## AUDITED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019

The Audited Financial Statements for the year ended 31<sup>st</sup> March 2019 have been prepared in accordance with Bank of Mauritius Guideline on Public Disclosure of Information. The financial report contains forward looking statements and risks assessments based on the Bank's view of the economic situation and may not necessarily materialise. Users of information should therefore not place undue reliance on these statements.

### PROSPECTS

The domestic economy has been performing well over the last 3 years. The bank has been successful in building the loan book last year and the business in pipeline is encouraging. Though the circumstances are challenging, risks are elevated but growth is the best prescription. This applies to the global economy as a whole as well as to the bank. Our growth would be based on customer acquisition, diversifying our product mix and expanding our presence across sectors. The target is to be a comprehensive provider of financial services to our customers and strongly reinforce our status.

### RESULTS

2018 remained a challenging year for the Bank, on the domestic as well as the international front. Notwithstanding the weak economic conditions that prevailed and the sluggish global environment, the Bank managed to post impressive Net Profit of USD 15.70 Mio as on 31st March 2019 as compared to USD 1.67 Mio last year, thus registering a growth of 840.12%. Both Return on Average Equity (ROAE) and Return on Average Assets (ROAA) have gone up owing to increase in Net Profit. The ROAE and the ROAA stood at 11.10 percent and 1.67 percent respectively, as on 31st March 2019 as compared to 1.00 percent and 0.94 percent, as on 31st March 2018. The operating profit remained at previous year level, although the market interest rates moved sharply. Net Interest Income has increased by 2.37% from USD 23.63 Mio to USD 24.19 Mio during the reporting period.

With closure of Buyer's Credit business by Reserve Bank of India, the bank re-strategized to selectively build the loan book in medium term to long term tenors. Also, the bank has been successful in resolution of large value NPAs & toxic advances and brought the NPA level from USD 142.52 Mio down to USD 31.70 Mio. As a result, the gross advances of the bank stood at USD 539.71 Mio as at March'19 as compared to USD 662.79 Mio as at March'18. However, the earning capacity of the assets has gone up substantially. The deposit base was re-oriented accordingly and high cost deposits were not renewed on maturity. The deposit base stood at USD 471.42 Mio as at end of March'19 as compared to the level of USD 781.64 Mio in March'18. The investment book expanded further to USD 258.32 Mio as compared to the level of USD 231.70 Mio year before.

At year end, our Capital Adequacy Ratio stood at 26.81%, comfortably above the regulatory stipulation of 11.875%.

## REPORT OF THE DIRECTOR OF AUDIT

### TO THE VILLAGE COUNCIL OF TROU D'EAU DOUCE

I have audited the Statement of Receipts and Payments of the Village Council of Trou D'eau Douce for the financial year ended 31 December 2013.

#### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of the Statement of Receipts and Payments in accordance with accounting principles generally accepted in Mauritius and in compliance with the Local Government Act, and for such internal control as management determines is necessary to enable the preparation of the Statement of Receipts and Payments that is free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

My responsibility is to express an opinion on the Statement of Receipts and Payments based on my audit. I conducted my audit in accordance with International Standards of Supreme Audit Institutions. Those Standards require that I plan and perform the audit to obtain reasonable assurance about whether the Statement of Receipts and Payments is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Statement of Receipts and Payments. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Statement of Receipts and Payments. In making those risk assessments, the auditor considers internal control relevant to the Council's preparation and fair presentation of the Statement of Receipts and Payments in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control. An audit also includes evaluating the overall presentation of the Statement of Receipts and Payments.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a reasonable basis for my opinion.

**Opinion**

In my opinion, the attached Statement of Receipts and Payments give a true and fair view of the receipts and payments of the Village Council of Trou D'eau Douce for the financial year ended 31 December 2013 in accordance with accounting principles generally accepted in Mauritius and in compliance with the Local Government Act.
