**STATUTE LAW REVISION (MISCELLANEOUS AMENDMENTS)
(No. 2) BILL, 2022**

(Bill No. 15 of 2022)

EXPLANATORY STATEMENT

In the preparation of the revised edition of the Laws of Seychelles, the Law Revision Commissioner, in consultation with the Attorney General and on the approval of the Cabinet of Ministers, considers it desirable for this Bill to be presented to the National Assembly. This Bill is being presented to the National Assembly pursuant to section 6 of the Statute Law Revision Act, Cap. 231.

This Bill seeks to amend the following laws —

1. **Adjudication of Titles Decree, Cap. 1.** Minor amendments are made to this law including giving the Minister the power to amend the Schedule.
2. **Land Registration Act, Cap. 107.** The objectives of the amendments under this Bill are, amongst other things, —
 - (a) to enable the Land Registrar to: send and receive instruments and documents electronically; facilitate hearings or an investigation electronically; and administer oaths or take an affidavit electronically;
 - (b) to enable a proprietor of land to create a right of way on the proprietor's land or allow the proprietor to subject the proprietor's land to the burden of a restrictive agreement for the benefit and enjoyment of the public;
 - (c) to make it clear that the Land Registrar can refuse to accept a second application by the same person or anyone on behalf of that person in relation to a restriction of a person's land;
 - (d) to reform the process in relation to the transmission of land on death of the proprietor in light of the Curatelle Act, 2021.

3. **Land Survey Act, Cap. 109.** This Bill seeks to revise monetary fines under this Act and make it clear that a person who attains the age of 18 years can practise as a land surveyor.
4. **Condominium Property Act, Cap. 255.** The Bill seeks define the words 'Minister' and 'Register of Condominium Property'.
5. **Right of Access to Islands Act, Cap. 204; Delineation and Classification of Domaine Public Act, Cap. 60; National Symbols Act, Cap. 146; District Emblems Act, Cap. 261.** This Bill seeks to, amongst other things, update the monetary penalties and definitions under the aforementioned Acts.
6. **Mortgage and Registration Act, Cap. 134.** This Bill seeks to, amongst other things, update the fees under this Act and bring certain provisions in line with the Civil Code Act, 2020.
7. **Complaints Bureau Act, Cap 41.** This Bill seeks to repeal this Act. The Complaints Bureau was established in 1991 to investigate complaints of administrative actions taken by any person or public authority on behalf of the Government. However, under the 1993 Constitution, the Office of the Ombudsman was established giving the Ombudsman the same and wider powers than the Complaints Bureau. In any event, this Bureau is not used by the public.
8. **Public Holidays Act, Cap 190.** This Bill seeks to give the President the power to amend the Schedule to this Act.
9. **Anglican Church (Constitution of Anglican Diocese of Seychelles) Act, Cap. 7.** This bill seeks to repeal section 10 of this Act because Article 910 of the Civil Code of Seychelles Act of 1976 was repealed by the Civil Code Act of 2020.
10. **Seychelles National Institute for Culture Heritage and the Arts Act, 2021.** This Bill seeks to make it clear that the National Monuments Act was repealed by the National Institute for Culture Heritage and the Arts Act.

11. **Curatelle Act, 2021.** This Bill seeks to, amongst other things, provide for a seal of the Curator; and the registration and publication in the Gazette of the revocation or dismissal of an executor. It also seeks to set a time limit for the winding up of succession opened prior to the enactment of the Curatelle Act of which an executor was appointed prior to 31st July, 2022.
12. **Civil Code of Seychelles Act, 2020.** This Bill seeks to align this Act with the Curatelle Act to make it clear that the Curator has powers to make orders in relation to the appointment of a fiduciary and an executor. It also seeks to make a permission granted by an owner of land to the State or a public body to develop a road or an access or any structure on the proprietor's land for the benefit of the public or a person an easement created by law or arising by law.
13. **Immovable Property (Transfer Restriction) Act, Cap 95.** This Bill seeks to provide for circumstances where an Association registered under Registration of Associations Act or any other written law, or an Association established outside Seychelles, shall be a non-Seychellois and hence, will require sanction to acquire immovable property in Seychelles.
