each day or part thereof that the obstruction occurs or continues.

History of the Supply Account Detailing Billings and Payments

9. Mr. Joshua Mutua of KPLC submitted that the electricity supply account for Mr. Mwai was opened in April 1994, having been transferred from Mr. John Karegi Njoroge.

10. Between April 1994 and June 2007, KPLC billed the complainant KShs. 91, 881.75. Arising from the change in their Billing System, KPLC does not have documents for the period April 1994 to March 1995 during which the net amount demanded by KPLC from the Complainant was KShs 7,778.70. Details for billings and payments made from March 1995 to June 2007 were available.

11. Several billings in the period March 1995 to June 2007 were based on estimated readings and upon Mr. Mwai's complaints, KPLC carried out several rebillings which reduced the total amount billed between April 1994 and June 2007 from KShs. 91, 881.75 to KShs. 64,636.03.

12. Between March 1995 and June 2007, Mr. Kinyanjui had made payments totalling KShs. 14,733.13, leaving a balance of KShs. 49,902.90 which KPLC demands from the Complainant.

13. Because of the inability by KPLC to produce evidence for the net amount of KShs. 7,778.70 carried forward from the period April 1994 to March 1995 as stated in paragraph 10 above, it was agreed that the amount be deducted from the KShs. 49,902.90 demanded by KPLC from the Complainant, leaving a balance due of KShs. 42,124.20.

Claim for loss of business and damages

14. Arising from disconnections and poor quality of supply, Mr. Mwai claims to have suffered losses between KShs 497 million and 4.9 billion. He did not provide any documents to support the claim. It is trite law that he who alleges must prove.

15. The claim does not appear plausible in light of the activities observed at the site of the alleged business.

Directions of the Commission

16. Mr. Mwai shall cease forthwith from interfering with the right of KPLC to access its electric supply line for any cause.

17. Mr. Mwai shall pay to KPLC the sum of KShs42,124.20 in such reasonable installments as may be agreed by the parties, over and above the charges for the current consumptions.

18. Mr. Mwai is not entitled to any compensation for alleged loss as it has not been proved.

Way Forward

19. Pursuant to Rule 12 of the Electric Power (complaints and Dispute Resolution) Rules, 2006 Mr. Mwai and KPLC are hereby required to inform the Commission within ten (10) days from the date of receipt of this letter whether the above directions are acceptable and if not, the reasons for non-acceptance.

20. In the event that any party is dissatisfied with the any of the directions of the Commission hereof, he may request for a hearing by the Commission in accordance with Rule 14 of the Electric Power (Complaints and Dispute Resolution) Rules, 2006.

ENG. JOHN K. MWIRICHIA
Director General

cc:

The Permanent Secretary
Ministry of Energy
Nyayo House
NAIROBI

7. The Complainant did not make any response or even acknowledge receipt of the above letter from the Director General of the Commission dated 10th January 2008. However, the Respondent by a letter dated 23rd January 2008 expressed satisfaction with the Commission's directions contained in its said letter dated 10th January 2008. The Complainant, on the other hand, by a letter dated 15th January 2008 and addressed to the PS Ministry of Energy informed the PS that he was dissatisfied with the contents of the Commission's letter dated 10th January 2008 and asked the PS for assistance. The said letter dated 15th January 2008 was copied to:

(1) Hon Mwai Kibaki C.G.H. M.P. H.E The President Republic of Kenya State House Nairobi

(2) Mr. Hyslop Ipu, CBS Private Secretary/Comptroller State House Nairobi,

(3) The Executive Chairman Energy Regulatory Commission Integrity Centre and

(4) Mr. Don Priestman General Manager and CEO Kenya Power & Lighting Company Stima Plaza Nairobi.

8. Suffice to say that in the above-mentioned letter to the PS, the Complainant made general allegations of corruption and dishonesty against a Mr. Kinyanjui of KPLC, Mr. Wasiyo (he must have meant Mr. Wasioya) and Mr. Mwirichia of the Commission.

9. The PS Ministry of Energy vide a letter dated 4th February 2008 advised the Complainant to file the dispute formally with the Commission and request for a hearing.

10. Vide a letter dated 7th April 2008 the Complainant submitted to the Commission a Complaint dated 8th April 2008 which was received by the Commission on even date, that is, 8th April 2008, the subject of this decision.

11. The Complainant has filed with the Commission the following pleadings;

- a) Complaint dated 8th April 2008;
- b) Rejoinder dated 15th October 2008;

c) Notice to produce documents dated 15th October 2008;

d) Written Submissions dated 8th December 2008; and

e) Reply to the Respondent's Written Submissions dated 14th January 2009.

12. On its part, the Respondent has filed with the Commission the following pleadings;

a) Memorandum of Authorization dated 30th September 2008;

b) Reply dated 30th September 2008; and

c) Written Submissions dated 29th December 2008.

13. On 9th January 2009 by Gazette Notice No. 244, the Commission gazetted the Complaint to be heard on 13th February 2009.

14. At the hearing, the Complainant and the Respondent agreed by consent as follows:

- I. THAT the Commission shall make a decision on the basis of the pleadings filed by the parties.
- II. THAT the Commission shall make a finding on a point of law raised orally by Counsel for the Respondent, on whether the Commission has jurisdiction to award damages as prayed for by the Complainant in his Complaint.

15. In his Complaint dated 8th April 2008, the Complainant prays for the following orders from the Commission against the Respondent:

- a) A declaration that the respondent has made illegal connections from his supply of electric power to neighbours without his written consent and this interferes with the amount of power supply to his company. Refer to paragraphs 7, 21, 22, 24, 25, 28 (i) & annexes 9, 13, 20 & 24.
- b) A declaration that the inherited bills for Kshs. 41,002 are not payable by the complainant as the previous owner of the property has admitted liability as per annex 23.
- c) The sum of Kshs. 53,650,800,000 (Kenya Shillings Fifty Three Billion Six Hundred and Fifty Million Eight Hundred Thousand Shillings Only) to be paid by the Respondent in form of damages for period 1998 to December 2007 plus interest at bank rates from January 2008, and all other costs involved. See annex 11 on which computation of damages has been based, and annex 25 for additional damages effective 09/02/2007.

16. It's to be noted in respect of prayer number (c) above that the figure has been corrected from Kshs.53,650,800,000 to Kshs.4,916,590,000 in paragraphs 7, 8 and 9 of the Complainant's Rejoinder dated 15th October 2008.

17. In its response dated 30th September, 2008 the Respondent admitted the description of the parties and that the Complainant had been supplied with electricity by the Respondent (the actual date of opening of the Complainant's electricity account is in dispute). The Respondent, however, denied all the allegations contained in the Complaint and prayed that the Complaint be dismissed with costs.

18. The main issues in dispute in this Complaint are:

- (a) The date of opening of the Complainant's electricity supply account by the Respondent.
- (b) Whether the Respondent made illegal connections from the Complainant's electricity supply.
- (c) Whether there was an inherited bill of KSh. 41,002 by the Complainant from the previous owner of his property.
- (d) Whether the Commission has jurisdiction to award damages as prayed for by the Complainant in his Complaint and/or whether the Complainant is entitled to compensation amounting to KSh. 4,916,590,000 in form of damages for the period 1998 to December 2007, in any event.

19. When was the Complainant's electricity supply account opened by the Respondent?

- (a) The Complainant avers in paragraph 3 of the Complaint that the electricity account was opened on 11th September 1997 and has attached annex 1 and 23 to the Complaint in support of the same. Annex 1 which appears at page 10 of the Complaint is clearly a letter dated 11th September 1997 from the Respondent to the Complainant explaining that the Respondent was having to raise estimated charges because the Respondent could not get access to the meter so as to read the same. And Annex 23 which appears at page 91 of the Complaint is an agreement dated 8th May 1994 between the Complainant and a Mr. John Karegi Njoroge for the sale by the latter to the Complainant of a property.
- (b) Consequently, the finding of the Commission on this issue is that the Complainant entered into an agreement for supply of electricity from the Respondent on 20th April 1994 as evidenced from the Supply Agreement which is at page 95 of the Complaint and not on 11th September, 1997 as alleged by the Complainant.

20. Did the Respondent make illegal connections from the Complainant's electricity supply?

- (a) The Complainant does not give any particulars in his Complaint of the date or period when the Respondent made illegal connections from his electricity supply and/or what was the illegality thereon. He merely mentions the alleged illegalities in paragraphs 7 and 28 of the Complaint and further states in paragraph 30 of the Complaint: "that a certain Mr. Kinyanjui is willing to defend my case at Energy Regulatory Commission if requested to do so. He is the person involved in the illegal connection of Mr. Joseph Murima Kago and others in 1997."
- (b) The Commission notes that no form of affidavit has been filed by the said Mr. Kinyanjui in support of the Complainant's allegations.
- (c) However, it is noteworthy that during the meetings of negotiations between the Complainant and the Respondent convened by officers of the Commission referred to hereinabove, a survey was to be carried out on July 6, 2007 (as shown at page 81 of the Complaint in the minutes of the meeting of 3rd July 2007) in the presence of both parties to ascertain the position of the electricity supply line in relation to the Complainant's plot boundary.
- (d) At a subsequent meeting held on 21st September 2007 (as shown at page 85 of the Complaint) it was observed that that the Complainant had encroached onto the road reserve by placing his fence on the road reserve thereby enclosing the electric supply line in his homestead.
- (e) Further to the foregoing, section 53 (1) of the Energy Act, 2006 provides:

For the purpose of the conveyance, transmission, or supply of electrical energy, a licensee may erect, fix, install or lay any poles, wires, electric supply lines, power or other apparatus in, upon, under, over or across any public streets, road, railways, tramways, rivers, canals, harbours or Government property, in the manner and on the conditions as provided in this Act".

- (f) Consequently, and on a balance of probabilities, the Commission finds that, the Respondent's electric supply line was placed on the road reserve and not on the Complainant's compound.
- (g) In addition to the foregoing, section 57 (3) (a) of the Energy Act, 2006 provides:

"57 (3) Notwithstanding any payments made in accordance with subsection (2)

- (a) all electric supply lines shall be the property of the licensee and may be used to supply other persons provided that such use does not prejudicially affect the supply of electrical

energy to the person who first required such electric supply lines to be laid down or erected."

- (h) Therefore, the Respondent had the right to exercise such powers conferred to it under the Act including connecting other consumers.
- (i) Furthermore, the Complainant has not proffered any evidence to support the contention that the quality of his supply was affected by the connection of other consumers to the same supply line or that the service line was not capable of supporting other consumers.
- (j) Based on the above reasons, the Commission rejects the Complainant's prayer for, "A declaration that the respondent has made illegal connections from my supply of electric power to neighbours without a written consent from the complainant and this interferes with the amount of power supply to our company".

21. Did the Complainant inherit a bill of Kshs.41,002 from the previous owner of his property?

- (a) In paragraph 3 of the Complaint, the Complainant has attached an annex 23 which appears at pages 91 to 93 of the Complaint. The said annex 23 is an agreement dated 8th May 1994 between the Complainant and a Mr. John Karegi Njoroge for the sale by the latter to the Complainant of a property. Clause 4 on page 92 shows that the liability of the vendor for Kshs.41,002.80 is for electricity consumed before March 1994.
- (b) In any event, the Respondent was not a party to the sale agreement dated 8th May 1994 between the Complainant and a Mr. John Karegi Njoroge for the sale by the latter to the Complainant of the property so as to be bound by the provisions of the same.
- (c) It is noteworthy that at a meeting held on 3rd July 2007 convened by officers of the Commission to resolve this dispute, the Complainant had been advised to produce details in support of the "inherited" bill but he never did so, as was noted in the minutes of the meeting held on 17th August 2007 (as shown at page 82 of the Complaint). Furthermore, no evidence has been adduced under the instant pleadings in support of the alleged inherited bills.
- (d) Further and in respect of this issue of the Complainant's bills, the Respondent ably demonstrated the make up of the bills owing from the Complainant between March 1995 and June 2007 as was noted in the minutes of the meeting held on 21st September 2007 (as shown at page 84 of the Complaint).
- (e) Based on the above reasons, the Commission finds, on a balance of probabilities, that there was no inherited bill for Kshs.41,002 as alleged by the Complainant.
- (f) Consequently, the Commission hereby rejects the Complainant's prayer for, "A declaration that the inherited bills for Kshs.41,002 are not payable by the complainant as the previous owner of the property has admitted liability as per annex 23".

22. Does the Commission have jurisdiction to award damages as prayed for by the Complainant in his Complaint and/or is the Complainant entitled to damages amounting to Kshs.4,916,590,000 in form of damages for the period 1998 to December 2007, in any event?

(a) As indicated elsewhere in this decision, it was agreed by consent of the parties that the Commission shall make a finding on a point of law raised orally by Counsel for the Respondent on whether the Commission has jurisdiction to award damages as prayed for by the Complainant in his Complaint.

(b) The Commission takes cognizance of the fact that jurisdiction over matters referred to it under its establishing law, that is, the Energy Act No. 12 of 2006 (the Act), is basic to its regulatory mandate under the Act, such that if jurisdiction is made an issue by

any party, the Commission ought to seriously consider the issue and determine the same straight away.

(c) Furthermore, since the issue of jurisdiction is a fundamental point of law, it could, if the Commission finds that it has no jurisdiction on the issue raised, effectively dispose of the Complainant's claim for damages herein.

(d) At the hearing, the Respondent's counsel made brief oral submissions that the Commission lacks jurisdiction to award damages as prayed for by the Complainant in his Complaint. Counsel submitted that under section 6 (o) of the Act the Commission had only the power to impose sanctions and penalties on persons who were in breach of the Act and nowhere in the Act the award of damages is mentioned. In section 6, the Act provides:

"6. The Commission shall have all powers necessary or expedient for the performance of its functions under this Act and in particular, the Commission shall have the power to-

(o) impose sanctions and penalties on persons who are in breach of any of the provisions of this act or any regulations made thereunder."

(e) Pursuant to Rule 28 (1) the Electric Power (Complaints and Disputes Resolution) Rules 2006 the Commission deemed it fit to seek an independent legal opinion from M/s S. Musalia Mwenesi Advocates, one of the law firms on its panel of external lawyers on this issue.

23. The Commission has pondered over this issue in the light of the aforesaid legal opinion and reply received from both Counsels for the Complainant and Respondent and makes a finding that it has no jurisdiction to award damages as prayed for by the Complainant in his Complaint. Consequently, this finding disposes of the Complainant's claim for damages herein and the Commission is of the respectful opinion that there would be no need to analyze the evidence of the parties thereby.

24. The Opinion from Messrs. S. Musalia Mwenesi Advocates was received on February 23, 2009 and copies were sent to the Counsels for parties on February 25, 2009 under Rule 28 of the Electric Power (Complaints and Disputes Resolution) Rules 2006.

25. Both Counsels filed their reply on the opinion on February 27, 2009.

26 Based on the above reasons, the Commission makes the following orders:

(i) THAT the Complainant's Complaint dated 8th April 2008 is hereby dismissed.

(ii) THAT the Complainant shall pay the costs of this dispute.

Orders accordingly.

Dated and delivered at Nairobi this 5th day of March, 2009.

RULING

This is the Commission's ruling on an application for an adjournment made by Mr. Fred Okeyo, Counsel for the Respondent, at the hearing of this dispute. The application was based on the main ground that he was not directly served with the Hearing Notice by the Commission although he had been on record for the Respondent since August 26, 2008. Instead, the Commission served the Hearing Notice directly to the Respondent who brought the same to the attention of Mr. Okeyo a day before the hearing, that is, on February 11, 2009 via fax. Counsel submitted that it was in the best interest of justice that the Respondent should be given a chance to respond to the Complainant's complaint.

Ms. Karen Mate, Counsel for the Complainant, vigorously opposed the Respondent's application for an adjournment. She submitted that the Respondent had been well aware of this dispute for a long time and had not bothered to reply to the complaint to date. That on August 28, 2008 the Commission called for an arbitration meeting between the parties but the Respondent did not appear. She further submitted that the dispute had been pending for determination since May 3, 2007 when it was filed and that justice delayed was justice denied.

After hearing the oral submissions of both Counsels, the Commission notes the following:

- I. The Respondent has been intransigent and unresponsive on the Complainant's complaint.
- II. The Commission shall not tolerate any further unnecessary delays on the part of the Respondent.

However, in the best interests of justice, the Commission now makes the following orders:

- (iii) THAT the Respondent's application for an adjournment is hereby granted.
- (iv) THAT the Respondent shall file and serve on the Complainant and the Commission its reply to the complaint within seven (7) days from the date of this Ruling, that is, on or before February 18, 2009.
- (v) THAT the Complainant shall file and serve on the Respondent and the Commission a rejoinder to the reply filed by the Respondent, if any, within seven (7) days of receipt of the Respondent's reply.
- (vi) THAT the parties shall file and serve on the Commission their written submissions within seven (7) days from the date of the filing of the Complainant's rejoinder.
- (vii) THAT this dispute is stood over for inter parties Hearing on April 2, 2009 at 9.00 a.m.
- (viii) THAT the parties shall be at liberty to apply.
- (ix) THAT costs shall be in the cause.

Orders accordingly.
