## HEARING NOTICE

Suit No. LD/116/66

BETWEEN :

THE ATTORNEY-GENERAL OF THE FEDERATION .. .. .

Plaintiff

AND

V. A. NWIZUGBO .. .. .

Defendant

To Vincent A. Nwizugbo,  
3/5 Sulu Bolaji Street, Lagos  
the above-named Respondent.

This cause will be transferred from the General Cause List to the Hearing Paper for Monday the 4th day of September, 1967 at 9 o'clock in the forenoon, and will come on to be heard on that day if the business of the Court permits or otherwise on some adjournment day of which you will receive no further notice.

If either party desires to postpone the hearing he must apply to the Court as soon as possible for that purpose; and, if the application is based on any matter of fact, he must be prepared to give proof of those facts.

The parties are warned that at the hearing they are required to bring forward all the evidence by witnesses or by documents which each of them desires to rely on in support of his own case and in contradiction of that of his opponent. The proof will be required at the hearing, and not on a subsequent day, and parties failing to bring their evidence forward at the proper time may find themselves absolutely precluded from adducing it at all, or at best only allowed to do so on payment of substantial costs to the other side, and on such other terms as the Court thinks fit to impose.

Parties desirous to enforce the attendance of witnesses should apply at once to the Court to issue one or more summonses for the attendance of the witnesses required. It is indispensable that the application should be made so as to allow time for reasonable notice to the witnesses required.

If the witness is required to bring books or papers, they must be particularised in the summons sufficiently to enable him to understand what is meant.

Any party summoning a witness through the Court, thereby becomes liable to pay such witness a reasonable sum of money to be fixed by the Court for his expense and loss of time.

The Court may refuse to enforce the attendance of a witness unless such sum has been first deposited in the Court.

If either party desires to use in evidence at the hearing any book or document in the possession or power of the other party, he must give the other party reasonable notice in writing to produce it at the hearing, failing which he will not be allowed to give any secondary evidence of its contents.

DATED at Lagos this 16th day of June, 1967.

By order of the Court.

M. A. AKINTOLA,  
Registrar

(b)—(i) *Method of applying for scholarship forms.* Candidates who want application forms to be sent to them by post from the Ministry of Education, Ibadan, should attach a self-addressed envelope marked 'SCHOLARSHIP GWN 1967' in the left hand corner with the Treasury Receipt for 10s when applying for the forms. (b) In addition to submitting scholarship applications, candidates are expected to apply for admission direct to institutions of their choice. This applies in particular to candidates wishing to study subjects available in Nigerian and West African institutions of higher learning. Applicants for courses tenable overseas are also advised, in their own interest, to apply for provisional admission in institutions of their choice. Where they fail, successful candidates will be assisted by the Ministry in securing admission. Candidates should generally acquaint themselves with the conditions of admission to their courses of study. In the case of successful candidates who produce evidence of admission to overseas institutions, the Scholarship Board would confirm such admission through the Nigeria High Commission, London or the appropriate Embassy in the country concerned.

(c) Similarly, in cases of other courses of study which are not available in Nigeria or West Africa, arrangements will be made, at Government's discretion, to place successful candidates in overseas institutions. It is necessary to draw the special attention of candidates who wish to apply from outside West Africa to the fact that they will not be awarded scholarships tenable abroad, if the study or training in their chosen fields can be pursued in Nigerian or West African Institutions. Such candidates are therefore advised to apply promptly for admission to Nigerian or West African Institutions of higher learning.

This Office will not be responsible for originals of certificates forwarded for its use. Candidates should therefore not send their original certificates at the initial stage.
