Government Notice No. 2224

AWARD OF SOUTHERN CAMEROONS GOVERNMENT SCHOLARSHIPS AND BURSARIES, 1955-56

The Southern Cameroons Government proposes to offer (subject to the provision of necessary funds by the Southern Cameroons Legislature) bursaries and scholarships to become available in the years 1955 and 1956. The awards will be tenable at the University College, Ibadan, and, in certain instances at the Nigerian College of Arts, Science and Technology, for courses beginning in October 1955. Scholarships will also be tenable at Colleges and Institutions in the United Kingdom for courses beginning in 1956.

2. The courses for which awards will be made will include :—

(i) Professional Courses (e.g., Agricultural, Engineering, Forestry, Medical and Veterinary degrees).

(ii) (a) General Degree courses and (b) Education, including Teacher Training Courses.

It is also proposed to make awards to suitable candidates to enable them to obtain qualifications overseas for nursing, domestic science, physical training and certain other specialist appointments. Scholarship and bursary awards are primarily intended to equip Cameroonians with the professional qualifications necessary for Senior posts in the Public Service.

3. Candidates eligible for these scholarships may be of either sex, but must be :—

(i) Natives of the Southern Cameroons.

(ii) Children of natives of the Southern Cameroons.

(iii) Children of French Cameroons descent, whose parents or guardians have been resident in the Southern Cameroons throughout the child's primary and secondary education, and provided the candidate in question has had his or her primary education in the Southern Cameroons and secondary education either in the Southern Cameroons and secondary education either in the Southern Cameroons or in Nigeria. Candidates, for scholarships to undertake degree and professional and educational courses will be expected to have completed a full Secondary School Course or a recognised Teachers' Training Course, and must possess the minimum educational qualifications

required by the Institutions at which the course will be taken. In all cases awards will only be made if candidates of suitable character and educational attainments are forthcoming and they will also be dependent on the acceptance of the successful candidates by an appropriate College or Institution. A Medical Examination which will include an X-Ray examination of the chest will also be necessary.

4. The majority of awards will be for courses now available at the University College, Ibadan. Intending candidates should acquaint themselves with the conditions for entry to the University College. All candidates for these awards must therefore apply independently to sit for the examination in accordance with the procedure prescribed by the College Authorities and will not be eligible for the award of a bursary unless they have been accepted for entry into the University College, after taking the entrance examination. Candidates who apply to take general or honours degree courses in subjects not at present available at the University College, Ibadan, should clearly understand that they are unlikely to be successful unless there are the strongest possible grounds for their pursuing their selected course of study.

5. All awards will be made by the Commissioner of the Cameroons, on the recommendation of the Southern Cameroons Scholarship Board.

6. All applications for scholarships, or bursaries must be completed in duplicate, on the prescribed form (which can be obtained from District Officers in the Southern Cameroons) and forwarded to the Commissioner of the Cameroons, Buea, in the case of Government Servants through the Heads of Departments, so as to reach him not later than the 31st of January, 1955. The envelope should be marked in block capitals "SCHOLARSHIP SELECTION 1955" in the top left hand corner.

7. Failure to comply with any of these instructions may result in the rejection of a candidate's application.

NORTHERN REGIONAL MARKETING BOARD
1955 PALM KERNELS MARKETING SCHEME
MINIMUM PRODUCER PRICES AND
MARKETING ARRANGEMENTS

It is notified for general information that the Northern Regional Marketing Board by virtue of its powers under section 19 of the Northern Regional Marketing Board Law, 1954 has, in consultation with its Representative Committee fixed the 1955 basic producer price for palm kernels at £31 per ton naked ex-scale at port of shipment.

2. *Opening Date of 1955 Marketing Year.*—The Nigeria Oil Palm Produce Marketing Board's 1954 Marketing Scheme for Palm Kernels will end at midnight on the 30th of December 1954 and the Northern Regional Marketing Board's 1955 Marketing Scheme for Palm Kernels will begin on the 31st of December, 1954.

3. *Minimum Buying Station Prices.*—The minimum buying station prices are based, as in previous years, on the naked ex-scale port of shipment price less the appropriate cost of transport by the approved normal evacuation routes. These prices are set out in Column II of the Schedule attached hereto as the minimum prices payable for palm kernels during 1955 at the gazetted buying stations specified in Column I.

4. The amount of the middlemen's allowance under the 1955 Palm Kernels Marketing Scheme is £1-4s-9d per ton and, as in previous years, the middlemen's allowance has been taken into account in calculating the minimum prices payable for unbagged and ungraded palm kernels at FIRST SCHEDULE buying stations. At these stations a sum of £1-4s-9d will be paid for each ton of bagged, graded and sealed palm kernels in addition to the minimum prices payable for unbagged and ungraded palm kernels.

5. *Produce Sales Tax.*—Under the provisions of Produce Sales Tax legislation, all sales of palm kernels made in the Northern Region to licensed buying agents of the Northern Regional Marketing Board are subject to a Produce Sales Tax of £1 per ton.
