No steps should be taken to establish any business, etc., until the consent of the Minister has been obtained. Such permission when granted will state the number of non-citizens of Nigeria who may be employed, and the number of non-citizens so permitted is known as the expatriate quota of the firm.

5. Where any company or business wishes to increase its expatriate quota application must be made on Immigration Forms T.2 in the same manner as outlined in paragraph 4.

6. Where a company or business wishes to employ expatriate staff over and above the allotted quota for temporary work such as the erection of a factory or installation of machinery, etc., where the work cannot be carried out within the existing quota a temporary quota should be applied for for the period required.

OPERATION OF THE QUOTA SYSTEM

7. Each company or business is permitted to employ expatriate staff up to the number granted by the Minister provided that such persons possess the qualifications stipulated by the company or business when applying to the Minister for a quota.

8. All non-Nigerians on duty in Nigeria, on vacation leave, temporarily absent from Nigeria, temporarily employed in Nigeria or holding valid entry visas or residence permits for entry into Nigeria will be counted against the quota.

9. The quota system does not normally apply to Educational Institutions, Universities or Government Corporations. It does however apply to all commercial companies wholly or partly owned by any of the Federal or Regional Governments of Nigeria.

10. Staff of Missions, Educational Institutions, Universities and Government Corporations require residence permits for entry into Nigeria if they are Commonwealth subjects and valid visas in the case of aliens.

ENTRY FOR RESIDENTIAL PURPOSES

Commonwealth Citizens.

11. All Commonwealth subjects seeking to enter Nigeria for the purpose of residence for any reason whatsoever are required to obtain residence permits *prior* to their entry into Nigeria and present them to the Immigration Officer who attends to them at the port of entry. Liability to present an entry permit entails refusal of entry to Nigeria.

12. Residence permits should normally be applied for by an employer in respect of his employees and employees' dependants. It is the responsibility of the Employer to ensure that his employees are in possession of residence permits on arrival at the port of entry.

13. Other persons seeking entry into Nigeria should submit their applications in writing giving their reasons for the desired entry.

14. All applications for the issue of residence permits should be made direct to the Chief Federal Immigration Officer, Private Mail Bag 12352, Lagos, and should contain the following information:—

- (a) Full name of the person in respect of whom the residence permit is required.
- (b) Date and place of birth.
- (c) Nationality.
- (d) Number, place and date of issue of passport.
- (e) Reasons for application.
- (f) Profession or occupation.

15. Residence permits are normally issued valid for two years and are subject to renewal on application at least one month before their expiry. Unless otherwise endorsed residence permits are valid for a single entry into Nigeria and may be withdrawn and cancelled on the departure of the holder from Nigeria although

the period of two years has not expired. Application may be made prior to departure for a new residence permit for a further entry into Nigeria. Such applications should show the approximate date of intended re-entry.

Aliens.

16. All aliens are required to be in possession of valid visas for entry into Nigeria and residence permits are issued on arrival at the port of entry to holders of visas endorsed for residential purposes. All applications for residential status for aliens are required to be submitted through the Nigerian/British Consular Authorities in the country of domicile or temporary residence of the applicants and should be supported by letters from their prospective employers or persons in Nigeria who are accepting immigration responsibilities for their residence in Nigeria.

17. Possession of a residence permit by an alien does not exempt such alien from possession of a valid visa for entry into Nigeria.

VISITORS

Commonwealth subjects.

18. All Commonwealth subjects seeking to enter Nigeria for a visit do not require residence permits provided they are not undertaking any kind of employment. If they intend to take up any employment, of no matter how temporary a nature, they are required to be in possession of residence permits. Unless prior permission of the Chief Federal Immigration Officer has been obtained for a longer stay visitors passes may be issued for a period of 28 days subject to renewal by any Immigration Officer up to a period of three months on application in writing by the holder, supported by his reference in Nigeria giving full reasons why he requires an extension of his stay. The visiting pass may be further extended beyond three months at the discretion of the Chief Federal Immigration Officer. Such applications must be made at least seven days before the expiration of the visitors pass and each application is dealt with on its merits.

19. An applicant for the issue of a visitors pass is normally expected to satisfy the Immigration Officer that:—

- (a) He is in possession of a return ticket to his country of origin or a destination beyond Nigeria to which he possesses entry facilities; or
- (b) He is in possession of adequate funds for his return passage or to another destination to which he possesses entry facilities; or
- (c) He is in possession of a letter of guarantee issued by a responsible Business or Commercial House, Educational Institution, approved Mission or reputable organisation in Nigeria; and
- (d) He is in possession of adequate funds for his maintenance in Nigeria; and
- (e) does not intend to remain in Nigeria permanently.

Aliens.

20. All aliens are required to be in possession of valid visas for Nigeria, and may be permitted entry up to a period of 28 days unless there is a restriction on the visa authority or a longer period has been authorised by the Chief Federal Immigration Officer. They are also required to satisfy the Immigration Officer as to their means in accordance with paragraph 19 above.

21. No extension of a visiting pass may be granted to an alien who entered Nigeria on a visa issued without the prior authority of the Chief Federal Immigration Officer and no application can be considered for residential status in respect of an alien, whilst he remains in Nigeria in consequence of a visa issued for a visit.

Note.—The holder of a visiting pass is not permitted to undertake any employment in Nigeria.

TRANSFERS

22. All persons entering Nigeria in transit are required to satisfy an Immigration Officer that they are in possession of an onward passage ticket, travel exchange voucher, or adequate funds to pay their onward passage and sufficient funds for their maintenance whilst in transit through Nigeria and they possess entry facilities for a destination beyond Nigeria. In addition all aliens require transit visas unless they are in direct transit by air or changing aircraft provided that they do not intend to leave the confines of the airport and their stay is not likely to exceed 24 hours.

23. All persons who satisfy these conditions may be issued with transit passes for the period of their transit up to a maximum of 7 days. If they wish to remain beyond this period they must apply in writing to the Chief Federal Immigration Officer at least 48 hours before the expiry of their pass giving reasons why the extension is required.

DISCHARGE OF EMPLOYEES

24. Employers are required to notify the Chief Federal Immigration Officer of all persons leaving their employment and the arrangements made for their repatriation from Nigeria. Failure to do so constitutes an offence under the provisions of Section 46 of the Immigration Act.

CHANGES OF EMPLOYMENT

25. All employees wishing to change their employment are required to direct their applications for consideration to the Chief Federal Immigration Officer together with their residence permits, letter of no objection from their present/previous employers and a letter of guarantee from their prospective employer. Under no circumstances must any change of employment take place without the prior approval of the Chief Federal Immigration Officer as this constitutes an offence under the Immigration Act.

APPLICATIONS FOR TEMPORARY EMPLOYMENT

26. All applications for temporary employment submitted by holders of residence permits in Nigeria can only be considered where there is a suitable vacancy on the quota which the applicant is qualified to fill. In the case of a wife or daughter of a resident the application must be accompanied by a no objection certificate from the husband/father and an offer of appointment from the prospective employer. Any such approval granted in no way affects the conditions under which the applicant was permitted to enter Nigeria and in the event of the purpose for which her employment was approved ceasing to operate she will be required to leave Nigeria unless she obtains the permission of the Chief Federal Immigration Officer to continue to reside in Nigeria.

27. Applications for temporary employment which do not come under the quota restrictions shall be submitted in the same manner as required in paragraph 26 and will be dealt with on their merits. Applications for teaching in Educational Institutions shall be accompanied by a letter from the Government Education Authority of the area concerned approving the teaching qualifications of the applicant.

PERSONS IN NIGERIA WHO DO NOT HOLD ANY IMMIGRATION CERTIFICATE

28. Section 36 of the Immigration Act requires that all persons in Nigeria who are not citizens of Nigeria, who are over the age of 16 years and who are not in possession of Immigration Certificates to apply to the Immigration Authorities for the issue of permits and regularisation of their stay in Nigeria. Likewise all persons who are in Nigeria at the present time or enter at any subsequent date are required to report before the Immigration Authorities for regularisation of their stay in Nigeria within 3 months of attaining their sixteenth birthday.

EXEMPTIONS

29. These instructions do not apply to any person who is in the employment of the Government of the Federation of Nigeria or any of the Regional Governments or persons holding immunity under the provisions of the Diplomatic Immunities and Privileges Act, 1962 except that any such person who is an alien requires a visa to enter Nigeria unless he is a citizen of a country with which Nigeria has entered into a visa abolition agreement.

RETURNS

30. In order to facilitate the operation of the new Act and the Quota system all employers are required to forward to the Chief Federal Immigration Officer, on the 1st August, 1963, a list of their expatriate staff including those on leave, temporarily absent from Nigeria and locally employed in Nigeria. Thereafter it will be necessary for a monthly return to be submitted showing arrivals and departure of staff.

GENERAL

31. Nothing in these notes affects the right of the Minister, or Chief Federal Immigration Officer to refuse the issue of or cancel any immigration permit or certificate or refuse a person permission to enter Nigeria.
