Government Notice No. 2012

PRICES OF PETROLEUM PRODUCTS IN CERTAIN STATES OF THE FEDERATION

It is notified for general information that prices of certain petroleum products are to be reduced in certain States of the Federation where they had been increased as a consequence of the effects of the national disturbances on the normal supply pattern to those States.

2. The Commissioner for Mines and Power, in exercise of the powers conferred on him by section 5 (1) of the Petroleum Decree of 1969 has therefore approved new retail prices of petroleum products in some 'reference towns' in the States affected, as listed in the schedule overleaf. Prices in other parts of these States are to be adjusted relative to the prices in the 'reference towns'.

3. The approved prices of specified products applicable in the given 'reference towns' are contained in the schedule overleaf and will become effective from the 1st of January, 1971.

S. I. A. AKENZUA,
Permanent Secretary,
Federal Ministry of Mines and Power
