4. The majority of these awards are open to candidates from all parts of the Federation, but a certain number will be reserved for candidates from Northern Nigeria, Niger Delta Special Area and the Federal Territory of Lagos. Candidates, who are eligible and intend to apply for the latter awards at a later date, are free to apply for the open awards as well.

5. *Value of awards.*—Candidates should not assume that scholarships will cover all costs of study or training, though in all cases they will cover tuition fees. The value of awards will be as follows :—

(a) Nigerian Universities and Institutions of higher learning .. .. .	£160 p.a.
(b) United Kingdom and Europe .. .. .	£360 p.a.
(c) America and Canada .. .. .	£576 p.a.

6. Candidates are advised to acquaint themselves with the conditions of admission to the Courses of study or training they wish to take up and ensure that they hold necessary academic qualifications. The following points should be noted :—

(a) *For University Degree Courses.*—The qualifications required are the General Certificate of Education at Advanced Level or the Higher School Certificate at Principal Level in subjects appropriate to the intended course of study, in addition to evidence of a general education to the level of the West African School Certificate, Grade II or its equivalent ;

(b) *For Non-University Courses.*—West African School Certificate or an equivalent qualification obtained through the General Certificate of Education at Ordinary Level or officially recognised examinations in subjects related to the proposed course of study.

7. Candidates wishing to study subjects available in Nigeria and West African Institutions of higher learning and training should, in addition to submitting their scholarship applications, apply for admission direct to the Institutions of their choice. Candidates will be required to produce evidence of admission before their applications for scholarships are finally considered but no assurance of an award can be given to every applicant who has obtained entry to an Institution of learning.

8. In those cases where it appears to the Federal Scholarships' Advisory Board that places for courses of study or training are not available in Nigeria or West Africa, arrangements will, at the Board's discretion, be made to place successful candidates in Overseas Institutions. This will be done primarily by the utilisation of scholarship offers from Foreign Governments and Institutions, and from International Organisations. However, applicants for courses marked "OVERSEAS" in paragraph 2 above are also advised to apply for provisional admission to Institutions of their choice through the Students Advisory Committee of the Federal Ministry of Education.

9. The particular attention of candidates who wish to apply from abroad is drawn to paragraph 2 above. They will not be awarded scholarships tenable abroad, if study or training in their chosen fields can be pursued in West Africa. Such candidates are therefore advised to apply promptly for admission to Nigerian Institutions of higher learning. If offered a scholarship tenable in West Africa, they will be required to return to Africa at their own expense.

10. *Other Qualifications required :—*

(a) Applications for scholarships may be submitted by candidates of either sex who are Nigerian citizens and who are under 30 years of age on 1st January, 1964.
