INVESTIGATION REPORTS COVERING THE PERIOD 1ST JULY
TO 30TH SEPTEMBER, 2015

EACC/OPERATIONS/INQ/13/15

Inquiry into allegations of Procurement irregularities and abuse of office against the Chief Executive Officer (CEO) of Kenya Trade Network Agency

Investigations established that the Chief Executive Officer (CEO) of Kenya Trade Network Agency approved air tickets at KENTRADE for non-staff members. One member was travelling from United Kingdom to Kenya to take up a job with KENTRADE while the other one was issued the air ticket to facilitate his travel from Kisumu to Nairobi and back, to have a discussion with the CEO about a complaint that he had made on the unfair employment of the General Managers at KENTRADE. Investigations further established that after a tender was awarded for the refurbishment of the offices, during the course of execution of the contract, it was realized that some works namely ceiling decoration and services installation had not been factored. As a result another tender was awarded to include acoustic ceiling, gypsum ceiling decoration, air condition improvement and washrooms at KENTRADE headquarters. Investigations established that the CEO authorized a Contractor, to commence the said additional works before approval by the Tender Committee. Investigations established that after the Tender Committee deliberated on the tender, it did not approve the award to the contractor identified by the CEO. This was notwithstanding the fact that the contractor had done the work. Investigations established that the CEO was in breach of the Public Procurement and Disposal Act and Regulations by awarding a contract to a contractor without the requisite approval by the Tender Committee.

A Report was compiled and forwarded to the Director of Public Prosecutions on 7th July, 2015 recommending that the Chief Executive Officer, KENTRADE be charged with the offences of abuse of office contrary to section 46 and failure to comply with the applicable

procedures and guidelines relating to procurement contrary to section 45(2) (b) as read with section 48 of the Anti-Corruption and Economic Crimes Act, 2003.

On 31st July, 2015, the DPP accepted the recommendation for prosecution of the CEO and the Nairobi County Works Officer. In addition, he advised that administrative action be taken against the CEO in respect of the air tickets that he approved for non-staff members.

EACC/FI/INQ/31/2014

Inquiry into allegations of alleged misappropriation of KSh. 34 million Development grant by the Ministry of Industrialization to Export Processing Zone Authority (EPZA)

Investigations established that the Ministry of Trade and Industry disbursed funds in the form of Government Grants to EPZA totaling to KSh. 51,000,000.00 in three tranches. The funds were meant for EPZA infrastructure project consultancy services for construction of a sewer line within the EPZA premises. EPZA confirmed that the money was received in their National Bank account. The funds were posted in EPZA's cash book on respective dates of receipt and finally recognized in their audited financial statements for the financial year 2011/2012. Investigations further revealed that after a competitive process, a company was awarded the contract (tender No.EPZA/2/OP/CON/2010/11) to offer consultancy services for Design and Preparation of Bid Documents for Infrastructure Services at a contract price of KSh. 34,158,584.00. EPZA and the company signed a contract agreement on 8th June, 2011 and commenced and completed the works as stipulated in the contract agreement and submitted the final design report to EPZA in February, 2012. From the KSh. 51,000,000.00 received by EPZA in form of Government grants, the company was paid KSh. 34,158,583.00 for offering consultancy services for Design and Preparation of Bid Documents for Infrastructure Services of Phase II. The payments were made after its work was evaluated and found satisfactory.

Investigations did not reveal any irregularities or culpability to warrant any action against officials of EPZA.

A Report was compiled and forwarded to the Director of Public Prosecutions on 10th July, 2015 recommending the closure of the inquiry file.

On 31st July, 2015, the DPP accepted the recommendation for closure.

EACC/KSM/FI/INQ/37/2015

Inquiry into allegations of obstruction against the Clerk of the Vihiga County Assembly and the Vihiga County Assembly Senior Accountant

Investigations established that the Clerk of Vihiga County Assembly directed Procurement officers not to hand over to EACC investigators, the documents that had been requested by Commission in respect of allegations of embezzlement of public funds and abuse of office at the County Assembly. Investigations established that the documents were instead taken by the Senior Accountant of the Vihiga County Assembly who failed to hand over the whole batch of requested documents. Instead, she gave to the EACC investigators a few documents and promised to release the rest later which she did not. Investigations further revealed that the Clerk instructed all the staff in the Procurement Unit to remain indoors so as not to be seen by the EACC investigators who were carrying out investigations. The Clerk also gave false information to the EACC investigators indicating that since the Procurement Officers were out of office, he could not retrieve the documents requested for. He further frustrated the EACC investigators' efforts to record relevant statements from employees and officials of the County Assembly by instructing them not to report on duty. This conduct by the suspects amounted to obstruction of EACC Investigators and giving misleading information.

A Report was compiled and forwarded to Director of Public Prosecutions on 10th July, 2015 with recommendation that (i) The Clerk of the Vihiga County Assembly and the Senior Accountant be charged with the offence of failing to comply with a written notice to provide information/documents contrary to section 27(3) as read with section 27(4) of the Anti-Corruption and Economic Crimes Act, No.3 of 2003. Inquiry into allegations of fraudulent acquisition of public money belonging to Chepkurkur S. A. Primary School in Mt. Elgon Constituency, Mt. Elgon Sub-County within Bungoma County by the area Member of Parliament

Investigations established that the Deputy President donated money to Chepkurkur S.A. Primary School and the money was handed over to the area M.P. whose desire was to establish a girls rescue Centre. Chepkurkur S. A. Primary School management wanted to put up a boarding section for the girls. Investigations established that the M.P., invited professionals who registered a community center under the Ministry of Gender, Children and Social Development. Upon registration of the Centre and the opening of the account at Kenya Commercial Bank Kimilili, the M.P., deposited the cash donation of KSh. 500,000 to the Centre's account and the cheque donation to the school's account since the cheque had been drawn in the school's name. Investigations further established that the money is now with the Primary School Board of Management for the implementation of the project. Investigations did not establish that the area M.P. fraudulently acquired public money.

A Report was compiled and forwarded to Director of Public Prosecutions on 14th July, 2015 with recommendation that the inquiry file be closed.

On 31st July, 2015, the DPP accepted the recommendation for closure.

EACC/ FI/INQ/06/2014

Inquiry into allegations of irregular procurement of a fully furnished residential property for the Hon. Chief Justice/President of the Supreme Court

Investigations established that after the need arose to acquire a residence for the Chief Justice, procurement process commenced to identify a suitable residential premise. Investigations further established that whereas the Evaluation committee recommended that the tender for the purchase of a residence for the Chief Justice be awarded to the lowest evaluated bidder, the tender was awarded to a non-responsive bidder at a higher bid price. At the time the Judiciary purchased the property Runda 131, it was still charged to a bank for KSh. 80,000,000 and thus encumbered. Investigations further revealed that whereas the tender was for a fully furnished residential property, the award made was exclusive of furniture. Investigations further established that there was no valuation of the property that Judiciary purchased to guarantee that the price paid for it was within the prevailing market prices; and there was no sufficient budgetary allocation for the purchase.

Investigations established that the Chief Registrar, Deputy Chief Registrar and Members of the Judiciary Tender Committee were culpable for the irregularities in the procurement for the Chief Justice's residence.

A Report was compiled and forwarded to Director of Public Prosecutions on 15th July, 2015 with recommendation that the then Chief Registrar and the Accounting Officer of the Judiciary be charged with the offences of abuse of office contrary to section 46 and willful failure to comply with the law relating to management of funds contrary to section 45(2) (b) of the Anti-Corruption and Economic Crimes Act, 2003. On 31st July, 2015, the DPP accepted the recommendation for prosecution.

EACC/NYR/FI/INQ/08/2014

Inquiry into allegations of corruption against officers of the County Government of Isiolo

Investigations established that the Head of Procurement and Supply Chain Management of the County Government initiated the procurement of empty branded gunny sacks by the County Government of Isiolo by way of restricted tendering rather than open tendering, without the requisite authorization of the standing Tender Committee of the County Government of Isiolo. This was in breach of the Public Procurement and Disposal Act and Regulations.

Investigations further established that the Isiolo County Chief Executive Committee Member in charge of Finance and Economic Planning and the Head of the Isiolo County Treasury authorized expenditure for the branding of relief food packaging, without the requisite authorization of the Isiolo County Executive Committee.

A report was compiled and forwarded to Director of Public Prosecutions on 14th July, 2015 recommending that the Isiolo County Executive Committee Member in charge of Finance and Economic Planning and the Interim Head of Procurement and of Supply Chain Management be charged with the offences of carelessly failing to comply with laws, applicable procedures and guidelines relating to the incurring of expenditures contrary to Section 45(2) (b), engaging in a project without prior planning, contrary to Section 45(2) (c) and abuse of office contrary to section 46 as read together with Section 48(1) and section 48(2) of the Anti-Corruption and Economic Crimes Act, 2003. It was further recommended that the members of the Tender Committee be charged with the offences of carelessly failing to comply with laws relating to the management of funds by a public entity, contrary to section 45(2) (b) as read together with Section 48(1) of the Anti-Corruption and Economic Crimes Act, 2003 and the County Government Officials jointly with the directors of and the company awarded the contract for the supply of the gunny bags with the offence of conspiracy to commit an economic crime, contrary to Section 47A(3) of the Anti-Corruption and Economic Crimes Act, 2003.

EACC/AT/INQ/16/2015

Inquiry into allegations that the Investment Secretary used her office to deprive former employees of the Kenya Railways Corporation House Number LR.3734/89 that had been set aside for purchase under the Tenant Purchase Scheme

Investigations established that at the time the suspect made an offer to purchase the house, she was the Investment Secretary and did not hold any position with the Kenya Railways Corporation Board. However, the evidence obtained has not shown that she in any way used her position to acquire the house. The decision to sell her the house at KSh. 6.5 million was made by Kenya Railways after she made an offer thereof. The investigation did not reveal that she influenced the decision to sell the house to her at the abovementioned price. She paid the consideration to Kenya Railways and the payment was acknowledged. The Commission was of the considered opinion that the evidence obtained in the investigations did not disclose culpability on the part of the Investment Secretary or any other officer of Kenya Railways to warrant criminal prosecution or any other action against her.

A Report was compiled and forwarded to Director of Public Prosecutions on 15th July, 2015 with recommendation that the inquiry file be closed.

On 31st July, 2015, the DPP accepted the recommendation for closure.

EACC/KSM.INQ/FI/03/2014

Inquiry into allegation of irregular procurement of Motor Vehicles Insurance cover by the Head of Supply Chain Management at the County Government of Nyamira

Investigations established that the County Head of Supply Chain Management procured motor vehicle comprehensive insurance cover on 10th January, 2014 which was before the commencement of the

aforesaid irregular tendering process. Further she flouted the provisions of the Public Procurement and Disposal Act (PDDA) as she did not involve the Tender Committee in the procurement; and she did not seek the Tender Committee's authority to directly procure the 'temporary' cover thus committing the County Government of Nyamira to contractual obligations with UAP Insurance Company through an oral contract.

A Report was compiled and forwarded to the Director of Prosecutions on 27th July, 2015, recommending that the suspect be charged with the offence of abuse of office contrary to section 46 as read with section 48 (1) of the Anti-Corruption and Economic Crimes Act No. 3 of 2003.

On 27th August, 2015, the DPP advised that further investigations be carried out.

EACC/FI/INQ/73/2015

Inquiry into allegations against the Chief Executive Officer of the National Water Conservation and Pipeline Corporation (NWCP) of impropriety of funds meant for construction of Murun/Siyoi Dam in West Pokot County in the Compensation of Land owners displaced by the Dam Construction Project

Investigations established that the allegation of impropriety of funds as far as the compensation for the parcels of land is concerned is not supported by available evidence. Investigations established that the compulsory acquisition including survey and valuation of the identified land was undertaken through a lawful process. It was carried out in accordance with Section 162 (2) of the Land Act, No. 6 of 2012 wherever applicable. Further, the land owners accepted the awards and were all compensated through payments made in the individual and or joint accounts hence there is no pending claim. The investigation did not establish embezzlement of funds in regard to the compensation of land owners displaced by the dam construction project.

A Report was compiled and forwarded to the Director of Prosecutions on 27th July, 2015, recommending that the file be closed without any further action.

On 27th August, 2015, the DPP accepted the recommendation for closure.

EACC/FI/INQ/08/2014

Inquiry into allegations that the Board of Trustees of the National Social Security Fund (NSSF) irregularly approved a budget of KSh. 5,053,520,321.06 for the regularization of Tassia II Housing Scheme and awarded the tender for the scheme's infrastructure development to China Jiangxi International Kenya Limited

Investigations established that the Board in its meetings made a resolution that the management should aggressively pursue payment for the KSh. 920,000 for the in the Tassia estate with the help of the City Council which implies a regularization of the resolutions that were passed by circulation. The level of collection of the finances from the plot owners could not be ascertained. It is noteworthy that the High Court in Judicial Review Case No.218 of 2014 indicated that the tenants were expected to meet the costs of infrastructure which therefore meant that if the NSSF were to realize all the collections, it would not have to spend an amount from the Fund on infrastructure. The binding nature of the contract would mean that the NSSF would only be exposed to pay the contractual amount in case of default. The aforesaid notwithstanding, infrastructural development is a process that the NSSF cannot avoid in the transfer of title. In the absence of the transfer of the rights of ownership, NSSF would continue incurring expenses for land that it owns but not in actual possession through payment of rates and ground rent.

A Report was compiled and forwarded to the Director of Prosecutions on 30th July, 2015, recommending that administrative action be taken against the Managing Trustee for exposing the Fund to contractual obligations when all the funds to finance the project had not been collected from the tenants.

On 27th August, 2015, the DPP advised that further investigations be carried out in the matter.

EACC/ISL/FI/INQ.1/2015

Inquiry into allegations of manipulation of Payroll by Executive of Isiolo County through employment of casual workers

Investigations established that the County Government of Isiolo appointed plant operators and fire engine personnel without due regard to the applicable laws. The County Public Service Board was not

involved in the recruitment of the said personnel which was an affront of the County Government Act, 2013. The evidence pointed to the fact that the breach of the applicable law was perpetrated by the Governor and the County Secretary. This is evident from their action of actively participating in the identification of the employees. However, the actual action of employment and signing of the letters of appointment and authorization of payments among other things was done by the County Secretary.

A Report was compiled and forwarded to the Director of Prosecutions on 10th August, 2015, recommending that the County Secretary be charged with the offence of abuse of office contrary to section 46 as read with section 48 (1) of the Anti-Corruption and Economic Crimes Act No. 3 of 2003.

On 27th August, 2015, the DPP did not accept the recommendation for prosecution. He advised that the inquiry file be closed.

EACC/FI/INQ/01/2014

Inquiry into allegations of irregular procurement in the tender for the construction of the Library and ICT Resource Centre at the Kiambu Institute of Science and Technology (KIST) for KSh. 65 Million

Investigations established that the project was commenced after a proper procurement process that led to the contract being awarded to the Contractor and Sub-Contractors. However, the Contractor was issued with instructions to vary the works from the original Bills of Quantities by introducing a 1st floor cast slab. The effect of the variation was such that there were disputes which are still unresolved and a subject of an arbitration cause; and the project was not completed to be usable by the procuring entity. It is evident that the action to vary the works was a decision that was taken by the County Works Officer and the Principal of Kiambu Institute of Science and Technology without the requisite approval by the Tender Committee.

A Report was compiled and forwarded to the Director of Prosecutions on 3rd August, 2015, recommending that the County Works Officer and the Principal of Kiambu Institute of Science and Technology be charged jointly with the offence of willful failure to comply with the law relating to the procurement contrary to section 45(2) (b) as read together with section 48 of the Anti-Corruption and Economic Crimes Act, 2003. The County Works Officer be charged separately with the offence of knowingly giving a misleading document to one's principal contrary to section 41 (2) as read with section 48(1) and (2) of the Anti-Corruption and Economic Crimes Act, 2003.

On 27th August, 2015, the DPP advised that further investigations be carried out in the matter.

EACC/KSM/PI/INQ/1/2014

Inquiry into allegations that the Principal (AFP) of Rongo University College and his Deputy Principal have populated the Institution with their relatives and are practicing nepotism and tribalism in the Institution

Investigations established that Rongo University College being a constituent college of Moi University, all recruitment procedures are guided by Moi University recruitment policy and procedure. Investigations also revealed that the council is in charge of all recruitment, though the same Council has delegated its powers to committees chaired by the Deputy Principal, Principal and by the Committee on Human Resource.

Investigations further revealed that due regard on the Rules and Regulations of Rongo University College were observed in the recruitment of the said employees and the evidence obtained also does not establish that the officers involved in the recruitment process were culpable, for any wrong doing.

A Report was compiled and forwarded to the Director of Prosecutions on 27th August, 2015, recommending that the file be closed.

On 14th October, 2015, the DPP accepted the recommendation for closure.

EACC/FI/INQ/1/2015

Inquiry into allegations that Makueni County Assembly spent KSh. 10,000,000 on a ghost Medical Cover for 48 Members of the County Assembly (MCA'S) and the Speaker of the County Assembly

Investigations established that the tender for the medical cover for Members of the County Assembly (MCAs) and for the County Assembly Staff members were all awarded to an insurance company at

KSh. 8,631,693.00 and KSh. 2,638,784.00 respectively and that the amounts were premiums for sum assured. Investigations established that the invoice by the Insurer submitted to the County bore the names of another Insurer. After explanations were sought, the insurer awarded the contract explained that the latter was their underwriter and hence they were entitled to handle services on their behalf.

Investigations further established that the introduction of AAR as underwriter by Afro centric to Makueni County Assembly was not irregular since the merger had been accepted by the Insurance Regulatory Authority. The investigations established that the insurer appointed by the County Assembly was not a ghost company.

A Report was compiled and forwarded to the Director of Public Prosecutions on 27th August, 2015 recommending that the file be closed. The Commission also recommended that an advisory be made to the Makueni County Assembly to strictly adhere to the Public Procurement and Disposal Regulations in appointments of committee members, since the Commission noted that the members of the Tender Committee were the same people who were appointed as Tender Evaluation Committee contrary to section 16 (4) of the PPDR, 2006.

On 12th October, 2015, the DPP advised that further investigations be carried out.

EACC/FI/INQ/53/2013

Inquiry into allegations of irregular award of the tender for the construction of A104-CDF office Road Project at KSh. 500,000 to a contractor by the Eldoret South Constituency Development Fund Tender Committee (CDFC) during the Financial Year 2010/2011

The investigations established that the above mentioned road was amongst six roads identified for rehabilitation by the Eldoret South CFDC and it was agreed that they be funded in the FY 201/2011. The Constituency Development Fund Board approved the road projects and disbursed funds for the projects. Tenders for the roads were advertised. Interested bidders submitted their bids and a contract was awarded to the successful bidder which was pre-qualified for the FY2011/2012. The Company commenced the works but was stopped after the roads became subject of investigation by EACC following allegations that the said works were procured irregularly. No payments have been made to the contractor to date although it had performed some of the work. Investigations established that proper procurement procedure was followed in the award of the tender for the road construction. The Commission was of the opinion that the evidence obtained was not sufficient to sustain any offences or charges against the Eldoret South CDFC members.

A Report was compiled and forwarded to the Director of Public Prosecutions on 28th August, 2015 recommending that the inquiry file be closed.

On 14th October, 2015, the DPP accepted the recommendation for closure of the inquiry file.

EACC/ELD/FI/INQ/09/2014

Inquiry into allegations of misappropriation of over KSh. 28 million in paying for uncompleted/undone work at the Langas Market by a Kericho County Government (CEC) for Lands, Housing and Physical Planning in a project funded by the Kenya Slum Upgrading Program (KENSUP)

Investigations established that an International Company was awarded the contract for the construction of the market by the Ministerial Tender Committee on 19th April, 2012 via contract No.MH/KENSUP/04/2011. The payment of KSh. 3,811,599.00/- was properly processed in favour of the contractor after the Clerk of Works of Uasin Gishu County Government and the Contractors' representative prepared the first valuation on 5th October, 2012. The 2nd, 3rd and 4th valuations were prepared by the County Executive for Lands Housing and Physical Planning and payment in that respect processed by the Assistant Director and Directorate of Housing who confirmed that he processed the payment vouchers totalling to KSh. 28,340,228.70.

Investigations established that the payment made was irregular since the County Executive for Lands Housing and Physical Planning had no authority to prepare the valuations and the payment was made for work not done. The terms of the contract were severely breached and even after concerns were made concerning unsatisfactory work, the suspect ignored the advice and made valuations. These valuations were approved by the Assistant Director in the Housing Directorate

whilst knowing that the CEC had no authority to do any valuations. The evidence revealed that documents were forged and the two suspects acted in cahoots with the directors of the contractor to embezzle money in regard to the market project.

A Report was compiled and forwarded to the Director of Public Prosecutions on 28th August, 2015 recommending that the then Senior Architect in the defunct Municipal Council of Eldoret and now the CEC for Lands, Housing and Physical Planning be charged with the offences of abuse of office contrary to section 46 and failure to comply with the law/applicable procedures and guidelines relating to management of public funds or incurring of expenses contrary to section 45(2) (b) as read with section 48(1)(a) of the Anti-Corruption and Economic Crimes Act, 2003. The Assistant Director, Directorate of Housing be charged with the offences of fraudulently making excessive payment from Public Revenue contrary to section 45(2) (a) failure to comply with the law/applicable procedures and guidelines relating to management of public funds or incurring of expenses contrary to section 45(2) (b) and abuse of office contrary to section 46 as read with section 48(1) of the Anti-Corruption and Economic Crimes Act, 2003. A Senior Architect in the defunct Municipal Council of Eldoret, Assistant Director, Directorate of Housing, a Limited Liability Company registered as in Kenya and Directors of FOMCO International Limited be charged jointly with the offence of conspiracy to commit an Economic crime contrary to section 47(A) (3) as read with section 48 (1) of the Anti-Corruption and Economic Crimes Act, 2003; and the company and its directors be charged jointly with the offence of fraudulent acquisition of public funds contrary to section 45(1) (a) as read with section 48(1) of the Anti-Corruption and Economic Crimes Act, 2003.

On 16th October, 2015, the DPP accepted the recommendation for prosecution.

EACC/FI/INQ/60/2015

Further, the project was within the plan and was sufficiently budgeted for and the money disbursed has so far been utilized in accordance with the contract.

A Report was compiled and forwarded to the Director of Public Prosecutions on 28th August, 2015 recommending that the inquiry file be closed without any further action.

On 16th October, 2015, the DPP accepted the recommendation for closure.

Inquiry into allegations of corruption against officers of the Nursing Council of Kenya who had been operating a secret bank account that was not known to Nursing Council of Kenya Board (NCK)

Investigations established that the Workforce account was officially opened in 2003 and it was secretly being operated by two officers of Nursing Council of Kenya; the Officer in charge of Finance Department and former Registrar at Nursing Council of Kenya respectively. They both secretly wrote to the bank on 22nd September, 2014 instructing the Manager to close the account when the former Registrar at NCK was asked to give the financial status of NCK to the Acting Registrar. Numerous cash withdrawals from the Workforce account have been traced with corresponding deposits in the Officer of Finance Department's bank accounts held at Barclays Bank Queensway branch. The cash books and reports to the Finance Committee of the Board provided the Finance officer reflected only two bank accounts, one in Cooperative Bank and the other in Barclays Bank. This deliberately concealed the activities of the Workforce account from the Finance Committee and the Board. Investigations further established that, the funds received by NCK from the donor were withdrawn from the Work Force account within the first two months i.e. between December 2013 and January 2014 whereas the project was to run up to October, 2014, an indication that the suspects withdrew and used the donor money for other purposes and thereafter sourced for funds from other sources to run the project that was ongoing.

A Report was compiled and forwarded to the Director of Public Prosecutions on 4th September, 2015 recommending that the then Registrar of Nursing Council of Kenya and the officer in charge of Finance Department be charged jointly with the offences of fraudulent acquisition of public property contrary to section 45(1) (a) abuse of office contrary to section 46 and conspiracy to commit an Economic Crime contrary to section 47(a) (3) as read with section 48(1) of the Anti-Corruption and Economic Crimes Act, 2003. Inquiry into allegations that the Cabinet Secretary for Energy and the Managing Director, Kenya Power and Lighting Company respectively, embezzled KSh. 90 million transferred by KPC to KPLC

Investigations established that the only payment made to KPLC by KPC was in respect of payment of electricity bills for power consumed by KPLC in its various operations and pumping stations. The head of budget and finance at KPLC confirmed that indeed KPLC billed KPC for energy consumed and contractual services. The statement of finances and the report of the auditor general in regard to KPLC for the year 2012-2014 were also obtained. They did not show that any amount of KSh. 90 million was received by KPLC. Further investigations revealed that there is nothing to show that indeed a sum of KSh. 90 million was transferred from KPC to KPLC and later fraudulently acquired by the suspects. The evidence obtained did not establish that the Cabinet Secretary for Energy and the Managing Director of Kenya Power and Lighting Company were culpable for fraudulent acquisition of KSh. 90 million to warrant any action against them.

Inquiry into allegation that the Migori County Government irregularly awarded a contract to Speedway Technical Company Limited for the supply of water pipes through single sourcing and made a payment of KSh. 7,004,500.00 before delivery of the pipes

Investigations revealed that the Head of Supply Chain Management, whose duties include advising the County Government on the procurement regulations advised the County Director of Water at the County Government of Migori and the Deputy Director at the Migori County Government to undertake direct procurement in the supply and delivery of the water pipes while fully aware that the legal
