1. This Notice is issued to draw attention in convenient form to the law contained in the Exchange Control Ordinance, 1950, in so far as it concerns goods exported from Nigeria, and to the exchange control formalities to be observed by exporters in respect of such goods.

2. Section 23 of the Ordinance enables the Financial Secretary to make orders prescribing the manner in which payments shall be received for goods exported from Nigeria to any destination, and the Exchange Control (Payments) (No. 2) Order, 1954, has accordingly been made covering all goods exported to any destination outside the Scheduled Territories. The exporter of any such goods is required to show to the satisfaction of the Comptroller of Customs that payment has been made to a person resident in Nigeria in an approved manner, or will be so made within six months from the date of export or such other period as the Financial Secretary may direct, and that the payment made, or to be made, is such as to represent a return for the goods which is in all the circumstances satisfactory in the interest of Nigeria.

3. Exporters in any doubt as to whether a destination is outside the Scheduled Territories, or as to the appropriate method of payment, should consult their bankers. The Scheduled Territories are defined in the First Schedule to the Exchange Control Ordinance, 1950, and are as follows:—

The fully self-governing countries of the British Commonwealth except Canada;  
Any Colony under the dominion of Her Majesty;  
Any territory administered by the Government of any part of Her Majesty's dominions under the trusteeship system of the United Nations;  
Any British protectorate or British protected state;  
The Irish Republic;  
South West Africa;  
Iraq;  
Iceland;  
Burma;  
The Hashemite Kingdom of the Jordan;  
The United Kingdom of Libya.

## NORMAL PROCEDURE

4. *Documentation.*—Exporters of goods to countries outside the Scheduled Territories must complete a Form N.C.D. 3X in respect of goods over a value of £25 and not exceeding £250 f.o.b. and Form

13. *Trade samples and printed advertising matter.*—Forms N.C.D. 3 in respect of *bona fide* trade samples and printed advertising matter supplied without charge need not be submitted to the Nigerian Exchange Control, for prior endorsement. Instead, they may bear a statement that the goods are *bona fide* trade samples, or advertising matter, supplied without charge; a copy of the packing list or advice note should be attached to the Form N.C.D. 3 in the case of trade samples. If the circumstances are unusual in any way, however, the exporter is

advised, in order to avoid possible delay at the port, to forward the Form N.C.D. 3 to the Nigerian Exchange Control through his bank for approval prior to exportation.

14. *Extended Credits*.—Exporters who wish to give credit to the purchaser beyond six months from the date of export should forward to the Nigerian Exchange Control, through their own bank, a letter of explanation stating the extension required. Before any contract providing for extended credit terms is entered into, the approval of the Nigerian Exchange Control should be obtained. Any extension authorised must be endorsed by the Nigerian Exchange Control on the relative Form N.C.D. 3 before lodgment with the Customs at the time of shipment of the goods.

15. *Gift Parcels and Passengers' Baggage*.—Special conditions governing the export of gift parcels and of goods in passenger's baggage are laid down in Public Notice No. 4 of 1952 and Public Notice No. 5 of 1952 published in *Gazette* No. 3 of 1952.

#### WARNING

16. *Penalties*.—The attention of exporters and others concerned with the export of goods is drawn to the fact that heavy penalties attach to contraventions of the provisions of the Exchange Control Ordinance, 1950.

Copies of this Notice (which replaces that published as Government Notice No. 647 in *Gazette* No. 27 of the 8th of May, 1952) may be obtained free of charge from Banks, Customs Houses, the Department of Commerce and Industries and the Exchange Control Office Financial Secretary's Office, Lagos.

##### NOTICE TO BUILDING, CIVIL ENGINEERING AND ELECTRICAL ENGINEERING CONTRACTORS FEDERAL WORKS REGISTRATION BOARD

Building, Civil Engineering and Electrical Engineering Contractors are invited to take note of the following procedure which has the approval of the Council of Ministers.

1. Only contractors who are registered in the Federal Works Register of Contractors are eligible to be invited to tender for contracts for Federal Public Works to a value of more than £500.

2. Contractors who wish to be registered in the Federal Works Register of Contractors should complete a Pre-Qualification Form and submit it with their application to the Federal Works Registration Board, P.W.D. Headquarters, Lagos, together with their application for registration. Pre-Qualification Forms may be obtained, on application, from the Secretary of the Board. No fee is chargeable for the Form or for registration.

3. Contractors are requested to state in their applications the *Districts in which they are prepared to undertake work for the Federal Government*. This will facilitate the issuing of invitations to tender.

4. Contractors so registered will be classified into categories according to their capacity. The categories are :—

A. £501-£3,000	E. £20,001-£50,000
B. £3,001-£6,000	F. £50,001-£100,000
C. £6,001-£10,000	G. Over £100,000
D. £10,001-£20,000	

5. Contractors may be invited to tender for contracts the value of which is within their own category. They may also be invited to tender for contracts the value of which is within two categories below the category in which they are classified. For example, a contractor who is classified in category E may be invited to tender for contracts within the range £6,001 to £50,000. The Minister of Works, notwithstanding the foregoing, reserves the right, in exceptional circumstances, to invite contractors in the last three categories to tender for contracts in the first four categories of rule 4.

6. Contractors may apply for re-classification into a different category after the lapse of a period of twelve months from the date of their previous classification.

*Government Notice No. 1209*

### CLOSING OF ROADS

It is notified for general information that a new length of road has been constructed on the portion of route A3 between Miles 4 and 7 of the Jos-Bukuru Road. This obviates the use of that section of the road which used to pass over the Nigerian Railway Bridge, between the same mileages and which is now closed to all road traffic.
