FOREIGN DECORATIONS

It is notified for general information that Her Majesty the Queen has approved the following revised Regulations regarding Foreign Orders, Decorations and Medals applicable to persons (A) in the service of the Crown and (B) not in the service of the Crown :—

A

REGULATIONS CONCERNING THE ACCEPTANCE AND WEARING OF FOREIGN ORDERS, DECORATIONS AND MEDALS BY PERSONS IN THE SERVICE OF THE CROWN

ORDERS

1. No person in the service of the Crown may accept and wear the insignia of any foreign Order without Her Majesty's permission.

2. Such permission, if granted, will be either—

(a) unrestricted, conveyed by Warrant under the Royal Sign Manual and allowing the insignia to be worn on any occasion ; or

(b) restricted, conveyed by letter from Her Majesty's Private Secretary and allowing the insignia to be worn only on the particular occasions therein specified.

3. Full and unrestricted permission by Royal Warrant is contemplated in the case of Orders conferred—

(a) for distinguished services in saving or attempting to save life ;

(b) on any officer in the Royal Navy, Army or Royal Air Force, or any British official, in recognition of services while lent to a foreign Government, if not in receipt of any emoluments from British public funds during the period of such loan.

4. Restricted permission is particularly contemplated in the case of Orders conferred in recognition of personal attention to a foreign Sovereign, the Head of a foreign State, or a member of a foreign Royal Family, on the occasion of State or official visits by such personages.

5. Restricted permission will also be given for the wearing of insignia of foreign Orders conferred—

(1) on members of Her Majesty's Missions abroad in connexion with a State visit by Her Majesty to the foreign capital concerned ;

(2) on members of deputations of British regiments to foreign Heads of States ;

(3) on members of Special Missions when The Queen is represented at a foreign Coronation, Wedding, Funeral, or similar occasion ; or on any Diplomatic Representative when specially accredited to represent Her Majesty on such occasions (but not on the members of his Staff).

Permission will *not* be given to—

(a) the Heads or other members of Her Majesty's Diplomatic or Consular establishments abroad when leaving, whether on transfer or on final retirement ;

(b) officers of British naval, military or air squadrons or units visiting foreign countries, except as provided at (2) above.

6. Applications for The Queen's permission, whether full or restricted, will be submitted to Her Majesty by Her Principal Secretary of State for Foreign Affairs, who however shall be under no obligation to consider them unless, before the bestowal of the Order, the Government of the foreign country concerned has ascertained, either through the British Diplomatic Representative there or through its Diplomatic Representative at Her Majesty's Court, that having regard to these Regulations the award would not give rise to any objection.

In no case can applications be considered in respect of Orders conferred more than five years previously, or offered in connexion with events so long prior to the proposal to award them.

7. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have sought and obtained Her permission for a British subject to wear the insignia of a foreign Order without restriction, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, or to Her Majesty's Principal Secretary of State for Scotland if appropriate in the circumstances of the case, in order that he may cause a Warrant, as contemplated in Rule 2, to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by Her Majesty, a notification of the grant of permission shall be published in the London Gazette, or in the Edinburgh Gazette as the case may be.

8. The Warrant conveying Her Majesty's permission may, at the request and expense of the recipient, be registered in the College of Arms if it has been submitted to Her Majesty by Her Principal Secretary of State for the Home Department, or in the Court of the Lyon King of Arms if it has been submitted to Her Majesty by Her Principal Secretary of State for Scotland.

Every such Warrant shall contain a clause providing that Her Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence or privilege appertaining to the degree of Knight Bachelor.

9. Permission will not be granted for the wearing of the insignia of foreign Orders conferred otherwise than by the Heads or Governments of foreign States recognised by Her Majesty as such.

MEDALS

10. Medals, with the exceptions specified below, and State decorations not indicating membership of an Order of Chivalry, are subject to the Regulations in the same manner as Orders, but permission, if granted, is given by letter or certificate, and not by Royal Warrant.

11. Medals for saving or attempting to save life at sea or on land, whether conferred on behalf of the Head or Government of a foreign State or by private Life-Saving Societies or Institutions, may be accepted and worn, subject only to the restrictions imposed by the regulations for the Services concerned.

Applications for Her Majesty's permission to wear other medals conferred by Private Societies or Institutions cannot be entertained.

12. Applications for permission to wear foreign medals gained in warlike operations will not be entertained if the grant of such permission would be at variance with considerations of general policy or public interest.

GENERAL

13. The wives of persons in the service of the Crown are regarded for the purposes of these Regulations as sharing the disabilities of their husbands concerning the acceptance of foreign awards.

14. Persons employed in the commissioned or salaried service of the Crown on a temporary basis are subject to these Regulations in the same way as those employed on a permanent and pensionable basis.

15. Members of the various police and constabulary forces maintained in the United Kingdom and Dependent Territories are uniformly regarded as subject to these Regulations, with the exception however of British Transport Commission Police and Dock and Harbour Police Forces established under private Statutes.

16. Persons who have retired from the service of the Crown remain subject to these Regulations in so far as concerns the acceptance of foreign Orders, decorations or medals offered in respect of services rendered before their retirement.

17. The Regulations shall be regarded as applying, in the same way as to British subjects, to British-protected persons who are such by virtue of their connexion with a Protectorate or Trust Territory administered under the supervision of Her Majesty's Principal Secretary of State for the Colonies or Her Majesty's Principal Secretary of State for Commonwealth Relations; they may also be regarded as applying in the same manner to British-protected persons who are such by virtue of their connexion with a Protected State administered under the supervision of either of the said Principal Secretaries of State, but Orders, decorations and medals conferred upon such British-protected persons by their Rulers are not regarded as falling within the scope of these Regulations.

Foreign Office, August 1954.

B

REGULATIONS CONCERNING THE ACCEPTANCE AND WEARING OF FOREIGN ORDERS, DECORATIONS AND MEDALS BY PERSONS NOT IN THE SERVICE OF THE CROWN

ORDERS

1. It is The Queen's wish that Her subjects should not accept and wear the insignia of any foreign Order without Her Majesty's permission.

2. Such permission, if granted, will be either—

(a) unrestricted, conveyed by Warrant under the Royal Sign-Manual and allowing the insignia to be worn on any occasion, or

(b) restricted, conveyed by letter from Her Majesty's Private Secretary and allowing the insignia to be worn only on the particular occasions therein specified.

3. Full and unrestricted permission by Warrant under the Royal Sign-Manual will only be given in the case of Orders earned by services in the salaried employment of the foreign Government concerned, by honorary consular services of not less than three years' duration, or by distinguished services in saving or attempting to save life.

When permission is given in other cases it will be restricted only.

4. Neither full nor restricted permission will be given—

(a) when considerations of general policy or public interest must be held to preclude the grant of either;

(b) in respect of Orders relating to services wholly rendered more than five years before the question of eligibility for permission is raised;

(c) unless authoritative evidence of the award is forthcoming, preferably in the form of a notification through one of the channels prescribed in Rule 5.

5. Applications for The Queen's permission, whether full or restricted, will be submitted to Her Majesty by Her Principal Secretary of State for Foreign Affairs, who however shall be under no obligation to consider them unless, before the bestowal of the Order, the Government of the foreign country concerned has ascertained, through the British Diplomatic Representative there or through its Diplomatic Representative at Her Majesty's Court, that having regard to these Regulations the award would not give rise to any objection.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have sought and obtained Her permission for a British subject to wear the insignia of a foreign Order without restriction, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, or to Her Majesty's Principal Secretary of State for Scotland if appropriate in the circumstances of the case, in order that he may cause a Warrant, as contemplated in Rule 2, to be prepared for the Royal Sign-Manual.

When such Warrant shall have been signed by Her Majesty, a notification of the grant of permission shall be published in the London Gazette, or in the Edinburgh Gazette as the case may be.

7. The Warrant conveying Her Majesty's permission may, at the request and expense of the recipient, be registered in the College of Arms if it has been submitted to Her Majesty by Her Principal Secretary of State for the Home Department, or in the Court of the Lyon King of Arms if it has been submitted to Her Majesty by Her Principal Secretary of State for Scotland.

Every such Warrant shall contain a clause providing that Her Majesty's licence and permission does not authorise the assumption of any style, appellation rank, precedence or privilege appertaining to the degree of Knight Bachelor.

8. Permission will not be granted for the wearing of the insignia of foreign Orders conferred otherwise than by the Heads or Governments of foreign States recognised by Her Majesty as such.

MEDALS

9. Medals, with the exceptions specified below, and State decorations not indicating membership of an Order of Chivalry, are subject to the Regulations in the same manner as Orders, but permission, if granted, is given by letter or certificate and not by Royal Warrant.

No permission is needed for the acceptance of a foreign medal if it is not designed to be worn.

Government Notice No. 2019

**DIRECTIONS TO THE ADMINISTRATOR OF ROUMANIAN
PROPERTY IN NIGERIA GIVEN PURSUANT TO
ARTICLE 1 (7) OF THE TREATY OF PEACE
(ROUMANIA) ORDER, 1948**

Whereas at Paris on the 10th day of February, 1947, a Treaty of Peace with Roumania (hereinafter called "the Treaty") was signed on behalf of His late Majesty;

And whereas by section 1 of the Treaties of Peace (Italy, Roumania, Bulgaria, Hungary and Finland) Act, 1947, it was provided that His late Majesty might make such appointments, establish such offices, make such Orders in Council, and do such things as should appear to him to be necessary for carrying out the Treaty and for giving effect to any provisions of the Treaty;

And whereas by Article 1 of the Treaty of Peace (Roumania) Order, 1948 (hereinafter referred to as "the Peace Treaty Order") made in pursuance of the said section 1 it was provided

(1) That all property, rights and interests as therein specified and defined should be charged with the amounts due at the date when the Treaty came into force in respect of claims by His late Majesty (otherwise than in the right of His Government in the Dominions) and by British nationals (other than British nationals ordinarily resident in any of the Dominions) against the Government of Roumania or Roumanian nationals including debts due to His late Majesty or them by the Government of Roumania or Roumanian nationals, other than claims fully satisfied under any Article of the Treaty other than Article 27;

(2) That the Board of Trade may, for the purpose of making effective and enforcing such charge as aforesaid, appoint an Administrator to act under the general direction of the Board, and may by order vest in such Administrator any property, rights or interests subject to the said charge;

And whereas it is provided by paragraph (7) of Article 1 of the Peace Treaty Order that the said Administrator should retain out of the property, rights or interests, or the proceeds thereof, vested in or collected or received by him under the said Order, such sum as, subject to the consent of the Treasury, he may consider necessary to cover expenses and the amount for which he may be liable in respect of any proceedings or claims, and subject thereto should hold and deal with the said property, rights or interests, and the proceeds thereof and the sums received by him in such manner as the Treasury may direct;

And whereas by paragraphs (1) and (3) of Article 7 of the Peace Treaty Order it was provided that the Order should apply to the whole of His late Majesty's dominions and Protected Territories except the Dominions, and that in such application any reference to "Board of Trade" or "Treasury", "property, rights or interests" and "Administrator" should be construed respectively as a reference to the Governor or Officer Administering the Government of the territory in question, the property, rights or interests within that territory, and the Administrator appointed for that territory;

And whereas on the 23rd of September, 1954, the Governor in pursuance of the Peace Treaty Order appointed an Administrator of Roumanian Property in Nigeria who is hereinafter referred to as "the Administrator";

Now, therefore, the Governor-General in pursuance of paragraph (7) of Article 1 of the Peace Treaty Order, hereby gives the following directions;

(4) where the sum, or any part thereof, first became due and payable after the 15th February, 1941, the value in sterling of that sum, or such part thereof as aforesaid, shall be determined at the rate of exchange obtaining on the 14th August, 1947.

For the purposes of this Clause the rate of exchange between a foreign currency and sterling on any date shall be taken to be the middle official rate of exchange fixed by the Bank of England on the date or if there was no such rate on that date the rate

10. The amount to be paid by the Administrator to a person who has established to the Administrator's satisfaction a claim to which these Directions apply, shall, so far as practicable, bear to the amount of the distributable balance the like proportion which the amount of that claim ranking for payment bears to the total of the amounts ranking for payment of all claims established pursuant to these Directions.

11. The Administrator may from time to time as sums become available for distribution make an interim distribution therefrom to the persons or any of them who at the date of such distribution had established claims to which these Directions apply.

12. When it appears to the Administrator that the residue of the distributable balance will not produce a dividend which can reasonably and conveniently be distributed to all persons whose claims have been established he shall consult the Governor-General and shall dispose of such residue as the Governor-General shall direct.

13. The Administrator shall require applications in respect of claims to which these Directions apply to be submitted in such forms as may be prescribed by the Governor-General and within such times as shall be prescribed by the Governor-General and shall dismiss any application which is not made in the prescribed form or within the prescribed time.
