THE ENVIRONMENTAL MANAGEMENT AND
CO-ORDINATION ACT

(No. 8 of 1999)

THE NATIONAL ENVIRONMENT MANAGEMENT
AUTHORITYENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT
FOR THE PROPOSED RESIDENTIAL ESTATE DEVELOPMENT,
OFF KIAMBU ROAD, KIAMBU DISTRICT

PURSUANT to regulation 21 of Environmental (Impact Assessment and Audit) Regulations, the National Environment Management Authority (NEMA) has received an environmental impact assessment study report for the implementation of the proposed residential estate development off Kiambu Road, Kiambu District.

The proposed project entails construction of 345 residential housing units (mansionettes) with associated ancillary infrastructural facilities.

The project is located on LR, No. 21103/1 in the outskirts of Kiambu Town, Kiambu District on sixty decimal three nine (60.39) hectares.

The project anticipates the following impacts and mitigation measures:

<i>Possible Impacts</i>	<i>Mitigation Measures</i>
Dust emission	<ul style="list-style-type: none"> • Ensure strict enforcement of on-site speed limit regulations. • Avoid excavation works in extremely dry weathers. • Sprinkle water on graded access routes when necessary to reduce dust generation by construction vehicles. • Personal Protective equipment to be worn. • Vehicle idling time shall be minimized. • Alternatively fuelled construction equipment shall be used where feasible equipment shall be properly tuned and maintained.

*Possible Impacts**Mitigation Measures*

Noise and vibration

- Sensitize truck drivers to avoid unnecessary racing of vehicle engines at loading/offloading points and parking areas, and to switch off or keep vehicle engines at these points.
- Sensitize construction vehicle drivers and machinery operators to switch off engines of vehicles or machinery not being used.
- Sensitize construction drivers to avoid gunning of vehicle engines or hooting especially when passing through sensitive areas such as churches, residential areas and schools.
- Ensure that construction machinery are kept in good condition to reduce noise generation.
- Ensure that all generators and heavy duty equipment are insulated or placed in enclosures to minimize ambient noise levels.
- Trees to be planted around the site to provide some buffer against noise propagation.
- The noisy construction works will entirely be planned to be during day time.

Generation of wastewater

- Provide means for handling sewage generated by construction workers
- Conduct regular checks for sewage pipe blockages or damages since such vices can lead to release of the effluent into the land and water bodies.
- Monitor effluent quality regularly to ensure that the stipulated discharge rules and standards are not violated.

Occupational health and
safety risks

- Ensure that all building plans are approved by the Local Authority and the Local Occupational Health and Safety Office.

<i>Possible Impacts</i>	<i>Mitigation Measures</i>
	<ul style="list-style-type: none"> • Registration of the residential project under the Factories and Other Places of Work Act Cap. 514, Laws of Kenya is mandatory. • A general register shall be kept within the facility as stipulated in Sec 62 (1) of the Factories and Other Places of Work Act. • The abstract of the Factories and Other Places of Work Act shall be displayed at prominent places within the site. • Ensure that provisions for reporting incidents, accidents and dangerous occurrences during construction using prescribed forms obtainable from the local Occupational Health and Safety Office (OHSO) are in place. • Develop a clear site organization plan and construction schedule. • Develop, document and display prominently an appropriate SHE policy for construction works
Solid waste generation	<ul style="list-style-type: none"> • Use of an integrated solid waste management system i.e. through a hierarchy of options: 1. Source reduction 2. Recycling 3. Composting and reuse 4. Combustion 5. Sanitary land filling. • Ensure that construction materials left over at the end of construction shall be used in other projects rather than being disposed of. • Provide solid waste handling facilities such as waste bins and skips. • Dispose waste more responsibly by dumping at designated dumping sites or landfills only. • Ensure that solid waste generated at the estate is regularly disposed of appropriately at authorized dumping sites. • Ensure that occupants of the estate manage their waste efficiently through recycling, reuse and proper disposal procedures. • Donate redundant but serviceable equipment to charities and institutions.
Fire protection	<ul style="list-style-type: none"> • Firefighting equipment such as fire extinguishers shall be provided at strategic locations such as stores and construction areas. • Regular inspection and servicing of the equipment shall be undertaken by a reputable service provider and records of such inspections maintained. • Signs such as "NO SMOKING" shall be prominently displayed within the construction site, especially in parts where inflammable materials are stored.
Soil and water contamination	<ul style="list-style-type: none"> • A designated garage section of the site fitted with oil trapping equipments to be planned for changes. Such an area shall be well protected from contaminating the soil
Hydrology and water quality degradation	<ul style="list-style-type: none"> • Hazardous substance control and emergency response plan shall include preparations for quick and safe clean up of accidental spills. • Hazardous materials handling procedures to reduce the potential for a spill during construction shall be prescribed.
<i>Possible Impacts</i>	<i>Mitigation Measures</i>
	<ul style="list-style-type: none"> • Identify areas where refueling and vehicle maintenance activities and storage of hazardous materials, if any, shall be permitted • Ground water shall be collected during construction contained and disposed of in accordance with all applicable regulations
Sewage disposal	<ul style="list-style-type: none"> • Provide adequate and safe means of handling sewage generated at the estate (i.e. septic tanks). • Conduct regular inspections for sewage pipe blockages or damages and fix appropriately. • Ensure regular de-sludging of septic tanks and monitoring of the sewage discharged from the project to ensure that the stipulated sewage/effluent discharge rules and standards are not violated.

IMPORTANT NOTICE TO SUBSCRIBERS TO THE KENYA GAZETTE

THE following notes are for the guidance of persons submitting "copy" for inclusion in the *Kenya Gazette, Supplement*, etc.:

- (1) *The Kenya Gazette* contains Notices of a general nature which do not affect legislation. They are, therefore, submitted to the Government Printer directly.
- (2) *Legislative Supplement* contains Rules and Regulations which are issued by the Central Government. Because of this, they must be submitted to the Government Printer through the office of the Attorney-General.
- (3) *Bill Supplement* contains Bills which are for introduction in the National Assembly.
- (4) *Act Supplement* contains Acts passed by the National Assembly.

All "copy" submitted for publication should be prepared on one side of an A4 sheet no matter how small the Notice is, each page being numbered and should be typewritten with double spacing. Copy should be clear, legible and contain no alterations.

Particular attention should be paid to the following points:

- (i) Signature must be supported by rubber-stamping or typing the name of the signatory in capital letters.
- (ii) Dates must be correct and filled in where necessary.
- (iii) Care should be taken to ensure that all headings to Notices and references to legislation are up to date and conform with the Revised Edition of the Laws of Kenya.

EXTRACT FROM THE CODE OF REGULATIONS, SECTION D—

Kenya Gazette

"D 34. (1) Communications for the *Kenya Gazette* should reach the Government Printer not later than 9 a.m. on Friday of the week before publication is desired. The Government Printer will not publish communications received after that hour until the next subsequent issue of the Gazette.

(2) Ministries will be required to pay for the *Kenya Gazette* and to meet the cost of advertising in it.

It is emphasized that these notes are for guidance only, but it is requested that persons submitting copy for publication first satisfy themselves that such copy is complete in every respect.
