## SCHEDULE

### Definitions

1. In these regulations, unless the context otherwise indicates, a word or expression defined in the Act has that meaning, and -

“conditional registration” means the conditional registration, under section 22(2)(a) of the Act, of a person as a chiropractor, and “registered conditionally” has a corresponding meaning;

“full registration” means the registration, under section 21(2)(a) of the Act, of a person as a chiropractor and does not include conditional registration as a chiropractor; and

“the Act” means the Allied Health Professions Act, 2004 (Act No. 7 of 2004).

### Prescribed additional examinations for chiropractors

2. (1) A person registered conditionally as a chiropractor under section 22(2) of the Act, before he or she becomes entitled to full registration as a chiropractor under section 21(2) of the Act, must pass, in addition to the other requirements prescribed by or under the Act, the additional examinations prescribed by subregulation (2).

(2) The prescribed additional examinations referred to in subsection (1)(b)(ii) of section 22 of the Act and in subregulation (1), are examinations in or relating to -

- (a) each of the following domains:
  - (i) Anatomy and Physiology;
  - (ii) Pathology and Diagnostics;
  - (iii) Clinical Competence; and
  - (iv) Chiropractic Technique;
- (b) the ethics relating to chiropractic; and
- (c) the provisions of the Act and the Regulations made under the Act, in so far as the Act and Regulations relate to chiropractors.

### Conducting of examinations

3. (1) Any of the examinations prescribed by regulation 2 -

- (a) must be conducted -
  - (i) by the Council; or
  - (ii) for and on behalf of the Council by a person or institution, whether in Namibia or elsewhere, recognised by the Council as competent to conduct examinations in the domains prescribed by regulation 2 and appointed by the Council for that purpose;
- (b) may be written, oral or practical examinations, or written, oral and practical examinations; and

- (c) must be taken by the applicant on the date and at the time and venue notified in writing to the applicant by the Council.
- (2) A notice by the Council under paragraph (c) of subregulation (1) must be sent -
- (a) by pre-paid registered post to the applicant, addressed to his or her postal address as it appears on his or her application for registration; and
- (b) not less than 30 days and not more than 60 days before the date of the examinations prescribed by subregulation (1).

2010

**REGULATIONS RELATING TO MINIMUM REQUIREMENTS OF STUDY FOR  
REGISTRATION AS CHIROPRACTOR: ALLIED HEALTH PROFESSIONS ACT, 2004**

Under section 55 of the Allied Health Professions Act, 2004 (Act No. 7 of 2004), read with section 19(1) of that Act, and on the recommendation of the Allied Health Professions Council of Namibia, I have made the regulations set out in the Schedule.

**R.N. KAMWI**  
**MINISTER OF HEALTH AND SOCIAL SERVICES**

Windhoek, 26 May 2010

**SCHEDULE**

**Definitions**

**1.** In these regulations, unless the context otherwise indicates, a word or expression defined in the Act has that meaning, and -

“the Act” means the Allied Health Professions Act, 2004 (Act No. 7 of 2004).

**Minimum qualifications required for registration as chiropractor**

**2.** (1) Subject to compliance with the other requirements prescribed by or under the Act, a person who is the holder of any of the following qualifications may be registered by the Council as a chiropractor:

***Qualification***

***Educational Institution or  
Examining Authority  
and Country***

Masters Degree in Technology:  
Chiropractic

University of Johannesburg  
(Formerly Technikon  
Witwatersrand) South Africa

Masters Degree in Technology:  
Chiropractic

Durban University of  
Technology (Formerly  
Technikon Natal / Durban  
Institute of Technology) South Africa

Masters Diploma in Technology:  
Chiropractic  
(if obtained at the former Technikon Natal  
during the academic year of 1994 or 1995.)

Durban University of  
Technology (Formerly  
Technikon Natal) South Africa

(2) A person who is not the holder of a qualification prescribed by subregulation (1), but is the holder of -

- (a) a Masters Degree in Technology : Chiropractic; or
- (b) a Masters Diploma in Technology : Chiropractic,

obtained at an educational institution or examining authority, accredited to the Council on Chiropractic Education International, the global accreditation body of the World Federation of Chiropractic, with its Head Office at No. 1246 Yonge Street, Suite 203, Toronto, Canada M4T 1W5, after the full time study for a period of not less than five years, may be registered, subject to subregulation (3) and to compliance with the other requirements prescribed by or under the Act, as a chiropractor.

(3) A person referred to in subregulations (1) and (2) may be registered by the Council as a chiropractor if -

- (a) the educational institution or examining authority at which he or she obtained the qualification is approved by the Council;
- (b) the registration authority responsible for the registration of a person to practise as a chiropractor in the country in which that person obtained the qualification, recognises that qualification for the registration of a person to practise as a chiropractor in that country; and
- (c) that person complies with the other requirements for registration as a chiropractor prescribed by or under the Act.

### REGULATIONS RELATING TO SCOPE OF PRACTICE OF PHYSIOTHERAPIST: ALLIED HEALTH PROFESSIONS ACT, 2004

Under section 55 of the Allied Health Professions Act, 2004 (Act No. 7 of 2004), and on the recommendation of the Allied Health Professions Council of Namibia, I have made the regulations set out in the Schedule.

**R.N. KAMWI**  
**MINISTER OF HEALTH AND SOCIAL SERVICES**

Windhoek, 26 May 2010

#### SCHEDULE

#### **Definitions**

**1.** In these regulations, unless the context otherwise indicates, a word or expression defined in the Act has that meaning, and -

“dentist” means a person registered as such under the Medical and Dental Act, 2004 (Act No. 10 of 2004);

“medical practitioner” means a person registered as such under the Medical and Dental Act, 2004 (Act No. 10 of 2004);

“medicine” means the practising of medicine by a medical practitioner or a dentist; and

“the Act” means the Allied Health Professions Act, 2004 (Act No. 7 of 2004).

### **Scope of practice of physiotherapists**

2. (1) The acts especially pertaining to physiotherapists are the acts performed, at the request of a medical practitioner, as supplementary treatment, procedures, therapy, care, rehabilitation and services in the fields of -

- (a) orthopaedics, including the treatment of fractures, dislocations, ligamentous and soft tissue lesions, joint deformities and diseases, infections of bones (including those of the spine), amputations and complications relating thereto;
- (b) neurology and neurosurgery, including participation in intensive care and rehabilitation;
- (c) respiratory diseases and thoracic surgery, including inhalation therapy and participation in the intensive care of the patient;
- (d) cardio-vascular diseases and surgery;
- (e) obstetrics and gynaecology, including pre-operative and post-operative surgical, and antenatal and post-natal, conditions, pelvic infections and other gynaecological conditions;
- (f) intensive care, including coronary care, organ transplants, dialysis, respiratory failure, tetanus, extensive paralysis, unconsciousness, accident services (multiple injuries) and burns;
- (g) rehabilitation, including the restoring of a patient to his or her maximum potential both in work and sport, and the adaptation to permanent disabilities;
- (h) sports medicine, including prophylaxis and the treatment of all injuries and disabilities directly pertaining to sport;
- (i) paediatrics, including all related fields of medicine and surgery, consisting of cerebral palsy, care of children with minimal brain dysfunction, developmental abnormalities, and the prevention of orthopaedic and postural deformities;
- (j) geriatrics, including the care of the aged in all related fields of medicine and surgery, prophylaxis, rehabilitation and recreational activities;
- (k) treatment of physical ailments of psychiatric patients, relaxation therapy, maintaining or restoring of physical fitness, organising of medical games, sports and recreational activities;
- (l) other surgical fields, including general, plastic, urological, maxillo-facial, ophthalmological, ear, nose and throat, and other surgical fields that may require physiotherapy treatment and services;

- (m) other medical fields, including rheumatology, dermatology, ear, nose and throat, constitutional fields, Hansen's fields, cancer and any other medical fields that may require physiotherapy services; and
  - (n) community care, including prophylactic physiotherapy services, district and domiciliary services, day hospital organisations, rehabilitation centres, schools and industries.
- (2) When performing any of the acts in the fields prescribed by subregulation (1), a physiotherapist may -
- (a) apply the scientific use of movement techniques based upon physiological principles, supplemented when necessary by massage, manipulation, electrotherapy and other physical and supportive measures, including advice to, and the education of, the patient for the prevention and treatment of injury, disease and disorders, and the facilitation of normal physiological processes and functional activities, used to assist the rehabilitation and restoration of functions, including the achievement of personal independence;
  - (b) apply procedures in the fields covered by physiotherapy as a supplementary service to medicine, including -
    - (i) the physiotherapeutic examination of a patient according to his or her condition as diagnosed by a medical practitioner or dentist, including the continuous assessment of the patient's response to the physiotherapy treatment and his or her progress;
    - (ii) the assessment of -
      - (aa) joint range;
      - (bb) muscle power, strength, tone, endurance and co-ordination;
      - (cc) righting, balance and equilibrium reactions;
      - (dd) postural abnormalities and functional ability;
      - (ee) the need for rehabilitation and the degree of independence attained;
      - (ff) the level of sensory and motor development;
      - (gg) the circumference, length, volume, excursion and other relevant measurements of limbs;
      - (hh) the effect of pain on movement, rest and function; and
      - (ii) gait and other locomotor abnormalities;
    - (iii) physical fitness tests, cardiac (exercise) tolerance tests, respiratory excursion and exercise tolerance tests and measurements;
    - (iv) sensory tests, including stereognosis;
    - (v) perception tests, observation and palpitation; and

- (vi) inspection of X-rays and X-ray reports;
- (vii) the assessment of -
  - (aa) skin temperature and conditions;
  - (bb) the effects of soft tissue scars, adhesions and contractions on movement and functions;
  - (cc) nerve condition and innervative tests; and
  - (dd) reflex heating tests requirements for the use of artificial limbs, prostheses, aids, appliances, callipers, splints, supports, corsets and collars, and the need for the use of a wheelchair;
- (viii) any other special tests or methods of assessment by means of physiotherapy that may be required for the management of patients and for the submission of reports to the referring medical practitioner or dentist;
- (c) select treatment techniques and supportive devices according to the diagnosis of, and in consultation with, the referring medical practitioner or dentists, based on the results of the procedures applied as prescribed by paragraph (b), and in conjunction with other registered allied or complementary health practitioners involved in the treatment, management or rehabilitation of the patient, including -
  - (i) any of the procedures prescribed by these regulations; and
  - (ii) advice on the selection of a wheelchair and on the selection or manufacturing of permanent or temporary prosthesis, aids, appliances, splints, callipers, supports, collars, corsets, walking aids or any other physiotherapeutic device or method that may be required;
- (d) educate and advise the patient or those responsible for his or her care, according to the condition diagnosed by, and in consultation with, the referring medical practitioner or dentist, or other person involved in the treatment, management or rehabilitation of the patient, including -
  - (i) prophylactic physiotherapy;
  - (ii) prevention of joint, muscle and back strain;
  - (iii) the lifting and handling of patients and heavy objects;
  - (iv) prevention of the recurrence of mechanical disorders;
  - (v) functional activities, rest positions and working postures;
  - (vi) recreational and sports activities, and kinetic handling in industry;
  - (vii) education for childbirth;
  - (viii) the handling of a disabled person in a hospital, at home, at work, and during transportation, and recreational and sports activities;
  - (ix) the care and handling of the aged, children and infants;

- (x) the use of respirators;
  - (xi) postural drainage in hospital or at home;
  - (xii) the use of prescribed aids and appliances; and
  - (xiii) the physiotherapy field that may be required;
- (e) give and apply movement and exercise therapy, and the application of kinesiological and neuro-physiological principles of -
- (i) passive movements, including -
    - (aa) relaxed passive movements;
    - (bb) mobilisation techniques, including spinal and peripheral;
    - (cc) manipulation, including spinal and peripheral, without anaesthetic;
    - (dd) soft tissue stretching; and
    - (ee) traction, including spinal and peripheral;
  - (ii) active movements, including -
    - (aa) the facilitation of -
      - (ab) muscle contraction by the use of cold and sensory stimulation, both epicritic and pro-prioceptive, followed by activation;
      - (ac) basic and selective movement patterns and reflex mechanisms, including automatic righting, balance and equilibrium reactions in the development sequence;
      - (ad) the inhibition of abnormal sensory input, muscle tone, reflex mechanisms or associated reactions;
    - (bb) assisted exercises by means of manual, mechanical and hydrotherapy techniques;
    - (cc) free exercises, including exercises and activities, both subjective and objective, to obtain relaxation, increase joint range, re-educate muscle function, increase muscle power and endurance, correct posture and re-educate postural and gait mechanisms;
    - (dd) resisted exercises, including exercises by -
      - (ab) manual, mechanical and hydrotherapy techniques; and
      - (ac) power and endurance programmes;
    - (ee) the re-education or rehabilitation of functional activities, including -
      - (ab) basic movement patterns and gait, both assisted and unassisted; and

- (ac) transference, wheelchair activities and other motor activities required for daily living and sport;
  - (ff) the use of gymnasia, gymnastic therapeutic apparatus, specially constructed children's apparatus, toys and adapted training circuits;
  - (gg) sporting activities, including swimming, riding and wheelchair sports;
  - (hh) group activities, including ward classes, out-patient classes, prenatal and post-natal classes, and remedial games;
  - (ii) breathing exercises, including postural drainage, mobilising exercises for the thorax, inhalation therapy, including the use of intermittent positive pressure, suction and respiratory function tests;
  - (jj) the use of splints, supports and prostheses, including -
    - (ab) training in the use of splints, supports and prostheses for motor activities, including isolated contraction for the activation of powered splints; and
    - (ac) the adaptation of all the prescribed methods for all age groups, including infants, children, adolescents and the aged;
  - (f) use various massage techniques, including transverse frictions and connective tissue massage;
  - (g) apply electrotherapy, including -
    - (i) high frequency currents;
    - (ii) low frequency currents;
    - (iii) ultra sound; and
    - (iv) radiation, excluding X-rays and cosmic rays;
  - (h) apply heat and cold treatment;
  - (i) apply hydrotherapy;
  - (j) apply mechanical aids, including -
    - (i) splints and supports, including the manufacturing thereof;
    - (ii) braces, prostheses and other therapeutic and supportive devices; and
    - (iii) the selection of wheelchairs.

PART I  
PRELIMINARY

**Definitions**

1. In these regulations, unless the context otherwise indicates, a word or expression defined in the Act has that meaning, and -

“additional qualification” means an additional qualification referred to in section 32(1)(a) of the Act and prescribed by regulation 8;

“approved facility” means any private practice, hospital, clinic or other health facility in Namibia defined in section 1 of the Hospitals and Health Facilities Act, 1994 (Act No. 36 of 1994), approved by the Council for the purpose of the training of chiropractic interns, and “facility” has a corresponding meaning;

“certified” means certified as a true copy of the original by a commissioner of oaths appointed under section 5, or designated under section 6, of the Justices of the Peace and Commissioners of Oaths Act, 1963 (Act No. 16 of 1963); and

“chiropractic intern” means any person registered as such under these regulations for the purpose of qualifying as a chiropractor, and “intern” has a corresponding meaning; and

“the Act” means the Allied Health Professions Act, 2004 (Act No. 7 of 2004).

**Application for registration as chiropractor and submitting of particulars**

2. (1) An application for the registration of a person as a chiropractor submitted to the registrar in terms of subsection (1) of section 20 of the Act must be accompanied, in addition to the documents and particulars specified in subsection (2) of that section, by -

- (a) a certified copy of the identity document or passport of the applicant;
- (b) a certificate issued by the Council in such form as the Council may determine, certifying that the applicant has passed the evaluation referred to in section 21(3) of the Act, if applicable; and
- (c) subject to subregulation (2), the original certificate of registration to practise as a chiropractor in the country where the applicant obtained the qualification referred to in paragraph (a) of that subsection, issued by the relevant registration authority of that country.

(2) If the applicant is not registered with the registration authority referred to in subregulation (1)(c), he or she must submit to the registrar, together with his or her application for registration -

- (a) a certificate, issued by that registration authority, certifying that the qualification or qualifications of which the applicant is the holder, entitles him or her to registration as a chiropractor in the country where the applicant obtained the qualification or qualifications; or

- (b) if he or she had been so registered previously, a certificate issued by that registration authority, certifying that the applicant had been so registered previously, that his or her name had been removed from the register and the grounds for the removal.

(3) The Council may require the applicant to furnish, in the manner that the Council may determine, proof of the applicant's proficiency in the English language.

#### **Additional education, tuition and training**

3. (1) If the Council registers a person conditionally under section 22(2)(a) of the Act, the Council must determine whether the person so conditionally registered requires any additional education, tuition or training to qualify for registration as a chiropractor under the Act.

(2) Particulars of the additional education, tuition or training, as the case may be, referred to in subregulation (1) must be endorsed by the Council upon the certificate of conditional registration issued by the Council in the name of that person under section 22(2)(b) of the Act.

### **PART III CHIROPRACTIC INTERNS**

#### **Registration and training of chiropractic intern before registration as chiropractor**

4. (1) A person who holds a minimum qualification, prescribed pursuant to section 18(1) of the Act for registration as a chiropractor, must complete, after obtaining that qualification and before he or she is entitled to registration, internship as a chiropractic intern at an approved facility for a period of 12 months during which period of time the intern must successfully complete practical training, to the degree and extent that the Council may determine, and to the satisfaction of the Council, in the disciplines specified in Annexure A.

(2) An application for registration as an intern must be made in such form as the Council may determine, and the duly completed form must be submitted to the registrar.

(3) An application referred to in subregulation (2) must be accompanied by -

- (a) a certificate, or a certified copy thereof, to the satisfaction of the Council, as proof that the applicant holds a prescribed qualification referred to in subregulation (1);
- (b) a certificate of good standing, if the applicant had been registered previously in a country other than Namibia as a chiropractor or as an intern, or is still so registered, from the registration authority with which the applicant had been so registered or is still so registered, which certificate must have been issued not more than 120 days before the date of the submission of the application for registration to the registrar in accordance with subregulation (2);
- (c) a certified copy of the identity document or of the passport of the applicant;
- (d) such additional documents and information as the Council may determine;
- (e) a certified copy of the contract of internship training entered into by and between the applicant and an approved facility; and
- (f) payment of the application fees, determined by the Council, relating to the registration of an intern, or proof of the payment thereof.

(4) If the applicant referred to in subregulation (1) is not registered with the registration authority referred to in paragraph (b) of subregulation (3), he or she must submit to the registrar, together with his or her application for registration -

- (a) a certificate, issued by that registration authority, certifying that the qualification or qualifications of which the applicant is the holder, entitles him or her to registration as a chiropractor in that country; or
- (b) if he or she had been so registered previously, a certificate issued by that registration authority, certifying that the applicant had been so registered previously, that his or her name had been removed from the register and the grounds for such removal.

(5) The Council may require the applicant to furnish proof, in such manner as the Council may determine, of the applicant's proficiency in the English language.

(6) If an application is submitted to the registrar in accordance with this regulation, the registrar must submit the application to the Council for its decision.

(7) The Council, after having considered the application for registration as an intern -

(a) may grant the application if the Council is satisfied that the applicant -

- (i) meets the requirements relating to the registration of an intern;
- (ii) has complied with subregulation (3); and
- (iii) is proficient in the English language;

(b) must refuse the application if the Council is satisfied that the applicant -

- (i) does not meet the requirements relating to the registration of an intern; or
- (ii) has not complied with subregulation (3); or
- (iii) is not proficient in the English language.

(8) The Council must -

(a) inform the applicant in writing of the decision of the Council under subregulation (7);

(b) issue to the applicant a certificate of registration as an intern, if the application for registration as an intern is granted, in such form as the Council may determine, and enter the name of the applicant into the register;

(c) inform the applicant in writing, if the application for registration as an intern is refused, as soon as practicable of the reasons for the refusal.

(9) Despite subregulation (1), the Council may exempt, on such conditions as it may determine, a person from the requirements of registration and training as an intern in accordance with these regulations, or may reduce the prescribed period of training as an intern by such period of time as the Council may determine, if the applicant for registration as an intern submits documentary proof to the satisfaction of the Council that he or she has -

- (a) completed, at a training facility in another country and in accordance with the laws of that country pertaining to chiropractors or to chiropractic interns, training substantially equivalent to the applicable training prescribed by subregulation (1); or
- (b) practised in another country, in accordance with the laws of that country, as a chiropractor for the period of time and under the circumstances as may afford him or her experience and training substantially equivalent to the applicable training prescribed by subregulation (1).

**Period and manner of training by chiropractic intern, agreement of internship and approval of facility for purposes of internship**

5. (1) A chiropractic intern must complete, in the manner prescribed by these regulations, internship training for a period of not less than 12 months.

(2) If the internship training prescribed by subregulation (1) is interrupted at any point in time, that training must consist of periods which, when added together, are not less than 12 months in aggregate.

(3) Any leave or sick leave taken, or any other absence from the approved facility, during the period of internship prescribed by this regulation, or any other interruption in the internship, must be added on to the period of internship so that a chiropractic intern completes not less than 12 months internship.

(4) The training of a chiropractic intern in accordance with these regulations must be conducted at an approved facility or approved facilities as the Council may determine.

(5) The period of 12 months chiropractic internship prescribed by subregulation (1) must be completed within a period of 24 months after the date of the first registration of the chiropractic intern.

(6) If a chiropractic intern fails to comply with subregulation (5), his or her registration as a chiropractic intern must be regarded to be cancelled, subject to subregulation (7), as from the date upon which the period of 24 months prescribed by subregulation (5), is exceeded.

(7) The Council may extend in writing, on good cause shown, the period of 24 months prescribed by subregulation (5), within which the chiropractic internship must be completed.

(8) Before any person may commence with his or her chiropractic internship at an approved facility, he or she must -

- (a) register with the Council as a chiropractic intern in accordance with the Act and regulation 4;
- (b) enter into a written agreement of internship with the approved facility at which he or she must complete the internship, in the form and containing the conditions and particulars that the Council may determine; and
- (c) obtain from the Council a written approval of the agreement of internship entered into pursuant to paragraph (b).

(9) The Council may specify in writing, when approving a facility for the training of chiropractic interns, that only a specified portion of the training of a chiropractic intern must be undertaken at that facility, and that the remainder of the training must be undertaken at another approved facility or approved facilities so specified.

(10) If at any time during the period of internship of a chiropractic intern, the Council considers any training provided by the approved facility to be inadequate or unsatisfactory for any reason, the Council may withdraw its approval of the written agreement of internship referred to in subregulation (8)(c) by means of a written notice to both the approved facility and the chiropractic intern, after having afforded both the approved facility and the chiropractic intern the opportunity to be heard.

(11) Unless the Council otherwise determines, on good cause shown, any period of internship completed by a chiropractic intern under an agreement of internship cancelled under subregulation (6), or in respect of which the Council has withdrawn its approval under subregulation (10) of this regulation, or terminated in terms of regulation 6, is null and void.

(12) A chiropractic intern is subject, during his or her term of internship, to all the rules of professional conduct applicable to a chiropractor.

(13) The criteria pertaining to chiropractic internship training are specified in the Annexure to these regulations.

(14) The Council may approve, subject to the other provisions of these regulations, a facility for the purpose of the training of chiropractic interns in accordance with these regulations.

(15) An application for the approval of a facility by the Council under subregulation (14) must be -

- (a) made in the form and manner, must be accompanied by the documents and particulars, and must comply with the conditions, including the payment of the application fees, that the Council may determine; and
- (b) submitted to the Registrar.

(16) Before the Council approves any person or facility under, and for the purposes of, this regulation, the Council may conduct an inspection, in accordance with section 51 of the Act and payment of the inspection fees that the Council may determine, of the facility where the chiropractic intern must be trained.

(17) When the Council approves, under subregulation (14), a facility as an approved facility for the purposes of the training of a chiropractic intern, the Council must issue, in the name of that facility, a Certificate of Approval in the form, and specifying the particulars, that the Council may determine.

(18) An approval under subregulation (14) is subject to the conditions, and is valid for the period of time, that the Council may determine and specify in the Certificate of Approval issued under subregulation (17).

#### **Commencement or termination of internship, or change of name**

6. (1) An intern must notify -
  - (a) as soon as he or she commences internship, the Council in writing of the commencement and furnish the Council with the name and business address, including the telephone number and such other particulars as the Council may require, of the approved facility where he or she has commenced internship;
  - (b) if he or she terminates his or her internship with the approved facility referred to in paragraph (a), the Council in writing of the termination within a period of 30 days thereof;

- (c) if he or she intends to terminate his or her internship with the approved facility referred to in paragraph (a) and to commence internship with any other approved facility, the Council in writing of the intended termination of internship not less than 30 days before the date of the intended termination and apply to the Council, in such form as the Council may determine, for approval of the new contract of internship entered into between himself or herself and the other approved facility.
- (2) If the name or surname of an intern is changed for any reason, he or she must -
- (a) give written notice to the Council of the change of name, and submit documentary proof thereof, to the satisfaction of the Council, within a period of 30 days after the occurrence thereof; and
- (b) provide the Council, in writing, with such other particulars relating to the change of name or surname as the Council may require.

### **Completion of internship**

7. (1) Upon completion of the internship undertaken by a chiropractic intern in accordance with these regulations, the intern must submit to the Council proof of the completion, by means of a certificate or certificates, to the satisfaction of the Council, by the approved facility or approved facilities, as the case may be, where he or she completed the internship.

(2) The certificate prescribed by subregulation (1) must be in the form, and contain the particulars, that the Council may determine.

(3) The Council must not register any person as a chiropractor unless he or she has submitted to the Council the certificate prescribed by subregulation (1).

## PART IV REGISTRATION OF ADDITIONAL QUALIFICATIONS

### **Registrable additional qualifications**

8. The following qualifications may be registered as additional qualifications under section 32 of the Act :

<i>Qualification</i>	<i>Educational Institution or Examining Authority and Country</i>
Fellowship in Clinical Sciences	Canadian Memorial College of Chiropractic, Canada
Fellowship in Sports Sciences	Canadian Memorial College of Chiropractic, Canada
Fellowship in Radiology	Canadian Memorial College of Chiropractic, Canada
International Chiropractic Sports Science Diploma: Chiropractic (ICSSD, CCSP, DACBSP, FCCSS)	International Federation of Sport, Toronto, Canada
Diploma in Sports Chiropractic	Murdoch University, Perth, Australia
Graduate Diploma in Clinical Nutrition	International Academy of Nutrition, Sydney, Australia

**Requirements for registration of an additional qualification**

9. An application in accordance with subsections (2) and (3) of section 32 of the Act for the registration of an additional qualification must be accompanied, in addition to the documents and particulars specified in subsection (3) of that section, by -

- (a) a certified copy of the identity document or passport of the applicant; and
- (b) documentary proof that the registration authority of the country responsible for the registration of a person to practise as a chiropractor in the country in which the applicant obtained that additional qualification, recognises that qualification as a qualification that may be registered as an additional qualification by a chiropractor registered in that country.

**PART V****REGISTERS AND RESTORATION OF NAME TO REGISTER****Register of chiropractors**

10. The register of chiropractors established and kept in accordance with subsection (2) of section 24 of the Act, must contain, in addition to the particulars specified by subsection (3) of that section, particulars of the additional qualifications entered against the name of the chiropractor concerned in accordance with subsection (4) of section 32 of the Act, including any change in any of the particulars recorded in the register.

**Register of chiropractic interns**

11. The register of chiropractic interns established and kept in accordance with subsection (2)(c) of section 24 of the Act must contain, in addition to the particulars specified by subsection (3) of that section, particulars of the approved facility or facilities where the chiropractic intern is completing his or her internship, the date upon which he or she commenced with the internship and the date upon which it must be completed, including any change in any of the particulars recorded in the register.

**Restoration of name to register**

12. An application in terms of section 26(1) of the Act for the restoration of the name of a person to a register must be accompanied, in addition to the documents and particulars specified in subsection (2) of that section, by -

- (a) a certified copy of the identity document or passport of the applicant; and
- (b) the original registration certificate issued to the applicant under section 21(4)(b) of the Act, or a certified copy thereof.

**PART VI  
GENERAL****Language of forms and documents**

13. (1) Any form or document required to be submitted to the Council or to the registrar in terms of these regulations must, subject to subregulation (2), be in the English language.

(2) Any form or document referred to in subregulation (1) that is not in the English language must be accompanied by a sworn translation thereof into that language, acceptable to the Council.
