#### 5. EACC/PI/INQ/05/2022

*Investigations into Allegations of Irregular Award of Tenders and Embezzlement of Funds by Officials of Bomas of Kenya Limited During Financial Year 2020/2021 through Splitting of Tenders/Contracts to Various Companies Amounting to KSh. 8,587,831/=*

The Ethics and Anti-Corruption Commission (EACC) commenced investigation after receiving an allegation on 3rd November, 2021. The allegation was that Bomas of Kenya (BOK) was involved in irregular award of tender for purchase of cutlery.

Investigations established that there was no budget allocated for the purchase of cutlery and crockery during the Financial Year 2020/2021 and the board did not approve any re-allocation of funds from other votes. Further investigations also established that there were several procurement irregularities including collusion between the suppliers and procurement officials in the purchase of cutlery for all the quotations at BOK. Some of the directors of the said companies denied participating in the procurement of the cutlery at BOK despite the evidence of bid documents allegedly submitted by their companies.

Financial investigations conducted revealed that after payments were made to the suppliers, they sent money to a particular supplier who would then transfer money to some of the officials of BOK.

- Install oil trapping equipment in areas where there is a likelihood of oil spillage.
- Maintenance will be carried out in a well-designed and protected area where oils/grease is completely restrained from reaching the ground. Such areas should be covered to avoid storms from carrying spilled oils into the soil/water systems.
- All oils/grease and materials will be stored in a site's store, in the contractor's yard.
- Proper disposal of oil-handling materials such as drums, oily clothes/papers/materials, and cans.
- All drainage facilities shall be fitted with adequate functional oil-water separators and silt traps.
- Collect the used oils and re-use, re-sell, or dispose of them appropriately using expertise from contracted licensed waste handlers.
