General Notice No. 1752 of 2019

**NOTICE OF REMOVAL OF COMPANY FROM REGISTER UNDER SECTION 310(1)(a)
OF THE COMPANIES ACT 2001**

Notice is hereby given that pursuant to section 309(1)(b) of the Companies Act 2001, the Registrar of Companies intends to remove the following company/ies from the register as there is reason to believe that:

- (i) the company has ceased to carry on business and there is no other reason for the company to continue in existence; or
- (ii) the company has failed to pay its registration fees; or
- (iii) the company has not filed its annual return as required under section 223(2)

Objection to the removal, if any, shall be notified to the Registrar in writing not later than 17 October 2019.

Unless the company satisfies the Registrar by notice in writing that the company is still carrying on business and there is no other reason for it to continue its existence, the Registrar shall remove the company from the register.

Independent Auditor's Report to the Shareholders of MauBank Ltd

Report on the audit of the consolidated and separate financial statements

Opinion

We have audited the consolidated and separate financial statements of MauBank Ltd (the "Bank" or the "Public Interest Entity") and its subsidiary (collectively the "Group") set out on pages 35 to 142, which comprise the consolidated and separate statements of financial position as at 30 June 2019, and the consolidated and separate statements of profit or loss and other comprehensive income, consolidated and separate statements of changes in equity and consolidated and separate statements of cash flows for the year then ended, and notes to the consolidated and separate financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated and separate financial statements give a true and fair view of the financial position of the Group and the Bank as at 30 June 2019, and of their consolidated and separate financial performance and consolidated and separate cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs), and comply with the requirements of the Mauritius Companies Act 2001 and the Financial Reporting Act 2004.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for Audit of the consolidated and separate financial Statements section of our report. We are independent of the Group and the Bank in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters, in our professional judgement, were of most significance in our audit of the consolidated and separate financial statements of the current period. These matters were addressed in the context of our audit of the consolidated and separate financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. The key audit matters noted below relate to the consolidated and separate financial statements.

Key audit matter	How our audit addressed the key audit matter
Provision for credit losses <p>Balance of allowance for credit impairment on loans and advances at 30 June 2019 amount to MUR 342,282,000 which include charge to profit or loss for the year ended 30 June 2019 amounting to MUR 11,372,988. Due to the substantial amount of the loans and advances outstanding at the reporting date and the significance of the judgements applied, allowance for credit impairment on loans and advances is considered a key audit matter.</p> <p>The determination of assumptions for the measurement of impairment is subjective due to the level of judgement applied by Management. Changes in the assumptions and the methodology applied may have a major impact on the measurement of allowance for credit impairment. The details on loans and advances and assumptions used in determining allowance for credit impairment are disclosed in Note 4 to the consolidated and separate financial statements.</p> <p>The most significant judgments are:</p> <ul style="list-style-type: none"> - whether impairment events have occurred - valuation of collateral and future cash flows - management judgements and assumptions used 	<p>Our procedures included the following amongst others:</p> <ul style="list-style-type: none"> • Obtaining audit evidence in respect of key controls over the processes for impairment events identification and collateral valuation. • Inspecting the minutes of Credit Committee and Board to ensure that there are governance controls in place in relation to assessment of allowance for credit impairment. • Challenging the methodologies applied by using our industry knowledge and experience. • Assessing the key changes in the assumptions against industry standards and historical data. • Obtaining audit evidence of management judgments and assumptions, especially focusing on the consistency of the approach. • Performing a risk-based test of loans and advances to ensure timely identification of impairment and for impaired loans to ensure appropriate allowance for credit impairment. • Use of specialist team in performing certain procedures. • Evaluating the appropriateness of the IFRS 9 impairment methodologies.

Independent Auditor's Report to the Shareholders of MauBank Ltd (Cont'd)

Report on other legal and regulatory requirements (Cont'd)

Key audit matter	How our audit addressed the key audit matter
Provision for credit losses (Cont'd)	
<p>IFRS 9 Financial Instruments was implemented by the Bank on 1 July 2018. This new standard requires to recognise expected credit losses ('ECL') on financial instruments, which involves significant judgement and estimates. The key areas where we identified greater levels of management judgements and estimates and therefore increased levels of audit focus in the implementation of IFRS 9 are:</p> <ul style="list-style-type: none"> • Macro-Economic Forecasts – IFRS 9 requires to measure ECLs on a forward-looking basis using the most appropriate macro-economic forecasts. The macro-economic forecasts are estimates of future economic conditions. • Model estimations – Statistical modelling is used to estimate ECLs which involves determining Probabilities of Default ('PD'), Loss Given Default ('LGD'), and Exposures at Default ('EAD'). The PD and LGD models used in the loans portfolios are the key drivers of the ECL results and are therefore the most significant areas of judgements and estimates used in the ECL modelling approach. • Qualitative adjustments – Adjustments to the model-driven ECL results are raised by management to address known impairment model limitations or emerging trends. Such adjustments are inherently uncertain and significant management judgement is involved in estimating these amounts. <p>The effect of these matters is that, as part of our risk assessment, we determined that the impairment of loans and advances to customers has a high degree of estimation uncertainty, with a potential range of reasonable outcomes greater than our materiality for the consolidated and separate financial statements as a whole. The credit risk sections of the consolidated and separate financial statements disclose the sensitivities estimated by the Bank.</p>	<ul style="list-style-type: none"> • Testing the design and operating effectiveness of the key controls over the completeness and accuracy of the key inputs and assumptions into the IFRS 9 impairment models. • Assessing the appropriateness of the macro-economic forecasts used. • Independently assessing probability of default, Loss Given Default and Exposure at Default assumptions. • Assessing the reasonableness of the model predictions by comparing them against actual results. • Sample testing over key inputs and assumptions including economic forecasts, PD, LGD assumptions and qualitative adjustments impacting ECL calculations. • Assessing whether the disclosures are in accordance with the requirements of IFRS 9. <p>We found the assumptions used in determining the expected credit losses and related disclosures in the consolidated and separate financial statements to be appropriate.</p>

The Mauritius Companies Act 2001

In accordance with the requirements of the Mauritius Companies Act 2001, we report as follows:

- we have no relationship with, or interest in, the Bank and its subsidiaries other than in our capacity as auditor;
- we have obtained all information and explanations that we have required; and
- in our opinion, proper accounting records have been kept by the Bank as far as appears from our examination of those records.

The Banking Act 2004

- In our opinion, the consolidated and separate financial statements have been prepared on a basis consistent with that of the preceding year and are complete, fair and properly drawn up and comply with the provisions of the Banking Act 2004 and the regulations and guidelines issued by Bank of Mauritius in relation to banks; and
- the explanations or information called for or given to us by the officers or agents of the Bank were satisfactory.

Le partenaire de votre progrès!

Independent Auditor's Report to the Shareholders of MauBank Ltd (Cont'd)

Other information

The directors are responsible for the other information. The other information comprises the Directors' report, Statement of Management's Responsibility for financial reporting, Corporate Governance Report, Report from the secretary, Management Discussion and Analysis and Administrative information, which we obtained prior to the date of this auditor's report. It also includes other reports to be included in the Annual Report which are expected to be made available after that date. The other information, does not include the consolidated and separate financial statements and our auditor's report thereon.

Our opinion on the consolidated and separate financial statements does not cover the other information and we do not express any form of assurance or conclusion thereon.

In connection with our audit of the consolidated and separate financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated and separate financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Corporate Governance Report

Our responsibility under the Financial Reporting Act is to report on the compliance with the Code of Corporate Governance disclosed in the annual report and assess the explanations given for non-compliance with any requirement of the Code. From our assessment of the disclosures made on corporate governance in the annual report, the Public Interest Entity has, pursuant to section 75 of the Financial Reporting Act, complied with the requirements of the Code.

When we read the other reports which are expected to be made available to us after the date of the auditor's report, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of directors for the consolidated and separate financial statements

The directors are responsible for the preparation and fair presentation of the consolidated and separate financial statements in accordance with International Financial Reporting Standards, and in compliance with the requirements of the Mauritius Companies Act 2001, the Banking Act 2004, and the Financial Reporting Act 2004 and they are also responsible for such internal control as the directors determine is necessary to enable the preparation of consolidated and separate financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated and separate financial statements, the directors are responsible for assessing the Group's and the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Group and the Bank or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for overseeing the Group's and the Bank's financial reporting process.

Auditor's responsibilities for the audit of the consolidated and separate financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated and separate financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated and separate financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the consolidated and separate financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Le partenaire de votre progrès!

Independent Auditor's Report to the Shareholders of MauBank Ltd (Cont'd)

Auditor's responsibilities for the audit of the consolidated and separate financial statements (Cont'd)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's and the Bank's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's and the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated and separate financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated and separate financial statements, including the disclosures, and whether the consolidated and separate financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit.

We remain solely responsible for our audit opinion. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated and separate financial statements of the current year and are therefore the key audit matters. We describe those matters in our auditor's report unless laws or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

This report is made solely to the Bank's shareholders, as a body, in accordance with section 205 of the Mauritius Companies Act 2001. Our audit work has been undertaken so that we might state to the Bank's shareholders those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Bank and the Bank's shareholders as a body, for our audit work, for this report, or for the opinions we have formed.

**REPORT OF THE
DIRECTOR OF AUDIT**

**On the Financial Statements
of the District Council of Flacq
for the year ended 31 December 2014**

NATIONAL AUDIT OFFICE

NATIONAL AUDIT OFFICE

REPORT OF THE DIRECTOR OF AUDIT

TO THE COUNCIL OF

THE DISTRICT COUNCIL OF FLACQ

Report on the Financial Statements

I have audited the accompanying financial statements of The District Council of Flacq which comprise the balance sheet as of 31 December 2014, the income and expenditure account and the cash flow statement for the year then ended and a summary of significant accounting policies and other explanatory notes.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in Mauritius and the Local Government Act, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with International Standards of Supreme Audit Institutions. Those Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements present fairly, in all material respects, the financial position of The District Council of Flacq as of 31 December 2014, and of its financial performance and its cash flows for the year then ended in accordance with accounting principles generally accepted in Mauritius.

Emphasis of Matter

I draw attention to Note 1 to Accounts wherein it is reported that the provisions of Section 166 (3) of the Local Government Act 2011 have been complied with, except for the pension fund. The pension fund of the ex-Moka Flacq District Council that has been transferred to SICOM has not yet been split to determine the pension contributions for the staff posted at The District Council of Flacq and for those at The District Council of Moka. Further, as per Note 12, the pension fund of the ex-Moka Flacq District Council was Rs 70,819,946 as at 31 December 2012.

My opinion is not qualified in respect of this matter.

Report on Other Legal and Regulatory Requirements

Management's Responsibility

In addition to the responsibility for the preparation and presentation of the financial statements described above, management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the laws and authorities which govern them.

Auditor's Responsibility

In addition to the responsibility to express an opinion on the financial statements described above, my responsibility includes expressing an opinion on whether the activities, financial transactions and information reflected in the financial statements are, in all material respects, in compliance with the laws and authorities which govern them. This responsibility includes performing procedures to obtain audit evidence about whether the agency's expenditure and income have been applied to the purposes intended by the legislature. Such procedures include the assessment of the risks of material non-compliance.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Opinion on Compliance

Local Government Act

The financial statements for the year ended 31 December 2014 were received at my Office on 11 May 2015. Following examination of the financial statements, a few amendments had to be made. The amended financial statements were submitted on 17 September 2019.

In my opinion, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the Local Government Act.

Public Procurement Act

The District Council of Flacq is responsible for the planning and conduct of its procurement. It is also responsible for defining and choosing the appropriate method of procurement and contract type in accordance with the provisions of the Act and relevant Regulations. My responsibility is to report on whether the provisions of Part V of the Act regarding the Bidding Process have been complied with.

In my opinion, the provisions of Part V of the Act have been complied with as far as it appears from my examination of the relevant records.

THE DISTRICT COUNCIL OF FLACQ

NOTES TO ACCOUNTS FOR THE YEAR ENDED 31.12.2014

Splitting of District Council of Moka and Flacq

Identified assets such as Property, Plant and Equipment, Motor Vehicles, Office Furniture and Computer that have been transferred to the District Council of Moka and the remaining Assets of the District Council of Flacq have been scrutinized.

And thereby the initial value of Assets has been allocated to respective District Council where it has been able to identify the assets being split between both councils.

For non-identified Assets to the respective councils, the allocation has been based on the Councils' population as follows:

	DC of Moka	DC of Flacq
Population	82,000	123,000
%	40	60

Based on the above, it has been agreed by both Councils that a proportionate of 60% for DC of Flacq and 40% for DC of Moka for all non-identified assets to be allocated accordingly to respective councils.

The value of assets (Office Furniture, Equipment and Computers) has been estimated to their current state and condition which provide a value in terms of its economical useful life.

**REPORT OF THE
DIRECTOR OF AUDIT**

**On the Financial Statements
of Village Councils under jurisdiction of The District Council of Flacq
for the year ended 31 December 2014**

NATIONAL AUDIT OFFICE

NATIONAL AUDIT OFFICE

REPORT OF THE DIRECTOR OF AUDIT TO THE VILLAGE COUNCIL OF BEL AIR

I have audited the Statement of Receipts and Payments of the Village Council of Bel Air for the financial year ended 31 December 2014.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the Statement of Receipts and Payments in accordance with accounting principles generally accepted in Mauritius and in compliance with the Local Government Act, and for such internal control as management determines is necessary to enable the preparation of the Statement of Receipts and Payments that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on the Statement of Receipts and Payments based on my audit. I conducted my audit in accordance with International Standards of Supreme Audit Institutions. Those Standards require that I plan and perform the audit to obtain reasonable assurance about whether the Statement of Receipts and Payments is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Statement of Receipts and Payments. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Statement of Receipts and Payments. In making those risk assessments, the auditor considers internal control relevant to the Council's preparation and fair presentation of the Statement of Receipts and Payments in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control. An audit also includes evaluating the overall presentation of the Statement of Receipts and Payments.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a reasonable basis for my opinion.

Opinion

In my opinion, the attached Statement of Receipts and Payments give a true and fair view of the receipts and payments of the Village Council of Bel Air for the financial year ended 31 December 2014 in accordance with accounting principles generally accepted in Mauritius and in compliance with the Local Government Act.

NATIONAL AUDIT OFFICE

REPORT OF THE DIRECTOR OF AUDIT TO THE VILLAGE COUNCIL OF CENTRAL FLACQ

I have audited the Statement of Receipts and Payments of the Village Council of Central Flacq for the financial year ended 31 December 2014.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the Statement of Receipts and Payments in accordance with accounting principles generally accepted in Mauritius and in compliance with the Local Government Act, and for such internal control as management determines is necessary to enable the preparation of the Statement of Receipts and Payments that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on the Statement of Receipts and Payments based on my audit. I conducted my audit in accordance with International Standards of Supreme Audit Institutions. Those Standards require that I plan and perform the audit to obtain reasonable assurance about whether the Statement of Receipts and Payments is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Statement of Receipts and Payments. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Statement of Receipts and Payments. In making those risk assessments, the auditor considers internal control relevant to the Council's preparation and fair presentation of the Statement of Receipts and Payments in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control. An audit also includes evaluating the overall presentation of the Statement of Receipts and Payments.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a reasonable basis for my opinion.

Opinion

In my opinion, the attached Statement of Receipts and Payments give a true and fair view of the receipts and payments of the Village Council of Central Flacq for the financial year ended 31 December 2014 in accordance with accounting principles generally accepted in Mauritius and in compliance with the Local Government Act.

NATIONAL AUDIT OFFICE

REPORT OF THE DIRECTOR OF AUDIT TO THE VILLAGE COUNCIL OF CLEMENCIA

I have audited the Statement of Receipts and Payments of the Village Council of Clemencia for the financial year ended 31 December 2014.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the Statement of Receipts and Payments in accordance with accounting principles generally accepted in Mauritius and in compliance with the Local Government Act, and for such internal control as management determines is necessary to enable the preparation of the Statement of Receipts and Payments that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on the Statement of Receipts and Payments based on my audit. I conducted my audit in accordance with International Standards of Supreme Audit Institutions. Those Standards require that I plan and perform the audit to obtain reasonable assurance about whether the Statement of Receipts and Payments is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Statement of Receipts and Payments. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Statement of Receipts and Payments. In making those risk assessments, the auditor considers internal control relevant to the Council's preparation and fair presentation of the Statement of Receipts and Payments in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control. An audit also includes evaluating the overall presentation of the Statement of Receipts and Payments.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a reasonable basis for my opinion.

Opinion

In my opinion, the attached Statement of Receipts and Payments give a true and fair view of the receipts and payments of the Village Council of Clemencia for the financial year ended 31 December 2014 in accordance with accounting principles generally accepted in Mauritius and in compliance with the Local Government Act.

NATIONAL AUDIT OFFICE

REPORT OF THE DIRECTOR OF AUDIT TO THE VILLAGE COUNCIL OF OLIVIA

I have audited the Statement of Receipts and Payments of the Village Council of Olivia for the financial year ended 31 December 2014.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the Statement of Receipts and Payments in accordance with accounting principles generally accepted in Mauritius and in compliance with the Local Government Act, and for such internal control as management determines is necessary to enable the preparation of the Statement of Receipts and Payments that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on the Statement of Receipts and Payments based on my audit. I conducted my audit in accordance with International Standards of Supreme Audit Institutions. Those Standards require that I plan and perform the audit to obtain reasonable assurance about whether the Statement of Receipts and Payments is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Statement of Receipts and Payments. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Statement of Receipts and Payments. In making those risk assessments, the auditor considers internal control relevant to the Council's preparation and fair presentation of the Statement of Receipts and Payments in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control. An audit also includes evaluating the overall presentation of the Statement of Receipts and Payments.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a reasonable basis for my opinion.

Opinion

In my opinion, the attached Statement of Receipts and Payments give a true and fair view of the receipts and payments of the Village Council of Olivia for the financial year ended 31 December 2014 in accordance with accounting principles generally accepted in Mauritius and in compliance with the Local Government Act.

REPORT OF THE DIRECTOR OF AUDIT

TO THE VILLAGE COUNCIL OF POSTE DE FLACQ

I have audited the Statement of Receipts and Payments of the Village Council of Poste de Flacq for the financial year ended 31 December 2014.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the Statement of Receipts and Payments in accordance with accounting principles generally accepted in Mauritius and in compliance with the Local Government Act, and for such internal control as management determines is necessary to enable the preparation of the Statement of Receipts and Payments that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on the Statement of Receipts and Payments based on my audit. I conducted my audit in accordance with International Standards of Supreme Audit Institutions. Those Standards require that I plan and perform the audit to obtain reasonable assurance about whether the Statement of Receipts and Payments is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Statement of Receipts and Payments. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Statement of Receipts and Payments. In making those risk assessments, the auditor considers internal control relevant to the Council's preparation and fair presentation of the Statement of Receipts and Payments in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control. An audit also includes evaluating the overall presentation of the Statement of Receipts and Payments.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a reasonable basis for my opinion.

Opinion

In my opinion, the attached Statement of Receipts and Payments give a true and fair view of the receipts and payments of the Village Council of Poste de Flacq for the financial year ended 31 December 2014 in accordance with accounting principles generally accepted in Mauritius and in compliance with the Local Government Act.
