Approval of financial statements

The audited financial statements have been approved by the Board and abridged for purposes of this report. Ernst & Young has expressed an unmodified audit opinion on the annual financial statements. The signed auditor's report is available for viewing at La Prudence Leasing Finance Co. Ltd (www.prudenceleasing.com).

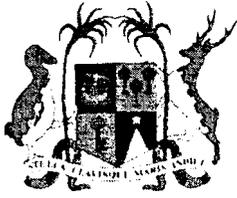

The audited financial statements are available for inspection at the Company's registered address. This abridged report is extracted from audited information but is itself not audited. The auditor's report does not necessarily cover all of the information contained in this announcement.

Stakeholders are therefore advised that in order to obtain a full understanding of the nature of the auditor's work they should view the report together with the accompanying financial information.

**CERTIFICATE OF THE
DIRECTOR OF AUDIT**

**On the Financial Statements
of the Municipal Council of Beau Bassin-Rose Hill
for the year ended 30 June 2018**

NATIONAL AUDIT OFFICE

NATIONAL AUDIT OFFICE

REPORT OF THE DIRECTOR OF AUDIT TO THE MUNICIPAL COUNCIL OF BEAU BASSIN-ROSE HILL

Report on the Audit of Financial Statements

Qualified Opinion

I have audited the financial statements of the Municipal Council of Beau Bassin-Rose Hill, which comprise the statement of financial position as at 30 June 2018 and the statement of financial performance and cash flow statement for the year then ended and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of my report, the accompanying financial statements give a true and fair view of the financial position of the Municipal Council of Beau Bassin-Rose Hill as at 30 June 2018, and of its financial performance and its cash flows for the year then ended in accordance with International Public Sector Accounting Standards (IPSASs).

Basis for Qualified Opinion

Receivables from Non-Exchange Transactions – Rs 56,525,863

Trade Fees – Rs 6,624,625. As per the computerised system, debts in respect of Trade Fees amounted to Rs 15,417,719 as at 30 June 2018. Only an amount of Rs 6,624,625 has been accounted for in the financial statements.

I conducted my audit in accordance with International Standards of Supreme Audit Institutions (ISSAIs). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Municipal Council of Beau Bassin-Rose Hill in accordance with the INTOSAI Code of Ethics together with the ethical requirements that are relevant to my audit of the financial statements in Mauritius, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, were of most significance in my audit of the financial statements of the current period. These matters were addressed in the context of my audit of the financial statements as a whole, and in forming my opinion thereon, and I do not provide a separate opinion on these matters. I have determined that there are no key audit matters to communicate in my report.

Emphasis of Matter

Transitional Financial Statements

I draw attention to Notes 2 and 3 to the financial statements concerning basis of preparation and Statement of Compliance. The Municipal Council of Beau Bassin-Rose Hill initiated accrual basis IPSASs on 1 July 2017 and elected to adopt the transitional exemptions in IPSAS 33. First-time Adoption of Accrual Basis IPSASs that allows it a transitional period of up to three years. As a result, the Municipal Council of Beau Bassin-Rose Hill is not able to make an explicit statement about its full compliance with accrual basis IPSASs.

Statement of Changes in Net Assets/Equity – Rs 246,387,105

The preparation of accounts in accordance with IPSASs has resulted in a decrease of Net Assets/Equity from Rs 1,012,834,721 at 1 July 2017 to Rs 246,387,105 at 30 June 2018 as a result of provisions for Employee Benefits and Retirement Benefit Obligations totalling Rs 845,126,233.

My opinion is not modified in respect of these matters.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Council's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management intends to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible of overseeing the Council's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISSAIs, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Council's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Municipal Council of Beau Bassin-Rose Hill to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or, when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Management's Responsibilities for Compliance

In addition to the responsibility for the preparation and presentation of the financial statements described above, management is also responsible to ensure that the Council's operations are conducted in accordance with the provisions of laws and regulations, including compliance with the provisions of laws and regulations that determine the reported amounts and disclosures in an entity's financial statements.

Auditor's Responsibilities

In addition to the responsibility to express an opinion on the financial statements described above, my responsibility includes reporting to the Council whether:

- (a) I have obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purpose of the audit;
- (b) any loss or deficiency is wholly or partly due to the negligence or misconduct of any person;
- (c) any sum which ought to have been so brought but which, due to wilful default or negligence, has not been brought into account;
- (d) there has been any failure to recover any rate, fee or other charge in the manner specified in section 101; and
- (e) the provisions of Part V of the Public Procurement Act regarding the bidding process has been complied with.

I performed procedures, including the assessment of the risks of material non-compliance, to obtain audit evidence to discharge the above responsibilities.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Local Government Act

I have obtained all information and explanations which to the best of my knowledge and belief were necessary for the purpose of my audit.

Based on my examination of the accounts of the Municipal Council of Beau Bassin-Rose Hill, nothing has come to my attention that indicates:

- (a) any loss or deficiency which is wholly or partly due to the negligence or misconduct of any person;
- (b) that any sum which ought to have been brought to account, has not been so brought due to wilful default or negligence; and
- (c) any failure to recover any rate, fee or other charge.

Public Procurement Act

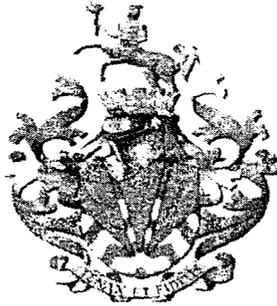

In my opinion, the provisions of Part V of the Act have been complied with as far as it appears from my examination of the relevant records.

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

4.1 Revenue Recognition (Exchange & Non Exchange Transactions)

Revenue Recognition has been dealt under IPSAS 9 – Revenue from Exchange Transactions and under IPSAS 23 Revenue from Non Exchange Transactions.

Revenue is recognised when it is probable that future economic benefits or service potential will flow to the Council.

Revenue has been measured at the fair value of the consideration received or receivable.

An exchange or exchange-like transaction is one in which each party receives and sacrifices something of approximate equal value. A non-exchange transaction is one in which one party receives value without directly giving value in exchange.

The Council derives a majority of its Revenue from Non-Exchange transactions including Government Grant both for Capital Expenditure and Revenue Expenditure and Property Tax.

4.2 Accounting for Government Grant

Recurrent grants received to finance operating expenses have been recognized in the Statement of Financial Performance of the year to which they relate.

4.3 Capital Grants

Capital Grants are resources provided to acquire or construct a capital asset. Capital Grants have been recognised fully as revenue during the financial year since there was no condition attached to them.

4.4 Donated Assets

Assets acquired through a non-exchange transaction has been measured at the fair value at the date of transfer and has been recognized in revenue. The main source of Donated Assets are from the National Development Unit (NDU).

4.5 Employee Leave entitlement

4.5.1 Bank of sick leave

Employee entitlements to bank sick leave as defined in the PRB report 2016 are recognized as and when they accrue to employees. An accrual is made for the estimated liability for bank sick leave.

4.5.2 Unutilized Vacation Leave

Employee entitlements to vacation leave as defined in the PRB report 2016 are recognized as and when they accrue to employees. An accrual is made for the estimated liability for unutilized vacation leave.

*Municipal Council of Beau Bassin Rose Hill
Financial Statements for year ended 30 June 2018*

4.6. Expenditure

All expenses have been accounted on accrual basis.

4.7. Financial Liabilities

Financial Liabilities are classified at their value through surplus or deficit or loans and borrowings, as appropriate and the classification is determined at the initial recognition date. They are recognized at fair value and in case of loans and borrowing, plus directly attributable transaction costs.

The Council's financial liabilities include borrowings, trade and other payables.

Financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires.

4.8. Provisions

Provisions are recognized when the Municipal Council has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligations and a reliable estimate can be made for the amount of the obligation. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the financial reporting date.

The Council does not recognize a contingent liability but disclose the details of any contingency in the notes to the Financial Statement unless the possibility of an outflow of resources is remote.

4.9. Retirement and other Benefits

The Municipal Council operates both a Defined Benefit Pension Plan and a Defined Contribution Pension Scheme.

4.9.1 Defined Benefits Pension Plan

Provision for retirement pension benefits has been made under the Statutory Bodies Pension Funds Act of 1978 as amended. The scheme is a Defined Benefit Pension Plan and its assets are managed by the State Insurance Company of Mauritius Ltd.

The cost of providing benefits is actuarially determined using the projected unit credit method, with actuarial valuations being carried out at the end of annual reporting. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected immediately in the Statement of Financial Position. Past service cost is recognized in the Statement of Financial Performance in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorized as follows:

- Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements)
- Net interest expense or revenue
- Remeasurement

The retirement benefit obligations recognized in the Statement of Financial Position represent the actual surplus or deficit in the Council's defined benefit plan. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refund from the plan or future reductions in contribution in the plan.

4.9.2 Defined Contribution Pension Scheme

A Defined Contribution Pension Scheme has been set up with effect from 1 January 2013 following amendment to

*Municipal Council of Beau Bassin Rose Hill
Financial Statements for year ended 30 June 2018*

the Statutory Bodies Pension Funds Act 1978. As from 1 January 2013, New Entrants in the Authority shall join the scheme and contribute 6% of their salaries and the council's contribution to the scheme is 12% of the salaries paid to New Entrants. These contributions are expensed in the Statement of Financial Performance in the period they relate.

4.9.3 Long Term Employees Benefits

Long term entitlement to Sick Leaves and Passage Benefits have been recognized as a non current liability in the Statement of Financial Position.

4.10 Long Term Benefit Obligations

Employees are allowed to accumulate sick leaves not taken at the end of each calendar year up to a maximum of 110 days, in a sick leave bank. The balance of bank sick leaves is valued at the end of the financial year and has been recognized under long Term Benefit Obligation. Beyond this ceiling of 110 days, officers are refunded part of the annual entitlement of sick leaves not taken at the end of every calendar year and a provision is made for payment of same under short term benefits obligations.

Vacation leave is a paid break from duty of longer duration for recreational, cultural or other personal reasons. The balance of vacation leaves is valued at the end of the financial year and is recognized under Long Term Benefit Obligations except for officer retiring within one year and the amount payable is provided for under short term benefit obligations.

5. Cash and Cash Equivalents

Cash and Cash equivalents comprise of cash at bank, cash in hand and short term deposits with Financial Institutions. Cash Equivalents are short term highly liquid investment that are readily convertible into known amounts and which are subject to insignificant risk in value.

PROPERTY, PLANT & EQUIPMENT (PPE)

All the local authorities have been given a period of three years to fully comply with IPSAS 33.

The Council carried out a revaluation on the Municipal Buildings, Vehicles and IT Equipment. In this respect depreciation has only been applied to these items. All the remaining items of PPE have been carried out at cost pending their revaluation.

10.1 Land

A token of Rs10/- has been disclosed per site in the Financial Statements pending the survey of the Municipal Lands.

10.2 Work in Progress

All building which have not been completed at end of financial year have been treated as work in progress under item of PPE.

10.3 Intangible Assets

Intangible Assets are carried at cost less accumulated amortization. The Council has not recognized any Intangible Assets in its Financial Statements

10.4 Derecognition

All assets that are no longer in use has been derecognized in the FAR.

10.5 Impairment

Assets have not tested for impairment in the year 2017/2018 being given that a recent survey and revaluation was carried out.

10.6 Depreciation

Deprecation is charged so as to write off the cost of the assets over their estimated useful life. Depreciation is applied fully in the year of acquisition and no depreciation is charged in year disposal.

Municipal Council of Beau Vallon Ross Hill
Financial Statements for year ended 30 June 2018

Depreciation is calculated on the straight line method to write off the cost of each asset to its residual value over its estimated useful life. The Council has only applied depreciation on revalued assets over their remaining useful life.

The following Depreciation rates have been applied as follows: -

	Rate Per Annum %
Buildings	2
Motor Vehicles	10
IT Equipment	25

10.7 Prior year audit adjustment

Prior year audit adjustment in respect of gas incinerator of Rs11.5M was made. This represents the reversal of the cost which was accounted twice in the financial year.

IPSAS 39 ADOPTION FOR YEAR ENDED 30 JUNE 2018

The plan is exposed to actuarial risks such as: investment risk, interest rate risk, mortality risk, longevity risk and salary risk. The risk relating to death in service benefits is re-insured.

The cost of providing the benefits is determined using the Projected Unit Method. The principal assumptions used for the purpose of the actuarial valuation were as follows:

	Year ended 30 June 2018
Discount rate	6.20%
Future salary increases	4.00%
Future pension increases	3.00%
Mortality before retirement	A 6770 Ultimate Tables
Mortality in retirement	PA (90) Tables rated down by 2years
Retirement age	As per Second Schedule of the Statutory Bodies Pension Funds Act

The discount rate is determined by reference to market yields on bonds.

Significant actuarial assumptions for determination of the defined benefit obligation are discount rate, expected salary increase and mortality. The sensitivity analyses below have been determined based reasonably on possible changes of the assumptions occurring at the end of the reporting period.

- If the discount rate would be 100 basis points (one percent) higher (lower), the defined benefit obligation would decrease by Rs 120.1M (increase by Rs 147.6M) if all other assumptions were held unchanged.

- If the expected salary growth would increase (decrease) by 1%, the defined benefit obligation would increase by Rs 58.3M (decrease by Rs 51.1M) if all assumptions were held unchanged.

- If life expectancy would increase (decrease) by one year, the defined benefit obligation would increase by Rs 30.7M (decrease by Rs 30.7M) if all assumptions were held unchanged.

In reality one might expect interrelationships between the assumptions, especially between discount rate and expected salary increases, given that both depends to a certain extent on expected inflation rates. The analysis above abstracts from these interdependences between the assumptions.
