Government Notice No. 302

Oil Pipelines Act 1965

APPLICATION FOR AN OIL PIPELINE LICENCE  
16-INCH O.D. PIPELINE

Notice is hereby given in accordance with section 8 of the Oil Pipeline Act 1965 that Mobil Producing Nigeria, whose registered office is at the New Niger House, 1-5 Odunlami Street, Lagos, has applied to the Federal Ministry of Mines and Power for the right to enter upon, take possession of and use for a period of twenty (20) years a strip of land on the Continental Shelf and underneath the waters thereof for the purpose of laying a 16-inch O.D. welded steel pipeline to connect existing 16-inch loading line from the Idoho Production Platform to the existing 26-inch loading line to our Spread Mooring Facilities.

DESCRIPTION

1. All that strip of land approximately 200 feet wide on the ocean bottom starting at the South end of our existing 16" loading line whose Nigerian Co-ordinates are N 38,626 meters; E 615,153 meters and whose Greenwich Co-ordinates are N 04° 20' 57"; E 08° 0' 03"; and extending on an approximate bearing of N 50° 35' 09" E for a distance of approximately 0.047 miles to the South end of our existing 26" loading line whose Nigerian Co-ordinates are N 38,671 meters; E 615,208 meters and whose Greenwich Co-ordinates are N 04° 20' 59"; E 08° 0' 05". The pipeline will be laid in approximately 60 feet of water.

2. A copy of the plan of the pipeline route identifying the sea bed affected may be inspected at the Ministry of Agriculture and Natural Resources, Calabar, the Federal Ministry of Mines and Power, Lagos and Port Harcourt and the office at New Niger House, 1-5 Odunlami Street, Lagos of the aforesaid Company.

3. Any person who considers that his interest or interests will be injuriously affected by the grant of the Licence should lodge orally or in writing, not less than seven (7) days before the hearing date in paragraph 6, with the Ministry of Agriculture and Natural Resources, Calabar, notice of objection stating the interest of the objector and the grounds of objection.

4. Any Public Officer who receives a verbal objection in the course of his duties shall record the name and address, interest and grounds of objection

of any person lodging such a verbal objection and shall forward the details to the Ministry of Agriculture and Natural Resources, Calabar.

5. Matters relating to the amount of compensation payable by the aforesaid Company for the use of sea bed and land affected shall not be material grounds to include in a notice of objection.

6. The delegate of the Ministry of Agriculture and Natural Resources, Calabar, shall inquire into objections (if any) duly lodged in accordance with paragraphs 3 and 4 above at the office at Calabar at 10.00 a.m. on the 12th day of April, 1971 giving all parties an opportunity to be heard, and reports thereof shall be sent without delay to the Director of Petroleum Resources, Federal Ministry of Mines and Power, Lagos.

7. Compensation (if any) payable by the aforesaid Company for the use of the sea bed and land affected shall be determined by negotiations between the Company and those whose interest or interests are affected.

DATED this 25th day of February, 1971.

**REPORT OF THE AUDITORS TO THE MEMBERS**

As auditors appointed under section 44 (1) of the Central Bank of Nigeria Act (Chapter 30), we have examined the above balance sheet and profit and loss account which are in agreement with the books of account.

In our opinion proper books of account have been kept. We have obtained all the information and explanations which we considered necessary for our audit and, in our opinion, these accounts show a true and fair view of the state of the bank's affairs at 31st December, 1970 and of the profit, ascertained in manner indicated, for the year ended on that date.

PANEL SET UP TO INVESTIGATE  
REGISTERED DEPOSITS IN CONNECTION  
WITH THE LAST CURRENCY EXCHANGE  
EXERCISE IN THE RIVERS STATE

It is hereby notified for general information that the Federal Military Government has appointed the above-mentioned panel to investigate and determine the legitimacy or otherwise of the sources of deposits, and/or the rates of conversion of old currency notes (including Bank deposits) by various persons, including Government and Government agencies, during the last exchange exercise in the Rivers State.

2. The Head Office of the panel will be Lagos but it will sit in any other place which it considers convenient for the proper execution of its assignment.

3. Sittings of the panel shall not be open to members of the public but persons requiring to appear before it shall be summoned by letter issued from the panel's Secretariat.

4. Evidence shall be required from those being investigated in writing in the first instance, provided that in all cases, where the panel so directs, any such persons shall appear before the panel in person and answer questions orally.

5. The panel shall have power to call for books and accounts of any person including Government and Government agencies being investigated and shall also be empowered to enter and inspect the person or private premises of such a person, if in the opinion of the panel such entry will assist it to arrive at a reasonable conclusion on the issues.

6. Representation by legal counsel shall not be allowed in respect of any matters brought before the panel but agents or other personal representatives may be allowed for the sole purpose of explaining matters of facts, e.g. accounts.

7. Those appointed by the Federal Military Government to serve on the panel include:—

An international staff of seven will be selected to train and advise Indian counterpart personnel during the three year period of the project. Fellowships will permit external experience and training for key Indian staff.

As an integral part of the training programme for television production staff within the Institute, it is important that trainees have the opportunity of trying-out and evaluating their productions with a variety of audiences especially with adult education audiences in the rural villages. Students' evaluation of their productions should as far as possible be based upon the scientific methods of communication research. In order that producers may develop an empathy towards a variety of audiences, it is also important that they should have some understanding of the basis of the sociology of communication and social effectiveness of television. Thus the project includes equipment (a research vehicle) for the purpose of communication experimentation and the evaluation of trainees experimental production.

4. *Functions.*—Under the general supervision of the Chief Technical Adviser and in co-operation with a counterpart appointed by the Government of India, the expert in Communication Psychology and Research Training will have as his principal responsibilities the following tasks :

(a) to train staff in the methods and techniques of audience research and "feedback" systems for educational television ;

(b) to train students in the psychology of communication and research methodology as applied to evaluation of television programmes for educational purposes ;

(c) to initiate, organize and carry out experimental research programmes concerning the differential use of television information by a variety of rural audiences and the relative effectiveness of various programme styles in community adult education concepts, e.g. agriculture, family planning, health, community development, etc. to rural audiences.

5. *Qualifications :*

(a) University degree in one of the social sciences with post-graduate qualifications in communication research ;

1. *Title of post.*—Television—VTR—Kine Recording and Processing Training Expert.

2. *Location.*—Film and Television Institute of India, Poona.

3. *Background.*—The Government of India has taken the decision to expand television throughout the country on a progressive and systematic basis. The primary function of the medium will be to assist and support national unity, education, economic and social development. In order to provide for the necessary skilled personnel to man the television systems, a Special Fund project has been established to assist in the development and operation of a television training centre, integrated with the existing Film Institute of India—now designated as the Film and Television Institute. An international staff of seven will be selected to train and advise Indian counterpart personnel during the three-year period of the project. Fellowships will permit external experience and training for key Indian staff.

4. *Functions.*—Under the general supervision of the Chief Technical Adviser and in co-operation with a counterpart appointed by the Government of India, the Television VTR—Kine Recording and Processing Training Expert will have as his principal responsibility the following tasks :

(a) Assist in the installation and operation of a kine recorder equipment ;

(b) Instruct in the techniques of TV recording especially kine recording ;

(c) Assist with the adaptation of a regular film processing department to a high speed operation necessary for television production and the special quality control required for the processing of kine recording ;

(d) Assist in the transfer of educational television material from tape to film by electronic means ;

(e) Organize and conduct training courses in television recording in both VTR and kine ;

(f) Advise on all aspects of film processing for television ;

5. *Qualifications.*—University background or equivalent experience. A minimum of 5 years' experience covering all aspects of television—VTR—kine recording and processing techniques, part of which should have been in a supervisory capacity. An ability to advise on the installation of equipment relevant to this technical operation. Experience as a teacher of these subjects.

6. *Language qualifications.*—English.

7. *Duration of appointment.*—18 months commencing January 1972.

8. *International salary and allowances.*—(Net of national income tax—payable partly in the currency of the staff member's home or of the duty station).
