Government Notice No. 1553

NIGERIA COCOA MARKETING BOARD—1954-55 COCOA MARKETING SCHEME: WESTERN REGION

MINIMUM BUYING STATION PRICES

It is notified for general information that the Nigeria Cocoa Marketing Board, by virtue of its powers under section 17 (a) of the Nigeria Cocoa Marketing Board Ordinance (No. 33 of 1947) and in consultation with the Shadow Western Region Marketing Board, has fixed the prices set out in columns II and III of the schedule attached hereto as the minimum prices payable for cocoa during the 1954-55 season at gazetted buying stations in the Western Region specified in column I.

2. The minimum buying station prices are based on the naked ex-scale port of shipment prices for the 1954-55 cocoa season (published under Government Notice No. 1483 in the *Nigeria Gazette* No. 46 of 26th August, 1954) less the transport differentials by the approved evacuation routes.

3. The middlemen's allowance will be included in the block buying allowance paid to the Board's licensed buying agents and will be as follows:—

Labour Costs	£	s	d
Commission	1	2	0
	2	0	0
	3	2	0

PRODUCE SALES TAX

4. Under the provisions of the Sale of Produce (Taxation) (Western Region) Order in Council, 1953, made under the Sale of Produce (Taxation) Ordinance, 1953, all sales of cocoa made in the Western Region to the licensed buying agents of the Nigeria Cocoa Marketing Board became subject to Produce Sales Tax of £4 per ton as from the 25th September, 1953.

5. For purposes of collection of this tax, for which under the Sale of Produce (Taxation) Ordinance, 1953 the Marketing Board is accountable to the Financial Secretary of the Western Region for all sales of cocoa made to it or to its licensed buying agents in the Region, the following arrangements are prescribed.

6. The prices payable by the licensed buying agents of the Marketing Board for cocoa in the Western Region will take into account the incidence of Produce Sales Tax and will accordingly be at the rates set out in columns IV and V of the schedule hereto (being the minimum buying station price fixed by the Marketing Board abated by the amount of Produce Sales Tax).

7. The grades of cocoa referred to in the Schedule hereto are defined in Government Notice No. 523 published in the *Nigeria Gazette* No. 21 of 19th April, 1951.
