UMUGEREKA – ANNEX - ANNEXE

Agreement on the Establishment of the Global Green Growth Institute

The Parties to this Agreement,

Acknowledging that the integration of economic growth and environmental sustainability is essential for the future of humankind;

Recognizing the need to develop and diffuse a new model of economic growth—green growth—that simultaneously targets economic performance and environmental sustainability, ultimately supporting the global paradigm shift towards a sustainable economy;

Supporting the sustainable development of developing and emerging countries, including the poorest communities within those countries and the least developed countries, through effective green growth strategies and plans that deliver poverty reduction, job creation and social inclusion in an environmentally sustainable manner;

Striving to achieve the sustainable development of the international community through dialogue, collective learning and collaboration between developed and developing countries and the public and private sectors;

Contributing to the successful outcome of the United Nations process on sustainable development and attainment of other internationally agreed goals, including the Millennium Development Goals such as eradicating extreme poverty and hunger, ensuring environmental sustainability and developing global partnerships for development;

Pursuing a close collaboration with other international organizations and international financial institutions that promote green growth;

Understanding that the design and implementation of green growth require continuity and a long term perspective;

Noting that a new kind of interdisciplinary and multi-stakeholder international organization is necessary to effectively address climate change and implement low-carbon development strategies; and

Desiring to establish the Global Green Growth Institute as an international organization;

Have agreed as follows:

Article 1
ESTABLISHMENT

1. The Global Green Growth Institute is hereby established as an international organization (hereinafter referred to as the “GGGI”).
2. The headquarters of the GGGI shall be located in Seoul, the Republic of Korea.
