# INVESTIGATION REPORTS COVERING THE PERIOD FROM 1ST JULY, 2022 TO 30TH SEPTEMBER, 2022

Inquiry into Allegation of Procurement Irregularities in the Award of Tender No. CGK/064/2014/2015 for Construction of Kwale County Headquarters Awarded to Green County Construction Company Limited in the Financial Year 2014/2015 Amounting to KSh. 462,197,054.88

The Commission commenced investigation following a report relating to allegations of procurement irregularities in the construction of Kwale County Headquarters in the Financial Year 2014/2015 vide tender no: CGK/064/2014/2015 amounting to KSh. 462,197,054.88/=. It was alleged that the tender was awarded to Green County Construction Company Limited, which is associated with the former Member of Parliament (MP) for Mandera South and a former County Executive Committee Member (CECM).

Investigations established that there existed an indirect private interest on the part of the Member of Parliament (MP) for Mandera South and the former County Executive Committee Member (CECM) in the payments made to Green County Construction Company Limited.

It was established that Green County Construction Company Limited was a proxy through which the suspects indirectly and directly acquired public funds fraudulently and that there is sufficient evidence to infer that the suspects were the beneficiaries of the public funds paid to Green County Construction Company Limited.

Further investigations established that Green County Construction Company Limited submitted fake documents/certificates in support of their bid to Kwale County Government purporting that they were genuine and issued by various institutions.

On 30th August, 2022, a report was compiled and forwarded to the DPP with recommendations to charge jointly or severally the former MP for Mandera South and the former CECM at Kwale County, the Director of Green County Construction Company Limited, County Engineer and a Statistician in the Ministry of Finance, Planning Department at Kwale County Government and members of the Technical Evaluation Committee be charged with the following offences: conflict of interest contrary to section 42(3), fraudulent acquisition of public property contrary to section 45(1) a and wilful failure to comply with the law relating to procurement contrary to section 45 (2) (b) as read with section 48 (1) of the Anti-Corruption and Economic Crimes Act, 2003; Uttering false documents contrary to section 353 of the Penal Code; Fraudulent practice in procurement proceedings contrary to section 41 as read with section 137 of the Public Procurement and Disposal Act, 2005

Inquiry into Allegations of Receiving a Bribe by Keysian Auctioneer Staff The Commission commenced investigations upon receipt of a complaint by the complainant that an employee of Kenya Revenue Authority (KRA) had demanded for a bribe of KSh. 2,000,000/= from him as an inducement to write off the tax arrears amounting to KSh. 19,000,000/= owed by Jenga Mabati Mills Limited to KRA.

Investigations established that the complainant gave the suspect KSh. 100,000/= which belonged to him. The suspect was arrested and the KSh. 100,000/= was recovered. However, despite the recovery of the KSh. 100,000/= from the suspect, it could not be ascertained whether the said money originated from the complainant since the serial numbers had not been taken or photocopied in advance for comparison purposes upon recovery. In addition, the money had no peculiar markings for distinction purposes from any other money that the suspect would have purported to be in possession.

On 28th July, 2022, a report was compiled and forwarded to the DPP with recommendations that the inquiry file be closed for lack of evidence to sustain bribery charges against the suspect, in addition, an advisory be issued to KRA to put in place clear rules of engagements with Auctioneers in collection of tax arrears for efficiency purposes.

The Commission awaits response from the DPP.

The complainant reported to the Commission that he had already given the suspect a total of KSh. 700,000/= and that the suspects were still demanding for the balance of KSh. 300,000/=. An operation was conducted, whereby the complainant was given KSh. 300,000/= for purposes of handing over to the suspects. However, the Commission Officers arrested the suspects before they could receive the bribe and they were positively identified by the complainant.

Investigations established that the suspects were not employees of the Commission and that indeed they requested for a bribe of KSh. 1,000,000/= and received a total of KSh. 700,000/= from the complainant.

On 28th July, 2022, a report was compiled and forwarded to the DPP with recommendations that the two suspects be charged with one count of impersonating an investigator contrary to section 34 of the Anti-Corruption and Economic Crimes Act, 2003; three counts of receiving a bribe contrary to section 6 (1) (a) as read with section 18 of the Bribery Act No. 47 of 2016; two counts of obtaining money by false pretence contrary to section 313 of the Penal Code.

  - Accurate budgeting and estimation of actual construction material requirements.
  - Ensure that damage or loss of materials at the construction site are kept minimal through proper storage.

Run off and soil erosion .

- Apply soil erosion control measures to reduce run-off velocity and increase infiltration of storm water into the soil, e.g. silt traps and other barriers.
- Construction vehicles are restricted to existing graded roads to avoid soil compaction within the project site.
- Ensure that any compacted areas are filled in to reduce run-off accumulation of water during rains.

Solid waste generation
